METHODIST QUINT ON TRIP INTO VIRGINIA

SCHEDULE OF TRIP INCLUDES
U. VA., W. AND L.
AND V. M. I.

LOSE FIRST TWO GAMES TO VIRGINIANS AND GENERALS

Trip Closes Regular Schedule for the Season—To Play N. C. State for State Honors

Trinity's basket ball five left Sunday for a short trip into Virginia, on which they were scheduled to play University of Virginia on Monday night, Washington and Lee University Tuesday night, and V. M. I. Wednesday night.

Owing to the fact that practice did not start until after the Christmas holidays and the season was cut short, this is the only trip out of the State that the Methodist team had arranged for this season. This trip will close the schedule for the Trinity quint except a game to decide the holders of state honors to be played with N. C. State College. Definite plans for this game has not been arranged; consequently the game stands a little uncertain at present.

Captain Cole and Manager Wannamaker took with them on the Virginia trip the regular team composed of Page, center; Hathaway and Aldridge, guards; Cole and Starling, forwards, and Carver, Giles, and Barrett as substitutes.

At the time the Chronicle went to press, no details of the game Monday night with the University of Virginia had been received except the report on the score which stood 47 to 16. All evidences are that this was an off night for the Methodist basketballers.

The brief account, however, which follows, has been received of the game with Washington and Lee on Tuesday night: The Methodists after holding the Generals to a two-point lead during the first half were unable to hold their opponents down during the second half, the final score being 38 to 17. The game was a hard fought contest.

The feature of the game was the work of Hines, Fain, and McCain, eluding the Methodist guards for easy goals. Captain Cole and Starling were the stars for Trinity.

The lineup:

Trinity	W. and L.
Starling	Arbogast
	R. F.
Cole (Capt.)	McCain
	L. F.
Page	Hines
	C.
Hathaway	Fain (Capt.)
	R. G.
Aldridge	Bryant
	L. G.

Substitutes: W. and L. Harris for Arbogast; Trinity, Carver for Aldridge, Barrett for Page.

Goals from Field—Hines 6, Fain 6, McCain 3, Bryant 2; Starling 4, Cole 2, Page 1. Foul Goals—Hines 5, Cole 3.

Roy Tilley, '15, who was with the American Forces in France, died of influenza on February 9.

CO-EDS GIVE PARTY SATURDAY EVENING

Women in Each Section of Building Entertain Others with Stunts

The Student Government Association of the Alspaugh Hall gave an informal party Saturday evening at which "stunts" were the main form of entertainment. The South Section of the building presented a series of pantomimes accompanied by songs and intended to represent the six stages of life. These pantomimes were as follows:

1. Nursery Life—Marguerite Russell and Coline Rippey.
2. School Chums—Estelle Warlick and Irene Price.
3. College Girls—Ruth Merritt, Mary Pettit, Martha Wiggins, Gladys Price, Grizzelle Hartselle, and Bernice Ulrich.

4. Courtship—Ruth Early and Mamie Ruth Churchhill.

5. The Wedding—Vera Wiggins and Thelma Howell.
6. Old Age—Virginia Merritt and Emily Loftin.

Music for the songs was furnished by Miss Julia Carver.

The program consisted of readings and songs which were as follows:

Coon Song—Mary Gooch Pitts. Crooked Mouths—Katie Whitley. The Little Ship—Lola L. Draughon.

Naughty Children—Mary G. Pitts.

Duet—Mary G. Pitts and Lola L. Draughon.

After the program, pickles and crackers were served.

H. E. Spence Lectured to Y. M. C. A. Sunday

Professor H. E. Spence delivered a very impressive lecture to Y. M. C. A. Sunday night. Professor Spence is a very interesting speaker, and his remarks are always enjoyed and appreciated by those who have the pleasure of hearing him. His excellent talk was made on the subject "How to Do Right." He spoke as follows:

The thing that one strives for is goodness. Goodness is not attained by degrees, but it is attained through the sudden determination to do right and to do so at once. For instance: If a habit is stopped at once, it is stopped; but if it is done by degrees, it is never stopped. Life is dependent upon our will.

