FINAL ARRANGEMENTS FOR 9019 CONTEST COMPLETE IN ALL DETAILS

*Contest Promises to be Most Successful Ever
Staged by Local Fraternity*

ORATORICAL FIGHT WILL BE FRIDAY NOV. 30

Contestants to be Entertained in College Community—Rules and Regulations Governing Contest—Interesting Program of Amusement

All arrangements for the eighth annual Declamation Contest to be held under the auspices of the 9019, the local patriotic and scholarship fraternity, have been perfected. As previously announced, the contest this year will take place on Friday, November 30. A good number of high schools and preparatory schools in this and other states have already accepted the invitation to send representatives, and letters of acceptance from many other schools are expected within the next few days.

The numerous representatives who are to take part in the contest will be the guests of the college community and are advised that no expenses need be incurred by them while in the city. A committee from the 9019 will meet all trains, conduct the visitors to the College, and see that they are properly provided for. Various forms of entertainment and amusement have been arranged by different committees for the representatives this year.

A complete program of events from the time the visitors are supposed to arrive at the College until the staging of the final contest is as follows:

THURSDAY, NOVEMBER 29

At 8:00 P. M. Informal meeting of contestants in Columbian Hall at which places in the preliminary will be determined.

FRIDAY, NOVEMBER 30

At 9:00 A. M. Beginning of preliminaries.

At 2:00 P. M. Announcement of final contestants and taking of picture in front of Craven Memorial Hall.

At 3:00-5:00 P. M. Visit to places of interest in Durham.

At 7:00 P. M. Basketball game in Angier Duke Gymnasium.

At 8:00 P. M. Final Contest in Craven Memorial Hall.

At 10:00 P. M. Informal reception in East Duke Parlors.

The regulations which govern the contest this year have already been mailed out to practically every high school in this and adjoining states and are as follows:

1. The contest will be held in Craven Memorial Hall, Trinity College, Friday, November 30, 1917.

2. The prize for the successful contestant will be a twenty dollar gold medal given by the 9019.

3. Each school offering three or more years of high school or preparatory work may send a representative to the preliminary contests.

4. The name of each boy contesting, a copy of his declamation, and a certificate from the principal of his school that he is a bona fide student, must be filed with the contest committee not later than November 20.

5. No declaimer will be allowed more than ten minutes in the final contest, and selections of from six to eight minutes are recommended.

6. The preliminary contests will be held at Trinity College at 9:00 a. m., Friday, November 30, when ten declaimers for the final contest of the evening will be selected.

7. The order of speaking in all contests will be decided by lot.

Further information, if desired, may be secured by writing to the committee in charge, which is composed of F. C. Caviness, H. W. Kendall, R. L. Fisher, H. L. Hoffman, and R. W. Bradshaw.

The contest this year marks the eighth year that this work has been undertaken by the 9019. The local scholarship fraternity instituted the event in 1911 with the hope of stimulating literary society work in the schools of North Carolina and neighboring states.

TRINITY ALUMNI STAGE BANQUET AT CONFERENCE

SENATOR OVERMAN, PRESIDENT
FEW AND DR. CRANFORD
SPEAK

The Trinity Alumni of the Western North Carolina Conference gave a banquet last Thursday evening in the Central Methodist Church, Asheville, upon the occasion of the meeting of the Conference. There were about one hundred and seventy-five alumni and friends of the College present.

Honorable J. H. Separk, of Gastonia, was the toastmaster and presented Senator Lee S. Overman, of the class of '74, who made the principal address. Senator Overman reviewed the incidents which led up to the declaration of war with Germany. From his official position in the Senate he could see the facts which were hidden from men in private life, and from these facts he showed the infamy of the German Government. The Senator said that we must win the war, and that we need loyalty, service, and sacrifice, for the autocratic government must go.

Dr. W. P. Few was the next speaker. He pledged Trinity to the service of the world in this hour of need. Mr. Zob Curtis, '96, and Dr. W. I. Cranford made short and interesting talks. After the several speeches had been delivered, a delightful musical program was carried out by Miss Lucile Dinkins and Mrs. E. G. Ogle.

