TRINITY WINS OPENING GAME FROM BAPTISTS

SMITH DRIVEN FROM MOUND IN THIRD INNING—FINAL SCORE IS 4-3.

EACH TEAM USES TWO PITCHERS

Holding Secures Three Hits—Smith Gets Lucky Drive—Beal and Love Each Get Two Bingles.

Bunching hits off of Smith in the second and third innings of the opening baseball game of the season last Thursday, Trinity nosed out a 4-3 victory over Wake Forest.

As the score indicates, the game was full of intense interest and excitement from beginning to end, and it was not until the final out was made on the Baptists in the ninth inning that the Methodists were the assured victors. Both teams were rather weak in hitting, each being able to secure only six hits; but this weakness was probably due to unusually good pitching. Coach "Mig" Billings, of the Baptists, and Coach "Crip" West, of the Methodists, both found it necessary to send two pitchers to the mound to thwart threatening batting rallies.

The batting of Holding was the main feature of the Wake Forest team. He secured two singles and a double out of four times at the bat. Lewis, who came to Smith's rescue in the fourth inning, held the heavy-hitting Trinity team scoreless for five innings. Smith was responsible for two of the runs of his team by slashing out a timely single while three of his team-mates filled the bases.

Beal's timely hitting which netted two of the Methodists' runs was the outstanding feature for the local team. Lefler caught a beautiful game and scored two of Trinity's four runs. Captain Durham's fielding was also commendable. Love secured two bingles and one tally out of four times at the bat.

Wake Forest started the scoring in the second frame. Holding, first up, singled to center. Samms sacrificed him to second. Ellis hit a slow one to Love, who fumbled, and both runners were safe. Holding at third and Ellis at first. Vassey was hit, filling the bases. Ferree popped up to Lefler, but Smith surprised all by scoring Holding and Ellis with a single to center. Another run was added in the seventh inning when Lewis walked, was sacrificed to second by Herndon, and crossed the rubber on Robley's single to right.

Trinity began her scoring in the second. Lefler was hit by a pitched ball, took second on a wild pitch by Smith, and scored on

TO SPEAK HERE

Jacques Bushee, of Raleigh, an artist of wide reputation, has been engaged by the Campus Club to give a lecture to an audience composed of the women of the Campus Club and its guests, members of some of the woman's clubs of Durham. This lecture will be delivered on the afternoon of April 12 in the parlors of the East Duke Building, the subject of which is to be "Modern Landscapes."

DR. GLASSON LECTURES TO MEMBERS OF PEACE SOCIETY

EXPOUNDS FORMULATED PLANS FOR THE LEAGUE TO ENFORCE PEACE.

On last Saturday afternoon Dr. W. H. Glasson, of the Department of Economics, spoke before the North Carolina Peace Society on the plans for the League to Enforce Peace.

The League, Dr. Glasson pointed out, was formed at a meeting of about one hundred leading men of American in Independence Hall, Philadelphia, in 1915, to consider a way to secure a more stable structure of international relations. Among these men were ex-President Taft, President Lowell, of Harvard University, Dr. Albert Shaw, Editor of the Review of Reviews, and others.

The gist of the plan adopted by the League as this convention was that the United States should become one of a league of the more important powers which should agree to use their joint economic and military force to prevent any member of the league from going to war with another before recourse is had to an international court, or, where the matter in dispute is not regarded as justifiable, to an international council of conciliation. This plan, if carried out faithfully, would insure that in no case could war follow a dispute between members of the league without long delay and the exhaustion of their means of settling the question by a judicial decision or by conciliation.

CHARLOTTE EDITOR SPEAKS TO QUILL CLUB MONDAY

EDITOR COFFIN GIVES SOME HELPFUL HINTS TO NEWS-PAPER ASPIRANTS.

