N. C. STATE COLLEGE BASEBALL TEAM LOSES TO TRINITY BY SCORE OF 5 TO 2

GAME IS INTERESTING WITH BOTH TEAMS PLAYING WELL

Pitching of Southard and Hitting of Edens and Wannamaker Features For Home Team

In what promised to be one of the most interesting games on the home diamond this season, Trinity's baseball team defeated the nine from N. C. State College last Saturday afternoon on Hanes Athletic Field by the score of 5 to 2. The hitting of Murray's offerings, snappy field work, and the backing up Southard's excellent work on the mound placed the outcome of the game easily in favor of the Methodists.

Chilly weather and a strong wind made the occasion disagreeable for both players and spectators; nevertheless the exhibition of hitting, base running, and field plays was sufficiently lively to be interesting to the good crowd of fans out to witness the contest.

The pitching of Southard for Trinity, who held his opponents to five scattered hits, and the hitting of Edens and Wannamaker were deciding features for the Methodist team. Southard had only two bad innings, the first and the fifth, when the Techs scored their runs, and it was only in the fifth that he allowed the visitors to bunch their hits. Carver and Hathaway deserve mention for hitting, both finding the ball twice, while Wannamaker did nice base running.

The fielding of Burrus and Sipe were features for the State College. W. Johnson staged some attractive base running, getting two stolen bases to his credit.

Dr. E. R. Leyburn talks to Y. M. C. A. at Park School

At the regular meeting of the Y. M. C. A. at Trinity Park School on last Thursday night, Dr. E. R. Leyburn, Pastor of the First Presbyterian Church of this city, addressed the student body. Dr. Leyburn took as his subject the verse of Scripture, "Whatever a man soweth—that shall he also reap." He very plainly showed that if one sowed bountifully, bountiful would be the harvest, but that if he sowed sparingly, sparingly would he reap.

At the last meeting of the Grady Society, the abolition of capital punishment was debated. The affirmative was composed of W. H. Smith, O. A. Robinson, C. R. Gray, and V. C. Lassiter. The Negative was upheld by E. J. Rainey, R. E. Tarkenton, W. L. Fitzhugh, and C. B. Deane.

The question, "Resolved: That Canada should be annexed to the United States," furnished a query for debate in the Calhoun Society and was upheld by the Affirmative composed of M. L. Wilson, F. T. Teal, and E. M. Smith. The Negative was represented by R. G. Bailey, J. I. Vincent, and O. G. Sawyer. J. S. Barnes, Jr., was elected Marshall for the inter-society debate, April 5.

INTER-CLASS TRACK MEET FOR SATURDAY

Large Number of Entrees and Events. Classes Will Probably Be Suspended For Occasion

The inter-class track meet is scheduled to take place on the Hanes Athletic Field Saturday, April 5th, at 3:00 p.m. It is estimated that the events will occupy about three hours, owing to the number and variety of entrees and events. No letter men will be allowed to enter the meet, although some will be allowed to participate in the events for practice. Every one else is eligible to enter the contest, provided the entry is made by Friday night.

The order of events is as follows: 100 yard dash; 440 yard dash; high hurdles; one mile run; high jump; 880 yard dash; 220 yard dash; javelin throw; low hurdles; shot put; two mile run; discus throw; mile walk; pole vault; broad jump; one mile relay race; equipment race; and sack race.

The following officials have been appointed: starter, Smathers; time-keeper, W. W. Card (former); Prof. Webb; chief judge, Prof. Wilson; field judge, all "T" men; scorer, E. T. Harrison; announcer, Hambrick.

It is probable that classes will be suspended Saturday afternoon for the benefit of the students who desire to attend the meet. Admission to the students will be free, and it is hoped that each class will loyally support its candidates.

The results of the inter-class meet will be used as a basis upon which to judge the entrees for the first varsity meet which is scheduled for the following Saturday.

April 12th, with Elton College here. Trinity's prospects are exceedingly bright in track this year, owing to the fact that a number of letter men are in college. A great deal of extra fine material has been developed from the numerous men and new candidates, and more than all, too the fact that they have been in training for two months, having a lead of six weeks on any preceding team.

Literary Societies Meet Columbia Holds Election

The regular program and debate of the Columbian Literary Society was dispensed with last Saturday night, and the time was taken up in the election of officers. The men elected to offices were: Pres. S. H. McNeely, Vice-Pres. W. H. Cherry, Secretary J. H. Brendall, Treasurer E. W. Samuels, Marshall R. A. Parham, Chairman of the Executive Committee C. H. Moser, Chief of Tribunal J. E. Gilbreath, Chaplain J. H. Lanning, Censor N. M. West.

In the Hesperian Society on the night of March 29th, several orations were delivered, and a debate was held, the query of which was: "Resolved, That Labor Unions as they now exist are on

TENNIS TOURNAMENT HELD TO SELECT TEAM

CAVINESS AND SHINN SELECTED TO COMPOSE VARSITY SQUAD WITH OLD TEAM

Among the many college activities which were interrupted by the Students' Army Training Corps was that of tennis. Heretofore the custom had been to hold the annual varsity tennis tournaments in the fall of each year, but owing to the abnormal conditions of war, this was impossible the present year. Accordingly, a preliminary tournament was held on Monday, Tuesday, and Wednesday of this week. The two men who were victorious in the final matches, together with four old varsity players now in school, will compose the varsity squad, and out of this number four men will be selected to represent the College as the varsity team. The tournament which has just closed revealed some splendid material, and judging from the present prospects Trinity will be very ably represented for a number of years to come.

On Monday afternoon Neal, J. G., defeated Waldrop, H. D., and Caviness, H. L., was successful in his battle with Elias, W. S. Tuesday Knox, E. M., was not an even match for Shinn, J. H., and Best, L. J., defeated Rose, L. L. On Wednesday afternoon Neal and Caviness were pitted against each other, Caviness being victorious. Best and Shinn also played, Best going down to defeat at the hands of his opponent. The two men who were victorious in this tournament, namely Caviness and Shinn, will, together with Powell, G. E., McCullen, J. B., Few, R. A., and Aldridge, F. C., compose the varsity squad, and out of this number the varsity team of four will later be selected.

Manager Cooper is working hard on a schedule for the present season. Already Elton and V. M. I. have signified their desire to meet Trinity this year. The Elton match will probably be held at Trinity within the next ten days or two weeks, while the V. M. I. meet will be staged at V. M. I.

The four varsity tennis courts back of Alspaugh Hall have been put into excellent shape. The honor system has also been introduced with reference to tennis. A book has been provided for and placed in the Library. Each afternoon all men who play tennis will sign their names in this book and thus receive credit for the required physical exercise.

Notice

The subscription fees for the *Chronicle* for this year are past due. This publication, which is a student institution, attempts to be self supporting. It cannot succeed in doing so if the patrons do not co-operate with the managers in keeping the finances on a sound basis. Therefore it is urged that every subscriber pay his subscription at the earliest date possible in order that the obligations of the paper can be met without embarrassment.

SOUTH ATLANTIC QUARTERLY EDITORS

Dr. W. K. Boyd and Dr. W. H. Wannamaker Assume Editorship of Publication; History of Quarterly

Recently Dr. W. H. Glasson and Dr. W. P. Few tendered their resignations as editors of the *South Atlantic Quarterly*. Dr. Glasson had been connected with the *Quarterly* for fourteen years, and Dr. Few, about ten years. Dr. Glasson was forced to sever his connection with the publication in order to have more time to devote to research and investigation in his own department; Dr. Few, too, was unable to continue his editorship because of the exigencies of his other work.

The Board of Directors passed strong resolutions in appreciation of the services given the *Quarterly* for so many years by the retiring editors.

The new Editors, Dr. W. K. Boyd and Dr. W. H. Wannamaker, were elected by the Board of Directors of the South Atlantic Publishing Company as joint editors of the *Quarterly*, their editorship beginning March 1.

Both of these members of the Faculty have for many years been active in contributing articles and book reviews to the *Publication*. It is anticipated that the *Quarterly* will be ably and successfully conducted under their direction.

The *Quarterly* was founded in 1902 under the auspices of the 9019 Society. The first editor was Dr. John Spencer Bassett, now of Smith College, Mass. When Dr. Bassett retired from the editorship after the publication of the January, 1905, issue of the *Quarterly*, he was succeeded by Dr. Edwin Mims, of Vanderbilt University, and Dr. W. H. Glasson.

In 1909 Dr. Mims resigned the editorship upon leaving Trinity College to accept a chair in the University of North Carolina. His successor as editor was Dr. W. P. Few.

After the earlier years, the 9019 gave up the Management to the corporation known as South Atlantic Publishing Company, controlled by the faculty of Trinity College. The *Quarterly* is still under this management.

Chaplain T. G. Vickers Awarded Croix de Guerre

The following information concerning the decoration for bravery of Chaplain T. G. Vickers, '11, has been furnished the *Chronicle* by Mrs. T. G. Vickers, who resides at Raleigh, North Carolina:

"On February 23, 1919, Chaplain Vickers was awarded a *Croix de Guerre*. The decoration was made by Major General Bailey, Commander of the 81st Division. A gold star was placed on the ribbon, indicating that the citation was from the second highest commander of the French Army. A free translation of the citation follows:

G. C. W. GLEE CLUB TO BE HERE ON APRIL 12

WILL GIVE CONCERT IN CRAVEN MEMORIAL HALL ON THAT OCCASION

WILL GIVE PROGRAM UNDER AUSPICES OFFICERS' CLUB

Will Be Club's Second Visit to Trinity—A Delightful Program Is Expected

On Saturday night, April 12th, the Glee Club from the Greensboro College for Women will give a concert in the Craven Memorial Hall. The Club is being brought here under the auspices of the well known "Autocracy Smashers" more commonly known as the Officers' Club, according to an announcement made by Lieut. E. C. Craft recently.

The Greensboro College Glee Club gave a concert at Trinity last year, and it was one of the most enjoyable entertainments of the entire year. The Club is under the direction of Prof. L. B. Hurley, who had charge of it last year, and is composed of many of the same members. It has always proved a great success wherever it has gone in former years, and promises this time to be equally as good or even better than before. It is composed of excellent and talented soloists, both vocal and instrumental, not to mention the charming chorus and the delightful stringed instruments. The music is both classical and popular.

While on the trip, the Club will appear at the University, and also at Wake Forest. The Officers' Club has completed arrangements for the care and entertainment of the Glee Club while it is in Durham. An admission will be charged, and the profits turned over to the Centenary Missionary Campaign.

Sororities Hold Annual Initiations of Freshmen

Omicron Chapter of Alpha Delta Pi Sorority held its annual initiation Wednesday night, April 2d, in the sorority's rooms in Alspaugh Hall. Preceding the ceremonies of initiation, the "goats" were put through a number of stunts before the student public in front of the Craven Memorial Hall. After a small amount of horseplay had been indulged in, the girls withdrew and continued the initiation behind closed doors. The newly initiated are: Misses Pearl Adams, of Linden, N. C., Juanita Cameron, of Raeford, N. C., Helen Lyons, Durham, N. C., Irene Price, Wilmington, N. C., Sara Hudgens, and Marjorie White, of Marion, N. C.

Four pledges were initiated into Phi chapter of Zeta Tau Alpha Sorority Saturday afternoon, March 29th. The initiation ceremonies were preceded by a small amount of "horse-play" Friday night which was not, however, enjoyed by others than the members of the sorority. Following the horse-play, an informal feed was served by the initiates. The ceremonies of initi-

N. C. State was easy; on to Wake Forest Saturday for another victory.

When "Track" gets his track team on the track, there will be big attraction on the track.

The G. C. W. Glee Club is coming under the auspices of the "Antocracy Smashers Club." Imagine those fellows trying to become heart smashers.

The chorus of "Southern Belles," "Tar Heel Maidens," or whatever they choose to be called showed talent during their performance on the steps of Memorial Hall Wednesday evening.

TRACK MEET

The track meet which is to take place Saturday will afford probably the most universal opportunity offered for students to get into the athletics of the college. If a fellow cannot run, maybe he can put the shot. If he cannot put the shot, probably he can pole vault, jump, or run hurdles. If he is out on everything else, surely he can walk. That's where the editor hoped to come in if it had not been impossible for him to be in town on that date! However, it will be worth any man's effort to take part in this meet. Every man possible ought to be out on that day to help run up the score for his class.

G. C. W. GLEE CLUB

It will be noted that this issue of the Chronicle is carrying an announcement of an engagement for the Glee Club from Greensboro College for Women to render a program in Memorial Hall, April 12th. Those of us who

were so fortunate as to have been in college last year recall with pleasing memories the visit of this club last spring. The entertainment was a combination of classic and popular music, but every number was skillfully rendered.

Greensboro College for Women is our sister college. All Trinity students should feel a special interest in that institution. (It is understood that some male students are loyal enough at this point.) A visit to Trinity by their Club and its manager, who is an alumnus of Trinity, is predicted to bring the two institutions into closer relations and give to the component members of each a more vital interest in the other.

When these young ladies reach our campus, it will behoove every student to do his or her part to make their stay with us impressive of the true merits of Trinity College and give to them our most hearty support.

Dr. Glasson Reads Paper at Faculty Club Meeting

A meeting of the Faculty Club was held last Saturday afternoon. After a business session, with reports by the Committees, Dr. W. H. Glasson presented a paper on the plan for insurance and annuities recently proposed by the Carnegie Foundation for the advancement of teaching. After the reading of the paper a general discussion of the subject was given by several members of the Club.

Dr. W. K. Boyd Reads Paper at Historical Club Meet

The Historical Society held its regular meeting Monday night. Very important business was transacted in the meeting. It was decided by a unanimous vote of the members present to reorganize the society for next year. It was decided to reshape the constitution in such a way as to discuss contemporary politics. The meetings will be held every two weeks next year, and will be so arranged as to discuss contemporary politics one meeting and the next meeting will be a continuation of the discussion of North Carolina History.

After the business part of the program, an interesting paper was read by Dr. W. K. Boyd. The subject of the paper was: "Antecedent of the Constitution of Convention in 1839."

Dr. Pearson, Head of the department of history of Wake Forest College will address the Society on the fourth Monday night in April. It is hoped that all members will be present for this address.

Musical Program at "Y" on Last Sunday Evening

By way of variety, a program was rendered at the Y. M. C. A. last Sunday that abounded in "spice" throughout. The program, which consisted exclusively of music, was the second of its kind held this year. It was highly successful; for nearly an hour the large audience in attendance enjoyed an unusually musical treat.

The "Y" is certainly indebted to the young ladies from the Conservatory, Misses Barnes, Shiftlett and Cannady. Special mention should be made, too, of the excellent numbers given by Mrs. W. W. Card and Miss Elizabeth Card. Also the quartette by Messrs. Parham, Draper, Morrill, and Farrington was a very enjoyable feature of the program. The program as rendered follows:

1. Violin solo, *A Twilight Reverie*, Miss Thelza Barnes.
2. Vocal solo, *Singing in God's Acre*, Draper.
3. Instrumental solo, *Alice*, Miss Shiftlett.
4. Male quartette, *God is Good*.
5. Vocal solo, *Crossing the Bar*, Mrs. Card.
6. Instrumental solo, *Prelude in C minor*, Miss Cannady.
7. Vocal duet, *I'll Leave It with Jesus*, Mrs. Card and Miss Elizabeth Card.

the whole beneficial to the society of the United States. According to the critic of the society, this was the best debate that had been held in the society in the last several years. The affirmative was upheld by Messrs. Rose, Banks, and Fisher, and the negative by Pippel, Kirkman, and Herring. The decision was in favor of the affirmative.

Wesley Taylor was elected as Chief Marshall to represent the society at commencement.

Albert Jay Nock Visitor at Trinity This Week

Mr. Albert Jay Nock, associate editor of the *Nation*, visited Trinity College last Monday and met a number of the members of the faculty.

Mr. Nock has for many years had the reputation of being a magazine writer of unusual ability. He had contributed to the *Atlantic Monthly*, the *Century*, the *Outlook*, and other leading publications.

Mr. Nock has recently returned from an extended trip through Europe, where he visited many of the warring nations, including Russia. He is now on a trip through the South in the interest of the *Nation*, visiting the universities of North Carolina, South Carolina and Virginia, Trinity College, and other institutions.

wild throw by Trinity's catcher, and an error at the plate by the catcher gave the visitors their first run in the opening inning. A single by Gurley, his steal off second, and a single by Black secured their second run in the fifth inning.

Two hits, a hit batsman, followed by a drive by Edens, gave Trinity two runs in the first inning. In the third frame two errors by the visitors, a fielder's choice, and a hit by Wannamaker added two more runs to home team's score. Two hits and an error were responsible for the fifth run in the eighth inning.

**"Y" Officers for 1919-20
Elected Wednesday Night**

The annual election of officers for the Young Men's Christian Association was held last night. The officers elected are to serve for the year 1919-20. The following men were elected: President, J. E. Gilbreath, of Columbia, Tenn.; Vice-President, E. T. Harrison, of Littleton, N. C.; Secretary, R. A. Parham, of Oxford, N. C.; and Treasurer, H. E. Fisher, of Zebulon, N. C. President-elect Gilbreath has appointed the following men as chairmen of the various committees: Reception Committee, Wesley Taylor; Membership Committee, N. M. West; Religious Meetings Committee, T. P. Thomas; Voluntary Study Committee, J. T. Carpenter; Music Committee, G. M. Ivey; Finance Committee, L. W. Saunders.

**Engineers' Club Organized
and Officers are Chosen**

At a meeting of the engineering students of the college, held last Thursday night, the Engineers' Club of Trinity College was organized with twenty-six charter members. The formation of the club was brought about by the desire of the students and faculty of the Engineering Department to provide some means of discussing engineering problems outside of the regular class work and to make practical investigations and observations.

The election of officers was held the same night, and the following men were elected: W. R. Hanchey, president; Frank Scarboro, vice-president; and W. H. Holcomb, secretary and treasurer. On the executive committee of the Club, Professor Edgerton, F. A. Long, and R. F. Brower were appointed.

The Club was not long in initiating its program of work. One day of the past week the students in electrical engineering motored to the sub-station of the Southern Power Company at Eno River and made a thorough inspection and study of the entire plant. The trip was very successful and highly gratifying to all the participants.

At a meeting of the Club held subsequently, Professor Edgerton delivered an interesting and instructive talk on "The High Frequency Electric Furnace." It is for such work as this that the program as outlined by the Executive Committee, calls, and the Club bids fair to become one of the liveliest and most active organizations on the campus.

The Biology Club held its regular meeting Monday night. Interesting talks were made by Z. L. Merritt, J. T. Barnes, R. K. Farrington, on "The Effects of Alcohol on the Human System." Questions concerning this subject were then asked by various members of the Club. These questions were answered, and the meeting was then turned into a very interesting discussion of this subject.

**Wesley Taylor Read Story
Before Fortnightly Club**

The chief feature of the Fortnightly Club of Sigma Upsilon meeting last Monday night was the reading of a short story, *The Great Kleptic Achievement or the Remarkable Statement of Addison Crabbe*, by Wesley Taylor. The story relates the almost superhuman achievement of a man who became so efficient in thievery that

**Looks Like a Bank Outside
Conducted Like a Bank
Inside**

No town in the State has a more dignified, well finished Banking Building than the FIRST NATIONAL BANK.

We are Bankers--that is our business--so we built and own our own home. We are proud of our Home. We are here to stay, and so long as we are here Banking will be our business, but to be of the greatest service and do the greatest amount of good for the community, we need your co-operation, and encouragement. You need the FIRST NATIONAL BANK, and the FIRST NATIONAL BANK needs you.

Thirty-two years ago the FIRST NATIONAL BANK was born here. We are owned and controlled by DURHAM FOLKS and we are anxious for our share of the business of DURHAM.

What has been your response to the appeal of the FIRST NATIONAL BANK?

Every member of the Board of Directors of the FIRST NATIONAL BANK are your neighbors and friends. You know them, you meet them every day upon our streets. One and all--they have but one purpose--and that is to serve the best interest and welfare of our town.

Thirty-two years of service proves that, through evil and good report they have done battle, for you and yours, most willingly, whenever and wherever necessary--now you have an opportunity to show us some appreciation.

We have increased our Capital Stock from \$150,000 to \$400,000, and are hunting for new business. Help the institution that for thirty-two years has made it its first duty to try to be of service to you.

he could steal at will without being detected. It is a brilliant attempt to prove false the long-held belief that "sin will out" in the lives of all people. The plot, though simple, is ingeniously worked out. It will be remembered that this is the production with which Mr. Taylor won the short-story contest last year.

The members of the Club expressed themselves as being highly

desirous of having a series of Shakespearean plays given on the campus this spring. In order to make such an undertaking a success, it is, of course, essential to have the support of the entire college community; and in recognition of this fact, the members of the Club had an informal discussion as to the best method of arousing a general interest for the proposed plays.
