TRINITY DOWNS STATE COLLEGE AND GUILFORD BUT LOSES TO CAROLINA

A. & E. AND GUILFORD GAMES EXCITING—CAROLINA GAME HARD FOUGHT

IN LINE FOR CHAMPIONSHIP

Defeat by Carolina Result of "Jinx" and Not Due to Superior Team. Trinity Defeated State College Saturday Night

In the first intercollegiate basketball game played in the Angier Duke Gymnasium this season, Trinity defeated the strong quint from the State College by the score of 28 to 22. This game was one of the most sensational ever witnessed on the local floor. It was played before the largest crowd of spectators that ever assembled in Angier Duke Gymnasium to witness the defeat of a strong well trained squad, such as A. and E. has this season.

Trinity assumed an early lead in the first half which was held until the beginning of the second half, when Coach Crozier's squad pulled the score up to 14 to 13 in its favor. Then Trinity's scoring machine was put into fast motion and it quickly recovered the lead by the pocketing of two field goals.

"Skin" Ferrell shot two difficult field goals during the first half. He stayed with his man continuously and was, no doubt the fastest man on the floor. In the second half, he shot a pretty goal from the middle of the floor. "Briek" Starling could not dislodge the "Jinx," which seemed to have made a permanent location around his neck, and many of his shots that seemed sure circled around the rim of the basket a few times and then rolled out. Martin, Trinity's running guard, played a splendid game, making several sure shots at difficult angles. Hathaway was assigned to Ripple, the State's speedy forward, and held him to one field goal during the whole game. Richardson played a good defensive game at center, allowing his opponent only two field goals which were made during the second half.

For A. and E., Cline led in scoring, securing three field goals and six foul goals. Parks, forward, was taken out of the game, after committing four personal fouls. Dick Gurley took his place and played a very good game.

The line-up was as follows:

Trinity	A. and E.
Ferrell	Cline
Starling	Parks

Richardson	Groome
Hathaway	center
Martin	Ripple
	guard

Timekeeper—Borland.
Scorer—Brim.
Referee—Stewart.

CAROLINA GAME

Saturday night, January 24th, the University of North Carolina basketball team defeated the Trinity quint in the Angier Duke Gymnasium by the score of 35 to 25. This was the first defeat that the

ATLANTIC QUARTERLY FOR JANUARY IS OUT

LATEST ISSUE CONTAINS MANY NEW AND INTERESTING FEATURES

ARTICLE BY DR. H. M. ELLIS

Wide Variety of Productions and of Authors Characterizes January Issue. Good Book Reviews Included

The January issue of the South Atlantic Quarterly, which has recently been distributed to its many subscribers, contains many instructive and well-written articles by some of America's ablest scholars. This magazine is doing a great work in fostering the free discussion of literary, historical, economic, and social questions in the South in that it offers a medium in which all men of ability may publish their literary efforts in these lines.

Monroe N. Work, of Tuskegee Institute, contributes the first article in this issue. In this article, which is entitled "The South's labor problem," Mr. Work shows very conclusively that the only way for the South to maintain an adequate force of labor is for her to check the flow of negro laborers to the North by seeing that they get just treatment and a square deal in every way in their relations with the Southern man.

"Two Famous Poems of the World War" is the title of an article written by H. E. Harmon. The two poems discussed are "In Flanders Fields" by Dr. John McCrae and Alan Seeger's "I Have a Rendezvous With Death." Mr. Harmon, before discussing the poems of these men, gives a brief account of their lives and shows how the thought is that of truly inspired minds. This article is exceedingly well written and it gives a very true picture of what sacrificing one's life for one's country means.

TRINITY TO DEBATE EMORY IN ATLANTA

SOME DIFFICULTY EXPERIENCED IN ARRANGING COMPLETE SCHEDULE

It has been announced by the Debate Council that Trinity will meet Emory University this spring in the first intercollegiate debate between these two institutions while definite announcement concerning the query and the date on which the contest will take place is withheld, it is probable that Trinity's representatives will meet Emory's speakers in Atlanta.

