## CLASS OF 1914 WINNER OF FOURTH ANNUAL INTERCLASS RELAY RACE SAT.

CAPTURED PREMIER ATHLETIC EVENT SATURDAY AFTER  
RUNAWAY RACE

### IT'S THIRD WIN IN FOUR YEARS

Pretty Fight for Lower Places and Several Fast Miles by Runners. Juniors Second, Sophs Third, Freshmen Last.—Time 55:28

Breaking all precedents and coming near equalling the record for the course, the class of 1914, the ranking class in college, overcame all obstacles, and running true to form and previous predictions of its friends, made a runaway race from the very start and captured the fourth annual interclass relay race in handy style on Saturday. It was merely a case of too much seniors, and the veteran runners who had already won three of the previous races and run a close second in another showed their old time form and captured the chief fall athletic event hands down. The only fly in the ointment of the class is the fact that its three victories have not been successive, and for that reason, under the regulations establishing the cup, that trophy cannot be held as the permanent possession of the class. However there is the satisfaction to the victors of knowing that it is not probable the record of 1914 will be very soon equalled.

Next to the clean-cut victory of the seniors, the big feature of the race was the poor showing of the freshman team, which it had been predicted would defeat the seasoned teams of the other classes. Several brilliant sprints by both the winning team and the runners for the sophomore and junior teams also added to the interest of the race. In fact, there was quite a close race between the three lower classes for the three lower positions, and at times each class of the three was in second place. At the finish, however, the order was according to the years of the classes, standing in college, seniors finishing first, juniors second, sophomores third and freshmen last. In the first race in 1910 the freshman team came out ahead with the seniors, as the account of that race reads "Following later in the evening a half mile behind the winners."

The time for the race was 55 minutes, 28 seconds as against 56 minutes in 1912, 55.3 in 1911, and 58.10 in 1910. The junior time was 56:17, sophomore, 56:20, and freshman, 57, so that the last in on this race equalled the best time of the first contest. Weather conditions were fine.

The race in detail follows:

At two thirty the racers, judges, officials, spectators and hangers-on gathered at the flagpole for a short explanation of the course and regulations. The various teams and judges are finally placed and the procession of cars carrying the runners to their places leaves the college at two forty five. Proceeding five miles out the Hillsboro pike, the runners and judges of each mile are dropped at their respective positions and just across the Durham County line the starting point is reached. Here a dozen or more machines are lined up behind the official car waiting for the start. In

them are rooters from each class waiting to pick up their class runners at the end of their miles, and several cars carrying those who merely watch are also on hand.

At the pistol shot the first four are off, starting with a jump, but soon steadying to their stride and keeping bunched close abreast for about a quarter of a mile, when Garrett for the seniors goes into the lead, and gradually increasing his advantage until the last few hundred yards sprints in fifty yards to the good, with Junior Downey, Freshman Durham and Sophomore Lilly finishing in order named. Judge, Fuller.

Second Mile: Sophomore Coman features this mile with one of the best sprints of the race, starting out with a rush and having a close race for some distance with Junior Bennett, but finally pulling away from the back field and even gaining a little on Hyland for the Seniors, Freshman Smith comes in third and Junior Bennett last. Order—Seniors, Sophomores, Freshmen, Juniors. Judge, Allison and Kirkman.

Third Mile: Senior Brooks keeps his lead throughout the mile, even adding a little to it, while Sophomore Hawfield, Freshman Cunningham, and Junior Ivey all trail along in their respective positions without change, Judge, Sheppard.

Fourth Mile: Judge Spence starts with a jump and adds considerably to the lead of his team in the first part of his mile, continuing strong to the end. Sophomore Mattson picks up at the last and comes in with a game finish. Last place has varied on this mile, Junior Farrar outstepping Freshman Phillips and putting the juniors third and freshmen last, which lowly position they maintain successfully to the end of the race. Judge, McKinnon.

Fifth Mile: Stanback starts with Spence's long lead and holds it pretty well through the mile, Sophomore Brown, Junior Morgan, and Freshman Stamey finish in order named. The distance between freshman and senior runner gradually increases from this point and the senior is often lost in the distance to those in the machines. At the end of this mile a large crowd is on hand to see the runners pass, the course by now having passed the Country Club and West Durham, passed down Main Street by the College Gate and out Watts to the Hospital. Judge, Ratcliff.