In a brief talk before the Trinity Quill Club Monday night, Mr. O. J. Coffin, news editor of the Charlotte Observer, said by way of introduction: "The press in its shirt-sleeves, with smudged nose, trying to make a decent appearance on less than a brick-layer's wages—that's the picture I want to paint for you prospective newspaper men." Besides members of the Quill Club, many other students interested in newspaper work and down-town newspaper men heard Mr. Coffin's timely remarks.

The speaker declared that newspaper work was no "cinch," and that whoever goes into the business expecting to take it easy will surely be disappointed. Prospective newspaper men must be prepared to go through with much hard drudgery and must first realize that they must make good or be fired. Newspaper dreams, which beginners are invariably accustomed to having, should, according to Editor Coffin, have a sure foundation and, above all, be saved for spare time.

Mr. Coffin concluded his talk by giving some very pointed "don'ts and dos," which might be of help to newspaper beginners. The final "do" was very facetiously put: "And always keep enough money in the bank to get out of town on; there's no telling when you will need it."

W. ROY SHELTON WINS ANNUAL PEACE CONTEST

TRINITY SPEAKER GETS FIRST PRIZE—A. C. REID, WAKE FOREST, SECOND.

EIGHT CONTESTANTS COMPETE

Shelton's Subject was "Some Biological Aspects of the War"—Third Prize to be Won by Trinity Men.

The fifth annual peace contest, in which all the leading colleges of the State took part, was held in Craven Memorial Hall at eight o'clock on last Saturday evening. W. R. Shelton, '16, of Durham, representing Trinity, won the first prize, a check for seventy-five dollars given by the North Carolina Peace Society, under the auspices of which the contest was held. The second prize, a check for fifty dollars, was taken by A. C. Reid, of Wake Forest College. Shelton's victory makes him eligible to enter the \$150 prize contest to be held on a later date, at Nashville, Tenn., under the auspices of the American Peace Society.

There were eight contestants who took part in the program. Their names and subjects are as follows: W. R. Shelton, Trinity, "Some Biological Aspects of the War"; Roger M. White, Elon College, "America's Supreme Opportunity"; H. Gardner Hudson, University of North Carolina, "Development of an International Mind"; R. W. McGeachy, A. and M. College, "Disarmament and Peace"; F. H. Morris, Guilford College, "America's Opportunity to Establish World Peace"; E. H. Smith, Davidson College, "Gifts of the War Clouds"; A. C. Reid, Wake Forest College, "The Present Policy of the United States toward Arbitration"; Joe E. Vause, Atlantic Christian College, "A Plea for a Newer Patriotism." Lenoir College was to be represented, but the representative failed to come.

F. S. Blair, of Guilford College, served as presiding officer of the contest, and the following men were judges: Rev. Q. C. Davis, of East Durham, Prof. W. H. Overton, of the Southern Conservatory of Music, and J. Harper Erwin, W. H. Gladstone, and Alphonse Cobb, all of Durham.

Shelton, in discussing "Some Biological Aspects of the War," pointed out the fact that war disobeyed the laws of evolution. He said that the men best fitted to do the physical tasks are the ones that are killed. Nor does war spare the college or university trained man. It is estimated that in the Civil War one-fourth of the alumni of the University of North Carolina were killed, and that less than one third of the men who go into the European war return, and scores of those who do return are deformed and maimed for life. The injuries received from bullets, however, are not all of the bad

Monday, April 10—V. P. I. at Trinity.

TRINITY LOSES OPENING TRACK MEET TO A. & M.

TOO MUCH MACDOUGAL SPELLS DEFEAT FOR METHODISTS—MATTON FEATURED.

The strength of Jimmie McDougal, of A. and M., in the 100-yard dash, the high hurdles, the high jump, and the weights spelled defeat for Trinity in the first track meet of the season, which was held at Raleigh last Saturday. The final score was 76 to 49 in favor of the Techs.

MacDougal, of the Tech. team, was the outstanding feature of the whole meet. Winning first place in four events and second place in two events, he scored a total of twenty-six points. Homewood was the next highest scorer for the techs, getting first place in the hammer throw and third place in the low hurdles and high jump for a total of seven points. Other A. and M. men to win first places were Millwee, MacPhaul, Abernethy, and McCoy.

