## "SHORTY" ROTHINSIES TO COACH AT TRINITY

FORMER TRINITY STAR RETURNS  
FROM FRANCE WITH MUCH  
EXPERIENCE AS COACH

### FOOTBALL BEGINS IMMEDIATELY

Interclass Basket-ball Schedule Is De-  
layed to Allow More Time for  
Football Practice and Inter-  
class Series

Walter J. Rothinsies, a former Trinity student, will take the place of John M. Van Liew, who was forced to return to Iowa on account of the illness of his wife, after being here only a short while. "Shorty" Rothinsies needs but little introduction. He is well known to the class of '20 and the law students, having been a prominent figure in athletics in the college in 1916-1917. His fame has come down through the generations of college students, and last Monday, when it was breezed around that Shorty Roth was on the park, very few men had to inquire as to who Shorty was.

Rothinsies returns to Trinity exceedingly well qualified to assume the position of all-round coach. Incidentally, he will carry a few hours work until the mid-term examinations, and complete his requirements for the A. B. degree. Before coming to Trinity, Shorty was two years in Hamilton College, in New York, where he played football, basket-ball, and baseball. From Hamilton he went to Princeton University, where he played football, basket-ball, and was on the baseball team until barred out on a technicality, subsequent to which time he was coach for the freshman baseball team. Coming to Trinity in 1916 from a season with the Statesville ball club, he was a star on the Methodist teams until the call to arms came in 1917, when he enlisted and went to the first camp at Fort Oglethorpe. Being commissioned a first lieutenant from that camp, he was stationed at Camp Jackson, S. C., where he took an active part in athletics in addition to his line duties, and was made regiment coach. While serving in this capacity, he matched his teams against teams trained by old and professional men, and was very successful. During his service in France, Roth served as coach in the 321 regiment of the 81st division, and his teams won the regimental championships, whereupon Captain Rothinsies was made divisional coach, which position he retained until his return to America in July of this year. The College is exceedingly fortunate in securing the services of so competent a man, and of one who has the interest of the college at heart as Shorty has.

Athletics received a decided impetus immediately after Shorty assumed his duties. His first official act was to telegraph to a supply a house for a dozen footballs, and he intends to feature football until the varsity basket-ball season opens, keeping in mind the while the training of the basket-ball squad, and the fall track work. That the interclass football series will be played now seems a cer-

CROWDED CONDICTION OF DORMITORIES DUE TO UNUSUALLY  
LARGE ENROLLMENT

### ABOVE 600 STUDENTS ENROLLED

Dormitory Facilities Improved With  
New Furniture. Increase in Num-  
ber of Women Students. Sev-  
eral Instructors Added

Figures on the college enrollment have at last been compiled at the college office, so that a definite figure on the number of students in college this year is available. The records in the office show that there are at present 601 students enrolled in the different departments of college work. This is a much larger number than have been in school in the past, and consequently conditions in the dormitories and class-rooms are somewhat crowded, many rooms on the campus having three or four tenants.

There are approximately 125 women students in school this year. Both Alspsaugh Hall and the old Woman's Building are being used as dormitories for the women, and both are crowded.

Of the 601 students on roll the Freshman class has by far the largest number, 245. This figure includes both new men and men who were in school last year and who for various reasons are taking freshman work again this year. The sophomores come next with an enrollment of 143. There are only 88 in the junior class, while the seniors number 91. This is an unusual condition, due probably to the fact that the junior class

## DR. J. A. SPEED SECURED FOR COLLEGE PHYSICIAN

Physician Makes Calls to Rooms in  
Dormitories. Will Examine Every  
Man in College

In order to protect the health of the students, the college this year has arranged with Dr. Joseph A. Speed, an alumnus of the college and a young physician of unusual medical training, to visit each morning every man reported sick. Dr. Speed will prescribe for cases requiring for simple treatment, and he will also prescribe for cases that report to him at his office at the First National Bank Building at his consultation hours. For these privileges the students are not asked to make any payment at all. Any student feeling sufficiently indisposed to stay in his room in the morning should see to it that his janitor reports him to the college office as sick before eight-thirty, in order that his name may be entered on the sick list for the day. This list is handed to Dr. Speed at nine o'clock each morning, and he makes his calls promptly, beginning at that hour.