Sixth Mile: Lowe for the seniors starts with a sprint and goes out of sight around the corner of Watts Street, McKay for the sophomores is followed by Junior Kanipe, and Freshman Few comes last. The crowd along this part of the course is continuous, and the rooting of those in the machines, particularly the senior car which has encouraged its runners all the way along, is added to by the exhortations of classmates along the sidelines. The city sidewalks aided in making this a fast mile. Judge, Burrus.

Seventh Mile: Starting just below Col. Flowers' residence on Watts Street, Pleasants carries the senior lead on out towards the hospital Kanipe gained for the juniors on the last mile and Hawfield continues

## TRINITY TOOK THE FULL MATCH FROM GUILFORD SAT.

WON STRAIGHT SETS IN TENNIS SINGLES AND DOUBLES.—A STRONG TEAM

The varsity tennis season opened Saturday when Trinity defeated Guilford in both singles and doubles J. R. Brown and W. M. Joyner composed Guilford's team, and though they played a fast, aggressive game, they were at all times outclassed by the Trinity pair composed of N. J. White and A. R. Anderson.

Singles were played off in the morning beginning at eleven o'clock Anderson defeated Brown, 6-1, 6-1. This contest was never in doubt. Anderson taking two love games in the first set. White defeated Joyner, 6-3, 6-4, playing a steady game and rushing when it was needed.

Doubles were played in the afternoon beginning at three. Trinity won three straight sets although Guilford put up a better game in doubles than in singles. The score was 6-4, 6-2, 6-3.

Manager Anderson has several matches planned throughout the state, and the form shown in Saturday's match gives promise of a successful season. The feature of the work of the team all season has been the splendid showing of Anderson, who made first place in easy fashion and has been developing his style of play more strongly every week. White is also playing good tennis, but has been suffering with a malarial affection all fall and has not been in as good physical condition as usual, but as soon as this handicap is overcome he is expected to show up in the same style that made him for several years the champion of the College.

## FIRST FORTNIGHTLY CLUB MEETING WITH NEW MEN

REPORTED AWARD TO MISS MARY YEULA WESCOTT FOR VERSE IN ARCHIVE

The Fortnightly Club held its first meeting of the year last Friday night in the East Duke Building, when several new members were taken into the Club and several matters of interest were discussed.

Those who joined the club on Thursday were: E. R. Sikes, M. R. Pleasants, S. L. Gullage, B. W. Barnard, F. B. Brown, and E. S. Savage. The membership of the organization is open only on invitation, and the purpose of the Club is the study of contemporary and original literature. Its membership is highly prized, and its men as a rule have done some original literary work on some of the college publications.

The club has for two years given a prize of books for the best work done in the Archive by a student of the college during the academic year. This prize was won first by N. J. White, for verse contributions to the Archive during the year 1911-'12, and was awarded to him at commencement. The committee in charge reported Friday that last year the prize was won by Miss Mary Yeula Wescott, whose work was also in poetry. Mr. White won an enviable reputation among college writers and in the state at large as a writer of great promise, and Miss Wescott during the past three years has been a steady and able contributor to the college monthly. The prize was not awarded publicly

## ATHLETIC COUNCIL OFFERS ASSISTANT MANAGERSHIPS

TWELVE SOPHOMORES & FRESHMEN WANTED FOR POSITIONS ON TEAMS

Last year the Athletic Council, for the purpose of arousing greater interest in the managerial end of the College athletic teams, undertook to develop prospective managers by appointing six men each from the Freshman and Sophomore classes to serve as assistant athletic managers. The duties of these positions were to look after the advertising of athletic contests, the collection of gate money, the entertainment of visiting teams, and other similar work. The same policy will be followed this year, with the alteration that the positions will be given out not by appointment merely, but by appointment from those who apply to the faculty manager, and thereby signify their willingness to undertake the work. In accordance with this provision Prof. R. N. Wilson, the Faculty Manager of Athletics has published the following notice:

### WANTED

"Six Sophomores and six freshmen who wish to become candidates for the positions as Managers of the various Athletic teams. Only holders of Blanket tickets need apply."

R. N. Wilson.

Application may be made to Professor Wilson either in person or in writing. There have been several applications already, and then members of the present Sophomore class who held positions as Freshmen must also apply if they desire reappointment.

### ADDRESS OF WEDNESDAY

Given by Prof. Wannamaker to Y. M. C. A.

The mid-week meeting of the Young Men's Christian Association was addressed last Wednesday evening by Professor W. H. Wannamaker. His subject was, "The responsibility that rests on each human being to make something out of himself."

