From the above it will be seen that the total of games arranged is twenty-eight. This is by far the largest number of games that have ever been arranged for the Trinity team. The schedule which approaches it nearest is that of the season of 1905, when twenty-one games were played. The twenty-eight of this season have been so arranged that it is very likely every one of them will be pulled off. Two games are now pending with Wofford College, to be played in Durham, and if they are secured the total will be (Continued on third page.)

STUDENT CONFERENCE.

Will Convene Here Friday Evening, With More Than a Hundred Delegates in Attendance—Its Purposes.

From Friday of this week to Monday of next there will be a hundred or more students and professors from the different colleges and preparatory schools of the State on the campus attending the student conference which is to be held under the control of the interstate committee of the Y. M. C. A. The purpose of the conference is to consider the Association problems in college life, to discuss the methods and practices of Bible and Mission study among college men in the light of the experience of different sections, to unify the Association work in the State, to furnish inspirational power and to produce good fellowship.

Among those who have agreed to take part in the program are the following: Dr. H. F. LaFlamme, traveling secretary of the Student Volunteer Movement, Toronto, Canada; Dr. A. L. Phillips, Sunday School superintendent of the Southern Presbyterian Church, Richmond; Mr. G. C. Hunnington, interstate secretary of the Y. M. C. A. for the Carolinas; Dr. W. L. Poteat, of Wake Forest College; Dr. C. Alphonso Smith, of the University of North Carolina; Mr. R. M. Harper, assistant traveling student secretary, New York; Mr. C. D. Daniel, student secretary for the Carolinas, Charlotte; Dr. William P. Few and Dr. Edwin Mims.

The first session of the conference will be held Friday evening at 7:30 o'clock and the last Sunday evening at 7:30.

In addition to the student representatives from the educational institutions of the State at least two members of the faculty are expected to be present from each school. All regular delegates will be entertained by the students here or by citizens of the city.

WITH THE COLLEGES.

A basket ball team, the first in several years, has been formed at Vanderbilt and a schedule of games is being arranged.

The Y. M. C. A. Student Conference of Virginia met this year at the University of Virginia.

Sixty-one candidates have begun cage practice at the University of Virginia for the base ball team. Ten out of eleven of last season's "V" men are included in the number.

The constitution of the General Athletic Association at Georgia has been changed so that each student on becoming a member of the new association will be required to pay five dollars into the treasury, and one dollar additional for dues before the first of October. The five dollars will be refunded to each man when he graduates, and is merely a loan without interest to the association.

TRINITY PARK SCHOOL NEWS

New Editor-in-chief Named for the Gazette.

CLASS DAY OFFICERS ARE CHOSEN

Y. M. C. A. Revival Soon—Contents of February Gazette—Ten Students Have Enrolled Since Examinations.

Mr. Vernon Moore is sick with the gripe.

The Senior Class has elected Mr. T. D. Chatham Editor-in-chief of the Gazette to take the place of Mr. J. L. Lockhart, who was compelled to leave school on account of sickness.

Hon. Roscoe Turner and wife, of Elizabeth City, visited Prof. North Sunday. Mr. Turner is a member of the State Legislature from Pasquotank county.

Master Thomas Aldridge has recovered from his attack of typhoid fever, but Fred is still sick with fever.

The February Gazette will appear in a day or two. This issue promises to be of special interest. The contents are:

"Fight at Rugby" by Thos. Hughs.

"Tolstoi, the Religious Teacher."

"Philosophizing of Rasselas," "Baseball and Life," by H. M. N.

Poem, "Press On."

"Face the Fight," by E. S. Blalock.

Last week the Senior Class met and elected class day officers for Commencement. Those elected are: B. B. Flora, Statistician, Archie Ferguson, Orator; D. F. Cheatham, Historian; B. S. Hurley "Phunny" Man; T. D. Chatham, Poet; Miss Christine McIntosh, Prophetess.

The Y. M. C. A. expects to hold its revival sometime within the next few weeks.

The number of new students that have enrolled since examinations is ten. About twelve or fifteen also matriculated during January just after the Christmas holidays.

The baseball season is fast approaching, and the boys are showing great interest by daily practice. The prospects are that Trinity Park School will have an exceptionally good team during the coming season.

Dr. Detwiler Dined.