Dr. Speed will also make a careful medical examination of every male student at Trinity College, and recommend any necessary treatment. The securing of a college physician in this way is a part of the work planned by the

## BASEBALL CHAMPIONSHIP WON BY FIRST YEAR MEN

CHAMPIONSHIP BETWEEN JU-  
NIORS AND FRESHMEN  
MONDAY

### JUNIORS HAD WON CUP TWICE

One More Victory for Juniors Would  
Have Entitled Them to Hold  
Silver Loving Cup  
Permanently

The interclass baseball championship was decided Monday afternoon when the Freshmen romped on the juniors to the tune of 17 to 7 in a very one-sided game, as the score indicates. By the loss of this game to the freshmen, the third year men destroyed their chances at permanent retention of the silver loving cup offered by the Tombs for the class that wins three consecutive championships. The juniors won the championship of the interclass series for two years, and were bidding fair to claim the cup until their team went to pieces Monday before the onslaught of the freshman sluggers. The seniors and sophomores were eliminated early in the series. The class of '23 may now pave its numerals engraved on the cup and retain it until next year.

The contest opened with Brown, the freshman southpaw, on the mound, while Gilmer was announced as twirler for the juniors. For the first three innings the game promised to be a hard fought contest. Gilmer held the freshmen down, while some wild throws by Brown enabled the juniors to score two runs. Nevertheless, in the third inning, the freshmen began a terrible onslaught, and ran in five scores in one inning, Worsley knocking a home run with two men on bases. Brown tightened up following the third frame, and allowed the third year men few hits. Many errors and illogical plays made the latter part of the game a farce.

### SOPHOMORE-FRESHMAN

On Wednesday a warm contest was staged between the sophomores and the freshmen. Brown was in the box for the first year men, while Phelps did the twirling for the sophs. The freshmen made five runs in the first two frames, before Phelps got well into his stride. "Lefty" Brown held the sophs scoreless for eight innings. He was temporarily replaced in the eighth by Bell, who was unable to prevent the sophs from tying the score. Brown then went back into the box and held the sophomores scoreless for the remainder of the game. The game ended in the twelfth inning when the freshmen put across the two runs making the score eleven to thirteen in favor of the first year men.

The features of the game were the pitching of Brown, the hitting of Carver for the sophs, and Neal and Bell for the freshmen.

The percentage and class standing now reads:

	Won	Lost	Percent
Freshmen.....	3	1	750
Juniors.....	2	2	500
Sophomores.....	2	2	500
Seniors.....	1	2	333

### FOUR NEW MEMBERS INITIATED

Members Enjoy Informal Banquet Af-  
ter Ceremonies. Faculty Members,  
Undergraduates, and Initiates  
Respond to Toasts

The Fortnightly Club of Sigma Upsilon, a national literary fraternity, held its annual initiation last Friday night in the West Duke Building, when four new men were taken through the secrets of the organization in the initiation, all of which was conducted behind closed doors.

The initiates were J. G. Leyburn, of Rome, Ga.; J. H. Shinn, of Norwood; J. W. Hathecock, of Norwood; and J. L. Patterson, of Greensboro. Membership in the Club is open only on invitation, and is highly prized. The purpose of the organization is the study of contemporary and original literature. Although the work of Sigma Upsilon has been seriously hampered during the war, former members have done some very creditable work, and with the return to normal conditions, more is expected.

Following the initiation ceremonies, an informal banquet was held down town. Dr. F. C. Brown acted as toastmaster, and Dr. N. I. White, J. E. Gilbreath, and the toastmaster made short talks. Faculty members of the order are Dr. F. C. Brown, Dr. N. I. White, Professor James Cannon, III, Dr. W. H. Glasson, Professor W. B.

## LITERARY SOCIETIES HOLD REGULAR WEEKLY PROGRAMS

Both Societies Planning Socials in the  
Near Future. Definite Dates to  
be Announced Later

The Columbian Literary Society held a very interesting program Saturday night. C. M. Ramsey delivered an instructive oration on, "Radicalism versus Conservation, and the Attitude of the College Man." A debate on the query, Resolved, That the negroes of the United States should be expatriated to a suitable portion of Africa, brought to the society much light on a question of considerable moment. J. W. R. Norton, B. I. Satterfield, and J. T. Carpenter, speaking in favor of the proposed measure were defeated by C. T. Lander, C. W. Bundy, and J. M. Grigg, who represented the negative. A general debate on the same question brought a unanimous decision in favor of the affirmative. Extemporaneously R. A. Smith then spoke on "The Attitude of the United States Senate toward the Peace Treaty," and W. B. Ramsey spoke on "The Progress of the Labor Conference at Washington." These men presented valuable information on two of the most important issues of to-day.