In the beginning of his talk Prof. Wannamaker stated that it is impossible for some friend to win one's life, but that every human being must make his own life. This fact should wake up every college student and cause him to look upon life more seriously. "One can only offer you the truth," he said, "and you alone can receive it. Whether life fails or succeeds, it is the individual that receives commendation or reproval. Human life is a great and important thing, and it is up to each individual to make what he can out of himself. It is easy to perform some great deed of valor, but to live for the truth and by it is far more difficult, and the crown is less easily won."

Prof. Wannamaker stated that there are hundreds of helps to aid one in the mighty conflict of life; and that the purpose of the college is to prepare its students to meet these conflicts.

In conclusion the speaker advised every student while here to get filled with the best that earth has to offer in the way of great literature and the examples of great men's lives.

Last year, as the winner was not able to be present at the time of the regular award.

## 9019 ANNOUNCES THIRD DECLAMATION CONTEST

SCHOLARSHIP ORDER TO RE-NEW OFFER OF MEDAL AND HOLD CONTEST

### THE DAY AFTER THANKSGIVING

Letters Being Sent Out Giving Account of Regulations of Contest. Speakers to be Entertained on Campus and Given Banquet

Three years ago the 9019, the scholarship and patriotic organization of the College, inaugurated a movement that was unique in the history of the state and that did more to advance the interests of the College among state high schools and to stimulate interest in public speaking in the high schools themselves, than anything that had ever been undertaken at a North Carolina college. This movement, which has since been widely imitated in the state, was the holding of an inter-scholastic declamation contest, in which were represented a large number of the schools of the state, and also schools in Virginia and South Carolina. The 9019 announces that this contest will be held again this year, the date to be Friday, the 28th of November, which is the day after Thanksgiving.

The prize for which the contestants will strive is a handsome gold medal, valued at twenty dollars, which the 9019 has twice before given and will give again. The committee in charge of the contest has been at work for several days and is sending out literature to every high school in North Carolina and adjoining states that there is any possibility of interesting. The letter is given in full below, and also a statement of the rules governing the contest. The chief features to be noted are that any bona fide representative of a school that does as much as three years of high school work is entitled to participate in the preliminary contest. This contest will be held at the College on the morning of the twenty-eighth, and from those who enter the best ten will be chosen to contest for the medal at night. A committee of judges, different from the committee that decides the preliminary contest, will decide the final contest without knowing from what school the various speakers come, so that there may be an absolutely fair chance for all.

The speakers will be entertained on the campus during their stay, and owing to the fact that a number of students will be away at Thanksgiving it is not anticipated that will be any trouble in providing ample accommodations, especially since the student body has always been so liberal in offering rooms for the use of the 9019.

As in previous years there will be an entertainment of some sort for the speakers, officials, and the 9019 members, to be held after the speaking, but the nature and details of this feature have not been determined yet.

A notice requesting the co-operation of all students in the work of the contest appears elsewhere in the paper. The desire of those in charge is that every student shall see that literature is sent to his preparatory school, and will also write a personal letter to the principal of the school and to the local paper, set-

### A REMINDER

There has never been offered to students of the College a better bargain speaking in strictly financial terms, than that of the Athletic Council's Blanket Athletic Tickets. The support of athletics at Trinity College must come from the sale of these tickets, and the largest portion of them must be sold to the student body. THE CHRONICLE has delivered itself previously of various and sundry admonitions on the line of support of student activities, and especially athletic interests there is now before the College as a whole, and the student body in particular, because for the purpose of athletics it is the patronizing and supporting public, a definite and concrete proposition, namely: are the teams to have a chance? And are they to have a successful season as they result of having a chance? If they are, then there must be a greatly increased demand for these tickets, and there must be an awakening to the absolute necessity of interest, encouragement, and financial support in the work of those who are giving their time and energy to the service of the College in this line, probably at the sacrifice of other ambitions.

Not until a community is carried away by a great and consuming desire to express its loyalty and devotion to a cause can it truly realize the potential powers that lie within it. There is nothing difficult about making a revolution except the moral determination to make a new start, and the only thing that can hinder the wholesome commitment of the College to the support of this plan is its natural and native inertia. Is it too much to hope that there will be an immediate response to the very reasonable and attractive offer of the Athletic authorities?

James E. Lambeth, '06 was married to Miss Helen McAuley of Mount Gilead on Thursday evening. Since graduating Mr. Lambeth has been engaged in the furniture business at Thomasville, N. C.