Dr. G. H. Detwiler, who has been conducting the revival here, was entertained Saturday at a dinner given complimentary to him by Dean S. F. Mordecai, of the Law School. Other guests who partook of the Dean's hospitality were: Dr. J. C. Kilgo, Dr. W. P. Few, Rev. T. A. Smoot, Prof. W. H. Pegram, Prof. A. H. Meritt, Dr. W. I. Cranford, and Dr. Edwin Mims.

Mr. C. C. Barnhardt has fully recovered from the attack of la gripe with which he was confined to Watts Hospital.

THE REVIVAL CLOSES.

Final Service Was Held Last Night by Dr. Detwiler—All His Sermons of Much Thought and Power.

The meeting last night was the last of a series which have been in progress here for the last nine days. Dr. Detwiler left today for his home at Greensboro.

Two services have been held daily for the last week at 3 and 7 P. M., respectively. The afternoon service was more in the nature of a prayer service, with a short talk. The sermon each night was preached by Dr. Detwiler and every one of them was a strong, forceful appeal, deep in thought yet presented in the simplest manner. The chief characteristic of the sermons have been their appeal to the intellectual side of the men in contrast to the emotional, the speaker having but little faith in the latter sort of preaching. The outward effects of the services were therefore not such as generally follow from the appeal to the sentiment but a strong under current of seriousness has been noted from night to night and many faiths have been lifted out of the unstable quicksands onto the firm rock and the steadfastness and strength of the student body has been greatly extended.

Thirty-two Million for Education.

John D. Rockefeller has given to the General Education Board the sum of thirty-two million dollars. This with the eleven thousand already donated makes a total of forty three million dollars. The Board of the Rockefeller foundation has adopted these principles for its guidance:—

"To co-operate sympathetically and helpfully with the several religious denominations; to select as far as practicable centres of population and wealth as the permanent pivots of an educational system, to mass its gifts on endowment."

This summary of the governing rules of the Board's work was given out by Mr. Buttrick, the secretary. It was further stated that of five hundred or more colleges in the United States, more than four hundred colleges were directly established by the several religious denominations, fifty-five by the several States and less than fifty by other agencies. Of the latter number many were established by organizations of Christians not directly connected with any particular communion. It is the judgment of the Board that since the several Christian communions give so much attention to the promotion of higher education. Such an agency ready at hand should receive the Board's heartiest co-operation.

Mr. Justice Brewer, of the United States Supreme Court, is the best speechmaker among the nine members of that distinguished body.—"Saturday Evening Post"

INTERSOCIETY DEBATE ON APRIL 12

Mr. F. S. Love Marshal and Mr. A. L. Wissburg Manager—Elected at Called Meeting of Societies Thursday Afternoon.

There was a call meeting of both the Columbian and Hesperian Literary Societies last Thursday afternoon. The purpose of the meetings was to act on the recommendations of the Debate Council in regard to the intersociety debate. Both societies accepted its plans and the debate will be held on Friday evening, April 12, just a week after the Trinity-Tennessee contest. The preliminary to the debate will be on Saturday evening, March 9, in both societies. The question was submitted by the Hesperians and the Columbians chose the negative side. It reads: "Resolved, That the United States government should pay subsidies to encourage the building of ships under the American flag."

Another matter taken up and acted upon by the societies was the election of the chief officers for commencement this spring. By alternation the chief marshal this year comes from the Columbian Society and the chief manager from the Hesperian Society. To the former position Mr. Franklin Swindell Love, of Monroe, was elected, and to the latter Mr. Abram Lincoln Wissburg, of Durham. The election of Mr. Wissburg was by acclamation. Each of these two officers will appoint six assistants from his society.

The following men have entered the preliminary from the Columbian Society: On the affirmative, J. B. Sidbury, Willis Smith, S. A. Richardson, R. C. Goldstein, Arnold Briggs, Bob Lee Phillips; on the negative, A. J. Templeton, G. M. Daniel, F. S. Love, W. T. Brothers, T. G. Vickers, C. N. Crawford.

From the Hesperian Society those who will take part in the preliminary in that society are as follows: On the affirmative, H. C. Doss, L. Herbin, W. V. McRae, A. L. Wissburg; on the negative, J. M. Hays, T. H. Edwards, J. B. Warren.

A LITERARY CLUB.

Some months ago we took it
upon ourselves to say that there
was a large opening at Trinity
for the formation of clubs among
the students for the promotion of
various interests. It is our pur-
pose now to urge most earnestly
that something be done to pro-
mote more interest in literary
work. The need of this goes
without mention as certain things
have recently indicated. All the
leading colleges and universities
of the South have clubs the pur-
pose of which is to encourage
more creative literary effort and
from our exchanges we learn that
these organizations are meeting
with splendid success.

