TRINITY LOST THE GAME.

Philadelphia Nationals Defeated the Local Nine by the Score of 6 to 0.

ENTIRE TEAM MADE GOOD SHOWING.

Gantt Held the Leaguers Down to Three Hits And the Philadelphians Failed to Get an Earned Run—A Good Game.

Saturday, Trinity's team went up against the Philadelphia Nationals at Southern Pines for the first game of the season. The special train carrying the team and some 300 rooters left Durham at 12:30 amid what looked like anything but baseball weather. On the way down the sun tried to break through the clouds and every fan's heart was glad to see the misty rain clear away.

Bob Gantt held the professionals down to a three hit game and it had not been for his walking seven men the score would have been smaller by one half at least. The boys showed that they had the stuff in and the fact that the Nationals have no earned runs to their credit shows that Trinity can play ball as soon as the men forget how to make errors.

Gantt did wonderful work in the box and it would be hard to find another college pitcher who could hold a team of that caliber to three hits. Harris covered left field as well as any one could have done and his throw to home plate was the best play of the game. Cooper and Pitts showed up well in field. Cooper seems to have his eye on the top of the batting list already.

The game was called at 4:15 with Trinity at the bat and not less than 750 people as spectators.

FIRST INNING.

Suiter gets a clean hit to left field but tries to steal second and is caught. Fitts fans and W. West is thrown out at first.

Grant gets walking papers to first; makes second on attempt to catch him at first. Knabe sacrifices him to third. Titus sends long drive to left field which Harris pulls down and by sensational throw catches Grant going home. Score, Trinity 0, Philadelphia 0.

SECOND INNING.

Cooper gets a nice single, Flowers strikes out, C. West goes to bat and Cooper gets second on pass ball. West struck out and Kilgo repeated it leaving Cooper on second.

Magee is struck on hand and gets his base, is forced to second by Hanford walking. Bransfield hits foul to left and is caught out by Harris. Magee takes third on a pass ball and Doolan fans. Doolan gets nice hit over second base scoring two men; McQuillan strikes out retiring the side. Score Trinity 0, Philadelphia 2.

THIRD INNING.

HELD ANNUAL DINNER.

New York Alumni Association Met Last Week in the Famous Franee's Tavern and Had a Great Time—Dr. Bassett Present.

Special to The Chronicle, New York, March 9, 1909—At that historic old building on the corner of Broad and Pearl streets at the very foot of Manhattan Island, for two centuries known and famed as Franee's Tavern, when in 1775 the first "high ball" was served from a British gunboat, and where in 1783 General Washington bade farewell to the officers of his army, the Trinity College Alumni Association of New York, held its fifth annual dinner on Saturday evening, March 6. There is doubtless no more loyal or enthusiastic a body of alumni than the New York Association and this annual gathering to revive old memories, to greet old friends and to welcome the new-comers are perhaps the most delightful occasions of the year. The last meeting was no exception to the rule.

It was a particular pleasure at this meeting to have present for a part of the evening Dr. J. S. Bassett, formerly professor of History at Trinity, now holding a similar position at Smith College, Mass. Those who were freshmen at Trinity in those days will always remember their first lectures under Dr. Bassett, how quickly they were won by his genial smile and ready wit—so often at the expense of the sophomores. It may be interesting to Trinity alumni "down home" to know that Dr. Bassett is now delivering a series of lectures on Friday evenings at the New York University in this city, and is also to give some courses in the next session of the Columbia University Summer School, one of the biggest summer schools in the country.

At the conclusion of the evening's festivities a short business meeting was held and Mr. Willis B. Dowd and L. W. Crawford, Jr., were unanimously re-elected president and secretary, respectively. The president appointed Mr. Crawford, Dr. Geo. B. Pegram, and Mr. W. H. Adams as an executive committee to arrange for the next annual meeting. It was definitely decided to send an official delegation to represent the association at the exercises of the fiftieth commencement at Trinity in June. The members of this delegation will be announced in May.

The following is a list of those present, being about half the membership of the association: W. B. Dowd, president, attorney-at-law; L. W. Crawford, Jr., secretary, instructor in English in the College of the city of New York; S. S. Dent; W. H. Adams, secretary and treasurer of the Durham Duplex Safety Razor Co.; Dr. Marshall C. Guthrie, Immigration Hospital, Ellis Is. (Continued on third page.)