## WHY THEY RAN

### THE STAFF

With some trepidation the management of THE CHRONICLE undertook at the opening of the year the making of several changes in the method of conducting the paper. The first part of the task, and really the underlying purpose of the whole scheme, was to bring THE CHRONICLE closer in touch with all sides of college life. With this end in view, the first step was to put the making of the paper in the hands of those men who are really interested in this kind of work, and with that end in view a method of appointment after a short competition was adopted. This part of the plans that have been begun has been practically completed by the closing of the contest for places—the winners in the competition and their official designations appearing at the top of this column. Thus ends the first stage, other plans are contemplated that are expected to take definite form very shortly.

The competition just ended was as successful as THE CHRONICLE had ever dared hope, and this was true in regard to the number of contestants, the ability of the competitors, and the character of the work done, but above all in the interest manifested and the faithfulness with which the men stuck to their tasks. In making the final selection there were many points of equality and of difference that made it hard to arrive at a fair decision, but the chief things taken into consideration were the amount of unassigned work done, the promptness with which assigned work was turned in, the ability of the writer as shown in the style of the stories, and chiefly the sense for news that the various contestants showed.

Hereafter the staff will be expected to do practically all the news work, leaving for the editor the general direction of the paper and supervision of its interests. One or two new positions have been made, and the following rules will be strictly enforced throughout the year.

1. There will be a weekly staff meeting held every Thursday afternoon at one-thirty, unless otherwise agreed upon.

2. Any member of the staff who fails to attend three successive staff meetings, or to cover two successive assignments, or is continually late in submitting copy, will be dropped from the staff, and one of the other competitors in the recent contest will be given the vacant place.

3. All assignments must be written up and in THE CHRONICLE office by Monday night at ten o'clock, unless special reasons prevent.

4. Assignments will in all cases be covered by men not personally engaged in the events which they report.

It is planned that each Associate Editor shall serve alternately as

news editor, assignment editor, and copy editor, and later in the year it is probable that each will be given an opportunity to direct the entire work of the paper for one issue.

The first meeting of the entire staff will be held Thursday at the regular time and place.

THE CHRONICLE wishes to thank every man who took part in the contest for the interest manifested and the support given; the only regret it feels is that there could not be a place for every man, and even as it is there are probably more places than are actually justified.

## NOTICE

Any student of the College who is willing to aid in the distribution of literature on the subject of the 9019 declamation contest is requested to give in the name of his high school to any of the undersigned, together with his own name and the name of the principal or superintendent of the school. The committee will also appreciate a statement of what personal letters any student will write. The literature provided by the 9019 will be given any person willing to distribute same.

## NEW DIAMONDS IN USE

During the past week there have been quite a number of men playing on the two new ball diamonds just laid out on the new athletic field. Captain Card posts each day a list of the men who are due to report for playing, and these team practice on the new field at the same time that the Varsity squad is out on Hanes field. During the good weather of the past week a larger number of students have been out on the ball fields and tennis and basketball courts than ever before.

## KIKER-YORKE

Prof. Kiker, class 1911, is a former business manager of THE CHRONICLE. His best man, E. L. Jones, class 1912, was also business manager of the paper.

Dr. and Mrs. James Cannon spent a few hours on the campus last week visiting their sons, James and W. B. Cannon. They were just returning from a short trip abroad where Dr. Cannon went by appointment of President Wilson to represent the Southern Methodist Church at the International Congress on Alcoholism which met at Milan, Italy.

## CLASS OF 1914 WINNER

(Continued from Page One)

to cut down the sophomore lead  
held by Umstead to the end of this  
mile. Few came in with a sprint  
at the end of the sixth mile and ac-  
Kimon is now making a good run  
for his class. The order is still  
Seniors, Sophomores, Juniors and  
Freshmen, with the latter falling  
back and the junior runners gaining  
Judges, Matthews and Murray.

Eighth Mile: The strongest sen-  
ior runners are still left. Bost on  
this mile making a big gain for the  
leaders and finishing as strong as  
he began after one of the best miles  
yet run. Junior Barnard gains  
slightly on Sophomore Gardner and  
Freshman Price is holding his own.  
There is considerable rooting in the  
cars. Judge, Anderson.

Ninth Mile: This mile starts at  
the bridge on Broad street and comes  
down Broad and Main into the Col-  
lege entrance and thence to the  
flagpole. Thompson, the senior cap-  
tain, is running and continuing to  
increase the lead for the class, which  
he brings to nearly two hundred  
yards on the nearest competitors.  
On this mile there is a shake-up in  
the standing. Goforth for the juniors  
making a fine run and putting his  
class second, which place they now  
hold to the end, being followed closely  
by the sophomore runner, Grigg.  
Freshman Farmer does some good  
running on this mile.