On the preceding day Dr. W. I. Cranford delivered an educational address before the Conference on "The Insufficiency of Modern Education."

SOPHOMORE-SENIOR

In a very hotly contested game last Friday night the Seniors were victorious over the Sophomores by a score of 24 to 22. The game was the fifth one of the Interclass series, and the victory of the fourth year men places them in the lead.

For the first few minutes it seemed that the Sophomores would walk away with the game. By their excellent team work and the fancy goal shooting of Daniels and Saunders, they built up a large score right at the start. But this rush was put to an end by an unfortunate accident. Hornaday, captain of the second year quintet was struck on the end of the finger by the ball and sustained such a painful injury that he was compelled to quit the floor. Smoot replaced the disabled man, and from then on the game was hard fought. The entire second year team did fine work. Daniels, center, with nine points to his credit, led his team in scoring, and also played a fine defensive game. As before, Whitaker featured in almost every play, and held his man to one goal.

Captain Long played a stellar game for the victorious Seniors. He made several sensational overhead shots and scored fourteen points to his credit. Saunders, D., and Lewis each played a fine game also. Saunders was all over the floor at once, and had a part in almost every play. Lewis made a very spectacular field goal when he shot the ball straight into the basket from more than half the length of the court.

Class spirit and enthusiasm ran high. The "Bloody Sophs" were out in great numbers to root for their team, and the Mustache Wearingers were also well represented. The College Band furnished music before the game and between the halves.

INTER-SOCIETY DEBATE

The question chosen by the Columbia Literary Society and approved by the Debate Council, for inter-society debate is, "Resolved, That the commission form of city government is better than the city manager plan." The Hesperian Literary Society has chosen the affirmative side of the question, and will hold their preliminary November 30. The preliminary for Columbia will be held on November 27. A large number of men in both societies are working for places on the debate, and it is likely that there will be some close contests in the preliminaries. The final debate will take place in Craven Memorial Hall on the last night before the Christmas holiday goes into effect.

Dr. W. T. Laprade, of the Department of History, was a recent speaker at Camp Greene, Charlotte, N. C. Dr. Laprade spoke to the men in khaki upon the issues of the war under the auspices of the camp Entertainment Committee.

SIGMA UPSILON HOLDS ANNUAL FALL INITIATION

LITERARY FRATERNITY TAKES
FIVE NEW MEMBERS INTO
MEMBERSHIP

On last Friday evening the Fortnightly Club chapter of the Sigma Upsilon Literary Fraternity initiated five new members, who were R. L. Fisher, '18, of Gatesville, N. C.; Clyde R. Brown, '19, of Potocasi, N. C.; E. P. C. Craft, '19, of Wilmington, N. C.; C. L. Nichols, '19, of Brevard, N. C.; and Claude Cooper, '19, of Wilmington, N. C.

Following the initiation, a regular business meeting was held to take up the program of the work to be pursued during the year. The general class of work to be done this year is to consist of short story writing and the writing of criticisms.

The Fortnightly Club each year offers three prizes of five dollars each to undergraduates who excel in production. These prizes are for the best poem, the best piece of non-fiction prose, and the best short story which are published in any of the college publications during the year. The national fraternity offers each year a prize for the best piece of prose fiction produced by students in the college where it has a chapter.

The Sigma Upsilon Literary Fraternity was founded in 1906 by Paul Jones, at the University of the South. From the original five chapters the fraternity has grown during the last eleven years and has chapters in almost all of the leading Southern colleges and in many parts of the country. The Fortnightly Club was founded

CUP OWNER PERMANENT FIRST TIME IN HISTORY

Race Held on Large College Track—Unusually Close and Interesting—Best Time, 5:03 Goes to Captain Lewis of Seniors

"We have run with patience the race that was set before us" was the message carried to victory by the class of 1918 in the Eighth Annual Interclass Relay Race held on the college race course last Thursday afternoon. The time made was fifty-five minutes and thirty-eight seconds. This being the third successive victory for the 1918 team, the Snider, Wilcox, Fletcher Loving Cup became the permanent property of the Senior class.

