Trin. ity's inability to land on him safely when his hits were run was one of the causes of her defeat. Clement, who was in the box for Trinity, was up to his usual standard and his play compares very favorably with that of the opposing pitcher. Only five hits were made against him by Tech, after being struck out eight and walked in. Being much in superior, as he got a single, on which Wrenn made a magnificent catch at short, had very little to do, and by their presence added much to the enjoyment and pleasure which was, throughout, the order of the evening. After the serving of an elegant repast, Mr. H. G. Pugh found acting as toastmaster, numerous interesting and appropriate toasts were responded to, Mr. W. M. Smith, president of the class, spoke first, in an enjoyable way, about the class and its work and the spirit shown by it in all that it had done. "Nighth-Six" was responded to by Mr. C. J. Harris, an especially happy fellow, followed by Mr. S. B. Underwood, who spoke of The Archives. For Train Carolus, Mr. Pugh said a few things, and after him Mr. T. M. Stokes responded to the toast, "The Ladies," Miss Katherine Herreg, as ancestors of the "Mighty Mound," and they collectively, provoking much merriment and good natured comment thereby. The class prophecy was read by Mr. C. B. Marshall, and with a mastery hand, was responded to by different members, however quite contrary to some of their within. On account of the heavy freight traffic at this season it has been impossible for Mr. C. E. Pugh, who has had the matter in hand, to secure a special train to carry the students to the Davidson Trinity game on next Saturday, at Richmond. Of course this will be a great disappointment to many, but it has been through no lack of effort on the part of those interested in getting the train. The following reduced rates, however, may be secured for those desiring to go. For a party of fifty or more, $1.50 round trip; for any number between ten and fifty, $1.75. All who expect to make this trip see Mr. Pugh by Wednesday noon at the latest.

The program was of a high order, and was largely attended. The concert which was given at the Conservatory of Music Friday evening, by the Trinity Park School Athletic Association, was largely attended by the players and was the benefit of the base ball team. The program was of a high order, and was largely attended, there being only two errors made and these were on difficult chances. How the Run Came. Trinity scored her only run in the fourth inning, after two men were down. Johnston, who was first up, put a grounder to the first baseman and was out. Smith hit to pitcher and was thrown out at first. Johnston then took the sock and swatted the ball nearly to the fence in center field, this netting him three bases. Clement followed with a two-base hit, and Johnston was then safe next up, and on the pitcher's dilemma Clement attempted to steal home, was caught, and the side was out. For Trinity, there were a number of features. At first, Sitter played a great game, making some fine plays at first and second base. The second game of the Tech team was played Saturday afternoon on the same grounds, being called at 3:50 o’clock. This went to the Georgia players by a score of 5 to 1. It was lost be-cause of the fact that at critical times hits could not be made by Trinity, though a total of seven were secured, whereas the Techs got only five of Gantt, who was in the box against them. At three stages of the contest there was every indication that the Methodist boys would build up a number of scores and repeat their performance of the previous day, but Loftis, who was the chief artist of the Georgians, could not be touched just in the right way, making the score of 5 to 1.

The game went along, snappy and astonishing in some magnifi-cent work for both teams, without any scoring till the sixth inning. In her half Trinity came very near putting a man or two across the plate, but three went out with nothing accomplished. Then Tech took the bat. Rutler faced Gantt first, and he got a single. Knight followed him and was given his base, this bringing the

TRINITY AND TECH CLASH

(Continued from first page.)

The second game of the Blackhills men was an almost unbelievable surprise to the most sanguine, for heretofore the Tech team has had an exceedingly tough proposition, and it was expected that their victory would be by a very narrow margin at the best. But the above record shows that our boys worked together in perfect harmony and “did the stunt” for the Georgia players. That one victory, however, was eloquent of, Clement’s work in the box. Of him the Atlanta Con-stitution said: “Clement showed some of his characteristic playing. In her half Trinity came very near putting a man or two across the plate, but three went out with nothing accomplished. Then Tech took the bat. Rutler faced Gantt first, and he got a single. THE TRIP.

The following letter as far as the Southern trip has been very sat-isfactory, and if it continues as it has gone, it will be a splendid trip. If the weather be propitious, we shall enjoy a good time, and all will be able to be proud of the trip which is this year a representative of Trinity College. For giving such a splendid victory over the Techs alone we should be proud of the team which is taking it. For rain.

LOST ATTENDANCE.

The attendance at the various places of business has been so light that it is difficult to find a man to make up your mind about business. The Manager of the State, T. G. McMillan, will address to the Editor-in-Chief, and be proud of the team which is taking it. For rain.

Score Five to Two at the End of an Interesting Contest.

Ralph Clement and Johnston Scored Three—Bagger—Game Marked by Heavy Hitting—Captain Smith Plays Star Ball.