Tenth Mile: The mile ends at the  
flagpole where a great crowd al-  
most blocks the course, barely allow-  
ing the runners to pass. Thompson  
comes in strong and gives the mes-  
sage to Cordle to carry twice around  
The Circle and deliver to the judge.  
As someone in the following cars re-  
marked, Cordle always runs the last  
mile, and this time it proves to be  
the fastest of the race. As the fresh-  
man runner and the cars come in the  
gate, Cordle disappears beyond the  
gymnasium. The other runners  
maintain the order of the last mile,  
and all the tenth milers make fine  
time. R. L. Brown for the juniors  
makes second place sure for his  
team, but Osborne makes a good  
third for the Sophomores, finishing  
only three seconds behind Brown,  
with Freshman Bunn bringing in  
his class message forty seconds be-  
hind Osborne and a minute and a  
half behind Cordle, who lead Brown  
by nearly a full minute. Judges,  
Prof. Moore, Wilson, Webb, and  
Pepper.

The finish brings great excitement  
to the winning class and much friend-  
ly rival rooting takes up several  
minutes, after which Dean Cranford  
mounts the seat of the judge's car  
carrying Dr. F. C. Brown, Prof.  
R. L. Flowers, Capt. W. W. Card,  
and Track Manager Lucas, and  
reads the messages carried by the  
runners. The Senior message fittingly  
read "Finitum Est," the Junior  
"Better Late Than Never," the So-  
phomore, "Keep your eyes on the  
class of 1916; it will be in front at  
the Finish," while the Freshman do-

eliminates the harshness of the leaf. A

## 9019 ANNOUNCES THIRD

(Continued from Page One)

ting forth the purpose and spirit  
of the contest.

A committee of the faculty is  
working with the committee of the  
9019, and is giving both the moral  
and material support that it is al-  
ways desired and appreciated by  
students when coming from mem-  
bers of the college administration.

The letter and regulations follow:

October 20, 1913.

DEAR SIR:—Three years ago the  
9019, a local scholarship and patri-  
otic organization of Trinity Col-  
lege, inaugurated an annual decla-  
mation contest for high school stu-  
dents. Although temporary condi-  
tions prevented the holding of a  
contest last year, the hearty re-  
sponse of the schools in previous  
years encourages us in continuing  
the plan. Your school is cordially  
invited to participate in accordance  
with the regulations set forth with-  
in. We urge your hearty co-opera-  
tion and trust that you send a rep-  
resentative.

All contestants will be entertain-  
ed in the college community and  
need incur no expense while in the  
city.

If you desire to send a repre-  
sentative, kindly inform us at your  
earliest convenience.

Very truly yours,

JAMES CANNON, III,

B. F. FEW,

B. W. BARNARD,

S. L. GUILLEDGE,

Committee.

Raleigh. President Few is the pre-  
sident of this society and Dr. W. K.  
Boyd Secretary; the faculty com-  
mittee is composed of Drs. Boyd,  
Brown, and Knight, and will re-  
ceive subscriptions of any amount  
made by local citizens or students

he preached at the University of  
Virginia on Sunday.

## DEATH OF W. GARROTT BROWN

Writer of Note died on Monday

News of the death of William  
Garrott Brown came yesterday in a  
telegram to President W. P. Few.  
Mr. Brown's death brought peculiar  
sorrow to the members of the college  
community, among whom he had  
many devoted friends and admirers.  
His brilliant lectures at the college  
a few years ago will be long remem-  
bered. He spent several weeks at  
the college engaged in writing one  
of his books. He was without doubt  
one of the most brilliant of the  
younger generation of literary men  
in this country. Since 1908 he had  
been one of the regular editorial  
writers of Harpers Weekly, and a  
frequent contributor to other maga-  
zines. He was born in Birmingham,  
Ala., and was educated at Harvard  
University. He was lecturer on  
American History at Harvard for  
some time and was the author of  
many noted works. Among his best  
known books were: A History of  
Alabama; Andrew Jackson; Golf;  
A Gentleman of the South; The Foe  
to Compromise and other Essays;  
the Life of Oliver Ellsworth. Mr.  
Brown had spent a great deal of  
time during the last few years in  
North Carolina. He died in Con-  
necticut where he spent the summer.  
He will be buried in Birmingham,  
Alabama.

J. W. Lambeth, of the Sophomore  
class, was off the campus the latter  
part of the week, attending the  
Lambeth-McAnlay wedding at Mt.  
Gilead.
