

TRINITY PLAYS CHAMPIONS.

Strong Columbus Team Held Down to a Comparatively Small Score.

JONES DOES SCORING FOR LOCALS.

Great Crowd to Witness the Contest—Brinn and Hedrick Play Great Defensive Game—Good Showing Against the Champions of the South.

Trinity and the Columbus Ga., Y. M. C. A. basket ball team contested in the Angier Duke gymnasium last Friday evening before a large number of spectators and the latter came out victorious by the score of 34 to 15. The visitors fully sustained the reputation which they have held for several years as champions of the South. The way this team worked was simply wonderful and no one can fully realize their style of play until he has seen it. They are by far the most graceful, the fastest, the most scientific and accurate set of basket ball artists that has ever appeared on the local floor. Here one sees every point of the game worked out to its finest detail. Well executed plays, fake plays, great offensive and defensive work is characteristic of everything they do. None of the men were very tall or heavy, but it seemed as if they could jump just as high as was necessary, no matter what that was. They could throw a goal from practically any position. Sometimes it seemed as if they just couldn't miss the basket. But the thing that most impresses an outsider is the wonderful ease and rapidity with which they pass the ball. Nothing like it has ever been seen here before. In passing and accuracy it must be admitted that the locals were well high outclassed, as the score would indicate. But this team came here with a record that is unequalled anywhere in the southern states, and when this fact is taken into consideration, it is evident that the local team did not make a bad showing. They have played a large number of strong teams already this season, and in every instance they have come out victorious by large scores. With the single exception of Vanderbilt University, Trinity has been the only team to hold them down to as low a score as 34 points, this being the exact number of points that they scored against Vanderbilt. On the present trip they defeated the strong Y. M. C. A. team of Atlanta by a large score, Spartanburg was defeated 89 to 5, Charlotte 45 to 20, Wake Forest 54 to 15, and thus it can be seen that Trinity has made a most creditable showing against these near professionals.

That the score was so well kept down is due to the remarkable defensive work of Hedrick and Brinn, and West W. also starred in this respect in the second half. Peddy is recognized as one of the

best forwards in the country, and certainly in the South he has no equal. Lewis is just about as good, and there is not very much to choose between them. The former threw eleven field goals in the Charlotte game and the same number at Wake Forest. Lewis was not far behind with nine goals to his credit. But this formidable pair of swift forwards was absolutely powerless before the great guarding of Hedrick and Brinn, neither scoring a single field goal. Peddy danced over the floor with lightning rapidity, expecting to score every minute, but Hedrick never left him. As the time waned, and it became evident that this supposedly invincible forward had failed to score, there was great cheering in the galleries, for this is the first time that this feat has been accomplished. The only consolation that the great Peddy got from the game was the throwing of two foul goals out of five chances. With this exception, he scarcely hit the back ground. Brinn was equally effective in guarding Lewis. He was in the game all the time, never lost his head, and, in addition to keeping his man from scoring he did some valuable passing.

In the second half, West W. was substituted at center for Kiker, and the latter was moved to right forward. West played a very creditable game, holding his strong opponent to one goal in the second half. Kiker was not in good physical condition, but he threw two difficult field goals in the second half. Stewart scored in the first half also, but Jones did the star work for Trinity in scoring. He threw four of Trinity's seven field goals, and these were thrown in spite of the superb guarding of Dozier. Dozier played a very consistent game, but he was unable to keep Jones from scoring. In the latter part of the second half he threw an exceedingly difficult basket which brought forth rounds of applause.

For Columbus—Pease, Massey and Dozier had a very prominent part in the scoring. Pease, with his great muscular strength and accuracy, was a hard man to handle. He took everything very gracefully, and scored nearly half of his team's points. Dozier caused the crowd to cheer him when he did the unexpected thing of slapping the ball in the basket as the ball was being thrown up between him and Jones. Massey is the best center seen here this year. It goes without saying that the work of Peddy and Lewis was great, even if they were unable to score under such effective guarding. In fact, the whole team worked like a perfectly running machine.