The proposed triangular debate between Emory, Washington and Lee, and Trinity will not be held because of the withdrawal of Washington and Lee in six annual contests, and in five of these Trinity's speakers have been successful. The Debate Council regrets that the arrangements for a triangular debate cannot be made, but anticipates success in the approaching contests with Emory and Swarthmore. The preliminary for selecting Trinity's representatives for the Swarthmore debate will be held February 13, and the debate will take place March 20.

R. O. T. C. UNIT WILL ENTER RIFLE CONTEST

RANGE WILL BE CONSTRUCTED ON NEW ATHLETIC FIELD IMMEDIATELY

MAY ENTER NATIONAL MEET

30,000 Rounds of Ammunition are on Hand Now and Rifles Are Here. Interesting Work Will Be Taken Up On Range

Trinity College has been entered in the competitive rifle contest between all the schools and colleges in the fourth district of the R. O. T. C., according to announcements made by Captain M. Crawford, Jr., in charge of the local unit. A team composed of 20 men will be selected from a preliminary to make the record which will represent Trinity in the final contest to be held here during the first ten days of April. The professor of military science and tactics of each unit will send in the records of his men to the headquarters of the fourth district, and to the winner will be presented a silver loving cup bearing the name of the institution and the name of each member of the team.

Captain Crawford also stated that the unit here would go to work immediately upon the construction on the new athletic field of a 75 yard rifle range, where practice can be given the men. He has received 30,000 rounds of ammunition to be used in the practice, and has the rifles in the storeroom also. Practice will begin as soon as the range has been constructed. Efforts are also being made to secure the use of the old range formerly used by Durham sportsmen for practice at long range. The men are displaying considerable interest in this phase of the activity, and it is hoped that Trinity can put out a winning team in the competition.

There is also to be another contest, of national scope, in May, which may be entered by the Trinity unit if enough proficiency is developed. R. O. T. C. men are urged to take notice, for the national contest would mean a great trip for 12 or more men, and would be quite a distinction, also.

Plans for Installation of Phi Beta Kappa Progressing

The principal address at the installation of the Phi Beta Kappa chapter on February 23, 1920, is to be delivered by Professor Paul Shorey, of the University of Chicago, one of the Senators of the Phi Beta Kappa society. Rev. Oscar M. Voorhees, D. D., National Secretary of the United Chapters of Phi Beta Kappa is also expected to be present.

Z. L. Merritt, '19, was a visitor on the campus the early part of the week.

J. C. Gaither, '16, who has been travelling for the R. J. Reynolds Tobacco Company in Kansas, has been transferred to the Virginia and eastern Carolina district.

REVIVAL SERVICES TO CONTINUE THIS WEEK

MEETING OPENED LAST SUNDAY EVENING BY PROFESSOR H. E. SPENCE

DR. CHAPPELL IS PREACHING

Noted Preacher of Washington Creating Splendid Impression Here. Students Are Taking Much Interest in Meeting

Following a long established and time-honored custom, Trinity College is holding this week a series of revival services, two meetings being held every day, one in the morning at the noon hour, and one in the evening. The interest in the meeting is increasing rapidly and the attendance so far has been very good. The services are being conducted by Dr. Clovis G. Chappell, a former student of Trinity College and now pastor of the Mount Vernon Place Church, of Washington, D. C. In speaking of Dr. Chappell's visit to Durham, Honorable Josephus Daniels issues the following statement, "The student body of Trinity College and the people of Durham are very fortunate in that Dr. C. G. Chappell is to hold a meeting in Durham beginning on the night of February 2nd. I never miss an opportunity to hear Dr. Chappell and I do not know of any preacher in America whose sermons are more vitalizing and more humanizing and who preaches the old fashioned theology in a new fashioned way, preaching it with such demonstration and power that the membership of his church has increased by leaps and bounds. I am happy to know that the people of Trinity College are to hear Dr. Chappell for they have a great treat and great blessing in store."