The society then decided that the annual reception should be held on Thursday night, October

## 9019 RESUMES ANNUAL DECLAMATION CONTEST

SCHOLARSHIP ORDER TO RENEW  
OFFER OF MEDAL AND  
HOLD CONTEST

### FRIDAY AFTER THANKSGIVING

Letters Being Sent to High Schools  
Giving Purpose and Regulations  
of Contest. Visitors Enter-  
tained on the Campus

The 9019, the local scholarship and patriotic organization of Trinity College has announced plans for conducting the interscholastic declamation contest, which was regularly carried on by this organization in years previous to the outbreak of the war. The contest, in which will be represented a large number of schools in North Carolina, and some in South Carolina, and Virginia, will be held this year on the Friday following Thanksgiving, November 28th.

The custom of holding an interscholastic declamation contest originated in the movement of the 9019 in 1910, when the plan, which was quite unique and original at the same time, but which has been widely imitated throughout the state, did more to advance the interests of the college, and to promote and develop public speaking in the high schools of the state, than anything ever undertaken by a North Carolina college.

An expensive and attractive gold medal is the prize for which the speakers will contest. It has been won at different times by men who were later students at Trinity College, and there are some men in college now who hold one of these medals.

The committee in charge of the contest has been at work for several days sending out literature to every high school and private preparatory school in this state and adjoining states that there is any possibility of interesting. The preliminaries will be conducted at the college on the morning of the twenty-eighth, and from those who enter, the best twelve will be chosen to contest for the medals in the finals. A committee of judges, different from the committee that decided the preliminary contest, will decide the final contest, without knowing from what school the various speakers come, in order that an absolutely fair chance may be given to each contestant.

The declaimers will be entertained on the campus during their stay. Owing to the fact that many of the students will be away on Thanksgiving Day, it is not anticipated that there will be any trouble providing ample accommodations, especially since the student body has been so liberal in offering rooms to the 9019.

As in previous years, there will be an entertainment of some sort for the speakers, officials, and the 9019 members, to be held after the speaking, but the nature and details of this feature have not yet been determined. It has also been customary in previous years, to conduct the visitors through some of the large plants in Durham, and some interesting and instructive features of this nature will be

## PARAGRAPHS

All out for the Raleigh Fair tomorrow!

The Dean would have been about as welcome as a pole-cat at a lawn social at the Woman's Building Monday after Chapel.

"All is lost when honor is gone" might well be applied to Chapel attendance, judging by the drastic actions for compulsory attendance.

Wanted: Some senior privileges besides the one rather exclusive right of paying tuition.

## GLEE CLUB

At a meeting of the women students in Alsaphugh Hall Tuesday night, the girls began work on a plan to organize a Glee Club of their own. While nothing definite has been done yet, we have of hand it to the girls for their spirit. The CHRONICLE has spoken at length on the matter of a Glee Club before, when the matter was discussed by the senior class. But nothing has come of the discussion or the propaganda, and in the opinion of the CHRONICLE it is time to do something.

Trinity College should have a Glee Club. Nearly every college as large as Trinity puts out a Glee Club every year, and Trinity must not be left behind. Musical organizations are as much a part of student life and college activities as anything athletic, literary, or forensic. We already have a band and an orchestra, which are holding regular practices and moulding into organizations of which we shall be proud. We would be very proud of a good Glee Club, and there is no reason why we should not have one. The material is in college to put out an excellent Club with a high-class entertainment.

That same old quality we call

initiative, the lack of which for a time threatened our football season, is all that is lacking for a Glee Club. If some class, some organization, or better than that, if the student body will make up the necessary guarantee and elect a manager with power to take immediate action, we can have a Glee Club in short order, and a trip can be arranged before Christmas.

## NOTICE

Any student of the college who is willing to aid in the distribution of literature on the subject of the 1919 declamation contest is requested to give in the name of his high school to any of the undersigned, together with his own name and the name of the principal or superintendent of the school. The committee will also appreciate a statement of what personal letters any student will write. The literature provided by the 1919 will be given to any person willing to distribute it.

given this year. A notice requesting the cooperation of all students in the work of the contest appears elsewhere in the paper. It is the desire of those in charge that every student shall see that literature is sent to his preparatory school, and that he will also write a personal letter to the principal of the school and to the local paper.

