Third Successive Victory for Trinity Over Wake Forest.

## GAMECOCKS PUT TEN HITS ON FILE

Bivins Again Makes Star Catch and Asbury Performs in Grand Style—Purveyor Bunts two Beauties—Details of the Game.

With Webb, "the big husky pitcher from the South," pitching like a veteran leaguer and every one of his teammates giving him gilt-edged support, Trinity, for the third consecutive time this season, yesterday gave Wake Forest a defeat on their own grounds, the score being 5 to 1. It was a battle well worth seeing despite the fact of its rather one-sided score—a game characterized by brilliant playing and pretty swatting of the sphere, these features being confined mostly, however, to the wearers of the Blue. For the Baptists Webb was a complete mystery, only one hit—and that a scratch bunt—being secured off him. Effort after effort was made to land a single but the Forestites could attain this no nearer than by getting one foul to the outfield which Bivins took in his usual style. Four men were passed to first but only one of these favors was an advantage to the team receiving them as three of those walking died on first, as the players following them struck out or went out on an easy infield tap. Only one error was charged against the Gamecocks and it was made in chasing a man between second

and third. The Baptists were not so perfect, having four errors as their record, the third baseman coming in for three of them (Continued on third page.)

## PARK SCHOOL NEWS.

Baseball Team Takes Trip, Winning Two Victories—Gazette Staff Elected—Commencement Speakers Chosen.

At a meeting of the Upper Middle Class last Monday the Gazette Staff for next year was elected as follows: Walter G. Sheppard, Editor-in Chief; Joseph W. Burgess, Business Manager; D. W. Bagley, Assistant Editor; F. N. Bennett and Joe Smith, Editors of local Department; T. E. Wilkerson and R. H. Winchester, Editors of Facts and Fancies; J. W. Love, Editor of Y. M. C. A. Department; Miss Josie Byrd and Miss Ella Boddie, Exchange Department.

On last Wednesday morning the preliminary for choosing the speakers for the declaiming contest at commencement was held before the faculty and student body. The following were selected: F. S. Bru, J. Archie Ferguson, J. H. Hall, B. S. Hurley, J. C. Lockhart, and T. W. Weatherly.

Prof. North's brother who is a pastor of a church in Clayton, Mo. visited him Monday.

Prof. F. S. Aldridge left today for Shelby, where he will attend a district conference.

The Senior class last week presented to the school a beautiful clock, which has been placed in the hall of the Asbury building down stairs. It is an expensive clock and makes a very nice present, and fills a long-felt want.

Last Wednesday morning the baseball team left for Littleton where two games were played with the Littleton High School. On Friday a game was played with Warrenton High School at Warrenton. This gave the team a nice trip of three days. The feature of the first game with Littleton High School was the pitching of Gantt. The score was 9 to 2 in favor of T. P. S.

The second game with Littleton was very interesting especially in the eighth and ninth innings. McLean pitched the first seven innings. He was relieved by Gantt in the eighth. At the end of the seventh inning the score was 6 to 0 in favor of Littleton. In the eighth inning the "preps" scored six runs this making the score 6 to 6. During the eighth and ninth Littleton did not reach first base. In the ninth Moore started off the batting with a two-base hit. Other members of the team kept up the good work with the stick. With three men on bases, two men out and two strikes. Bru got a two-bagger, scoring three men. Two other runs were made by the "Preps" in the ninth making the final score 11 to 6 in favor of T. P. S.

In the game with Warrenton, Friday, the visitors were defeated by the score of 8 to 4. The Park school boys made one run in the first inning, after that they seemed to lose interest in the game.

## THIRTEEN HITS OFF GAY AND COUCH

Purveyor Lands a Three-Bagger Scoring Three Men—Hamrick and Suiter Also Swatted Heavily—Star Work by Bivins and Couch

Trinity's second game with Wake Forest, played here last Thursday, resulted in a great victory for the home players. The Baptist team was outclassed from the beginning. They did not have a single chance of winning out in the whole contest. The final score was 15 to 4 in Trinity's favor. Had the home team played as good ball in the latter part of the game as in the first, the visitors would not have scored.

Lane, pitching for Trinity, fanned eight of those who faced him, and most of the others died on first. He was not up to his standard, however, as he hit three men and gave four bases. He allowed only four hits. Gay and Couch did the pitching for the Baptist team. Only two men were fanned and thirteen clear hits were allowed.

For Wake Forest Hamrick did fine work, both behind the bat and with the willow wand. Out of four times up he got three hits—a single, two bagger and three-bagger. The second time up Bivins, down in center, robbed him of a long hit, by making one of the prettiest catches of the game. Freeman's bat work was also pretty good. Couch, Wake Forest's second baseman, did good work.