The men played as follows:

Trinity	Columbus
Stewart and Kiker r. f.	Peddy
Jones l. f.	Lewis
Kiker and West w. c.	Massey
Brinn, J. E. r. g.	Dozier
Hedrick l. g.	Pease

THE Y. M. C. A. MEETING.

Delegates to International Convention Tell of Their Trip.

MANY NEW MEMBERS TO ASSOCIATION

First Regular Meeting Since Close of Revival Services—Mr. Vick and Mr. Harbinson Give Interesting Talks.

The first regular meeting of the Young Men's Christian Association since the closing of the revival services last Sunday evening was held in the Y. M. C. A. hall last Wednesday evening and quite a good crowd was present. The revival just closed was one of the most helpful held here in a long time. The preaching of the week was done by Mr. L. P. Howard, pastor of the Methodist church at Rocky Mount, a former Trinity student, and a man who knows the spiritual needs of the community. His sermons were short, simple, but forceful presentations of Christ and the Christ life, and the result of their awakening power was shown at the meeting Wednesday evening when many men came forward and signified their desire to connect themselves with the active forces of the Y. M. C. A. The men of the college owe much to Mr. Howard for his helpful presentation of their duty too often neglected and they will not soon forget the spiritual uplift which his messages gave them.

Mr. G. W. Vick, of the Junior class, and Mr. E. J. Harbinson of the Freshmen class were present and told of their recent visit to Rochester where they went as delegates to the International Convention of Student Volunteers. Mr. Harbinson spoke first and in his introductory remarks said that such was the power of the meeting that he would feel its influence all during his life. In outlining the purpose of the Student's Volunteer Movement, he said that it was the recruiting agency for missionaries to the foreign field. That it concentrated its work in the college because the leaders realized that as goes the colleges so goes the world, and that it not only sought recruits for the field but that its purpose was also to train the students who remain at home that they may be interested in the work and back the movement.

The speaker then went into a description of the details of their trip and the methods of the convention meetings held after they arrived at Rochester. He stated that the convention hall was too small to hold the crowd and that delegates were admitted by cards. The doors to the hall were opened at certain hours and those who were present were admitted until the hall was filled and then the doors were closed and an overflow meeting was arranged elsewhere. Before the hour of opening the students would gather

DEUTSCHE VEREIN MEETS

German Babblers Have Good Time Reading, Singing and Making Merry.

The members of the Verein met last Friday evening at the usual hour in the library for the first time since examinations. They made up for lost time by staying until a good late hour. Recently the secretary was instructed to subscribe for several publications directly from the Fatherland and these were on hand at the meeting. The first part of the evening was spent in reading and discussing the articles and jokes in these papers. And it might be added, by way of parenthesis, some of these jokes needed much discussion. After these had been tired of a German Glee Club was organized for the time being and many popular German airs were wafted on the breezes, and perhaps it was good that no German was near to become indignant. Perhaps some day after the amateurs have become a bit more proficient in the art they will give a public display of their accomplishments provided they can procure an audience.

But even a German Glee Club sometimes grows tired of singing and so the club was temporarily disbanded while the members regaled themselves with a few delicacies provided by the kindness of the treasurer. The evening was one well spent and the Verein has come to take a well established place in enthusiasm of those interested in things German.

Training Table Instituted.

This year for the first time Trinity's base ball team is to have a regular training table in order to keep the men in shape for best work. It is the custom of the boarding houses to give the biggest meal at the noon hour and after eating this the men are never in shape for practice which begins the first thing in the afternoon. In order to obviate this difficulty, the coach has decided upon a training table where the men will be given only a light lunch at the noon hour and a regular dinner at six o'clock. Then too the foods provided will be under the special supervision of Dr. Adkins, the coach.