Unlike all preceding races, the relay this year was exciting from beginning to end. There were times during the race when it seemed that each of the four classes represented had a strong claim to the coveted cup. The first mile saw Cherry take first place for the Juniors, while the second brought Timberlake to the front for the Seniors. In the third mile, Smith reclaimed the position for the Juniors, but in the fourth Gilbreath assumed the lead for the "Bloody Sophs." This position was maintained by the Sophomores until the seventh mile when Saunders established the lead which brought the Seniors to final victory.

Aside from the Seniors, the Sophomores were the strongest contestants for the cup. Keeping the lead for three successive miles, the Wearingers of the Derby held their position, and not until the seventh mile were they forced to take second place where they finished at the end of the race. The Juniors were next, taking the lead twice during the race and finishing third in the final.

The Relay was this year conducted under the same system inaugurated last year. Instead of being run cross-country, the race was run around the college circle, two laps of the circle being considered a mile. The start and finish was just in front of the Library Building on the West side of the track. Several hundred spectators lined the circle during the contest. Class spirit ran high, and the continual cheering was heard throughout the race.

The Annual Inter Class Relay was established in 1910 by Dr. F. C. Brown, and ever since it has held its own as the foremost sporting event of the Fall. Every runner who participates wins his class insignia, and considerable interest in track work is stimulated by the contest. The time this year was not quite so fast as the record established last year when the Class of 1918 finished in 54:55.

All subscriptions and bills for advertisements are payable before the first of February.

And the Mustache triumphed over the Derby.

And the Glee Club is just organizing—somewhat late for songbirds to be so far North.

Wonder if the faithful members of the "sachet brigade" will take part in the Red Cross work? Great chance, eh?

Pardon the intrusion, but some folks are anxious to know whether the Trinity Rifle Club is going to use real bullets or continue to shoot lines.

Good riddance in many western North Carolina towns—the wondrously "bad" scion of the dispenser of the Gospel has been forced to take up his place of abode elsewhere.

And the time for the 9019 Declaration Contest and the Inter-society Debate draweth nigh. In truth Trinity is but doing its part in upholding the name of the "Bull City."

TO NEXT WEEK'S VISITORS

As practically every high school and preparatory school in North Carolina and adjoining states will receive this issue of the college weekly, the Chronicle takes the occasion to extend from the Trinity student body to the numerous representatives of these schools, who are about to visit the College, personal greetings and the assurance of a hearty welcome and warm reception.

The 9019 takes it upon itself to see that every contentant is properly cared for and entertained, but every Trinity student feels it his duty and will make it his work to see that the visitors of next week are given the best of everything in the community and made to feel perfectly at home on the

campus. With such close co-operation between the student body and the 9019 the contest on November 30 is sure to be a great success.

FOR TRINITY'S INTEREST

Some arrangements for varsity basketball should be made at the earliest possible date. At least such is the opinion of the Chronicle.

In past years competent and efficient coaches have had charge of the Trinity quintets. As a result of their work and training, Methodist teams have been able to take a high position among the strongest fives of the South. At this late date, however, no action whatever has been taken to secure a coach or assure the continual success of the Blue and White's representatives on the basketball court.

If a coach was needed in the past, when abundance of excellent material was at hand, to round out a winning team, how much greater is this need in the present time when not a letter man remains in college? Circumstances and existing conditions demand that a thoroughly capable coach be secured to keep Trinity's name up to the standard in the realm of athletics.

At present other colleges have already begun varsity basketball practice. At least one college in the State has entered upon the varsity season. Still Trinity has done nothing. True the interclass series is now on, but this series would in no wise prevent a coach from getting a line on the various men, choosing a varsity squad, and running in a little teamwork practice.