The opening sermon of the meeting was preached by Professor H. E. Spence, of the Department of Biblical Literature, on last Sunday evening. He spoke on the subject, "The College Quitter." Taking as the base of his remarks the sentence "God Almighty hates the quitter," Professor Spence showed that there were three steps in the degradation of a college man, irreverence, cynicism, and viciousness, and also three stages in his downfall, namely, the loss of faith, the loss of assurance, and the loss of self-respect.

Dr. Chappell delivered his first sermon Monday evening on the subject, "The Tragedy of Contentment." He showed that the men who have made the discoveries and accomplished the great tasks of life are those who have attempted to do the impossible. The earnest man is the only man that wins today. No greater injury ever comes to the church of Christ than a lax and contented membership.

After this meeting, the news of Dr. Chappell's great preaching spread over the campus and a large number of the students were out to hear the sermon Tuesday morning. The subject of the sermon was, "The Religious Drudge," and the speaker gave a very clear delineation of this contemptible member of the church of today. He

EDITORIAL

Whew! We're glad the exams are over. Education shall not interfere with our college any more for four months.

Who said politics is adjourned? That guy ain't seen no politicking until he watches the R. O. T. C. campaigns for sponsors.

Something is always taking the joy out of life. At the Carolina basketball game, when the team was receiving the heartiest support from the students, and especially from the co-eds, and all that couldn't make us win, two of the fair co-eds had to spoil the effect by rooting for Carolina. If they are in Trinity because they can't help it, and wish they didn't have to be here, we will help them all we can, and wish they didn't either.

Trinity students are somewhat taken back when they were told that they would be excused from chapel this week to go to church, and then when they got there to hear a man named Chappell talk. But he is about the most interesting Chapel we have ever seen in some time.

Conditions are such that it is impossible to get a special train to Raleigh for the basketball game Saturday night, but Southern train No. 22 can carry most of us. Let's all out for Raleigh Saturday night and back the team.

LIBRARY NOTICE

Owing to the fact that the copy of *Country Life* for November 1919 and the American Magazines for January and for February, 1920, have been carried out and not returned, the librarian wishes to call the attention of the patrons of the library to this

flagrant violation of the rules, which causes much inconvenience to the members of the library staff. It is also a violation of the rules of the library for anyone to carry out books from the reference shelves, and to clip items from the newspapers.

All North Carolina newspapers that come to the library are bound, and all important magazines are filed in volumes. When one copy is lost, the whole volume is broken up until it can be replaced, which is often impossible. In the case of the missing copy of *Country Life*, the librarian has written the publishers and several local dealers in an effort to replace the lost copy, but so far his efforts have been unsuccessful. It is almost impossible to replace these magazines when a copy is carried out, because the publishers are usually out of stock before a request can reach them.

TRINITY DOWNS A. & E. AND GUILFORD BUT LOSES TO CAR.

(Continued from Page 1)

Methodists have experienced this season, and it was due to the fact that the team was not in its usual form.

This was the first time since 1898 that the two teams have met. At that time a break was made in the athletic relations between the two institutions. The relations were resumed in 1918 but this was the first basketball season in which arrangements for games between the two institutions could be made.

Martin and Hathaway, Trinity's guards, were the only members of the team that played in usual form. They did their best to stem the tide of victory. Martin pocketed three field goals during the second half, and out of ten chances for foul goals he made good nine. Hathaway held Carmichael, Carolina's star forward, to one field goal. Ferrell secured two field goals in the first half. Starling was relieved at the beginning of the second half by Moore, who showed a fine fighting spirit for the remainder of the game.

For Carolina Carmichael led in scoring. Out of fourteen chances for foul shots, he lost only two. Douglas, a former Trinity star, had much to do with the defeat of the Trinity team.