The following men who are trying for positions are expected to report at the table beginning last Monday.

CATCHERS:—Spruce and Summey.

PITCHERS:—Gantt, Godfrey, White, N. I., Wynn, and Waggoner.

INFIELDERS:—Bundy, Houston, Hanes, Henderson, C. West and W. West.

OUTFIELDERS:—Cooper, Harris, Fouschee, and Williams.

Messrs H. G. Hedrick, R. D. Korner, R. G. Laney, and T. D. Chatham were in Charlotte last week representing Eta Prime chapter at the Kappa Sigma convocation.

METHODISTS VS. BAPTISTS.

Wake Forest Defeats Trinity in Warm Basket Ball Contest.

SCORE DOUBTFUL TO LAST MINUTE.

Duffy, the Crack Baptist Guard, Does the Work—Brinn and Hedrick Star at Guard for Methodists—Great Crowd Witnesses Game—Play Here Monday.

Before the largest crowd that ever witnessed a game of basket ball at Wake Forest, the Baptist five won over the Methodists by the close score of 26 to 18, last Thursday evening. Both teams were well matched and the contest was in doubt until the last minute of play. After some little misunderstanding about the rules to govern the contest had been settled, the Trinity boys began the game by taking the lead, and they consistently held it until the last few minutes of play.

Neither side seemed to have the advantage and the first half ended with the score 12 to 10 in favor of Trinity. In the second frame the baptists came back at the Methodists with the stern determination to win but the Trinity team fought gamely all the while, and successfully resisted the onslaught of their opponents until the last eight minutes of play. Here it was that the Wake Forest guards got busy and threw the goals that won the game.

Duffy, left guard for Wake Forest, was the particular star of the game. In addition to holding his opponent down to one goal, he threw five himself, and virtually won the game. The work of Brown and Whitaker for Wake Forest, also was top notch. Brinn played the game for Trinity and so well did he guard Allen, the crack forward for Wake Forest, that he did not throw a single goal. Hedrick and Kiker showed up well, the latter throwing three field goals. Stewart was exceedingly accurate in throwing fouls, being successful six times out of eight chances. The rapid scoring was stopped for the last few minutes by the substitution of W. West at center and stationing Kiker at right forward.

They played as follows:

Stewart, Kiker, r. f.	Carrick Jones,	l. f.	Allen
Kiker, W. West, c.	Whitaker		
Hedrick, r. g.	Brown		
Brinn, l. g.	Duffy		

SUMMARY: Field Goals; Trinity; Kiker 3; Jones 1; Stewart 1; Hedrick 1. Wake Forest; Carrick 2; Whitaker 1; Brown 2; Duffy 5. Foul Goals; Trinity 6. Wake Forest 6. Fouls; Trinity 12. Wake Forest 10. Referee, Card; Umpire, Crozier; Scorers, White and Smith; Timekeeper, Vick

These two teams will again try for honors in the Angier Duke gymnasium next Monday night, and of course there will be a great game. The contest last week showed up the weak points of the

THE INTER-COLLEGIATE DEBATE.

Perhaps there are some men
on the campus who are not aware
of the fact that we are to debate
against Sewanee this spring on
their own ground. For the
benefit of those who take so
little interest in things of this
nature we would like to say that
we do debate Sewanee and that it
is necessary for us to win the de-
bate in order to hold the prestige
that we won when we defeated
Vanderbilt and the University of
Tennessee. Hitherto the interest
in debating has been luke warm
to say the least of it, and it is not
just that it should be so; it is not
showing the proper college spirit.
At times it has been so that no
more than four men could be in-
duced to enter the preliminary
contest.

This year the interest seems to
have grown and there are seven
men to enter the contest, and
this is a good sign. But let us
not forget to encourage these
men in their efforts. The man
who goes out on the baseball
field and trains hard every day
for weeks and then comes out in
the end victorious over his oppo-
nents gets the well deserved praise
and commendation of his fellows
and should it not also be true that
the man who works hard to de-
feat an opposing debating team
gets this same amount of reward.
We are sorry to say that this has
not been true and that it has been
hard to get a respectable audience
to witness the main contest not
to say anything about the prelimi-
nary.

