## TRINITY NINE TAKES THREE MORE VICTORIES

SENDS DAVIDSON DOWN TWICE IN DEFEAT AND MOOSE ONCE

## LUCK BREAKS AGAINST TEAM IN FAVOR OF MOOSE FRIDAY

Third Defeat Inflicted On Strong Presbyterian Team By Methodist Unrelenting Nine

During the last week Trinity's strong baseball contingent has added three other victories to its long string. Only two different teams have been met in this time, the Moose of Durham and Davidson, but these teams were each contested with in two games. In the second game with the Davidson nine the home team was victorious on the local diamond last Thursday by the score of 6 to 2. The Methodist team lost its second victory to the Durham Moose last Friday afternoon at the East Durham Ball Park by the Score of 2 to 1; but the Trinities took their revenge from the Moose the next afternoon when they came out winners over the "Paps" by a score of 4 to 0. The local team put the third defeat on Davidson on Tuesday of this week on the home field by the score of 2 to 1 in a thirteen-inning game.

First Davidson Game  
On last Thursday afternoon the Trinity nine sent the Davidson baseball team down in the second defeat of the season by the easy score of 6 to 2. This game was one of the fastest games seen on the home diamond this season.

Caviness took the mound for the Methodists and literally held his opponents at his mercy during the first six innings. In the seventh he weakened from the effect of a bullet which he brought back from France in his side. Southard went in the box with the eighth inning and held the Davidsons to one hit for the remainder of the game. Towe, Cole, Carson, and Hathaway lead the hitting for Trinity, Towe getting two hits, one a three bagger; Carson three hits, one a two bagger; Cole two hits, one for second; and Hathaway two hits.

The visiting team fought hard, but were simple outclassed by the strong Methodist contingent.

Score by innings:  
Davidson ..... 100 000 100 2 4 3  
Trinity ..... 300 010 11x 6 10 3  
Summary: Three base hit, Towe; Two base hits, Carson and Cole; Hits, off Miley, 10, off Caviness 3, off Southard 1; Base on balls, off Miley 1, off Caviness 5, off Southard 3; Struck out, by Miley 1, by Caviness 8, by Southard 1; Hits, Carson 3, Towe 2, Cole 2, Hathaway 2, Ratchford 2, Spann 1, McArthur 1.

Friday's Moose Game  
The Trinity team lost in the second game of a five-game series with the Durham Moose by a score of 2 to 1 at the East Durham Ball Park last Friday afternoon, the game being one of the features of the home-coming celebration. The game was filled with excitement and star playing throughout. The Methodist nine outclassed the Moose in this game, and victory came only by an error of the catcher.

## "WOODROW WILSON" THEME OF ADDRESS

Dr. Thornton Whaling Delights His Audience By Intimate Discussion of President

On last Thursday night at 8:30 o'clock in the Y. M. C. A. Hall, Dr. Thornton Whaling delivered in his characteristically pleasing style a delightful lecture on the subject "Woodrow Wilson." Dr. Whaling, who is well known throughout the South as an educator and scholar, is President of the Columbia Theological Seminary. This was not his first visit to Trinity College; he gave the Averá Bible Lectures here in 1913.

The lecture Thursday night was an analysis of the forces that have contributed to the phenomenal success of President Wilson. Dr. Whaling was a classmate of President Wilson at Davidson College, and since their college days a warm friendship has survived between the two men. The speaker is, therefore, thoroughly acquainted with the life and achievements of our President. He related some humorous reminiscences of their school days.

His ideals, Dr. Whaling said, are the ideals of Moses, Isaiah and Jesus Christ. He believes that the Bible is the word of life. He believes also, that rights, arrived at

## Hesperian Society Holds An Open-House Meeting

The program in the Hesperian Society last Saturday evening was rather unique and somewhat unusual. The society had as its guests both the Athenian and Columbian societies. The purpose of this open-house meeting was to encourage and foster interest in literary society work among the students of the college. The program consisted of music, orations, extempore speeches, and the regular date. Both vocal and instrumental music was rendered by Messrs. Draper and Craft respectively. It added much to the enjoyment of the occasion. Wesley Taylor as the first orator of the evening took as his subject "Our appreciation of literary societies." The next speaker was E. M. Thompson, who gave a short talk dealing with his experience in France while attached to a regiment of negro soldiers. He told of many heroic deeds of the colored troops under his command and discussed the reception of the negroes by the people of France, especially from a social standpoint.