Captain Matton led in the scoring for the Trinity team, getting first place in the pole vault and broad jump for a total of ten points. Price took first place in the low hurdles, Osborne in the two-mile run, and Graham in the 100-yard dash.

By virtue of possible points won in this meet Price, Graham, and Osborne are in the lead for the prizes offered by the Pritchard-Bright and Markham-Rogers clothing companies. As has been announced before, these two clothing companies have each offered a

FIRST VIRGINIA ALUMNI DINNER GIVEN IN RICHMOND

PROFS. FLOWERS AND WANNAMAKER ATTEND—PERMANENTLY ORGANIZED.

Professors R. L. Flowers and W. H. Wannamaker returned Monday from Richmond, Va., where they were guests of honor at the first Virginia alumni dinner. Professors Flowers and Wannamaker were two of twenty-nine men in attendance upon the occasion, which was given in the dining-room of the Jefferson Hotel.

The program was as follows:

Toastmaster, Louis I. Jaffe; "The Occasion," Dr. Paul V. Anderson; "The Hyphenated," W. G. Suiter; "The Alumni and the College," Professor R. L. Flowers; committee on arrangements, W. G. Suiter, chairman; Rev. T. A. Smoot, G. H. Flowers, O. B. Darden, L. I. Jaffe, secretary. Professor Wannamaker responded with an extemporaneous toast.

The program carries on its title page the following message of B. N. and J. B. Duke, Trinity College benefactors:

"Better to make great men than many mediocre men. Don't let Trinity get a craze for numbers. Be careful to do sound and good work. Our interest is in doing the best, not in getting the most, unless it first be best."

A permanent association was organized with the following officers: president, Rev. T. A. Smoot, '95; vice-president, Dr. Paul V. Anderson, '97; secretary-treasurer, L. I. Jaffe, '11.

WILLIAM AND MARY IS EASY TRINITY VICTIM

VIRGINIANS DEFEATED 10 TO 2 TUESDAY BY LOCAL TEAM IN LOOSE GAME.

POWELL PITCHES SPLENDID GAME

Visitors Make Seven Errors and Use Three Pitchers—Trinity Was Almost Perfect in the Field.

Trinity experienced little difficulty yesterday afternoon in defeating the William and Mary contingent on the home grounds, the final score being 10-2. The game was won in the first three innings with four tallies, but an added rally produced six more in the fifth. The visitors were rather weaker than expected, but the result was more due to the timely hitting and clean playing of the home team.

The major part of Trinity's scoring came in the sixth, when a three base hit by Flythe, two singles, a sacrifice by Lefler, and three errors, all combined to produce six circuits for the home team. A single score was made in the first and second innings and two in the second. William and Mary bugged two tallies in the sixth as a result of two singles and one error by the local team. M. Williams at short produced a long, but fruitless two-bagger after two were down in the ninth.

Lefler continued his errorless ball for Trinity behind the bat and Beal did pretty work at first. Love showed up well at short and Flythe, Langley, and Rone were up to their usual high class standard in the field. M. Williams, at first, was perhaps the star for the visitors, with Hedlin at third, playing a fast game and registering two of the five hits of his team. Newton and Moncreu also came in on the hits. P. Williams accepted six chances without an error at short.

Powell held the mound for Trinity for the entire nine innings and kept the opposing batsmen at all times within his power. Only in the fifth frame, when two hits were coupled with an error, did the visitors cross the plate, and neither of the tallies then made were earned runs. In the entire game, only five base hits were made by William and Mary, and only one of those was for more than one sack. Only one man was passed by the Trinity pitcher.