A committee of the faculty is working with the committee of the 1919, giving it both moral and material aid and support that is always desired and appreciated by students when coming from members of the college administration.

The letter and regulations follows:

October 20, 1919

DEAR SIR: Since 1910 it has been the custom of the 1919, the patriotic and scholarship society of Trinity College, to conduct a declamation contest for the benefit of the high school students of North and South Carolina and Virginia. This contest is held at Trinity College during the Thanksgiving holidays and has always been popular and successful. Last year there was no contest owing to disturbed condition, but the 1919 is again conducting the contest this fall and takes this means of inviting your school to be represented.

Enclosed herewith is a statement of rules and conditions governing the contest. Whether or not your school has been represented in previous years we trust that you will see the value of having a representative in the present session and will notify us of your intention to participate.

You will note that the final contest comes on Friday, November 28th, so that it will be necessary to have your students advised promptly of the opportunity they have of participating. May we suggest that the principal or some designated member of the faculty take personal charge of the development and training of students of your school who are interested.

Enclosed is a return post card on which we shall be glad for you to signify whether it will be possible for you to send a representative. This is only a preliminary notice and is not binding upon you in any way.

L. S. ELKINS,  
W. A. ROLLINS.

Information and Rules for 1919 Interscholastic Declamation Contest of 1919.

1. The contest will be held in Craven Memorial Hall, Trinity College, Friday, November 28, 1919, at 8:00 p. m.

2. The prize for the winner in this contest will be an attractive gold medal given by the 1919.

3. Any school in North Carolina, South Carolina, or Virginia, offering three or more years of high school work may send one representative to the preliminary contest.

4. The preliminary contest of these selected representatives will be held at Trinity College at 9:30 A. M. Friday, November 28th, when twelve declaimers for the final contest of the evening will be selected.

5. The name of each contestant, the title of the declamation, and a certificate from the principal of the high school that the representative is a bona fide student of the school, must be filed with the contest committee not later than November 21.

6. No declaimer will be allowed more than ten minutes in the final contest, and selections of from six to eight minutes are recommended.

7. The order of speaking in both preliminary and final contests will be determined by lot.

8. No expense will be incurred by the representatives during their stay at the college.

9. Further information if desired may be obtained by writing the chairman of the contest committee.

30th. The president appointed a committee to complete the arrangements for this.

The Hesperian Literary Society held its regular meeting on Saturday night in the society hall. President J. P. Thomas opened the program with a splendid oration on "The Life of Abraham Lincoln." Following this the usual debate was held, the question discussed being, Resolved, That the League of Nations plan as outlined by the Peace Conference should be ratified by the United States Senate. Both sides presented forceful argument and the judges rendered their decision in favor of the affirmative, represented by C. D. Douglas, J. M. Barrett, and W. J. Bundy. These debaters were opposed by H. J. Herring, M. Bradshaw, and T. A. Banks. The debate was interesting throughout, the speakers showing skill and preparation in handling material on this momentous issue.

Extemporaneous speeches on important matters were then made by W. E. Powell, H. C. Sprinkle, Jr., E. B. Brady, J. O. Folsom, T. A. Banks, and R. T. Dunstan. After the program had been completed, the society transacted several items of business and adjourned.

## INTERCLASS RELAY RACE SCHEDULED ON OCTOBER 31

Arrangements Pending for Cross-Country Inter-collegiate Race for Thanksgiving

Much interest is being shown in the inter-class relay, which is to be held October 31. This contest decides which class is to have the honor of holding for this year the silver loving cup awarded by the Tombs to the class making the highest score. The last time this relay was held was in the fall of 1917, when the class of '18 won the cup for the third year in succession, which entitled them to the privilege of holding it as their own. This cup went the rounds for ten years or more before it was finally won for good by the class of '18. The class that wins this year will have the honor of being the first to hold the new cup.

In the relay each team is composed of ten men, each man running one mile. The president of each class writes a message which is carried by the first man to the second man, on until the last man runs with the message. This race is held on the campus track.

Arrangements are pending for a cross country run to be held at Trinity on Thanksgiving Day. This is a contest of state-wide interest, all the leading colleges in North Carolina being expected to participate.

Several letter men are back this year, and the material is showing up well under Captain Loftin. The track has been put in best condition ever, and all prospects indicate a very successful year. It is urged that every man come out and support his class and college team.

## "SHORTY" ROTHINSIES

TO COACH AT TRINITY

(Continued from Page 1)

tainty. The athletic council has ordered seventy-five uniforms, and the goals are in process of construction. Special attention will be given the development of the freshman and sophomore football teams by Coach Rothinsies, with the idea of turning out a varsity team next fall.