The extempore speeches were next in order after the orations, and the following men made short talks of two minutes each on the subjects assigned to them: W. S. Elias, "Why there are not too many lawyers in the United States"; J. D. Lewis, "Why it pays to take plenty of time"; J. F. Harward, "Why I am glad to live in 1919 instead of 1819"; R. L. Thornton, "My opinion of the S. A. T. C." These short talks were very humorous and enjoyable.

The question discussed in the debate was one which was very applicable for the occasion. It was, "Resolved that student government."

## TRINITY TAKES PART IN BIG CELEBRATION

COLLEGE ORGANIZATIONS HAVE PROMINENT PART IN DOING HOMAGE TO SOLDIERS

In the mammoth parade of the "Welcome Home" celebration staged by the citizens of Durham last Friday in honor of her returned soldiers, Trinity was exceedingly well and ably represented, both as a unit and by individuals. By the enthusiasm that the student and members of the college community showed in the parade, and the interest they took in the entire celebration, Trinity College showed not only its interest in the welfare of the community, but its desire to give an outward show of appreciation of the service the men from Trinity as well as from Durham have rendered in the great war.

The parade, which was the opening event of the grand celebration, began at eleven o'clock Friday morning, and progressed from Dillard (extending back of Dillard and down Holloway), down Main Street to Five Points, and out Chapel Hill street to Lakewood Park. It was nearly two miles long, and more than one hour was required for the entire parade to pass the reviewing stand located in front of the county court house.

The unit from Trinity College, including the Park School, was placed just behind the West Durham Band, and in front of the Durham Business School unit. Major M. Crawford, acting as marshal in place of Dr. W. H. Wannamaker, who was unable to officiate, preceded the unit, which was led by President W. P. Few and Dr. W. H. Glasson. Followed

## APRIL ISSUE OF ALUMNI REGISTER

Many Very Interesting and Timely Articles Contributed By Prof. H. E. Spence and Others

Appearing a few days late because of delay at the printing office, the April issue of the *Alumni Register* came off press last week, carrying some especially interesting articles. The longer articles in this issue are to be valued more for their intense interest rather than for their weighty importance.

The issue opens with an article entitled, *A Ramble Among the Archives*, by H. E. Spence, '07. The body of this discussion is taken up with interesting notes gathered from files of the *Trinity Archive* from the date of its establishment in 1887 by the Hesperian and Columbian Literary Societies to the time that Bishop John C. Kilgo took charge of the College as its president. It is pointed out that J. S. Bassett and G. N. Raper were the first editors. Such notes are found as: "Three-fourths of the boys in College belonged to the Y. M. C. A.; Trinity has one hundred and thirty-seven students; The Endowment fund has reached \$40,000; Lee S. Overman is recognized by the

## Trinity Defeats Elon and Randolph-Macon at Tennis

During the past week the long list of victories in the athletic realm has been upheld by the tennis team. Last Friday evening the second meet between Trinity and Elon was held at Elon, Trinity having won the first meet here several weeks ago. As in the former contest, Trinity did not encounter much opposition on the part of the Elon players. Powell and McCullen representing Trinity defeated Hardeste and Halland, of Elon, in the doubles by three straight sets, the scores being 6-4; 7-5; 6-2. Shinn and Aldridge played for Trinity in the singles. Shinn was completely outclassed by the superior playing of Hardeste, who defeated him in two straight sets by the scores of 6-1 and 6-0. Aldridge, however, was more successful in his encounter and defeated his opponent by the scores of 9-7 and 11-9. As indicated by the scores, this contest was exceedingly close.

The second victory for the tennis team was on last Monday afternoon, when Powell and McCullen, playing for Trinity, defeated Smoot and Groves, the team from Randolph-Macon College, of Virginia. In the doubles Trinity easily defeated the opposing team, the Methodist racketeers winning by large scores of 6-2 and 6-3. In the singles McCullen walked away with Groves in the first two sets with the scores of 6-1; 6-3. Powell, however, found a much stronger opponent in Smoot, who displayed splendid form, and the result of this match was in the balance during the entire two sets. The score was 8-6 and 6-4 in favor of Smoot. Trinity, however, won the meet inasmuch as her representatives were victors in the doubles and in one of the singles.