On the other hand the visitors were called upon to use three slabsmen, only the last being effective in stemming the tide of Trinity tallies. This was Garnett, captain of the Orange and Black. James and Foreham were not

TRINITY STUDENT'S SUCCESS

It will doubtless be of much interest to hear of the brilliant success which Louis I. Jaffe, of the class of '11, is making in the newspaper world. He is at present the main reporter and assistant city editor of the Richmond Times-Dispatch. Speaking of Jaffe's ability in this line of work, the city editor of the Times-Dispatch said that he was the best newspaper man in Richmond.

EDITORIAL

THIS ISSUE

This number of THE CHRONICLE has been issued entirely under the direction of Associate Editor Banks Arendell. He has read and corrected all copy, written or revised all head-lines, written a signed editorial, read all proof, and had charge of the make-up.

The paper next week will be in a similar way in the hands of Associate Editor John H. Small, Jr.

A FITTING RECOGNITION

It was a fitting recognition of the hard work done by the members of the College Band and of the inestimable service they are rendering at athletic contests that the Athletic Council gave in the form of season baseball tickets. The men in the Band have practiced faithfully throughout most of the College year, and their work has been done without the hope of a "T", which to an extent prompts men to athletic effort, without hope of a debater's "T", which rewards efforts in the field of public speaking, and without even the hope of a trip, such as the Glee Club takes. While members of the Band have to exert less effort than the men on the various teams, debating and athletic, and for that reason, do not deserve so great a reward, they certainly well deserve the reward which has been given them.

The Band was first organized two years ago as a result of the effort of the Toms, which has ever since given financial support, and

has come to be practically an indispensable feature at basketball and baseball games. This year the Band has developed into the best the College ever had; and THE CHRONICLE, which last year was forced to ask, "Vere iss dot Band?" now takes pleasure in commending Manager Arendell and the men who work with him.

OFF FOR WAKE FOREST!

As THE CHRONICLE goes to press, the long-talked-of excursion to Wake Forest seems to be an assured fact. A special committee has been appointed, has secured a verbal permit from the college authorities, and has about completed negotiations with the railroad officials for a special train.

There are two ways of doing everything, and the proposed excursion is no exception to the general rule. It is well known that athletic relations between Trinity and Wake Forest have become, on account of certain difficulties in the past year or two, more or less strained. Whether these relations will be further strained or whether they will be rectified depends upon the manner in which the excursion is carried out. If any one of the students who accompany the team Saturday forgets himself—and this often happens on like occasions—then existing relations between the two institutions may be constrained to a critical point. On the other hand, if the excursionists are ever mindful of the institution which they represent and of their duties as gentlemen, and if they conduct themselves accordingly, all former misunderstandings will doubtless be removed.

THE CHRONICLE sincerely hopes and expects that the latter will be the case.—B. A.

The program for the regular weekly meeting of the Y. M. C. A. tonight will consist of the installation of the new officers and the outlining of plans for the coming year.

Abram Weaver, of the class of '53, is perhaps the oldest living man who ever attended Trinity College. He entered Trinity Institute in 1849 and was a student there when the Institute was changed to Normal College. Here he remained until 1851, a few years before Normal College became Trinity College. Although he never was a student in Trinity College proper, he attended both Union Institute and Normal College which afterward became Trinity College. He was a charter member of the Hesperian Literary Society together with J. W. Alsbaugh, Simon D. Peeler, Marquis L. Wood, and others. In 1851 he joined the North Carolina Conference and in 1860 became located. When the Civil War broke out in 1861, he was appointed chaplain of the seventh regiment of North Carolina. After the war he went to Missouri, where he resided for four years. Soon after he removed to Georgetown, Texas, where he is now residing at the advanced age of ninety-one.

Chemistry Professor—"Didn't I tell you to notice when the beaker boiled over?"

Chem. Student—"I did, sir. It was exactly five minutes past eleven."—Texas Leghorn.

If a pin had an eye on one end instead of a head, it would be a needle.

In addition to the awards recently announced for members of the baseball team, Ben Muse, the manager of the Goody Shop, has just stated that he will offer for every base made on a hit at the home grounds five cents in trade and for every home-run trade to the amount of one dollar.