We have two important relations to life: First, Everybody is a looking glass. We reflect our home training, our habits, and our expressions. Our lives are dependent on what we see and how we act. Second, Our assimilation. Life grows like the thing it feeds on. Everything we feel becomes a part of us. We are more influenced by people than by things. People can live together to the extent that they look like each other and act like each other. Associating with great men will make men great. If we wish to attain to that great ideal which is goodness, we must follow in the footsteps of the perfect man, Jesus Christ. If we make him our companion, the habit of religion will be formed in our lives.

(Continued on Page 4)

BASEBALL PROSPECTS BETTER THAN USUAL

SEVEN LETTER MEN BACK—WHITTET PROBABLE COACH

Baseball practice on the Hanes Athletic field has been going on steadily under the supervision of Captain Carver for the past week. Prospects for a successful team seem far in advance of any season since 1916. In all, about twenty-five candidates have reported for practice including seven letter men as well as seven other men who have played during previous seasons and lack only a few games of attaining the insignia. An abundance of new material has been manifested in the daily work-outs, and the squad is fast getting into shape for the strenuous practice which is to follow under the supervision of a coach.

It is not yet known whether or not George Whittet, the well known National League celebrity of this city will be discharged from the service in time to take charge of the Methodist contingent. The Athletic committee is now in correspondence with him, and George has promised to take charge of the team provided he can give it the necessary time before reporting at the Phillies' training camp. He expects to be discharged on or about March 1. Manager Few has been steadily at (Continued on Page 3)

PROF. HOFFMAN SPEAKS TO PARK SCHOOL Y. M. C. A.

Students Hear Dr. Mumpower Monday Night—Rold Social—Other News Notes

On last Thursday evening the Y. M. C. A. met for its regular weekly meeting, which was addressed by Professor H. L. Hoffman, who chose as his subject "One's growth or development." Mr. Hoffman very clearly brought out the fact that resources are essential to growth, both spiritually and mentally. He also showed that that which has been handed down to us in the past is our resources. He then showed how these resources may be developed through physical and mental development.

The Sunday School class of the Memorial Church, which is taught by Dr. C. W. Peppeler, of the College, gave a reception on last Friday night in the basement of the Memorial Methodist Church. This class, which is composed of Trinity Park students, was joined in the reception by the young ladies of Mrs. A. M. Gates' and Mrs. C. W. Peppeler's classes. The hours were from 8 until 10:30 and a very pleasant evening was passed.

The Calhoun Literary Society, at its meeting last Saturday night debated the question: "Resolved, That the United States Government should adopt a policy of requiring all able bodied men to take one year of military training before they reach the age of twenty-one." The negative, composed of Messrs. O. G. Sawyer, M. Q. Tuttle, W. I. Bissitt, and G. D. Hardesty won the decision over the affirmative which was represented by (Continued on Page 2)

HAMLIN GARLAND TO LECTURE AT TRINITY

Noted Author and Popular Lecturer to Speak Here Two Days: March 7th and 8th

Hamlin Garland, noted novelist, historian, and lecturer, will deliver a lecture at Trinity College on the night of March 7th, and another on the morning of March 8th. His first lecture will be on the subject, "Songs of the Middle Border," and the second on "Reminiscences of Famous English Authors."

The lecturer has spent a great deal of his time in the forests of the Rocky Mountain region, and he understands the West. He is noted for the material he has given on the passing of the old West, and the coming of the new, the West of the future. He also made an overland trip to the Yukon Valley, which formed the basis of a volume called "The Trail of the Gold Seekers." Among his most popular novels are "The Eagle's Heart," "Money Magic," and "Mavanagh."

Mr. Garland was born in Wisconsin, in 1860, and was reared in Iowa, which is the scene of his "Boy-life on the Prairie." He worked his way through the grammar schools, and then went East to study more. In 1884 he connected himself with the Boston School of Oratory, and for five years taught private classes in English and American Literature, and lectured on Browning, Shakespeare, and the Drama. Here he made the acquaintance of Oliver Wendell Holmes, Wm. (Continued on Page 4)

Victory Photographer Hard at work This Week

J. Victor Lovendale, of the White Studio, New York City, with whom the contract for the annual pictures has been made, arrived in Durham late Thursday, and started work Friday morning.

The White Studio was engaged to make the pictures for the "Victory" because it offered lower rates than have heretofore been paid, according to a statement made by the Manager of the publication, and the New York firm is well known for the quality of its work. The University also engaged White, and Mr. Lovendale came here from Chapel Hill.