This first defeat at the hands of Carolina does not cast a cloud of gloom over Trinity students. Trinity still has a chance for the State championship, and with the strong team which she has, there is not doubt but what Trinity will be on hand when the title is handed out.

The line-up follows:

Trinity	Carolina
Starling	Carmichael
Ferrell	Shepard
forward	
Richardson	Liipfert
center	
Hathaway	Morris
Martin	Douglas
guard	
Referee—Doak.	

GUILFORD GAME

The Trinity team showed Friday night that it was still in line for the state championship, when Guilford College was defeated by the score of 36 to 15, the game being played on the Angier Duke Gymnasium. At no time during the game was there any danger of Trinity's being overtaken in the score by the visitors.

Trinity's fastest man, Ferrell, was out of the game during the first half. Giles played the first half in his place, and did splen-

did work for the team, scoring two field goals and playing good defensive ball. Ferrell took his place at forward at the beginning of the second half and as usual played a fast game. He scored three field goals, sending two through the circle in succession. The score was 15 to 9 at the end of the first half. At the beginning of the second half, the Methodists started with a rush, shooting one goal after another.

Martin, for Trinity, featured for his team, shooting eight out of nine fouls and playing a fine game on the floor. Ferrell as usual simply outclassed his guard. Richardson outplayed his opponent at center, securing four field goals to his opponent's two. Captain Hathaway played a good standing guard. Starling was a little off in his shooting, but outside of this he played well. Moore took his place in the latter part of the second half and showed up well, securing two field goals.

For the visitors, Frazier led in scoring, securing two field goals and three foul goals. Zachary was taken out for using language to the referee that had not been filtered. Raiford took his place. Guilford scored only two field goals during the second half.

The line-up was as follows:

Trinity	Guilford
Starling	Zachary
Giles	Frazier
forward	
Richardson	Newlin
center	
Hathaway	Anderson
Martin	Smith
guard	

Timekeeper—Borland.
Scorer—Brim.
Referee—White.

Henry Cole, who for the last two years has held a regular place at forward on the team, has been advised by physicians to discontinue his basketball career, because of the fact that he has developed an athletic heart. Cole was captain of the team last season and has done much toward putting out winning teams in the last two years, and all Trinity students regret that such unfortunate circumstances should occur which eliminate Henry from a regular berth on the varsity.

Under the efficient training of Coach Rothensties, Giles, Barrett, Neal, Saunders, Carver, and Moore, are showing up well in daily practices. Individual records of points are being kept each afternoon, both of the regular varsity men and the substitutes. The records show that good material is being developed in these men. At forward Giles and Moore are playing excellent ball. In the Guilford game Friday night, Giles showed the spectators that he is developing into good basketball material by handling the ball and staying with his man. In the Carolina game Moore was substituted for Starling in the latter part of the second half. He showed splendid fighting spirit during the remainder of the game, securing one field goal.

R. F. Brower, of the class of '20, has gone to New York to take a position in the Edison laboratories. Mr. Brower has almost finished enough work to obtain his degree, and he is going to take work in Pratt Institute sufficient to enable him to return and graduate with his class in June.

Ernest R. Clegg, ex-'20, was recently married to Miss Omega Wellons, of Selma, N. C. Mr. Clegg is pastor of the Bunn Circuit.

DELEGATES COMPLETE CONFERENCE REPORTS

DELEGATES GIVE TANGIBLE RE-
SULTS TO STUDENTS IN
LECTURES

CONFERENCE GREAT SUCCESS

Gibbs, Parham, King, and Miss Draughan Make Reports Before Y. M. C. A. Meeting. Talks Very Interesting

The students who attended the Des Moines convention as representatives of Trinity College addressed two mass-meetings of the student body prior to the beginning of the mid-year examinations. This was one method that the delegation chose to show the student body the tangible results which were achieved at this convention. All of the delegates reported a fine trip and a very profitable and educational experience.