CONCERT WAS A SUCCESS.

The Glee Club's Last Date for the Year Was Enjoyed by Large Crowd.

CLOSED A MOST SUCCESSFUL SEASON.

With a Complete and Interesting Program the Musical Organization Appeared at Conservatory Friday Night—Dr. Adkins and Little Miss Card Assisted.

Closing a most successful season from all standpoints Trinity's musical organization, the Glee Club and Orchestra, appeared at the Southern Conservatory of Music last Friday evening at 8:30 o'clock, and a very large crowd of lovers of excellent music enjoyed the superb entertainment. The weather was not favorable at all, but a good house greeted the musicians and the management and club were very gratified at the results of the evening's concert.

In addition to the twenty-odd voices well trained which composed the glee club proper, the organization was greatly strengthened by the assistance of Dr. Merle T. Adkins, the popular coach of the baseball team, who possesses in combination with many other very valuable assets the rarest sort of a tenor voice. He sang the second number, "Heidelberg," and captivated the admiring audience. When he had left the stage great outbursts of applause brought him back and he sang "Sunny Boy," to the delight of all present.

The third number of the program was a harp solo, "Song to the Evening Star," by Mr. B. S. Hurley, whose place on the club is known as reader and harpist. He was fittingly introduced by Manager Cole who presented him to the fastidious audience as one who had studied under the masters in the effort to acquire the great art of playing the difficult instrument. Mr. Hurley took his seat behind a music rack, turned the music and after a pause pulled from his pocket a jewsharp and began the wonderful selection, to the amusement of his hearers. The audience was almost convulsed. On encore Mr. Hurley got off with much success the negro sermon, "The harp of a thousand strings, the spirits of just men made perfect." He made a good funny man.

"When the Flowers Bloom in Springtime" was next given by the quartet. The quartet was encored and little Miss Elizabeth Card, less than four years old, appeared and sang in a most remarkable manner "School Days." Mrs. Card playing the accompaniment. She was the star of the evening.

At the conclusion of the next number, which was a medley by the club, there was an intermission of a few minutes and the second part of the program took place. The first number was a (Continued on third page.)

THIRD CONTEST.

The Third Annual Tournament of the Southern Inter-Collegiate Tennis Association to Take Place in May—Trinity Represented Last Year and May Send Men Again.

Monday, Tuesday, and Wednesday, May 10, 11, and 12, will be big days in tennis circles in the South this year. The third annual contest will take place on those days in Atlanta and there is expected there a large crowd of college representatives to take part in the popular game. The contest will be under the auspices of the Atlanta Athletic Club, on the courts of East Lake, and singles and doubles will be played.

Trinity was represented there last year by Mr. M. A. Briggs, a member of the Senior class, and the institution was well represented by him. It is expected that this year the local tennis association will take up the matter of sending delegates there and that two at least will go this time.

The announcement of the tournament contains the following:

Students of all Southern universities, colleges, preparatory schools and high schools are entitled to enter.

All medical, dental, law and other professional school students are entitled to enter.

The number of contestants from any given school is unlimited.

The only requirement for entrance is that each contestant be a bona fide student of some Southern educational institution.

The entrance fee will be \$2.00 in singles and \$1.50 in doubles for each contestant.

The winner in singles will be the President of the Southern Intercollegiate Tennis Association for the following year. The two winners in doubles will be the first and second Vice-Presidents of the Association, and the runner up in singles will be the Secretary of the Association for the same length of time.

Entry list will close on May 1, 1909. Entrance fees must be paid on or before that date. Home address and college class must be given when fees are sent.

The management of this association requests that every college in the South play its annual tennis tournament the last week in April, with a view to preparing its players for this great gathering of college men in Atlanta on the tenth of May.

On the front page of this announcement is a picture of the club house at East Lake, five miles from Atlanta, where the tournament will be played. An effort will be made to furnish sleeping quarters in the club house free of charge to all the visiting players. Meals are served at the cafe in the building at very reasonable cost.

This is an ideal place for a (Continued on Fourth Page.)

A GOOD SCHEDULE FOR BALL GAME.

Season Will Open the Last of This Week—The Team Will Like to be as Strong as Last Year—Other Items.