The coach and manager come in for this liberality also, for the same store-keeper pays two five-cent cigars, or their equivalent in trade awaits Coach West and Manager Ferrell at the conclusion of every successful game.

The following conversation really took place in the Trinity post office:

Junior—"Christian, put 46, 71, and 148 through 29, please."
Smart Sophomore—"Say, what are you doing, calling out football signals?"

J. W. Coltrane, of the class of '76, died in Dallas, Texas, recently at the age of sixty-four years. He was born in Glenola, Randolph County, North Carolina, in 1852, and was reared in the Quaker faith. He entered Trinity College in 1873 and remained until 1876. Immediately after he left college, he entered into the educational field of life. He was at one time a member of the faculty of Peacock Military College and was the founder of Lakeside Institute, in Texas.

Hon. James H. Southgate, who is chairman of the board of trustees of Trinity College, was selected president of the North Carolina Peace Society at the meeting of the Society in Durham last week.

W. P. Hawfield, '15, of Matthews, who is now principal of Linwood Graded School, spent the week-end on the campus.

President W. P. Few is spending a few days in Birmingham, Alabama, where he is in attendance upon a meeting of the Educational Committee of the Methodist Church.

—Hearst's Sunday American.

Professor E. C. Brooks, of the department of education, has an engagement to deliver the address at the Forsyth County commencement in Winston-Salem, Friday, March 31. On the same day President W. P. Few will deliver the address at the Durham County Commencement.

The Class of 1906, of which Professor C. B. Markham is president, is planning to hold a reunion here during the coming commencement. This celebration will mark the tenth anniversary of the departure of this class from Trinity.

Beverly C. Snow, of the Senior Class, who was recently appointed to the United States Military Academy at West Point by Congressman Charles M. Stedman, returned last week from Washington, where he stood successfully the entrance examinations.

GYMNASIUM EXHIBITION

Unless some unknown reason arises, "Cap" Card's much-talked-of gym exhibition will take place in the Angier Duke Gymnasium on the night of April 22. A definite program has already been arranged, and every afternoon the gymnasium is filled with contestants for the various stunts and events. "Cap" announces that the captains of the various teams will be appointed next week, and that stringent practice will then take place under their direction. The whole exhibition promises to be very entertaining and, according to "Cap," will result in a permanent, annual affair on the campus.

The Trinity-A. & M. track meet which was scheduled for Saturday, April 8, will probably be moved up to Friday, April 7, on account of the proposed excursion to Wake Forest. Definite announcement will be made later.

PROF. BROOKS TO Y. M. C. A.

Commemorating the one-hundredth anniversary of the death of Francis Asbury, First Bishop of the Methodist Church in America, at the meeting of the Y. M. C. A. on last Wednesday evening, Professor Brooks, of the Department of Education, read a very interesting and instructive paper on the life and influence of this great pioneer in American Methodism.

The rise and development of the Methodist Society was traced by the speaker from its founding in England by John Wesley to its spreading in America under the ministry of Bishop Asbury. Professor Brooks discussed at length the part played by Bishop Asbury in the development of the educational system of the United States, particularly in regard to high schools in North and South Carolina. Many interesting facts in the life of Asbury were brought out.

This paper by Professor Brooks will appear in the current number of *The Methodist Quarterly*.

Professor A. M. Webb, of the department of modern languages, left Sunday for Bellbuckle, Tennessee, to be at the bedside of his father who is not expected to live. Hoards of friends in this community and all over this State will regret to learn of the elder Mr. Webb's critical illness.

An advertisement which may be seen at the Asheville Baseball Park reads as follows:

"Don't kill your wife! Let us do your dirty work.—*Mountain City Laundry*."

The entire College community will regret to learn of the death last week of Henry B. Lane, ex-'82, of Wilson. Mr. Lane was a successful man and a useful citizen.