The speakers of the first meeting were J. W. Hathcock, T. C. Kirkman, and Miss Blanche Barringer. Hathcock, speaking on the business side of the convention, told of the systematic and business-like transactions of the convention. Miss Barringer spoke on the subject "The Importance of Home Missions in America." She showed that America has a great social problem to be settled in addition to the outside affairs of the world. The last speaker of the evening, Kirkman, told in his catchy and highly humorous way of the trip to Des Moines and the personnel of the delegates. He related numerous incidents and happenings of the trip which showed the fine spirit which prevailed among the various delegations.

Professor H. E. Spence, of the Department of Biblical Literature, presided over the second meeting, introducing as the first speaker Paul Gibbs, who spoke on the subject, "The Message of the Convention." Gibbs very vividly portrayed the call which comes to all North American students to go to the foreign missionary fields, told of the work of the call, and of the hearty response which it is receiving. Miss Lota Leigh Draughan in presenting the cause of foreign missions, showed the needs of three countries, Africa, India, and China and how these needs could be successfully coped with. R. A. Parham spoke on the subject, "The Music of the Convention, It's Educational Features, and It's Scheme of Operation." Parham told what the purposes of the convention were and then discussed the various divisions of his chief subject. H. K. King, the leader of the delegation and the last speaker of the evening, spoke on the subject "Gems of the Convention." King discussed the convention and then layed the plan of supporting a foreign missionary before the student body.

Ministerial Band Elects Officers for Second Term

The Ministerial Band met Friday night, January 16, 1920, in regular session and elected the following officers: president, T. F. Higgins; vice-president, H. K. King; secretary-treasurer, W. N. Vaughan; chairman of program committee, J. E. Gilbreath; chairman of extension committee, G. A. Adams. J. E. Gilbreath appointed D. W. Kanoy and I. S. Richmond to assist him on his committee. G. G. Adams appointed as his assistants J. O. Long and I. Tanaka.

CALENDAR OF THE WEEK

Basketball game, Trinity vs. A. and E., February 7, at city auditorium, Raleigh.

Ministerial Band meeting, Friday evening at seven o'clock.

Biological Club meets Monday, February 9, at seven o'clock.

The French Club meets in the usual place Monday, February 9, at seven o'clock.

The Historical Society will meet in the Economics room on Monday night, February 9.

INSTALLATION OF DELTA SIGMA PHI AT TRINITY (Continued from Page 1)

fellowship was in evidence throughout the entire evening.

The following men conducted the ceremonies: alumni, Raymond Crowder, Lieut. Col. John W. Harrelson, H. K. Witherspoon, John Lander, T. D. Roper, Judson D. Albright, Rho chapter; Peyton Brown, Psi chapter.

The following men were initiated into Alpha Epsilon chapter: H. C. Folsom, Sumter, S. C.; J. W. R. Norton, Laurel Hill N. C.; W. F. Murphy, Jr., Wallace, N. C.; C. F. Woodard, Black Mountain, N. C.; O. L. Richardson, Monroe, N. C.; R. E. Thigpen, Wilmington, N. C.; A. B. Wilkins, Stanford, N. C.; L. B. Hathaway, Hobbsville, N. C.; L. R. Riddick, Maceys, N. C.

REVIVAL SERVICES TO CONTINUE THIS WEEK (Continued from Page 1)

gave as the two characteristics of the religious drudge his spirit of reluctant and selfish giving and his spirit of unwillingness to bear pain. "Envy is a child of hate, jealousy is a child of love," was one of the many ringing statements that he drove home.

The meeting will continue the rest of this week, and it is hoped that the same record of attendance will continue and that no student will miss this fine opportunity to strengthen his religious concepts by hearing a preacher of such force and earnestness. Special music is being prepared for the coming services and all indications are that this meeting will go down as the most successful one in the history of Trinity College.

