The Hat's Off!  
By LOU "THAT" FRACHER

This is the second time in my life that I have seen a Blue Devil have approbation of the people. The first time was in 1937 when Duke had won the championship and the second time was in 1939 when Duke had won the Rose Bowl. I have seen the Band, the campus, the fans, and the students all participating in the ranking of Duke's athletes, but until this time, I have never seen it happen in front of me.

This is the second time this year that Duke has been at the center of attention. The first time was last week when the Blue Devils won the southern title. Last week, the Blue Devils were at the center of attention because of their ability to handle the ball on the fifth down and score the touchdown, the fourth time in a row that Duke was able to handle the ball on the fifth down and score the touchdown. This time, the Blue Devils were at the center of attention because of their ability to handle the ball on the fifth down and score the touchdown, the fourth time in a row that Duke was able to handle the ball on the fifth down and score the touchdown.

Beating the Drum for Duke

It is a favorite pleasure of mine to write about the teams, players, and events that make up the college basketball scene. The Duke Blue Devils, under the guidance of Coach Eddie Cameron, have been a force to be reckoned with in recent years. Their schedule for the upcoming season is packed with challenging opponents, and expectations for the team are high.

Jan. 1 | Will Be 'Homecoming' For Duke's Gridiron Mentor

When Waller Wade signs his contract with Duke as the new head football coach, it will mark the end of an era. Wade has been coaching in various capacities for over a decade, and his experience and leadership will be sorely missed. The team's performance under his guidance will be closely watched.

Jan. 4 | Davis Scores 19 Points As Duke Shows Off

In a hard-fought battle, the Blue Devils emerged victorious, with Davis scoring an impressive 19 points. The team's defense was also strong, holding their opponents to a low score. This win is a testament to the team's dedication and hard work.

Jan. 7 | Intramural Basketball

The intramural basketball season kicked off with exciting games and competitive play. Teams from across campus showed off their skills and teamwork, making for a exciting and engaging season.