It has now come to the point
that we must defeat Sewanee.
The men who are trying for the
contest need your encouragement
and support. Get behind them
and show them that you are in-
terested in the success of the
team that will be chosen. Show
your true college spirit by being
concerned about those things that
are of concern to your college.

A BOOST.

A great deal has been said
about the college spirit of the
student body and a great deal of
criticism has been done and most
of it has been deserved but it is
encouraging to see that when
Trinity goes up against a stiff
proposition the crowd is there to
encourage them. At the basket
ball game Monday night there
were so many people that all
could not well see the game, and
we are told that this is the first
time that this thing has occurred
since the Angier Duke gymnas-
ium was built. While it is true
that a good number of these were
from the city yet the most of
them were students and it serves
to show that after all we have
the proper spirit. The manage-
ment is especially pleased over
the crowd and feels some encour-
agement to go ahead and ar-
range a strong schedule offering
big guarantees. We congratulate
the student body on their attend-
ance and call their attention to
this fact, on next Monday there
will be a game with Wake Forest
and it will mean something to the
team to have the encouragement
of a good crowd of rooters. The
Wake Forest team defeated the
locals to a great extent by this
means and every student in col-
lege should be present to see them
get revenge and to cheer at critical
points. While the crowd last
Monday night was an exception-
ally large one, not near all the
student body was present and it
is hoped that those who were not
there this week will come next
Monday night and those who
were there will of course come
back. It is needless to say that
this will be the closest contest
of the season. The games with
Wake Forest always are and it is
also needless to say that Trinity
will win. They play their best
on the home floor.

The College Widow.

With each season cometh forth
afresh the college widow, she of
the debatable class, perennial
youth, and demure ways.

Tho not mentioned in the col-
lege catalogue, she is as essen-
tially a part of true college life
and spirit as the front steps or the Un-
ion room, and infinitely more orna-
mental.

When questioned as to her col-
lege work she will declare that
the course is splendid—but it is
worthy of note that she nameth
not the course, neither doth she
specify its branches.

Her studies troubleth her not
at all, for verily she is past mis-
tress of her own art, and shall
she lack assistance in the simpler
branches of the college curricu-
lum?

Her diploma is a visiting card,
and her graduation bouquets
stretch from the fall even unto
the spring, in the track of her
smiles.

The source of her knowledge is
to us a closed book, yet is its ap-
plication so fairly writ that he
who runs may read—and profit if
he will.

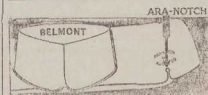

She appeareth at all college
functions, fetes and celebrations,
and lendeth the light of her coun-
tenance to all college endeavor—
save only perhaps that of the pro-
fessors to instill knowledge into
the minds of aspiring youth.

Each year, from the ranks of
the newcomers she taketh unto

herself a Freshman, and traineth
him up in the way he should go—
and at the end of the year he
goeth—wondering.

And in their turn come Junior,
Sophomore, and Senior, College
Law, and Medic, and to each she
giveth sympathy and understand-
ing, smiles and pleasant words,
and at the last—forgetfulness.

Yea, men may come and men
in course of time may graduate,
but yet remaineth she unchang-
ing in our midst.—Ex.

before the doors in the driving snow and sing, give their college yells, and push. In closing the speaker told of some of the impressive services of the convention and some of the mottoes adopted by the student volunteers. One of these with which we are all familiar was "The Evangelization of the World in This Generation." One of the most impressive scenes, he said, was the meeting of 400 volunteers who were preparing to sail for the foreign field.