Mr. Lovendale's work is to make all individual and group pictures. He has his studio set up in an ante-room of the Columbian Literary Society Hall, and has been working steadily since last Friday. Unless some hindrances interfere, he will complete his work the last of this week. About two weeks after he leaves, according to the White system, another representative will be here who will handle proofs, and will also take orders for any extras that may be desired.

The Manager of the "Victory" has not yet announced a definite contract for making the cuts, or for other details of the annual, but it is his plan to save money for the students and for the organizations on the campus through the contract with White.

CENTENARY COMMITTEE ON CAMPUS MONDAY

REV. HOUNSHELL SPEAKS AT CHAPEL—ALSO TO "Y" CABINET

MUMPOWER AND HOUNSHELL OUTLINE STUDENTS' WORK

Y. M. C. A. and Y. W. C. A. Will Both Play a Part in Missionary Campaign

On Monday and Tuesday of this week Rev. C. G. Hounshell, D. D., Rev. A. D. Wilcox, and Dr. D. L. Mumpower were on the campus in the interest of the Centenary Movement. Dr. Hounshell spoke at chapel Monday, met the Y. M. C. A. cabinet and the Faculty Advisory Committee Monday afternoon, and Monday night in the Y. M. C. A. Hall Dr. Mumpower lectured on his stay as a medical missionary in the Belgian Congo in Africa and Dr. Hounshell gave an illustrated lecture on the need of the foreign field.

Dr. Mumpower is a graduate of Central College of Missouri and of the medical department of Vanderbilt University. He spent five years as medical missionary in the Belgian Congo in the heart of Africa. Rev. Wilcox, who until recently has been in pastoral work in the North Carolina Conference, is Conference Secretary for the Centenary Movement. Mr. D. W. Newsom, Registrar of Trinity College, who has been appointed Campaign Director for the movement in the North Carolina Conference, worked with the visitors in laying plans for the work which is to be done in connection with this drive.

The plans for the College are to make the work on the campus mostly educational. Programs will be put on by both the Y. M. C. A. and the Y. W. C. A. as means of informing the student body what the Centenary Movement means and the great need of the church to use this opportune time to send Christianity to the heathen world. Also when the drive comes off April 27 to May 4, students will be given opportunities to do their part in this great campaign.

Dr. Mumpower stated in his lecture Monday night that he went to Africa as the only medical missionary in the Belgian Congo, which was a territory as large as North and South Carolina combined. He said that in this district there were only two preachers, one industrial man, and one nurse. He stated that the missionaries had no alphabet with which to communicate with the natives. There is great need for agricultural men in Africa, the speaker stated. The homes are meagerly furnished and the need for people to put the industrial life on a better basis is urgent. He also said that the women of Africa had no initiative and that they were in great need of the influence of American women to help them realize the responsibilities resting upon them as mothers in their homes. The speaker stated that the time was (Continued on Page 3)

Communications and items of educational interest are solicited from Alumni. The writers' full names should accompany all communications, which must be of length proportionate to the space of THE CHRONICLE. Checks and money orders should be made payable to the business manager, and all Business Communications should be addressed to him. All subscriptions and bills for advertisements are payable before the first of February.

Watch that baseball team.

Only two games of schedule lost in the State. Not so bad, considering the lack of a coach.

The Methodist quint is returning, and probably singing "Take Me Back to Old Carolina."

Some one asked why the co-eds are smiling so much this week. They got the habit while posing for their pictures for the Annual.

That Officers' Club—is it composed of majors and colonels or "looks"? Who can tell from the amount of advertising they are doing?

SHAKESPEAREAN PLAYERS

Before the war there was some what a precedent to secure some good troop of players to come to Trinity College each spring and give Shakespearean plays on the woodland stage. These plays gave students an opportunity to see some very artistic acting while seeing plays of the greatest English poet, which has proved very educational as well as pleasant to those who heard them. Of course, the only way that a reputable company of players can be engaged to come to Trinity is for them to be guaranteed a sufficient sum to make the proposition interesting. If the students desire to avail themselves of this splendid opportunity again this spring, they should begin at once to arouse interest and see how many tickets can be sold among the student body. If it proves to be the wish of the students to support Shakespearean players here this spring, they can communicate with Dr. F. C. Brown, who, it is under-

stood, is in a position to arrange for such an engagement.