It is now only a comparatively short time until the team usually leaves on an annual pre-Christmas trip. If such a trip is to be taken this year, there is all the more reason why some arrangements for securing a coach be made at once. Without a coach the success of the basketball season will undoubtedly be limited, and that matter if nothing more, should go a long way towards bringing out the importance of securing a good coach at once.

The state championship five of last year set a fast pace to follow. Only by securing a first-class trainer and buckling down to steady work can the Trinity quint of 1918-19 hope to maintain to the slightest degree the glory and excellent record obtained by the basketballers of the preceding year. Trinity's interest, therefore, demands a basketball coach and that soon.

CO-EDS UNDERTAKE RED CROSS WORK

Under the leadership of some of the wives of the faculty members, the young ladies of the college are undertaking Red Cross sewing work. The meetings are to be held on Tuesday and Friday afternoons in East Duke Building. The first meeting was held Tuesday afternoon. At this time one of the parlors in East Duke Building was fitted up for a sewing room.

The women of the college are doing this patriotic work, not because they enjoy spending their afternoons in knitting and in making bandages, but because they want to do all they can to make life easier for the boys in the trenches. The college girls will not form a division of the Red Cross Society, but they will work under Red Cross supervision.

INTERCLASS TENNIS TOURNAMENT WELL UNDER WAY

SENIORS AS YET UNDEFEATED IN RACKET STRUGGLE

The inter-class tennis tournament was begun last Friday, with games between the Juniors and the Freshmen. Saturday the Seniors played the Sophomores, and then played the Freshmen on Monday. The Juniors and Sophomores were scheduled to play Tuesday, but the games had to be postponed on account of the rain. They will be played as soon as possible.

The first team of the Juniors was composed of Aldridge and Few, while that of the Freshmen was made up of Hathaway and Cornwell. The Juniors were victorious over the first year men, winning the first set by a score of 7 to 5, and the second by 6 to 0. Powell and Nichols, and Knox and Edgerton composed the second teams for the Juniors and Freshmen respectively. The Freshmen took the first set by a score of 6 to 2, lost the second set by 6 to 2, and won again in the third by 6 to 1.

The Seniors were matched against the Sophomores on Saturday. Caviness and Blackwell made up the first team for the Seniors, while Cooper and Newcomb represented the Sophomores. The latter won the first set by a score of 6 to 4, but the Seniors were too much for them in the next two sets, and won the second by a count of 6 to 2, and the third by 6 to 4. The Senior's second team, Lewis and Spangler, showed fine form, and cleaned up with their opponents, White and Loftin, in two sets, winning the first

SENIORS ANNEX TWO WINS IN CLASS SERIES OF WEEK (Continued from Page 1)

over the Juniors last night by a count of 35 to 21 in a game featured by roughness and "sweding" characteristic of the interclass series of old.

In the initial half the first year five ran up a total of 27 points against 7 for the opposing quintet. In the second half, the third year tossers came back strong and by consistent work amassed a total of 21 points. The onslaught of the Seniors in the first period, however made victory well nigh impossible for the '19 basketballers.

For the victors Captain Long and Saunders were the particular stars. The Senior pilot shot three sensational goals from the floor, and figured prominently in practically every defensive play. Saunders pocketed six goals, all difficult shots, during the first half. Close guarding, however, kept him scoreless during the other period of the game. Timberlake with six goals to his credit and Durham with two contributed the other points towards victory. Caviness, although unable to locate the basket, did close and effective guarding.

Aldrich and Jerome showed up exceedingly well for the Juniors. The former led his team in scoring and contributed thrills in the form of several sensational shots, while the latter was in the game every minute, broke up numerous passes, and secured three two-point counters. Edgerton, about the middle of the final period, made good the most difficult shot of the game. Smith, who replaced McCullen at right guard, showed up strong on the defensive and

held his opposing forward scoreless throughout the second half. Brendall, at center, found the basket for one goal.