Mr. Vick then told of some of the addresses he heard at the meeting. In speaking of those who attended he said that one man had said that he didn't expect to see a better looking crowd in heaven, but Mr. Vick thought that he must have been a northerner and looking at a crowd of southern girls when he said it. He then told of the condition of civilization in some of the foreign fields. In India, he said, that there were 50,000,000 who are not allowed to eat any other flesh than that of dead cattle, and that thousands are not allowed to clothe themselves above the waist. In China, he said, that the time had come when men would get an education and that if they did not get the christian education they would get that of Budda, or Confucius. That the conditions in South America were deplorable on account of the corrupt priesthood, and that in Africa there are 100,000,000 who have never heard of Christ.

team and every effort is being made to remedy these defects. The outcome of the approaching game is only a conjecture but the locals claim that they will amply redeem themselves for the defeat suffered last week. When the referee's whistle blows next Monday night every student in college is expected to be there to cheer the team on to victory. One of the great factors in the victory at Wake Forest was the enthusiastic support of the student body and there is no reason why this should not be true here as well.

A Scholarship for Next Year—An Opportunity for Trinity Students.

One of the most promising opportunities of the year is now offered to the students of Trinity College by The Christian Home Publishing Company, of Charlotte. The company is publishing The Christian Home, an interdenominational weekly, home Magazine. The purpose of the publishers is to make it a very practical, serviceable and inspirational periodical that will serve the entire home into which it goes.

The manager of The Christian Home Publishing Company has arranged to award Complete Trinity College Scholarships, which include board at 12.00 per month, room, light and heat, tuition and entrance fees for the year for securing only 285 annual subscriptions to The Christian Home at \$1.50 per year. This opportunity is open to any student of Trinity College.

The student is provided with a certificate stating that he (or she)

is an authorized representative of The Christian Home, and is working to win a scholarship including the expenses mentioned above in Trinity College. This plan gives an active student a great advantage in securing the required subscriptions. This should not require more than five or six weeks of thorough and active work. Enough additional subscriptions may be taken to pay expenses while at work.

In case the full number should not be secured, a liberal cash commission will be paid for all work done. The Publishers are anxious to have those who make the scholarship, continue the work for the entire summer. Further information will be furnished those who are interested if they will write the publishers, or call on H. G. Hedrick or B. L. Phillips.

The Other Colleges.

At a recent banquet of the Boston Yale club, an occasion on which the president of Yale and the president of Harvard were entertained as guests of honor, the former told of his experience in trying to telephone to president Lowell. He said: "On Sunday afternoon not long ago I tried to call up President Lowell by long distance telephone, and the words came back: 'The Cambridge office wants to know who President Lowell is.' I said: 'He is president of Harvard University.' After a little more delay the answer came back: 'Cambridge has heard of Harvard University but not of President Lowell.'"

At the University of Illinois smoking is absolutely forbidden on the campus. The editor of the Daily Illini thinks that the practice would not be half so bad as the burning of half dead leaves by the university authorities.

Washington university has invented an original kind of class rush. A pennant is buried one foot under ground, and the place marked out by chalk. At a signal the freshmen rush in and try to dig it up. Ropes, picks, axes, and shovels are not allowed.

In the election contest now on in the state of Alabama, it is a noteworthy fact that all the candidates for governor and lieutenant-governor are alumni of the state university.

There is an annual scrap between the freshman and sophomore classes of the University of Georgia. Every year each class attempts to prevent the other from holding the annual banquet. After some successful scheming the sophomores eluded the freshmen and held their banquet in a warehouse unmolested by the younger men. The freshmen not to be outdone, a few days later chartered a special train and went about ten miles out to a country town and there held a sumptuous feast. The freshman president was unable to be present being detained behind by the wily sophomores.

Student's Mass Meeting.