THE CENTENARY MOVEMENT

As has been stated in other columns of this issue, a committee of leaders visited the campus this week in the interest of the Centenary Movement. Any of us know too little about this great Christian wave that is sweeping over the land. It behooves each one to have a desire to learn more of this history making movement.

The Centenary Movement is only one division of the greater wave. There are similar movements being put on by other denominations, and there is a great united drive to be propagated. What is the meaning of all this effort at this time. It is solely for financial purposes? Does the Centenary Movement only mean that Methodism of America is desiring to raise a hundred million dollars? There is a far deeper meaning to this movement. It signifies that the world is awakening to the fact that it was the lack of equality, justice, brotherhood, and righteousness that threw the world into a great conflict. Therefore, civilization is realizing that if permanent peace is to come and justice is to reign supreme, the above named principles must be taught to all the nations, even more clearly to ourselves. Then this great movement is the result of an awakened desire to avoid some of the recently enacted crimes, which have preyed upon civilization. Isn't such a cause worthy of the study and consideration of everyone? Let us open our eyes to the trend of the age and get the spirit of what is moving the world today.

ATHLETIC CONDITIONS

-Again the question of a coach for certain branches of athletics at Trinity is presenting quite a troublesome problem. Without casting any reflections on the ability of the coach (for lack of time is the evident reason), the basketball season certainly has not been what it might have been had more time been spent in coaching. It is argued that unsettled conditions were responsible this year. Perhaps so, but something similar takes place every year. Trinity has good material fine athletes, and a student body ready to back organized effort, but it cannot be expected to give strong support to unsystematized work.

A coach for baseball is now needed. The manager of the club for this year is attempting to obtain George Whitted, of the Philadelphia Nationals, and the CHRONICLE is heartily in favor of this. But why hasn't some man been procured for basketball who could devote plenty of time to it, and the same for track.

The trouble seems to be in the system of financing athletics. The present system has been gone over time and again, and there is no need to thrash it out here again, but something should be done towards putting athletics on a sound financial basis, and that something should be lasting and efficient.

Student Volunteer Band Was Organized Tuesday

The members of the Students' Volunteer Movement met last Tuesday afternoon for the purpose of organization. Miss Ruth Merritt was selected as leader and Eugene Chesson as secretary and treasurer. There are to be regular weekly meetings of this organization at which time a course

in the study of missions will be pursued. The members of this movement are those students who intended to become foreign missionaries. The members of the movement were addressed at this meeting by Mr. Hounshell, who spent Monday and Tuesday of this week on the campus in the interest of the Centenary movement.

Historical Society Has Regular Weekly Meeting

The regular meeting of the Historical Society was held Tuesday night. The feature of the program was a lecture on "The Life and Works of Thomas Cooper," delivered by Dr. H. M. Ellis. This feature of the program was especially interesting and enjoyed by those who were present. After the lecture, Dr. W. K. Boyd asked several questions of interest pertaining to the life of Cooper, which later caused an interesting discussion.

Different committees were appointed during the business part of the meeting for the purpose of getting out publications and getting photographs of historical documents for the 1919 Annual. This will take the place of the group picture which usually appears. A publication of Historical Papers is in the press now, and will be ready at an early date.

First Lieutenant Earl M. Thompson, M. G. Co., 371st Inf., 93rd Division, recently returned from France, was on the campus Wednesday. Lieut. Thompson went across in April, 1918. He saw active service on Xerdu, Champagne, Vosges fronts, and came through uninjured.

PROF. HOFFMAN SPEAKS TO PARK SCHOOL Y. M. C. A.

(Continued from Page 1)
sented by Messrs. M. L. Wilson, C. W. Durham, E. L. Snow, and L. M. Harrison. As this meeting was the set time for the election of officers, the following men were elected for the following term: President, M. L. Wilson; Vice-President, M. B. Jeffreys; Recording Secretary, H. C. Cunningham; Corresponding Secretary, J. S. Barnes, Jr.; and Treasurer, G. F. Trolinger.