There is quite a number of candidates out every day trying for the positions on the Park School ball team. Coach Adkins has not yet selected the men who will play this season as there are several of almost equal merit trying for nearly every position. The boys will go up against the college team for their first game either Friday or Saturday and from present indications the college boys will by no means have a walk over. Coach Adkins said that he expected a team as a whole as strong as the one last year; that it was weaker in some points and stronger in others.

Captain Houston is doing good work at third and will likely hold that bag this season. Frank Turner seems sure for first, while Hugh and Oliver are about equally good on second. Harris and White, both new men, are doing good work at short. Godfrey, Dockery, Teague and Woolen all show up good as twirlers, and Shepherd does almost as well. Sam Turner and Burch are working behind the bat and both show up well. The outfield will be chosen from the following men: Foushee, Loyd, Ganzaes, Edwards, Page and Leek.

The men are so nearly matched that no one is sure of his position and it depends largely on the earnestness of his practice as to who will be chosen.

The following games have been signed for and final arrangements will be made for others in the near future:

Orange Grove, March 18th, at Durham.

Trinity College, March 19th, at Durham.

Wake Forest College, March 23rd, at Wake Forest.

A. & M. College, March 24th, at Raleigh.

Pleasant Garden, April 6th, at Durham.

A. & M. (second team), April 17th, at Durham.

Headmaster H. M. North left the campus Tuesday morning for Beulaville, Duplin county, where he delivered the commencement address at the Beulaville Graded School today.

Mrs. E. C. Duncan, of Raleigh, visited her son, William, of the Senior class last week.

At the regular meeting of the Calhoun and Grady literary societies last Friday evening the chief marshal and chief manager for commencement were elected. R. L. Denning, of the Calhoun was elected chief manager, and M. T. Spears, of the Grady chief marshal.

SUPPORT IT.

Another baseball season is up-
on us and it is now time for
every loyal student to come to
the aid of the team in its efforts
to have a successful season. It
is very gratifying to all to know
that the prospects for a good
year in this phase of our athletics
are so encouraging, despite any
possible handicaps or disadvan-
tages. For weeks now the men
who have worked for places on
the team have made many sacri-
fices and have shown much
faithful activity. The time has
come for the fortunate men to
begin representing their college
on the diamond, and to do so
each man of them will need the
support of the students and the
community in general.

Not only will they need this
support but there is not a man
who does not deserve it. To
represent an institution in an
athletic capacity is as praise-
worthy and as deserving of recog-
nition as in any other student
activity, and in some cases more
so. It is true, of course, that this
feature of college activity is at
this particular season of the year
more or less overestimated; it is
at times the cause of much ex-
treme enthusiasm which we are
inclined to believe is not at all
wholesome for a college commu-
nity. But it is not necessary for
a student body to go to the ex-
treme in matters of this sort, and
a really sane student body will
not do so. Yet there is some-
thing peculiarly individual about
the enthusiasm that takes posses-
sion of a college community when
the time for ball games comes.
Altogether it cannot be said that
at that time there is as much
actual work done, so great is the
interest that is centered on the
excitement of the season. A
situation of this sort, of course,
is not at all desirable if it in-
terferes with the quality of the
work that is supposed to be
done in a college at all seasons
of the year. Whether it exists or

not is no question; at least it is
not a question in this community,
for there is nothing more pro-
no noid than the fanaticism
caused by baseball here. But
the activity has its place and
there is a good place for the
enthusiasm that should prompt
support of the men who make the
activity possible. The danger of
overdoing the affair is a subtle
one and needs to be guarded
against.

The community enjoys the
reputation of great support of its
team already, and we hope that
this year it will creditably main-
tain this unique reputation. It is
not for victory alone that we play
baseball; that should be the least
reason for playing. But the
team's victories are ours, as are
its defeats. We can't all play
in the game, but there is not a
one who cannot make some con-
tribution to a magnificent suc-
cess of the activity this year.