Every man on Trinity's team got in the game and played good ball. The features of the game were Suiter's base stealing and hitting. Purveyor's three-bag hit, and Claude Flowers' hitting.

## TRINITY PILES UP 15 RUNS.

Trinity made her runs in the second, fourth, fifth, seventh, and eighth innings. Suiter, first up in the second, walked to first, and went to second on Webb's sacrifice, Bivins advanced him to third on a scratch hit. Lane flew out to left field. Flowers hit the ball and on Hamrick's error Suiter scored Asbury fanned, retiring the side.

Suiter was also first man up in the fourth inning and he swatted out the sphere for two sacks. Webb advanced him to third but was thrown out at first. Bivins walked to first and stole second. Lane scored Suiter but went out himself at first, and Bivins came home on first baseman's error in throwing to third base.

These were the only runs made in this inning but in the next six men crossed the plate. Ten men faced the pitcher in this session, and of these Purveyor, Smith, Bivins, and Lane all scored, the first four and Lane and Claude Flowers getting hits.

In the seventh four more were (Continued on third page.)

## GETS LEAVE OF ABSENCE.

Prof. Webb Will Spend Next Year in Europe—Mr. Greenwood, a Harvard Man, Takes His Place.

Prof. A. M. Webb has been granted a one year's leave of absence for the purpose of studying in Europe. After commencement he will go North, take in Yale commencement and then sail for Europe. While abroad most of his time will be spent in Paris doing special work.

Prof. Webb will be relieved by Prof. E. E. Greenwood, of Worcester, Mass., who is an A. B. and an A. M. of Harvard University. He has spent two years in France and also two years in Madrid, and has a speaking knowledge of both French and Spanish languages. For some time past he has been teaching in Dartmouth College.

## Juniors and Sophs Play a Good Game.

Last Wednesday afternoon there was a very interesting game of baseball played between the Juniors and Sophomore classes. The game was unusually fine for untrained men, quite unlike what might have been expected. It was a fast game from start to finish; the sides were well balanced and every player kept strictly in the game, thus putting up at times some spectacular features of baseball.

For a time it seemed that the Sophomores would carry the day. Until near the close of the game the score stood 2 to 1 in favor of the Sophomores but at last the tide turned and rallying around the pitching of Sidbury and the star work of Wyche on first base and Horton, on second, the Junior boys soon scored two more runs, leaving the field with a final score of 3-2.

Both teams showed up well and promise interesting business for any other class team in college.

## Summer Conference Discussed

At the regular weekly meeting of the Young Men's Christian Association, held last Wednesday evening, the Summer Conference to be held near Asheville in June was discussed. Mr. C. D. Daniel, of Charlotte, Secretary for North and South Carolina, was present, and presented in a very vivid manner the workings and the characteristics of the conference. Dr. Mims was also present and spoke in the interest of the great summer gathering of young college men, presenting the necessity of Trinity's delegation being large. Besides discussing the conference, the matter of taking steps for the provision of a Conference Fund, for the purpose of enabling students to attend, was also spoken of, and the plan to be adopted was explained. The purpose of this fund is to lend money to students to attend the conferences, to be paid when they leave college. In this way it is hoped that the problem of getting men to attend will be solved, and that larger representations will be secured.

## CHAT BIVINS HERO OF THE CONTEST

All Trinity's Runs Made in First Inning—Temple and Webb in Great Shape—A Very Exciting Struggle—Tabulated Score and Summary.

It was good for Trinity that her players took advantage of errors and slow work of the A. & M. team in the first inning last Saturday, for after that they were unable to score. After the first inning Temple pitched a fine game, holding Trinity's heavy hitters to three scattered hits. The game was one of the prettiest, snappiest, and fastest played here this season. It was finished in one hour and twenty minutes. A large crowd was out despite the threatening weather and cheered the brilliant playing of both teams.

One of the features of the game was Temple's superb pitching. He is one of the best pitchers that Trinity has run up against on the home grounds. He fanned ten of Trinity's players. Thirty six men faced him and seven of these came up in the first inning. He hit two men and gave two bases but, on the whole, his wing was in prime condition. He was well supported by his team. Staples played star ball at short stop, taking nine chances with but one error and assisting in a quick double play in the sixth inning.

Webb in the box for Trinity also pitched a good game though

### SELF-EDUCATION.

Every age has its own peculiar  
way of doing things. A genera-  
tion or two ago it was the rich  
boy that had the advantages of  
a college education. Now the  
colleges and schools of the South  
draw their patronage not alone  
from the most well-to-do homes  
for a great many students at  
present go to college who make  
their own way or supplement the  
aid that comes from home by be-  
ing economical or by doing little  
jobs that will make their money  
go as far as possible. Those that  
have to make their own way in  
this is a large percent of the en-  
tire student body. They are en-  
abled to go to school by saving  
money before they get there, by  
being close in expenditures after  
entering, by doing outside work  
and also by borrowing money from  
friends, or from the institution  
where they educate themselves.

With reference to Trinity Col-  
lege, there is approximately  
twenty-five percent of the under-  
graduates that look to themselves  
for their own support and edu-  
cation. There are of course a  
great many students that sup-  
plement the help that comes from  
their parents, but in working up  
the statistics only those men  
were considered who paid all  
their bills for living expenses as  
well as college expenses.

It is also interesting to note  
that the twenty-five percent that  
are being self-educated do nearly  
thirty different kinds of work to  
defray their expenses. This work  
is done on the campus principally  
among the boarding houses, and  
also in the stores and offices in  
the city. Of course during the  
summer months when college is  
closed these young men change  
their employment and engage in  
whatever work they can.

In spite of all that this class  
of students are doing for them-

selves if it were not for the loan-  
fund of the college a large num-  
ber could not graduate. The help  
that comes from that source has  
been of inestimable value to the  
cause of education.

### Not the First Recognition.

The Trinity College baseball  
squad, while on its Northern trip,  
was given a special reception by  
President Roosevelt Monday af-  
ternoon. This was a rather high  
honor for a baseball team en tour,  
but it was not the first recognition  
of the high standing of Trinity  
College and the broad spirit typi-  
cal of the institution at the hands  
of the President of the United  
States. While on his Southern  
trip last year the President de-  
voted his time at Durham princi-  
pally to a talk to the 500 students  
of Trinity College and Trinity  
Park School, congratulating them  
upon the spirit of the institution  
and the efficiency and breadth of  
mind of its administration and  
faculty; and later, on an occasion  
at Harvard, he vigorously ap-  
plauded an oration of Mr. Charles  
Lambeth, a Trinity man who was  
finishing his course at that in-  
stitution, and walked across the  
stage and grasped the hand of the  
young Carolinian, warmly com-  
mending his views and conclu-  
sions—the outcome of work and  
association at Trinity.—Winston-  
Salem Journal.

### Another '06 Man Marries.

There is rumor abroad on the  
campus to the effect that today  
Mr. Z. E. Barnhardt, '06, will be  
married at Mt. Pleasant to Miss  
Kate Wagg. The rumor is well-  
founded and is backed up by an  
article which the groom-to-be  
contributed to the N. C. Advo-  
cate a short time ago. The mem-  
bers of '06 seem to be very suc-  
cessful in matrimonial matters,  
this being the third one of the  
class to find them helpmates since  
their graduation last June.

(Continued from first page.)

him while no man was given a  
free pass to first. He also fielded  
well, picking up two mean balls  
that, with slow work, would have  
been scratch hits.

The support given him was in  
the main very good. In fact the  
distinct feature of the game was  
Bivins' fielding. He took every  
chance given him and handled  
the balls in left garden to per-  
fection. He made two especially  
pretty catches. One was of  
Drake's fly in the second inning  
and the other of Council's high  
and long foul in the seventh.  
Lane also played a good game in  
right. He and Puryear figured  
in a double that helped keep  
down the A. & M. score. Fox  
drove a high fly down in right  
which Lane caught and then,  
with a long throw to first, caught  
Farmer before he could get back  
to the bag. In the eighth inning  
Shuford got in a chase between  
second and third that was inter-  
esting and exciting. He was  
finally caught by Wrenn who had  
left the plate to go down there.  
Smith played good ball, making a  
jumping catch of Fox's high liner,  
that cut off a clean hit and prob-  
ably a run.

### HOW THE RUNS WERE MADE.

As told above Trinity made  
her runs the first time at the bat,

Puryear waited for four bad ones  
and walked to first and went to  
second on Smith's sacrifice.  
Wrenn was hit by the pitcher.  
Suiter made first on Staples' fumble,  
p'acing three men on bases.  
Then Fred Flowers who had re-  
covered sufficiently from the hurt  
received on the northern trip to  
be back in his old position, lamb-  
basted the horsehide to right field  
for a single. Puryear trotted in,  
scoring the first run. In attempt-  
ing to get Wrenn, who was close  
behind Puryear, at the plate Jordan  
threw the ball away and Suiter  
ambled in also, while Flowers  
went to third. On Webb's out  
at first Flowers tallied. Bivins  
ended the work by going out at  
first also.