## TRINITY TRACK TEAM WINS MEET OVER ELON

SECOND MEET OF SEASON WAS BIG WALK OVER FOR TRINITY MEN

## LARGE NUMBER OF ATHLETES WIN THE COVETED LETTER

Local Contestants Win All the First Places But One. Several Men Make New Records

In the second intercollegiate track and field meet of the season, held on the Hanes Athletic Field Monday afternoon, Trinity won over Elon in what was almost a shut out, Trinity winning 115 points to Elon's ten out of a possible 126.

The Methodist track men took every first place with the exception of the 440 yard dash and they won the full nine points in seven of the fourteen events, while Elon on third place in five different events, and would probably have won third place in five different her entry, L. M. Cannon, disqualified himself as he came in on the high hurdles by knocking over the last hurdle.

Edwards, who won the 100 yard dash for the Methodists against Wake Forest, beat his other record and won again from Elon by making the hundred in ten and four-fifths seconds. Walt came in a very close second as he did in the first meet. Snathers, to whom is due the majority of the credit for coaching and training these men, showed his usual form in the mile run and left everybody behind him, taking first place in five minutes. In the javelin throw Oslin, for Trinity, took first place over two other Methodists who won second and third, by throwing the stick 119 feet and 11 inches. The Harrison twins distinguished themselves on the hurdles.

Walt, one of the many freshmen who won honors on track this year, featured in the 320 yard dash by defeating his rival, Edwards, by a narrow margin, making the distance in twenty-five and two-tenths seconds. Cannon, C. M., of Elon, ran in third right behind the two Methodist runners. Davenport came out first in the discus throw, which narrowed down to a contest between Trinity men. He threw it ninety-six feet five and one-half inches. The 880, or half mile, was one of the closest contests in the meet. After the first lap was run, there were only Trinity men left in it, and the contest was to decide who should win a letter, Cline or Cherry. Cline won by a very narrow margin, in two minutes, thirteen and four-fifths seconds. Henry Cole, the well known athlete who has won so many laurels as captain of the basketball team, and as a twirler and heavy hitter in baseball, showed his ability as a track man by winning first place in the broad jump, with twenty feet, and also in the high jump, with five feet. He was also one among three who tied for second place on the pole vault. Thirty-three feet, four and three-fourths inches was the distance that won in the shot put; it was made by E. M. Thompson, a track star of former days.

## LET'S REPEAT IT

The action of the Hesperian Literary Society last Saturday evening in giving an open-house meeting, to which were invited the Athenian and Columbian Societies as well as the entire student body, suggests possibilities of more than transient interest.

At Trinity College, as in many other colleges, there are only a few students who do active work in the literary societies. Consequently, the utility of these organizations is kept at a minimum. It is evident that the full capacity of the societies for rendering service is not being realized. But this year there has been manifested by many of those who have the welfare of the societies at heart, a feeling that this condition should no longer exist. It is realized, furthermore, that if the societies are to contribute their maximum part to the development of the men and women who come here, more students must become interested. Hesperia's experiment of last Saturday evening was for this very purpose—to stimulate interest in

society work. It seems to the writer that the degree of success on this occasion was sufficiently great to warrant its repetition. Neither an individual nor an organization can find a better method of impressing itself on others than by doing things. The literary societies might profit by acting in accordance with this fact. Why not have a few meetings at regular intervals—once a month would not be too often,—each society giving the program in its turn?

Let us have it known that we are doing things.

State Legislature and entrusted with some of its work; Trinity won two important games (of football) in one week—over Furman (96 to 0) and University of North Carolina (6 to 4)—a successful season ending in a brilliant triumph over University of Virginia (20 to 1.)

Trinity Men in the Capital is a tribute to the sons of Trinity "whose labors on this side of the Atlantic made possible the raising and equipping and transporting of our huge land and sea forces." Some of the men discussed were Senator Funiford M. Simmons, '73, who "has borne the onerous duties of Chairman of the Committee on Finance throughout the trying months of the war"; Daniel Roper, "as Commissioner of Internal Revenue"; Lee S. Overman, M. A., '74, member of the upper house of Congress since 1903"; John Humphrey Small, Congressman since the Fifty-Sixth Congress and Chairman of the Committee on Rivers and Harbors; H. L. Godwin, member of the House since 1907 and Chairman of the Committee on Reform in the Civil Service; Harden Taylor; R. C. Golstein; and others.

S. W. Marr, '13, gives a discussion of the way that David A. Houston, '91, banker has gradually climbed the ladder of success and placed himself "definitely among our country's men of accomplishments." It is stated that it was under Mr. Houston's "leadership the treasury department of the Federal Land Bank was recognized by the Treasury Department at Washington as the most thoroughly and efficiently organized department in the Farm Loan System."

Memoirs of a Swine, by Ben Muse, ex-'19, is a diary account of the author's experience during the months since November, 1917, when Muse was captured by the Germans and put to labor in the fields. At the time of his capture the author was serving in the English Army, in the 11th King's Royal Rifles.

In the department of Letters from the Alumni letters are found from the following men, most of whom are in the service now or have recently been discharged: Carson West, '17, Rothschilds Holden, ex-'20, L. B. Falls, ex-'17, Earl R. Sikes, '15, Paul W. Best, '12, Nelson M. White, ex-'20, James P. Lowder, '16, John C. Boggs, '17, and R. W. Tilley, '15, who died in France in February of this year.

About seven pages of the Alumni Notes are taken up with personal mention paragraphs. The remaining part of this department has been characterized as a memorial department since it contains ten or more accounts of deaths of alumni, along with other interesting alumni news.

The Alumnae Department, the

closing department of this issue, contains numerous personal notes about the Alumnae and several brief articles of Alumnae news, ending with a review of the present status of alumnae fund for American Committee on Devastated France.

## Speakers for Washington and Lee Debate Chosen

On last Friday night the personnel of the Trinity team for the Washington and Lee debate was decided upon. The contest, held at 8:30 p.m. in the hall of the Columbian Literary Society, proved quite interesting. The men chosen for the team to represent Trinity are: W. A. Rollins, of Lawndale, N. C.; L. H. McNeely, of Morganton, N. C.; and C. C. Alexander, of Martin, Tenn.; and S. M. Holton, Jr., of Durham, N. C., as alternate. These

men will go to Washington and Lee on May 16 to defend the negative side of the query, "Resolved, That the immigration of laborers into the United States should be prohibited for a period of at least five years after the ratification of the treaty of peace." The affirmative will be upheld by the Washington and Lee team composed of J. E. Aydelotte, P. G. Clarke, and C. H. Patterson.

### TRINITY NINE TAKES THREE MORE VICTORIES (Continued from page 1)

terfielder when he threw the ball over the head of third baseman.

Southard, pitching for Trinity, was in good form and after the first inning pitched one of the finest games ever witnessed on East Durham Park, allowing his opponents only four hits in the entire game. Cole lead the hitting for Trinity, alarming the pill three times out of four up, and one of those a three bagger.

Mangum pitched a good game for the Moose, pulling himself out of a hole in the ninth, and saving the game. Both teams did excellent work, giving the large crowd of fans their money's worth.

Score by innings:

Trinity	000	010	000	1	5	2
Moose	100	001	000	2	4	3

Summary: Three base hit, Cole; Stolen base, Thompson; Struck-out, by Mangum 2, Southard 5; Hits, Cole 3, McArthur 1, Southard 1, Thompson 1, Roberts 1, McFarland 1, Whitted 1.

Time of game, one hour and 28 minutes.

Umpires, Adkins and Dayton.

#### Saturday's Moose Game

Trinity's team took sweet revenge from the strong Moose team in Saturday's game when Page took the mound for the collegians and held the opposing club to only five hits in a contest which ended 4 to 0 for Trinity. This was the first game of the series in which the Methodists came in for an even break of luck. The Moose team was simply outplayed from start to finish, and Trinity clearly demonstrated her ability to defeat the town artists at will.