We are publishing a notice to-
day about the next tournament
of the Southern Intercollegiate
Tennis Association which will
take place in Atlanta May 10, 11,
and 12, under the auspices of the
Atlanta Athletic Club. All pos-
sible efforts are being made to
make the meet this year a great
success, as it has been very suc-
cessful in other years. We hope
that the local association will get
to work right away and make ar-
rangements to have a tourna-
ment here by which our best men
can be selected to send to take
part in this popular contest in
May. Our representative there-
last year reflected great credit on
the college and there is no good
reason why we should not this
year be represented in the contest
by two men.

Mr. Pegram Spoke.

Mr. J. E. Pegram, a member
of the Durham bar, was the
speaker at the regular weekly
meeting of the local Y. M. C. A.
last Wednesday evening, and the
members and others who were
present on that occasion greatly
enjoyed the address.

Mr. Pegram is an alumnus of
Trinity and is one of her most
loyal and faithful graduates. He
has shown his great interest in
the institution not a few times,
and it was a great delight to the
community to hear him last Wed-
nesday evening.

promises to be one of much in-

It is safe to say that the organization this year has had one of its most successful seasons. And this can be said from all standpoints. The entertainment Friday night closed the season, and those who have enjoyed the concerts are sorry that no more will be given by the club this year.

The members of the club are as follows:

Three Requirements for All Students.

You need reliable, original and complete material and written or spoken work. You also need books and magazines. And later a summer or permanent position, which you should plan for NOW, before all the best openings are filled. Here is the way to get all three at a minimum of effort and expense.

WE ARE DEALERS IN FACTS

We furnish the best information obtainable on any subject in school, college or club, in business and public affairs. Our work is accurate, complete and to the point, carefully typewritten, promptly supplied, and arranged in suitable form, with cuttings, bibliographies and full references.

We not only have in our own force highly-trained investigators and specialists in various lines, but we have made a business of "knowing the men who know" and by means of this system of knowing "Who's Who for Efficiency" we can go straight to headquarters for authoritative information and expert advice.

Added to our large stock of information on hand and our means of obtaining authentic information, we have a highly efficient system of sifting, arranging and presenting our facts in form that exactly meets individual requirements—that would exactly meet YOUR needs.

We are especially strong in political science, economics, aciology, anthropology, fine arts, literature, applied science, commercial geography, travel and exploration, international law and diplomacy, history, foreign affairs, interstate and foreign commerce, financial and industrial conditions, and public problems and questions of the day.

The cost is less than might be expected. Our charges for new and original material are at the rates of two dollars for each thousand words furnished. Quality of work guaranteed, or money refunded. Methods, references and quotations on important investigations furnished upon request. (We have thousands of articles on hand which we offer, subject to prior sale, at \$1.50 per thousand words. Send for price list.)

A DESIRABLE POSITION FOR YOU

If you are already planning about a summer or permanent position or about an opening in the professions or independent business, to introduce our service to you, we will give you advice, information and real assistance along these lines WITHOUT CHARGE (from now up to the time you secure a desirable position) if you send us a five dollar order for information.—i. e. 2,500 words or over at \$2 per thousand.

In our official capacity, we come in touch with boards of trade, chambers of commerce and other local and general organizations of employers, as well as large corporations and other concerns, educational and other institutions, (and municipal, state and other governmental departments). We are thus in a position to know of positions of all kinds everywhere as well as opportunities for starting out in independent business or professional lines.

No red tape, no commissions, no strings are attached to this offer. It is free and unconditional. The information we gain about positions is simply a valuable by-product of our regular information business, and we use it to attract, help and thus hold customers. We do for you all that any regular employment agency can do, with this important difference—we ask you to sign no involved contracts, pay no fees or commissions, and incur no other obligations.

BOOKS AND MAGAZINES FREE

As a further inducement, with every five dollar order for information we will give free, in addition to the employment privilege, any book or a year of any magazine you specify, the publishers' price of which is not over one dollar. With a ten dollar order for information, we will give \$2 worth of books or magazines; with a \$15 order, \$3 worth; with a \$20 order, \$4 worth; with a \$25 order, \$5 worth; and so on. Two or more men may club together with several subjects to make such an order and divide the privileges among them.

HOW TO ORDER

Just think up one or more subjects on which you need material. Estimate the number of words required. Enclose two dollars for each thousand words desired, give us exact directions as to what you want and when you want it, and if the order is for five dollars or over, the book or magazines you wish read tell us about the position you would like and your qualifications for it. We will do the rest. Address at once:
