DOUBLE HEADER FIRST OF CLASS BASKETBALL

SENIORS DEFEATED FRESHMEN.
JUNIORS DEFEATED SOPHOMORES

FINE PROSPECTS IN CONTESTS

Freshmen and Sophomores, Although Defeated, Showed Signs of Developing Strong Material in the Future

The interclass series of basketball for this season was opened last Friday night at the Angier Duke Gymnasium with a double header in which the seniors, playing the freshmen, defeated the first year men by a score of 20 to 9, and the juniors walked away from the sophomores with a 27 to 9 victory.

In the first contest, between the seniors and freshmen the teams appeared to be about evenly matched, and the freshmen held their own throughout the first half, but they were hopelessly outclassed in the second half of the contest. The first score was an easy field goal by Loftin for the seniors. Scoring was very slow then, however, until the last few minutes of play in the first half. During the second half, the seniors gained a considerable lead and used their second string men in the last few minutes of play. In the second half only one goal was made by the freshmen, a field goal by Pennington, Pennington and Neal were the outstanding stars for the freshmen, although their work was rather inconsistent. Jeffries was the mainstay for the seniors, although the entire team put up a very good game. The game was clean throughout, only a few fouls being registered against both teams.

The line-up was as follows:

SENIORS	FRESHMEN
Center	
West Pennington (6)	
Left Guard	
Loftin (2)	Neal
Right Guard	
Davis (4)	Sanders
Left Forward	
Saunders (5)	Jackson, J. T. (1)
Right Forward	

Jeffries (9) Primakoff (2)
Substitutions: Jackson, J. L. for Jackson, J. T., Kirkman for Primakoff, Bell for Kirkman; Jones for Saunders, Barnes for West, Norton for Loftin, Smith for Norton, Newton for Davis, Carson for Newton.

Score:
Seniors..... 11 9 20
Freshmen..... 7 2 9
Referee: Bob White.
Timer: R. L. Loftin.
Scorer: Moser.

The second contest, between the juniors and the sophomores, was probably the faster of the two games, although the playing as a whole was not so good as that in the first game. During the game 27 fouls were called, breaking into the consistency of the playing. The particular star was Giles for the juniors. Although he was not able to make any field goals, he was successful in throwing 15 foul goals out of a possible 18. Burch also did some rather spectacular

(Continued on Page 2)

FIRST NUMBER OF THE ALUMNI REGISTER OUT

PUBLICATION FOR FORMER TRINITY STUDENTS CONTAINS INTERESTING ITEMS

NOTABLE ALUMNI ARE SKETCHED

Benefactor's Day Speeches and Program Given. War experiences of Trinity Men Related.
Two Editorials

The first number of the Trinity Alumni Register, a publication put out quarterly in interest of all former Trinity students, is off the press and is ready for circulation. The object of the Trinity Alumni Register is to keep the various alumni in touch with one another and with their college. It is issued from the press in January, April, July, and October. Professor C. L. Hornaday, '02, is the Managing Editor of the publication, and Miss Lucile Bullard, '16, is the Alumnae Editor. A short summary of the October number follows:

"Benefactors' Day and Alumni Gathering" is an article containing all the speeches delivered here at the college on Benefactors' Day. There speeches were delivered by Dr. W. P. Few, J. H. Separk, Gastonia, N. C.; Hon. R. O. Everett, Durham, N. C.; and Hon. J. S. Carr, Durham, N. C. A summary of these able speeches is given in this article.

"The President's Class Meeting," by C. B. Culbreth, '13, gives an account of a Class Meeting organized here at Trinity by Bishop Kilgo. In this article Mr. Culbreth gives a statement of the vital themes which were presented from time to time in this class meeting, and also the lasting benefit derived from the discussion of these various themes; the spirit of fellowship created among the students; and the creating of a genuine sympathetic relation between the students and the faculty.

Rev. R. C. Beaman gives an account of the success and the accomplishments of John Allen Sharpe, '98, as an editor.

"Memoirs of Swine in the Land of Kultur, or How It Felt to Be a Prisoner of War," is a continuation of the experiences of Ben Muse, ex-19, during several months as a prisoner in Germany.

"Judge William Preston Bynum, '83," is an account of the success and ability of Judge Bynum, who is now president of the North Carolina Bar Association. Aside from these splendid articles, the Alumni Register contains two excellent editorials.

"The Alumni Notes," give information regarding the alumni of the college.

"Alumnae Notes," give information regarding the various alumnae of the institution.

DR. LAPRADE DELIVERS LECTURE TO Y. M. C. A.

LARGE CROWD IN ATTENDANCE AT FIRST OF SERIES OF FACULTY LECTURES

"DEMOCRATIC IDEALS" SUBJECT

Speaker Dealt with Present Day Social Problems in Abstract Form. Next Faculty Lecture by Dr. Brown on "Folk Lore"

The meeting of the Y. M. C. A. on last Wednesday evening, which was addressed by Dr. W. T. Laprade, of the department of History, was perhaps the most interesting and largely attended one there has been held this year. There were about two hundred and fifty students in attendance, and also a large number of the members of the faculty and their wives.

This address by Dr. Laprade is the first of a series of faculty lectures to be delivered during the year. Dr. Frank C. Brown, of the English Department, will deliver the next one of these lectures some time in December. His subject will be "North Carolina Ballads." To all of these lectures and to other meetings of the Y. M. C. A. the public is cordially invited.

The theme of Dr. Laprade's address Wednesday night was "Democratic Ideals." In discussing this theme, he stated that the ideals of present day democracy were (1) Materialistic and Quantitative; (2) falsely ambitious for social prestige; and (3) with a tendency to train the people away from their work.

After showing these three ideals to be the base and undemocratic, the speaker presented three ideals which he thought would better suit the coming generations. The first of these ideals was that we are tied together and that we should feel a sense of dependence upon each other. In this way all friction and discord among people would be abolished. The second ideal was that everybody must work in a true democracy. One of the striking sentences stated was, "No matter how much money a man may have he is not justified in loafing all the time." The last ideal was the democratizing of the various tasks or occupations of life. Dr. Laprade advanced the idea that a coal miner must be as highly respected as a professional man before we can have a true democracy. All jobs must be considered not from their material aspects but from the standpoint of what they are contributing towards the betterment of humanity.

Dr. Laprade closed by saying that, if the three errors of present day democracy were abolished and these three better ideals set up in their stead, a new civilization would be ushered in, and the world would profit much by it.

The North Carolina Library Association is in session at its regular annual meeting in Raleigh to-day. The meeting will last through tomorrow. Mr. Breedlove, librarian for the college, and his assistant, Miss Malone, are in attendance at the meeting, and both will have parts on the program.

Y. W. C. A. BOX PARTY

Everybody is invited to attend the "box party" to be given by the Y. W. C. A. at the gymnasium tomorrow night at eight o'clock.

Y. M. C. A.

Student meeting tonight. The delegates from the Blue Ridge Conference will make their reports.

SOPHOMORES DEFEATED SENIORS ON GRIDIRON

CONTEST RESULTS IN SCORE OF 26 TO 7 FOR SECOND YEAR MEN

CHAMPIONSHIP GAME SATURDAY

Sophomore-Senior Contest Characterized by Continual Fumbling but Players on Both Teams Fought Hard

In a hard fought contest on the local gridiron Saturday afternoon the sophomores defeated the seniors by the score of 26 to 7. It appeared for a while that the seniors were going to have to leave the field with a "goose egg" for a souvenir of the game, but during the last half Shorty Finch relieved this feeling by intercepting a forward pass made by the sophomores and made a speedy dash for the goal, scoring the first and only touchdown made by the seniors.

The game throughout was characterized by fumbles made by both the senior and sophomore teams. The sophomores outplayed their opponents throughout the game, though they were forced to fight hard for every yard they gained.

Carver, for the sophomores, scored the first touchdown in the first half of the game. Barrett failed to kick the goal. During the second half, Barrett made three touchdowns, and Leach and Phelps made good the kicks for the goal.

Finch, for the seniors, made the only touchdown for his team. Carson intercepted a forward pass made by the sophomores and made a forty yard run almost reaching the goal line. This placed the seniors in a splendid position to score, but a fumble was made which gave the sophomores the ball, and with this chance they continued to gain ground until a touchdown was made by Barrett.

The features for the sophomores were the touchdowns made by Carver and Barrett; the playing of Rose and Gonzales; and kicks for the goal by Leach and Phelps.

The features for the seniors were the touchdown made by Finch, and the playing of Carson.

The substitutes for the seniors were: Moody for Finch, Harrison for Elkins, Smith for Saunders, Barnes for Norton, McAuther for Brower, Brower for McAuther, Loftin for Norton.

The substitutes for the sophomores were: Millican for Phelps.

Score by quarters:
Sophomores..... 0 6 14 6
Seniors..... 0 0 7 0

Time of quarters:
First half, 8 minutes. Second half, 10 minutes.

Referee: Major Crawford.
Umpire: Huntley.

WILL SEND DELEGATS TO STUDENT MEETING

FOUR REPRESENTATIVES OF THE STUDENTS AND ONE FACULTY MEMBER FROM TRINITY

MEETING TO BE IN DES MOINES

Great General Volunteer Conference of Students from All Over the World Will Be Held in Des Moines First of Year

It was decided by the students of Trinity College in their respective class meetings at the chapel hour Saturday to send delegates from this college to the Student Volunteer Conference of North America which meets at Des Moines, Iowa, on December 31 and continues through January 4. This conference is attended by delegates from all the leading educational institutions in the United States and Canada. The conference meets regularly every four years, but because of the war, this is the first meeting since 1914 when the conference met in Kansas City. The purpose of the meetings is to place world problems before students from all parts of the country in all intelligent and impressive manner. This is the only Conference of its kind in the world, and the best speakers and most learned men in the world are on the program. Missionaries, diplomats, business men, and religious workers are among the leaders at the conference. Almost every educational institution of recognized worth is planning to send delegates to the conference. It is estimated that there will be an attendance this year of over 10,000 students and faculty members. Every foreign student in this country may be a delegate from his school if he so desires, since it is considered that attendance of foreigners will add greatly to the value of the meeting as a body considering world affairs.

Trinity is entitled to send six representatives to the meeting, but the faculty has decided that, one faculty member and four students will be sufficient representation. With this in view, action was taken at the class meetings held on last Saturday to raise funds to help finance the student representatives. It is estimated that each individual will require about \$110, \$75 of which the student body is expected to supply. As a result of the conferences held Saturday, something like \$300 was pledged with a probability that more still would be raised. One young lady has already signified her purpose of attending the conference at her own expense, and another young woman will probably attend. The choice of other delegates will probably lie with Dr. Wannamaker or Professor Cannon, who have the matter in charge. All arrangements for attending the conference must be completed by December 1, so that accommodations may be arranged.

Beta Omega Sigma, local sophomore order, held an initiation Monday night and took in three new members: T. B. Crawford, Jr., R. C. Leach, and F. M. Pridgen.

EDITORIAL

A freshman was asked in Hesperia to give his idea of the reason for sending delegates to the student volunteer conference in Des Moines, and his explanation was "to put Trinity College on the map in Iowa." The CHRONICLE is of the opinion that the brilliant freshman has come about as near explaining it as anyone else.

Jarvis dormitory is in the lead in "crackaloo," and makes the most noise, and commits the most misdemeanors generally. There is nothing so strange about it, however, when it is considered that Jarvis was the hall selected to put three and four men in a room, while the others have only their normal quota. Why pick on poor old Jarvis?

Officials in charge of the Carolina-Virginia gridiron contest Thanksgiving have agreed to reserve a portion of the bleachers for Trinity students if the Trinity men will take them. Of course we are going to root for our own state university, and we are all going to see the game. Everyone who is in favor of holding the bleachers will please notify the cheer leader, M. A. Braswell.

In the Carolina Tar Baby of November 18, there appears a play entitled the "Streets of Durham," a tragedy in three muddy acts. Among the characters in this production is a chorus of Trinity students "dressed neatly but not gaudily in light pink shirts with green collars."

Is it possible that the Carolina students are suffering from "sour grapes" over the reputation Trinity students have in the past enjoyed over the state of being the best and most neatly dressed class of students from any of the institutions? Without attempting

to throw heavy proof on the statement implied above, may we ask why a committee of Carolina students, purporting to represent the student body of the University, go to a certain well-known merchant in Durham some weeks ago and ask him to consider designing a model of clothes that would be something unique, entirely different, and above all superbe, especially and solely for sale to the Carolina men?

While we do not exactly appreciate the humor of the Tar Baby on this particular point, the men in charge of the publication are to be complimented highly on the originality shown in their articles and jokes, and displaying in their cartoons.

DEPARTMENT OF FRENCH TO CONDUCT CORRESPONDENCE

French Students of English and English Students of French Will Correspond

The professors of the department of French have decided to initiate a plan for the interchange of correspondence among the students of French at Trinity and French students of English in France. This work will be carried on through the Bureau of French-American Educational Correspondence with headquarters at Nashville, Tennessee. This bureau has the cooperation of the French Ministry of Education and the United States Bureau of Education.

The plans of the bureau are to obtain a list of the students in each country who are interested in this work and to have them exchange weekly educational letters, each writing first in his own language and later in the language or his foreign correspondent. Linguistic training will not be the only end served. Along with the letters there will be a splendid exchange of historical, artistic, geographical, commercial, and home-life material and information, leading up to the deepest exchanges of human sympathies and ideals that will reinforce international good will.

It is hoped that later on the same idea may be carried out in the department of Spanish. Any student interested in this work should see Professors Webb or Cowper for more detailed and definite information.

Parthenon Club Holds Weekly Meeting Tuesday

The Parthenon Club met on Tuesday afternoon to discuss the two Atlantas in Greek mythology. The discussion was led by Miss Elizabeth Floyd of Oxford, N. C., who introduced for comparison William's Morris's poem "Atalanta's Race" in his "Earthly Paradise" and Swinburne's tragedy "Atalanta in Calydon."

Dr. W. P. Few and Professor H. E. Spence left Tuesday to attend the North Carolina Conference at Wilson. Several ministerial students from the eastern part of the state are also attending the conference.

J. Hampton Price, '17, recently discharged from service, has been appointed assistant clerk of court for Union County.

T. G. Parham, of Oxford, is visiting his brother, R. A. Parham, '21, for a few days.

Ministerial Band Holds Regular Weekly Meeting

The Ministerial Band met in regular weekly session last Friday evening with the president, J. E. Gilbreath, officiating. The meeting was turned into a discussion of the problems confronting the band. It was decided to change the order of the meeting somewhat, having them in the form of a round-table discussion of different questions with appointed leaders in charge. In this way it is thought that the members of the band will be able to take more part in the meetings and consequently derive more benefit from them than heretofore. The attendance at the meeting was fairly good.

DOUBLE HEADER FIRST OF CLASS BASKETBALL

(Continued from Page one)
playing for the juniors, throwing three very difficult field goals. Both teams played fairly good ball, although the sophomores were able to throw but two field goals during the entire game. Both teams played very good defensive ball and chances for open shots were few. Moore for the juniors did fine work in breaking down his opposition.

The line-up was as follows:

JUNIORS	SOPHOMORES
Center	Barrett
Richardson (4)	Right Forward
Moore (2)	Scott (7)
Left Forward	Giles (15)
Gonzales (2)	Right Guard
Burch (6)	Carver
Left Guard	Lee
Brady	

Substitutions:
Hix for Scott, Borland for Gonzales.

Score:
Juniors..... 12 15 27
Sophomores..... 5 4 9
Referee: Bob White.

TUESDAY'S GAMES

Two spirited games of basketball were played in the Angier Duke Gymnasium last night, the winners of which were the teams representing the sophomore and junior classes. The juniors are now leading in the series for the championship, having won two games and lost none. Their nearest competitors are the seniors and sophomores who have won a game each.

SENIORS VS. SOPHOMORES

The sophomore quint opened the game with a rush and scored five points in the first few minutes of play, four of which were tossed by Millican. The seniors tightened up and Captain Saunders threw two field goals, which, together with the three foul goals thrown by Jeffries, gave the score of 7 to 6 at the end of the first half. In the last few minutes of the game, the sophomores added nine points to their credit which gave them the title of victors by the score of 19 to 15.

JUNIORS VS. FRESHMEN

The junior aggregation cleverly outwitted the first year men in passing and in general team work, beating them by the score of 21 to 15. In the first half of the game the freshman kept the ball on their territory most of the time, but they failed to pile up any large score on account of their inability to shoot goals even on easy chances. Captain Giles, of the junior quint, was the stellar player of the game, throwing five field goals and three foul goals. Other men who did good playing were J. L. Jackson, Neal, Burch, and Moore.

PRELIMINARIES FOR INTER- SOCIETY DEBATE SCHEDULED

Debate on Question of Closed Shop.
Societies Hold Regular Weekly
Programs

At the regular meeting of the
Hesperian Literary Society last
Saturday night the first business
of importance to be brought before
the hall was the challenge for the
annual inter-society debate from
the Columbian society which had
been received by the president of
Hesperia. The query selected for
inter-society debate by Columbia
was, *Resolved*, That the principle
of the closed shop should be ap-
plied to all American industries.
The society accepted the chal-
lenge and chose the negative side
of the issue. The date set for the
preliminary in Hesperia was Wed-
nesday night, November 26.

The usual program followed. H.
B. Woodard delivered an oration
on "The Power of the Mind," H.
K. King on "Americanism versus
Bolshevism," and W. E. Powell on
"Stickability versus Quitability." The
debate was on the query, *Re-
solved*, That the United States gov-
ernment should own and operate
the coal mines. The affirmative
was upheld by Harward, Fisher,
and Holton, while the negative was
supported by Wilson, Reade, and
Thigpen, with a decision in favor
of the affirmative. Extensive
speeches were made by T. P.
Thomas, H. C. Sprinkle, Jr., J.
T. Gilmer, and E. W. Finch. Fol-
lowing a lively discussion regard-
ing shortening the length of the
programs, the society adjourned.

The program of the Columbian
society was opened by an oration
by N. C. Teague, followed by J.
P. Wynn, and R. A. Smith. C.
W. Bundy also made a humorous
talk on "Doings of Trinity." The
debate, *Resolved*, That Germany
should be restored to her pre-war
commercial position among the na-
tions of the world, resulted in a
decision in favor of the affirma-
tive, supported by J. T. Jackson,
G. D. Harmon, and A. H. Gwynn.
The negative side was upheld by
G. G. Whitehurst, W. H. Lander,
and H. L. Davis.

Columbia set the date for the
preliminary on the inter-society
debate as Tuesday, November 25.

Historical Society Held Regular Meeting Monday

The Historical society heard a
very comprehensive discussion
Monday night of the Loyalists
party in North Carolina during
the Revolution. W. A. Rollins, of
the senior class, was the author of
the paper and the leader in the
discussion.

The society was called to order
by Dr. W. K. Boyd. Several new
members were elected and the
meeting was turned over to Mr.
Rollins. When the paper pre-
pared by the speaker was com-
pleted, the house was thrown open
for a general discussion of the
subject.

The next meeting of the His-
torical Society will be held on De-
cember 1. The subject of the
League of Nations will be dis-
cussed and the discussion will be
led by Mr. Carver.

J. D. Lewis was initiated into
the Alpha-Alpha Chapter of Pi
Kappa Alpha Fraternity Monday
night.

Professor James Cannon, III,
was away from college a few days
last week attending the Methodist
Conference of Virginia, which met
in Richmond.

CALENDAR OF THE WEEK

The Ministerial Band will have
a round table discussion Friday
night at 7:00 o'clock.

The vesper service will be held
in the Y. M. C. A. Sunday even-
ing at 6:40.

The Y. M. C. A. service Wednes-
day evening will be in the form
of a student meeting. The dele-
gates who went to the Blue Ridge
Conference will make their re-
ports.

The Classical Club will meet
Thursday night at 7:00 o'clock in
Dr. Gates class-room. Dr. Pep-
pler will read to the club a paper
entitled "Labyrinth."

BIOLOGICAL CLUB TOOK IN NEW MEMBERS LAST MONDAY

Paper on "Symposium on Influenza"
Read and Discussed by Howard
Satterfield

At the regular meeting of the
Biological Club, which convened
Monday evening at 7:00 o'clock in
the Biology class-room, several new
members were taken in, and an
interesting paper was read.

The new members are: Smith,
L. W., Sherill, F. C., Jr., Sanders,
George R., Warren, B. B., Rose,
D. U., Stamey, W. B., Meem, J.
M., Ashley, C. B., Draper, L. M.,
Prince, J. W., Moody, W. A.

Following the regular meeting a
paper entitled "A Symposium on
Influenza" was read by Howard
Satterfield. The history, recur-
rence, cause, symptomatology, and
treatment was discussed in a most
interesting manner by Mr. Satter-
field. The speaker pointed out
that influenza is by no means an
unknown disease, and that a mild
recurrence is expected this win-
ter. Mr. Satterfield discussed the
high mortality of the disease and
its prevention in a very instruc-
tive manner. The paper was en-
joyed and appreciated by all of the
members.

CO-ED NEWS

At a meeting of the Student Government Association in Alspaugh Hall last Friday night it was decided that women students who live in Durham should be admitted to the Association as full members, holding the same privileges and governed by the same restrictions as the students living on the campus. It is thought by the officials of the association that the entrance of the town students will create a better interest in the solving of problems peculiar to the student life of the women.

The time set for "rushing" by the Pan Hellenic Council of the women's fraternities of the college expired last week, and the following pledges have been announced: Alpha Delta Pi—Misses Hunter Holloway and Sara DeShiell, of Smithfield, Va.; Gaiselle Kerner, of Kernersville, N. C.; and Helen Canthrell, of Sharon, Pa. Zeta Tau Alpha—Misses Dorothy Dotcher, of Charlotte, N. C.; and Flora Meredith, of Hagarsstown, Md.

Box Party Tomorrow Night in Gym by the Y. W. C. A.

There will be a box party in the gymnasium tomorrow night given by the Y. W. C. A. "Boxes," cakes, and all sorts of good things to eat will be prepared by the girls and auctioned to the students. The money raised in this manner will be used to defray the expense of the Y. W. C. A. delegates to the annual conference at Blue Ridge. All students and members of the college community are invited and urged to be present.

Misses Gladys and Irene Price spent the past week-end at their home in Wilmington, N. C.

PARK SCHOOL NOTES

The school is looking rather jubilantly toward the get together of school and alumni reception to be "pulled off" Wednesday night before Thanksgiving. This is the first reception of its kind ever given at the school and is being staged as an experiment looking forward to bringing the present students and the alumni into a closer relationship with each other. The committee is endeavoring to reach every old Park School boy or girl.

Three of the students were called to their homes last week on the account of deaths in their families. The whole community extends to them its heartfelt sympathy.

This is the week for the North Carolina Conference to be held at Wilson, N. C. Prof. Aldridge will attend the entire session. Since a great many of the boys here are from the eastern part of the state, they are looking forward to the headmaster's return to get direct news from their homes. The preachers' sons are especially anxious so they can hear where their fathers are going next year.

LIARARY NOTES

Since last Monday the library has been closing at 5:30 in the afternoon and reopening at 7:30. This practice will be continued until the days get long again in the spring, when the hour will again be moved up to six.

ELECTRIC SHOE HOSPITAL

(Opposite Kronheimer's)

324 WEST MAIN STREET

Let us take care of your Shoe Troubles. All work Guaranteed. See "Brick" Starling or Henry Cole at College.

Sometimes

We love to touch the human side of folks. After all money making is not all there is in business, leastwise not with

THE FIRST NATIONAL BANK

THE MAN behind the dollar interests us.

THE FIRST NATIONAL BANK

wants the public to consider it as a MAN MAKER, as well as a MONEY MAKER. Every bank owes the other fellow something. There is but 100 cents in a Dollar, but there is the word of encouragement, the human touch that will help lift the burden. Many a poor fellow is hungry for a word of sympathy, "the hello, hooray Bill, we are betting on you" spirit that makes

THE FIRST NATIONAL BANK

a MAN MAKER as well as a MONEY MAKER.

Dan Henderson interpreted the thoughts and plans of

THE FIRST NATIONAL BANK

When he sang:

Weave for the world the flag of man!
Finish the fabric our sires began!
Out of our lives shall the thread be spun!
Out of our veins shall the color run!
Out of our deed shall rise its lustre!
Out of our dreams its stars shall cluster!
Wide as the heavens spin the span
Of freedom's fabric—the flag of man!

HAT'S OFF!