Wednesday afternoon on the Hanes Athletic Field, Trinity defeated the A. and M. College team of Raleigh, in an interesting game of base ball, by the score of 5 to 2, a sharp, fast fielding and base running being the order of the contest. For the home team Geant was in the box, and he made a splendid showing by bringing in the visitors with five hits and two scores. Throughout, his pitching was of the star class, notwithstanding the fact that A. and M. scored one run early. He had an abundance of speed and good control and used his drop curve very effectually. In such a game, of course, he struck out one man, bringing his total of strikeouts up to eight.

Edgridge, for the A. and M., pitched fairly good ball. He struck out six men and allowed eleven hits. Some of these were long ones, however, and all, with a single exception, were fair. Both Clement and Johnston secured three-baggers, the latter's being a fielding error, hit, his base and to the right-field fence at a most opportune moment. Wrenn likewise got on a clean base.

On the whole, the hitting was heavy and bunched. At short, Smith, king of all, played a beautiful game, accepting all of the plays of importance, and getting the visitors of neutrally safe hits. Justus came in for a fast piece of work also. Thompson hit a remodeling to right, which was faked so fast that he was thrown out at first. This is the second time within two successive games that Justus, by extraordinarily fast stop, has thrown a runner out. He likewise hit his base and to the right-field fence at a most opportune moment. Wrenn likewise got on a clean base.

Clement's hand striking his leg unfortunate accident was due to the speed with which he was moving. I baptized him and his wife. Father—which has a sweet meaning—finally he touched a new light and robbing the visitors of some off base.

ALUMNI NOTES.

The following clipping from the News and Observer notes the enterprise of one of Trinity’s last year’s students.

“Mr. P. H. Elkins has purchased the Sterling City Grid and will edit it, succeeding Mr. W. R. Lawson, who has made it a good exponent of Western Christianity.”

While in college Mr. Elkins gained many friends for himself and it was with much regret that we learn he will not be back again this year, during his stay at Trinity he did newspaper work with the Durham papers, and since then has been engaged in similar work at Rhine College, N. C. Mr. Research and his many accomplishments make him much success with his new venture.

She is able to be back in the office Saturday for the first time.

Mr. W. A. Lucas, a former Trinity student, who is a lawyer in Atlanta, was amongst the visitors.

Mr. C. W. Tillott, Jr., of the University of North Carolina, was the guest of Mr. W. F. Tillott Sunday.

Rev. L. P. Howard, of States­ton, has returned to his work after having spent a few days at the park.

While Mr. W. M. Smith, W. S. North Carolina Conference by the Historical Society Thursday Evening.

On last Thursday evening the Historical Society held its regular monthly meeting in the dining hall of the Epworth Building. This meeting was different, in several respects, from all others that have been held. In the past, only those who are members of the society were invited to be present, the public in general being at all others cordially invited. The program had not been previously arranged. The one that was given was perhaps as good as has been given this season. The program read, these being by Messrs. Gillmer Koerner, Jr., J. M. Temple­man, and W. A. Bryan, each on some bit of unwritten local history. In addition to these, J. F. Bassett told, in his characteristic style, several things that drew laughter and applause.

During the rendering of the above program coffee and ham sandwiches were served, with pickles, and several kinds of fruit were added after this course. As an excellent sauce, Mr. C. M. Smith, who was the only guest at the occasion, sang Schiller's "Lorelei" in the original German. He made a fine effort, and was roundly applauded. The meeting was not so well attended as was anticipated, but those who were present were amply re­warded.

The program which was given by the V. W. C. A. last week was very interesting. The subject was Bible Study. Papers were read by Misses Shot­well, Wrenn, Godwin, and Her­ring. Dr. Minus will address the next meeting.

Misses W. G. Jerome, L. Huc­bin, A. L. Whisnant, and F. S. Weeks went over to Chapel Hill Friday afternoon to hear the Cardina­Giorgia debate that evening. Mr. Love's brother was one of the speakers. Dean S. P. Mims was one of the judges. Car­olina won the debate.

Yesterday afternoon a snappy game of basket ball was played between the Junior and Freshman teams, the Junior winning by a score of 24 to 22. Those who played on the Junior team were Messrs. Campbell, McElroy, Cole, Phillips, Spencer, Biscoe, and Stewart; and on the Freshman team Messrs. Grant, Templeton, Frank­lin, Lewis, Ferguson, and Smith.

Two more games will be played between these teams soon.

In the New York News Letter of March and April there appeared a very interesting article about Trinity College. These were five cuts of buildings, those being the Main Building, the Memori­nal Hall, the Library, the New Dormitory, and the Epworth Building. This number of the News Letter is a special North Carolina issue and contains a large number of articles and views of the State.