So far as the movement gone
that an intercollegiate association
has been formed in which six
institutions have become affiliated,
these being Vanderbilt, Sewanee,
North Carolina, Virginia, Geor-
gia, and Randolph-Macon. The
prime movers in the organization
were the Sopherim club of the
University of the South and the
Calumet club of Vanderbilt. The
first convention of the association
was held at Vanderbilt last
Thanksgiving when a constitution
was drawn up and unanimously
adopted and sent to the various
clubs for their ratification. No
name was adopted at that time
and the matter was referred to a
committee. A suitable pin will
be adopted when a name has been
agreed upon. In regard to the
organization the Vanderbilt Hus-
ler says that it "is not to be an
ironclad one, like the fraternity
system, but to be an association
of clubs. Plans were set on foot
for another convention for next
year, although the place of hold-
ing it has not been definitely de-
cided. Several colleges have asked
to be allowed to entertain this,
though as yet it has not been
definitely settled."

Trinity should at once by all
means make arrangements to join
the association and the only way
by which this can be done is by
forming a local club first and
then applying for admission
which will no doubt be readily
granted. So let's get busy and
see if we cannot keep up with
other southern institutions in a
literary line as well as in athletic,
rebatting, and other lines.

"STUDENT EXPELLED."

The expulsion of a high stand-
ing member of the junior class of
the Yale Academic department
for vand'ism was announced to-
night by Prof. John C. Schwab,
librarian. The following notice
was posted in the library:

"A student who was detected
mutilating the files of newspapers
kept in the Dwight Hall reading
room has been compelled to leave
the University. It is a fitting oc-
casion to call attention to the
fact that any cutting or mutilating
of the files is a serious offense,
not only against the student
body but also against the Uni-
versity as a whole. In many
cases it is impossible to procure
copies to replace those muni-
lated."—New York Sun.

We regret that such a thing as
this should be applicable at Trin-
ity College, but such is the case.
Vandalism of the above type has
been going on all this year and
while no one has been detected
somebody is guilty, and a student
is guilty. There is scarcely a
copy of "Life" but has been mu-
tilated in at least one place and
some copies have been cut up so
badly that it is very harassing to
one to turn through the pages
and find here and there an entire
article gone. "Life" is not the only
paper that has suffered at the
hands of the newspaper vandal
whoever he may be, but "The
Ladies Home Journal" and the
"Woman's Home Companion"
have also been mutilated.

It is possible that the guilty
student has not looked upon his
act as a crime but the very fact
that it is always done secretly
would lead one to suspect that he
does not feel that it is right. It
is a high crime against the whole
College Community and the guilty
one should be punished and
will be, if caught. Honest stu-
dents pay as much for the use
of the library as this dishonest stu-
dent and they have a right to de-
mand equal privileges. The
library cannot afford to buy ex-
tra copies of these papers every
week, and even if it could, they
are not always procurable. That
for which a Yale student was ex-
pelled someone is doing here ev-
ery week and is as yet unpunished
by expulsions, but it is not
stopped something severe will
have to be done. We trust this
will be enough to end this vanda-
lism and that nothing more will
have to be said about it.

Trinity Stands Second.

The first annual report of "The
Carnegie Foundation for the Ad-
vancement of Teaching," of
which Dr. Henry S. Pritchett is
President, has just been pub-
lished. A number of institutions
are given in order according to
the differences in their require-
ments for admission. The report
says: "A comparison of the
units required for admission by
the various institutions given in
the table below brings out the

character of the differences." The
following table shows the ranking
of the different institutions. It
will be noted that Trinity stands
second in the list of Southern in-
stitutions:

1907 BASE BALL SCHEDULE

(Continued from first page.)
raised to thirty.

Last season the students here
and the citizens of Durham had
the opportunity of seeing only
seven games, and the manage-
ment this year has arranged the
schedule with an eye especially
to having the majority of the
contests on the park. Seventeen
games, it will be noted, are
already booked to be fought out
here, and in the event that two
games with Wofford are arranged
the total will be nineteen. This
will be an extra large number to
be played at home. Lovers of the
greatest American game in this
vicinity will have an opportunity
of seeing some big battles, as
most of the teams which will be
met here are those of large col-
leges and universities.