Track activities went forward with a lurch, and are gaining speed. The preliminaries for the interclass relay race will be held on the race track next Friday, and the relay itself the following Friday. Plans are being made by the captain and manager of track to stage a cross-country run at Trinity on Thanksgiving Day, and to make of it an event in which all the schools in the state will participate. Coach Rothinsies is well pleased with the material on the campus for track, basket-ball, and baseball, and expects to develop winning teams in each line. He mentioned his intention to the CHRONICLE reporter of putting out a tennis team competent to cope with any team in any college in this state and adjoining states, and also a plan to put out a golf team next spring. Another sport that will be introduced and developed in Trinity by the new coach, is soccer. Trinity students as a whole know very little of this interesting and wholesome sport, but a good soccer team would arouse a great deal of enthusiasm.

The plan of physical exercise requirements will also be revised in the near future. As it now stands, every student in college is required to take three hours of physical exercise a week, and those who do not participate in athletics or the R. O. T. C. must take gymnastic work. The same plan will

be continued, with the modification, that credit will be given to men who try for the teams, provided they put in the required amount of time. It is the intention of the coach to try to interest men in their class teams, and in playing on the scrub teams to help develop the varsity. Lack of organized interest has been felt here for sometime, and if the new coach can take steps to get things organized, and offer to each individual something that will interest him, athletics at Trinity will have a banner year.

Manager K. M. Brim, manager of basket-ball, has announced that in accordance with the plans of Coach Rothinsies, the schedule of the interclass series of basket-ball games will be postponed to a later date. The first game will be played November 14th, instead of October 24th, as announced, and the remainder of the revised schedule will be announced soon. The reason for the delay is to hold interest in football and leave the athletics free to go out for practice on the grid-iron.

DURHAM, N. C.

## PARK SCHOOL NOTES

Professor A. C. Jordan, who was one of the teaching force last year, has been engaged to help in Latin and English departments for this term.

The senior class elected the following officers last Wednesday night: C. B. Dean, president; J. L. Wood, vice-president; Elizabeth Aldridge, secretary; and Mary Umstead, treasurer. The organization of the class will be completed at an early date.

The Park School students have organized a four piece orchestra. Professor M. S. Lewis, who conducted the orchestra in 1917-'18 will be their leader. The music has already been ordered and practice will begin soon.

The prospect for basket-ball is better than ever before in the history of the school. Varsity practice will probably begin this week.

The Park School baseball team was defeated by the college with the score five to one against them. The stellar pitching of Brown for the college men, as well as the errors of the Park School men, was the cause of the overthrow.

## Prof. Cannon Makes Talk Before Ministerial Band

The ministerial band held its regular meeting on last Friday evening. There being no business to be discussed the meeting was turned over to the speaker of the occasion. Professor James Cannon made a very interesting talk, one that was enjoyed by every man present. He urged the young ministers to be careful to form the right kind of convictions, to stick firmly to those convictions and to the things that will endure. The speaker briefly showed that religion rightly applied will cure the world's unrest to-day.

## Theta Nu Epsilon Holds Initiation and Banquet

The annual initiation of Theta Nu Epsilon, a national inter-fraternity society established in Trinity in 1914, was held last Tuesday night in the halls of the West Duke building. The usual horseplay which characterizes all college initiation was administered in the early part of the evening, and the ceremonies were concluded by the ritualistic program and an informal banquet.

Those initiated were W. S. Borland, Durham; C. H. Lee, Monroe; W. O. Edwards, Ayden; W. H. Basnight, Ahoskie; W. L. Phelps, Creswell; W. J. Bundy, Farmville; R. L. Thornton, New Bern; J. D. Sink, Lexington; and R. C. Leach, Washington.

### Y. M. C. A. NOTICE

There will be a musical program at the Y. M. C. A. to-night instead of the government pictures. The movies, "Fit to Win," will be shown one week from to-night, the two programs being alternated.

W. G. Gaston, '11, is now in the cotton mill business in Gastonia.

Weave for the world the flag of man!  
Finish the fabric our sires began!  
Out of our lives shall the thread be spun!  
Out of our veins shall the color run!  
Out of our deed shall rise its lustre!  
Out of our dreams its stars shall cluster!  
Wide as the heavens spin the span  
Of freedom's fabric—the flag of man!