PARK SCHOOL NOTES

The annual protracted meeting in the Park School is to be held next week in the chapel room of the Bivins building. The minister who was to hold the services found every effort is being made to secure one in his place. As yet one has not been secured, but the meeting remains scheduled unless otherwise announced.

The scare caused by a case of smallpox in the school the week following the Christmas holidays has now blown off and conditions are becoming settled again. For more than one week the campus was disturbed by rumors which kept the boys and the school work very much unsettled. The case of smallpox was taken away from the school and most of the students were vaccinated. Outside of a few "bad arms" there is no sickness on the campus at all.

DR. WANNAMAKER SPEAKS AT MISSOURI UNIVERSITY

DEAN MAKES LONG TRIP AT REQUEST OF UNIVERSITY TO LECTURE TO FARMERS' INST.

Dr. W. H. Wannamaker recently made a trip to the University of Missouri, at Columbia, Missouri, where he was invited by the department of agriculture of that state to make an address to the Farmers' Institute, a feature of the University's well known "short course" in agriculture. Dr. Wannamaker was given the general subject of "Some of the Great Needs of the World Today," and chose as the title of his address, "Sane Thinking." He stated that he was very much impressed by his trip.

While at the University Dr. Wannamaker saw one of Trinity's former students, Martin Walt, II, ex-'22, who is in school there. The CHRONICLE has since received a communication from Walt in which he says that Dr. Wannamaker was greatly enjoyed and very highly complimented by those who heard him speak.

Prof. Wilson Entertains Chemistry Class at Home

On Thursday evening January 15th, the members of the Chemistry VII Class were guests at dinner of Professor and Mrs. Robert N. Wilson at their home on Third Avenue. The occasion was most delightful to every student present. Those enjoying the hospitality of the Wilson home were: G. H. Satterfield, L. U. Rose, A. S. Barnes, Jr., John and Edward Harrison, and L. W. Saunders.

ATLANTIC QUARTERLY
FOR JANUARY IS OUT
(Continued from page 1)

Dr. H. M. Ellis, a former member of the English Department of Trinity College and now head of this department in the University of Maine, contributes the first installment of an article entitled "Thomas Cooper—A Survey of His Life." There will be three installments of this article dealing respectively with Cooper's life in England, 1759-1794, in Pennsylvania, 1794-1819, and in South Carolina, 1819-1839.

This issue also contains a number of well written book-reviews by members of the faculty of Knox College, of the United States Military Academy, and of Trinity College.

Sometimes

We love to touch the human side of folks. After all money making is not all there is in business, leastwise not with

THE FIRST NATIONAL BANK

THE MAN behind the dollar interests us.

THE FIRST NATIONAL BANK

wants the public to consider it as a MAN MAKER, as well as a MONEY MAKER. Every bank owes the other fellow something. There is but 100 cents in a Dollar, but there is the word of encouragement, the human touch that will help lift the burden. Many a poor fellow is hungry for a word of sympathy, "the hello, hooray Bill, we are betting on you" spirit that makes

THE FIRST NATIONAL BANK

a MAN MAKER as well as a MONEY MAKER.

Dan Henderson interpreted the thoughts and plans of

THE FIRST NATIONAL BANK

When he sang:

Weave for the world the flag of man!

Finish the fabric our sires began!

Out of our lives shall the thread be spun!

Out of our veins shall the color run!

Out of our deed shall rise its lustre!

Out of our dreams its stars shall cluster!

Wide as the heavens spin the span

Of freedom's fabric—the flag of man!

HATS OFF!

Why do Young Men Stick to This Store?

It simmers down to dollars and cents. You know that you get better values, better style, better all-round satisfaction for the money that you spend with us for clothing.

That's why we are selling so many Collegian suits and overcoats. They give you everything you demand—style, fit and wear—at fair prices.

\$30-\$35-\$40 and up