The annual Southern trip has
been given up, and instead a trip
through Virginia to Washington
has been arranged. The team
will be gone a minimum number
of days and will play a maximum
number of teams. Three days will
be spent at Washington City,
affording ample time for the
members of the team to take in
all the sights of the nation's
capital.

In the above list there is no
game with Harvard University,
whom Trinity laid in the dust
last Easter at Richmond. A game
was arranged for this year, on
April 16, to be played at Rich-
mond, but it was canceled by
Harvard, owing to their inability
to secure grounds at Richmond.
An invitation was extended the
team to come to Durham and use
the grounds on the park for a
week, but on account of the dis-
tance the invitation could not be
accepted. Five games, instead of
the usual three, will be played
with Trinity's old rival, Wake
Forest. Two of these will be
here.

Teams included in the above
schedule, with whom games were
not played last year, are Cornell
University, George Washington
University, Georgetown Univer-
sity, Washington and Lee Uni-
versity, Lafayette College, Dela-
ware College, Presbyterian College
of South Carolina, Central Uni-
versity of Kentucky, V. P. I., and
V. M. I. Richmond college.

REQUIREMENTS OF S.I.A.A.

Eligibility Rules Governing Athletes Playing on Teams of Colleges Which Belong to the Association.

As there have been many erroneous impressions formed among students and the general public as to what are the requirements of the Southern Intercollegiate Athletic Association, for eligibility of athletes playing on any team a member of this association, a copy of its eligibility requirements are given below. They are as follows:

1. No person shall be eligible to take part as a contestant who is not a bona fide student of the college on whose team he plays—matriculated or enrolled for the current college year within thirty days after the beginning of said college year (not counting the opening day) in which such contests take place, and regularly pursuing a course in said college that requires five hours of lectures, recitations, or equivalent, per week for professional or post-graduate students, and ten hours of lectures or recitations per week for undergraduates.

2. No college official of higher grade than Instructor shall be eligible, but a low-grade Instructor who is also a bona fide student, and who has not held his position for more than two years, may play, provided he is not, or has not been, an Instructor in Gymnastics or Athletics.

3. No student is eligible who is a regular or special post-graduate of more than two years' standing as such at any college.

4. No professional athlete shall be eligible. A professional athlete is one who has, at any time received, directly or indirectly, any money or other consideration for athletic services of any kind, or who has competed for a money prize or portion of the gate receipts, or who has competed for any prize against a professional.

A student who has played on a summer base ball team prior to 1904 and has received no compensation whatever except transportation, board and lodging is eligible. But no student who, during 1904, or thereafter, has played on a base ball team which is a member of a base ball league shall be eligible; and no student who has played on any team (except that representing the town where he has been a resident for at least one year and is still a resident) shall be eligible if he has received any compensation whatever—even board and transportation. If he plays on his home team (as above defined) he may receive his necessary expense for board, lodging and transportation, provided said team be not a member of any league.

5. A student is ineligible if he receives directly or indirectly any money, or gain or emolument, or position of profit, in order to render it possible for him to participate in intercollegiate athletics at the college he is attending.

6. No student is eligible who has participated for more than five years in intercollegiate contests.

7. A student who has participated in intercollegiate athletics at one institution shall be ineligible to participate in any intercollegiate contest whatever of another institution until he has been a student

there for one collegiate year.

8. No student who has played on the Savannah or Charleston Athletic Club teams or on the Augusta Y. M. C. A. team shall be eligible until his case has been submitted to the Executive Committee of the S. I. A. A. and passed upon favorably by them.

9. No team of this Association (S. I. A. A.) shall play any other college team whatsoever unless each member of the latter team shall be eligible according to the above rules to play; and a certificate to that effect signed by the president or secretary of the college represented by such team, shall be presented to the manager of the team within this Association, which certificate shall be forwarded to the president of this Association immediately after the contest.

Before he shall participate in any contest each member of the team must answer the following questions:

Have you ever at any time competed for a money prize, or against a professional for any kind of prize?

Have you ever received money or any other compensation or concession for your athletic services either as player or in any other capacity?

How many hours of recitations and lectures are you attending per week?

How long have you been a student at Trinity College?

Did you ever receive any inducement or concession to attend Trinity College?

Have you ever participated in intercollegiate contests as a member of a Trinity College team? If so, state what team or teams, and when.

Have you ever taken part in any intercollegiate contest as a member of the team of any college or university other than Trinity College? If so, state what institution you represented, on what team or teams, and when?

Have you ever played base ball on a summer team? If so, what team or teams, and when?

WAKE FOREST WON.

Score Was 22 to 5 Against Wearers of the Blue—Game Was a Rough One—Line up and Official Score.

The basket ball game of Wake Forest Friday was one-sided as is seen from the score, but it was a much better game than the score indicates. It was a hard fought contest from the first sounding of the whistle to the calling of time in the last half. Our team outweighed the Baptist boys, but they showed better team work in passing the ball, and better practice in throwing goals.

There was some roughness throughout the game, but this was shared in about equally by both teams.

Couch, for Wake Forest, threw several exceptionally hard goals, while for Trinity Capt. Stem even surpassed his usual good playing, and guarded his man perfectly throughout the game.

The line up was as follows:

Trinity	Wake Forest
Lilly	L. F. Couch
Puryear	R. F. Little
Kiker, P. J.	C. Elliott
White	L. G. Beverly
Stem	R. G. Gay

BRAIN AND EYE

HOW EYE-STRAIN RETARDS STUDY

Many students possessing superior minds oftentimes fancy themselves dull because they fail in their studies.

The reason is simply this: They are afflicted with so much eye-strain that it requires nearly all the nerve force they possess to fix the eye upon their books, thereby exhausting the energy of the brain. Many students unwittingly sacrifice their health in attaining an education, because of the large amount of brain-strain sustained in the close use of their eyes, though their vision seems excellent. This form of brain-strain is easily detected by an expert and most always remedied by glasses properly adjusted.

If you break your glasses don't send them away for repair, taking the chances of delay and mistakes. Just bring the pieces to my office and I will do the rest.

BASEBALL PRACTICE ON. A HISTORICAL NUMBER.

Twenty-Five Men Are Candidates for Positions—Nine Old Men Are Back—More Men Should Come Out.

The aspirants for positions on Trinity's baseball team took their first field practice last Monday afternoon. For the last few weeks Coach Stockdale has been giving regular instruction and practice in gymnasium, on account of the wet condition of the ground. Trinity's prospects for a team this year is fairly good. Although some of the star players of last year's team are not in college this year, Coach Stockdale hopes to get a team that will uphold Trinity's past reputation.

About twenty-five men are now practicing daily. Of these there are only about a dozen new men. The smallness of the number who try for the team is noticeable when compared with other colleges. At the University of Virginia over sixty men are applicants for positions on the team, almost three times as many as at Trinity. Of course they have more students but the proportion is not in Trinity's favor. Every man who has ever played any ball at all should go out and help make a conquering team for Trinity. Or even if a student has never played ball, there is all the more reason that he should try to play, for he doesn't know what he can do. Some of the best players of the country had hardly touched a base ball till they began practicing under a coach.

The men in college who played on last year's team are: Capt. Billy Smith, Suiter, Webb, Hutchison, Chat, Bivins, Henry Smith, Wrenn and Fred Flowers. Puryear, who was a player here in former years, is back this year. With these men and the new men a good team will be developed.

The team has been supplied with everything needed in the way of clothing, gloves, bats, etc. An entire outfit of new suits has been purchased for the boys and they are now diked out in the best of base ball style.

The February Number of the Archive Given Entirely to Publication of Papers of the Historical Society.

The fourth number of the Archive for this session—the issue for February—is devoted entirely to history. Twenty-eight of the forty-four pages are taken up with nineteen letters selected from the correspondence of Bedford Brown, sometime United States Senator from North Carolina. Six of these letters were written by Martin Van Buren and two by James Buchanan. They are all, perhaps, more or less valuable to the political history of the State, but to the average college student do not make a very strong appeal.

Three other letters are published in the number. These relate to conditions in Eastern Carolina in 1864. Two of them were written by Major Gillam to Gen. J. R. Stubbs, a member of the State Senate and chairman of the military committee. The third was written by F. W. Moore to Stubbs. The originals of the letters are preserved in the Historical Museum.

In addition to these two series of letters there are only two articles. Both are papers which were read at the last meeting of the Historical Society, one being "The Founders of Rich Square Meeting," written by Miss Juliana Peele, a Quaker lady of Rich Square; the other being the paper by Mr. L. E. Blanchard on "The Sandbanks of North Carolina." This is the most interesting article in the whole number, whether the reader be one who is well acquainted with the banks or one who knows nothing at all about them.

With the exception of the article by Mr. Blanchard the entire contents of this number of the Archive will be reprinted in the papers of the Historical Society which is to be issued shortly.