The Grady Society, at its meeting Saturday night, debated the question, Resolved: "That the U. S. should adopt the preparedness plan." The decision was rendered in favor of the affirmative, composed of Messrs. W. L. Fitzhugh, F. S. Roberson, and L. B. Parker, while the negative was represented by Messrs. G. W. Brantley, C. Vaughan, and R. E. Tarkenton. The declaimers for the evening were Messrs. C. G. Knox and S. B. Turner. The readers were Messrs. E. L. Harris and R. A. Smith. A quartet, composed of Messrs. O. Z. Gentry, B. F. Batts, O. A. Robinson, and J. C. Owen, furnished music for the occasion. As this was the night for the election of officers, Mr. C. C. Brown was elected President; Mr. P. O. Lee, Vice-President; Mr. O. A. Robinson, Secretary; Mr. C. G. Knox, Treasurer; Mr. J. I. Gray, Marshal; and Mr. C. B. Deane, Chaplain. The newly elected program committee was composed of Messrs. P. O. Lee, W. L. Fitzhugh, and J. I. Gray.

On Monday night the students of the Park School were given the privilege of going over to the college and hearing Dr. Mumpower, a returned medical missionary from Africa, and Mr. Hounshell, the Methodist mission secretary,

who were here in behalf of the Centenary Movement of the Methodist Church. On Tuesday morning the chapel exercises were conducted by Dr. Mumpower and Mr. Hounshell, who again presented to the Park School students the needs of the movement. Mr. Johnson, the Y. M. C. A. secretary for the Carolinas, was also present and made a short talk.

work on the schedule for several weeks and now has it almost complete. The manager expects to pilot the team on the usual southern trip through South Carolina and Georgia.

The following letter men are attending the daily practices and are getting rapidly into the old form for the coming season:

Captain Arthur L. Carver 1917-18, Hathway 1918, McArthur 1918, Cole 1918, Carson 1918, Southard 1918, and Wannamaker, T. M. 1918.

Towe, Edens, and Jerome, short stop, first baseman, and right fielder respectively of the 1917 team are all back on the field and showing up in splendid form. Other members of the 1918 team who are back with the team are Page and Carroll, pitchers; Starling, short stop; and Norton, catcher. Those of the new men who are showing up extra well are "Bullet" Joe Caviness, pitcher; Salmon and Phelps, catchers; Graham, third baseman; Massey, Adams, and Creech, outfielders.

CENTENARY COMMITTEE ON CAMPUS MONDAY

(Continued from Page 1)

coming when civilization would realize the resources of that country and would go there for business. As Christian people, it behooves us to get there first and carry the influence of the Gospel. Dr. Mumpower said that the need was great to send Christians to save Africa from the influence of Mohammedanism, which is the strongest force which Christianity has to fight.

Dr. Houshell in his lecture Monday night illustrated his arguments with lantern slides. He emphasized the need of Christian workers in the foreign fields. He said that our President was Christian and that was the reason the world was looking to America for ideals. He brought out the following significant facts: Half of the world is illiterate. Eighty percent of the Chinese students attend missionary schools. Illiteracy in Latin America varies from forty to forty-eight percent. In showing the growth of Christianity in foreign fields Dr. Houshell stated that it took a hundred years to win the first million converts in foreign fields, twelve years for the second million, and only six years for the third million.

Stenographers and Hades Clubs Organized recently

Prospects for the annual are bright this year in regard to pictures. A large number of clubs were organized last week, and a few more this week. Among those organized this week were the Hades Club, and the Stenographers' Club.

The sons of ministers in Trinity College met last Monday immediately after Chapel in the Y. M. C. A. Hall, and organized the club known as the Hades Club. This organization has been a feature in the annual nearly every year, but was not organized last year. It has come back strong, however, and has eighteen members, with perhaps more eligible. Robert Bradshaw was elected president.

Last Saturday afternoon the stenographers of the college met in the East Duke Building and organized the Stenographers' Club. Miss Margaret Russell was elected president.

Miss Elizabeth Allen has returned from her week-end visit to her home in Louisburg.

Misses Rosalie Stepp and Mary Blair Maury have returned from a trip to Danville, Virginia.

Miss Louise Ingram, from High Point, was the guest of Miss Lily Nelson Mason last week-end.

Miss Alma K. Addy, from Winthrop College, is expected to arrive Friday to visit Miss Martha Buchanan, Dean of the Women.

The A & A II sororities entertained Tuesday evening in honor of Mrs. R. F. Early, who had been visiting her daughter, Miss Ruth Early, in the Alspaugh Hall. Mrs. Early left for Aberdeen Wednesday, where she is now the guest of Mrs. Henry Page.