Last Monday evening just preceding the basket ball game with Columbus there was held an informal student's mass meeting in the Y. M. C. A. hall. The purpose of the meeting was to get the rooters together, work up a little enthusiasm, and prepare to cheer the team to the hard contest that was before them. Various speeches were made, advocating college spirit, rooting for the team, attending the game, and sundry other matters. Mr. C. B. West, manager of the basket ball team and president of the senior class, presided over the meeting and succeeded in thoroughly demoralizing the dignity of the occasion. Messrs. Daniel, McIntosh, and Hardee were called upon to address the assembly and responded beautifully. If yelling and raising a noise in general is to be called enthusiasm, much enthusiasm was aroused, for it seemed as if the yells would raise the roof.

LOCAL BRIEFS

See the J. T. Christian press for fine commercial and society printing.

Mr. P. J. Kiker spent several days in Raleigh while on his way back from the basket ball game at Wake Forest.

Mr. R. C. Day, of Charlotte, was on the campus Monday in the interests of the Christian Home Publishing Co.

Mr. A. O. Morritz, representing the Hess shoe company spent Monday and Tuesday on the campus taking orders for shoes.

Mr. C. N. Crawford and G. W. Vick accompanied the basket ball team to Wake Forest last week and did the rooting for the local team.

Pros. E. C. Brooks, of the department of education has returned from a trip of several days visiting points in the eastern part of the state.

The Publication committee is now at work on the new catalogue for 1909 and 1910. The greater part of the copy is in the hands of the printers and the catalogue will be ready for distribution by March 15.

President Kilgo will deliver the third of the Faculty Lectures on Friday night, February 18, at 7:30 o'clock. The subject of the lecture will be "The Relation of the Church College to the Fundamental Principles of the American Government."

Dr. S. B. Pearce, of Roanoke Rapids, who was formerly a Trinity student has decided to locate in Durham for the practice of medicine. Dr. Pearce who has been in Durham this week, has gone to Norfolk to do some special work and will take up his practice in Durham, April 1.

\$250 cash or a year in college can be easily earned by one young man or one young lady in each county in the United States. Plan easy and does not interfere with other employment. State name of institution you wish to attend. No money required. For particulars address M. H. Pemberton, Columbia, Mo.

It has been decided by the Debate Council to hold two preliminaries to select speakers for the Sewanee-Trinity debate instead of one as heretofore. Each man will then have to speak on both sides of the question. The first of these preliminaries will be held on March 3, instead of Feb. 25 as formerly appointed.

Next Tuesday will be observed as a holiday and Civic Celebration day. A public address will be held in the evening in the Y. M. C. A. hall under the auspices of the "9019" a patriotic society of the college. Dr. Lynch, pastor of the first Baptist church, will be the speaker and the event promises to be one of great interest.

Ben Greet Players.

It was announced some time ago that the Ben Greet players would give an open air performance here sometime in the spring. The definite date of this performance has been set as May 19. They will present "As You Like It" and A "Mid-summer Night's Dream," the stage being arranged on the eastern terraces between the Main building and Faculty Avenue. The presentation of these plays will be as near like they were originally presented as possible hence they are given in the open air.

The Ben Greet players are brought here through the influence of the Fraternity Club and this organization will have charge of all arrangements for the presentation of the plays. Further and more definite announcements about the full particulars will be made later.

The J. T. Christian Press does all kinds of printing. Give them a trial. Phone 559, 109 Market Street.

TRINITY PLAYS CHAMPIONS.

University of Virginia

Department of Medicine
Charlottesville, - - - Virginia

EDWIN A. ALDERMAN, LL. D., President.

Organized in 1825 and in continuous operation except one year since that date, this department offers thorough medical instruction in the environment of an old and famous University. The Entrance Requirements are the completion of a four-year high school course or its equivalent, and good college courses in Inorganic Chemistry, General Biology, and either Physics, German or French. The prominent features of the course are extensive laboratory instruction in all the fundamental medical sciences; and abundant clinical training in the practical branches in the Dispensary and in the University Hospital, which contains over 100 beds and is the property of the University.