The Methodists drew blood in the first inning and held the lead throughout the contest. Another run was added in the seventh frame, and two more were successfully put over the rubber by Carson's double in the final frame. The entire team played real ball and put up as good an exhibition of the national sport as has been witnessed by the Durham fans this season. Smith, who twirled for the "Paps," pitched well and was not responsible for his team's defeat. He had excellent control and succeeded in pulling himself out of several bad holes. Page pitched his first game for the varsity this season and succeeded in proving that he still has an abundance of curves as well as control.

Summary: Struck out, by Smith 5, by Page 1; Hit by pitched ball, by Page 1; Base on balls, off Page 1, off Smith 1; Left on bases, Trinity 2, Moose 4; Hits Carver 2, Carson 1, Cole 1, Roberts 2, McFarland 1, Kearnes 1, Smith 1; Errors, Trinity 2, Moose 0.

Umpire, Dayton; Time of game, 1 hour and 55 minutes.

Results unattainable. Also score by innings could not be secured.

#### Second Davidson Game

In the closest game of the season Trinity defeated Davidson in the thirteen-inning game Tuesday on the home field. Clarke, Davidson's heretofore invincible pitcher, did good work for the visitors in this third attempt of the Presbyterians to get a victory from the Methodists. In fact the game was the greatest pitching contest ever witnessed in Durham with Caviness and Clarke vying in their superb hurling. Clarke held the home team to seven hits, while Caviness held command of his opponents at all stages of the game and allowed only two hits in the entire thirteen innings.

ing them were the other members of the faculty. The Officers' Club, headed by Capt. J. H. Ruff, recently returned from overseas service, followed the faculty. A flag bearing a gold star for each Trinity man who fell in battle was carried by two students who followed next in the line of parade. Behind this memorial flag came the ministerial band, and then the student body. The large service flag that has been kept in the Craven Memorial Hall was borne by students in the rear of the student body. One of the most attractive features of the parade came in behind this service flag. It was the co-eds of the college, grouped in a large T. Special credit is due them for the splendid manner in which they preserved the formation, which is not an easy thing to do without training. The R. O. T. C., headed by the cadet officers, brought up the rear of the College unit, and the Park School followed it, led by Headmaster F. S. Aldridge.

Dr. F. C. Brown, of the English department of the college, was chief of the mounted marshals in general charge of the parade.

ment should be adopted for all students at Trinity College." This question was especially timely inasmuch as student government is in operation among the young women of the college, and since there has been some agitation for its adoption among the young men. H. C. Ripple and H. L. Hoffman appeared on the affirmative side, while H. E. Fisher and A. P. Wiggins upheld the negative. The decision rendered was two and one in favor of the negative. The committee of judges was composed of three members, one from each of the three societies. Those serving on the committee were Miss Gladys Price, of Athenia; L. H. McNeely, of Columbia, and E. F. Dunston, of Hesperia.

## Looks Like a Bank Outside Conducted Like a Bank Inside

No town in the State has a more dignified, well finished Banking Building than the FIRST NATIONAL BANK.

We are Bankers—that is our business—so we built and own our own home. We are proud of our Home. We are here to stay, and so long as we are here Banking will be our business, but to be of the greatest service and do the greatest amount of good for the community, we need your co-operation, and encouragement. You need the FIRST NATIONAL BANK, and the FIRST NATIONAL BANK needs you.

Thirty-two years ago the FIRST NATIONAL BANK was born here. We are owned and controlled by DURHAM FOLKS and we are anxious for our share of the business of DURHAM.

What has been your response to the appeal of the FIRST NATIONAL BANK?

Every member of the Board of Directors of the FIRST NATIONAL BANK are your neighbors and friends. You know them, you meet them every day upon our streets. One and all—they have but one purpose—and that is to serve the best interest and welfare of our town.

Thirty-two years of service proves that, through evil and good report they have done battle, for you and yours, most willingly, whenever and wherever necessary—now you have an opportunity to show us some appreciation.

We have increased our Capital Stock from \$150,000 to \$400,000, and are hunting for new business. Help the institution that for thirty-two years has made it its first duty to try to be of service to you.