The literary program of the Y. W. C. A. meeting Wednesday evening was conducted by the World Fellowship Committee. Miss Leonora Aiken read a paper on "The Need of Missionary Work in Kobe." Miss Gertrude Adams gave a talk on "Kobe as a City," and Jessie Penny read a paper entitled, "A Spiritual Basis for Work in Kobe."

Miss Helen Lyon entertained the Trinity chapter of the A & A II sorority at a dinner party Thursday evening at her home on Watts Street. After the delightful five-course dinner the guests gathered around an open fire in the living room and sang A & A II songs. Those present were Misses Vera and Martha Wiggins, Mary Pettit, Juanita Cameron, Pearl Adams, Margaret White, Julia Carver, Ruth Early, Elizabeth Allen, Gladys and Irene Price, Mamie Ruth Churchill, Sarah Hudgins, Helen Lyon and Mrs. W. F. Lyon.

HAMLIN GARLAND TO LECTURE AT TRINITY
(Continued from Page 1)

Dean Howells, Edward Everett Hall, Edwin Booth, and other leaders in literature and art. Leaving Boston, he went to New York, and from there to Chicago, and in 1893 he returned to his native village, West Salem, Wisconsin. He completed the biography of General Grant in 1898, and in the same year published a third volume of short stories. Since 1898 he has published a large number of books, novels, lectures, essays, and historical works. He is a member of the American Academy of Arts and Letters, of the Players' Club of New York City, and the originator and first president of the Cliff Dwellers, the leading artistic and literary Club of the West. He is a progressive in politics, as well as in art, and a persistent advocate of national character in fiction as in music.

H. E. SPENCE LECTURED TO Y. M. C. A. SUNDAY
(Continued from Page 1)

We become like those we imitate; hence if we imitate Christ, our lives will be more perfect. We have just as good a privilege of knowing Him as the people who lived with Him. By being a friend to Jesus Christ, we can learn to know Him.

THERE'S NOTHING TOO GOOD FOR THE YOUNG MAN BACK FROM THE FRONT

We're in a position to put him back into civilian clothes and we'll take more than usual interest in waiting on him.

THE BEST VALUES

are his and the Best Tailored Suit that America can turn out.

For this we suggest a Tailor-Made Suit made up especially to his own inches.

DURHAM, N. C.

**Remember Well to Bear in Mind
A Faithful Friend is Hard to Find**

Socrates once built a house, and everybody who saw it had something or other to say against it. "What a front!" said one. "What an inside!" said another. "What rooms! not big enough to turn around in," said a third. "Small as it is," answered Socrates, "I wish I had true friends enough to fill it."

Friends true and tried are not as numerous as we suppose. When the sunshines and everything is lovely, friendship is one thing. When things go "dead wrong," friendship is altogether a different proposition.

A never failing friend is a BANK ACCOUNT, and the FIRST NATIONAL BANK has a long list of friends that has never failed it, and there are hundreds ready to testify that often times the FIRST NATIONAL BANK has proven a FRIEND IN-DEED.

There are two sides to Banking, one is to keep the rudder true and to earn dividends for the Stockholders. The other side is the human side, which is really the better and bigger side.

To be ready with the Life Line to aid and assist the unfortunate, but worthy derelict. Sooner would the FIRST NATIONAL BANK close its doors and go out of business, rather than to be unmindful of its obligations to humanity, and do business only to profit its Stockholders.

Try us—let us be your friend. We have more than doubled our Capital Stock—once \$150,000, now \$400,000. We are better prepared than ever to serve the public. The glad hand awaits you. Come.

**We Know Your Wants
and Want Your Business**

JULIAN S. CARR
President

Lieutenant Thomas E. Daniels, of New Bern, North Carolina, a member of the class of 1891, visited friends on the campus during the past week. Lieutenant Daniels has seen several months service in France. Few men will bear more scars of the great conflict than he. He had his eye blown out, his ear cut off, and his leg marked.

F. A. Ellis, '14, is now located at Salisbury, North Carolina, where he is practicing medicine. After leaving Trinity, Mr. Ellis entered Jefferson Medical College in Philadelphia.

Mrs. R. L. Flowers has gone to Baltimore to be with her father, Captain E. J. Parrish, who is under treatment in Johns Hopkins Hospital.