RIFLE CLUB NEWS

The Trinity Rifle Club has
given a contract for the alterations
to be made in the old bowling alley.
On account of the difficulty in
getting a carpenter this work has
been held up for a short time.
The lumber for the work has been
purchased, and as soon as it is de-
livered the carpenters will begin
work. The bowling alley in the
gymnasium is to be completely
remodeled, and will serve as a fine
rifle gallery. Targets for the
shooting have come from the prin-
ter, and as soon as the carpenters
finish, the gallery will be opened
for the club members. The Club
will furnish a rifle for the mem-
bers who wish to take part in the
shooting. The entire college com-
munity is invited to come on next
Tuesday afternoon, inspect the
new gallery, and watch the men
shoot.

Cooper 17:14, Oaks 17:16, Cun-
ningham 18:00.

In the fourth mile, Gilbreath
overcame the Junior lead on the
last quarter, thus fixing a lead des-
tined to last for the next three
miles. The mile ended, Gilbreath
23:07, Richmond 23:10, Hoffman
23:12, Alexander 24:10.

For the next two miles, the So-
phomores remained in the lead.
The Juniors and Seniors changed
places in the fifth and sixth miles
for second place, and Thomas
gained eighteen seconds for the
Freshmen in the sixth. The fifth
mile ended, Smith 28:44, Barber
28:53, Gobbel 28:54, Fisher
29:27. The sixth mile ended,
Williams 34:20, Allison 34:27,
Few 34:40, Thomas 36:21.

In the seventh mile, Saunders
established a final lead for the
Seniors finishing first in 39:43,
an individual time of 5:16. In
this mile, the Sophomores lost 14
seconds. Blades finished second
in 39:57, Brown third in 40:53,
and Gaines in 42:03.

All of the teams held their re-
lative positions in the eighth, ninth,
and tenth miles. E. T. Harrison
gained two seconds for the
Sophomores in the eighth mile,
but Price of the fourth year team
fixed a lead of 23 seconds in the
ninth. Loflin, in a splendid run,
gained 2 seconds in the tenth but
was unable to overcome his adver-
sary, Lewis, who finished with a
lead of 23 seconds. The race ter-
minated, Lewis 55:38, Loflin
55:59, Smathers 57:49, Sanford
58:52.

Professor R. L. Flowers con-

of the Sophomore, Junior, and
Freshman classes written by the
class presidents and read at the

INTERCLASS TENNIS TOURNA- MENT WELL UNDER WAY

by 7 to 5, and the second by 6
to 4.

On Monday the Freshmen met
the Seniors. The fourth year
men won the first set by a score
of 6 to 3, the Freshmen took the
second by 6 to 4, and the third set
could not be completed on account
of the darkness. When the game
was called, the score was a tie, 5
to 5. The Freshmen second team
suffered defeat at the hands of
Lewis and Spangler, losing the
first set by a score of 6 to 1, win-
ning the second by 6 to 3, and los-
ing again in the third by 6 to 3.

SIGMA UPSILON HOLDS ANNUAL FALL INITIATION

(Continued from Page 1)

about ten years ago by Dr. Ed-
win Mims and was conducted in-
dependently until it became affili-
ated with the national organiza-
tion about four years ago.

Following the regular business
meeting last Friday night the
members partook of an informal
"feed."

The old members of the club at
college this year are: Dr. W. T.
Laprade, Dr. W. H. Wannamaker,
Dr. F. C. Brown, Dr. W. H. Glas-
son, Professor A. M. Webb, Rev.
H. E. Spence, and H. W. Kendall.

FINAL ARRANGEMENTS FOR 9019 DECLAMATION CONTEST

(Continued from Page 1)

Each year all high schools and pre-
paratory schools of approved
standing are invited to send rep-
resentatives. The encouragement
caused by the hearty response of
these schools in the past has just-
ified the continuance of the con-
tests. The winner of each contest
is presented with a handsome
twenty-dollar medal.

From all indications the con-
test this year will equal if not
surpass those of previous years.
A sufficient number of high schools
have already been heard from to
insure its success, but replies from
an even greater number are ex-
pected during the week immedi-
ately preceding the contest.