A. & M. tried in the same in-  
ning to do what the wearers of the  
Blue had done, but luck was  
against them. Shuford beat out  
a slow roller to Asbury by fast  
running. He got his wind for a  
moment and then essayed to  
sprint on to second. But like a  
cannon ball the little globe sped  
from Wrenn's catapult and Shu-  
ford was sent to the bench. Drake  
got a scratch hit and was put to  
second on Temple's clean single.  
But neither got any further as  
Harris and Farmer both struck  
out.

In the next inning the visitors  
made their first run on three er-  
rors by the home boys. With  
two outs and men on second and  
third bases Bivins cut off two ad-  
ditional runs by his star catch of  
Drake's fly to left field. In the  
fifth inning, with two men out,  
Drake hit for two bags but was  
left in the cold as Temple beat  
the air three times. In the eighth  
the only earned run of the game  
was made on a scratch hit by Shu-  
ford, a fielder's choice and a single  
by Harris. Score: Trinity 4;  
A. & M. 2.

## BUT A SCRATCH HIT OFF WEBB

(Continued from first page.)

and the other being against the man on the first corner. Ten clear hits were pounded out of Gay's benders and many of them come in bunches. Flowers, Lane, and Puryear landed two each while Smith, Wrenn, Webb and Bivins each took one as their share. One of Flowers' was for two sacks. Puryear's were both made on bunts placed slowly and perfectly down the line to the third corner.

On third base "Little Statuary" Asbury did some great work, taking four chances in straight order in perfect style. One was a hot liner and the others swift bouncers. Chat Bivins again got a star for his cap by making a lightning dash after a foul and hauling it in amid grandstand applause. On short Smith took six chances with no mishaps and behind the plate Wrenn stopped everything and incidentally caught the one man who had the nerve to attempt a steal.

For Wake Forest there was no especially brilliant fielding though the outfielders and Couch on second played exceedingly well. Beverly was on first with F. Turner in center, other wise the positions were filled just as during the game here last Thursday.

The boys were treated with royal hospitality by the Baptists and enjoyed the trip to the hill very much.

Trinity's first run and Wake Forest's only one was made in the first inning. Puryear was first at bat and was passed to first on balls. Smith's out on first advanced him a base, a wild pitch put him on third, a passed ball let him get home. For Wake Forest Freeman batted first. He got a pass to first on balls, made third on Benton's bunt between second and first and scored as Benton was caught pilfering second. After that there was no chance for an additional tally as only three men got to first in the eight innings.

In the second inning Flowers and Webb singled, the former going to third on Webb's lick and Suiter running for the latter immediately stealing second. Bivins put a roller to Couch and Flowers was caught at the plate and Suiter deceased as the catcher threw to third. Bivins had, during the time, stolen second and scored on two errors by the third baseman.

In the next inning three runs were shoved over and the scoring was then ended for the game. Smith first up, singled and made a pretty steal. Wrenn went out, pitcher to first. Suiter landed safely on first on that baseman's miscue and Smith went to third. Flowers doubled to center field, bringing in Smith and Suiter. Webb was out, second to first. Bivins singled while Lane bunted and beat it out. The side was retired, however, as Asbury flew out to right field. One hit was made in the fourth, two in the sixth and one in the ninth innings but netted no runs and the final score was: Trinity 5, Wake Forest 1.

scored. Suiter, first up, went to first on the Big Four route, stole second and third and came home on Webb's scratch hit. Then Asbury, Flowers, and Bivins got on the three bags and Puryear swatted out a three bagger to the hole at the right field fence and scored them all. Two more runs were made in the eighth inning, making a total of 15.

Wake Forest made two runs in the sixth and two in the seventh inning. In the sixth Benton was given first on balls and on Hamrick's three sacker he scored. On error of first Hamrick scored. In the next inning, Gregory, first up, was hit. Gay struck out. Freeman singled. Benton walked. Hamrick got a single and Gay and Freeman came in, giving the Baptists their last runs. In the next two innings they went out as fast as they came to the bat, leaving the score: Trinity 15, Wake Forest 4.

## BRAIN AND EYE

HOW EYE-STRAIN RETARDS STUDY

Many students possessing superior minds often fancy themselves dull because they fail in their studies.

The reason is simply this: They are afflicted with so much eye-strain that it requires nearly all the nerve force they possess to fix the eye upon their books, thereby exhausting the energy of the brain.

Many students unwittingly sacrifice their health in attaining an education, because of the large amount of "brain-strain" sustained in the close use of their eyes, though their vision seems excellent. This form of brain-strain is easily detected by an expert and most always remedied by glasses properly adjusted.

If you break your glasses don't send them away for repair, taking the chances of delay and mistakes. Just bring the pieces to my office and I will do the rest.
