## CAROLINA QUINT LOST TO TRINITY 19 TO 18

IN WONDERFUL GAME METHODISTS DEFEATED CAROLINA ON UNIVERSITY FLOOR

## STATE CHAMPIONS UNDECIDED

Washington and Lee Game With Others On Virginia Trip. Losses Due to Dirty Deals at Virginia and Washington and Lee

By defeating the Chapel Hill lads Monday night on their home floor, the Trinity basketball tossers staged one of the most sensational comebacks in its history. The Trinity tossers, still smarting from the defeat they suffered at the hands of Carolina earlier in the season, fought forty long and exhausting minutes for a 19 to 18 victory. The game was featured with speedy playing and clever passing by both aggregations, and the shooting of both teams kept a thousand fans in anxious uncertainty. The score remained close throughout the game, and at no time did one team lead the other by more than four points.

With a rush the Trinity lads looped two baskets before the Chapel Hill quint succeeded in carrying the ball into her territory. Shooting from every angle on the floor, our speedy five gave the opposing team much cause to worry. Coming up with a spurt of speed, the Carolina boys took the lead from time to time, only to lose it again. The first half ended with Rothensies' men holding a lead of one point, the score being 10 to 9. The second half opened with a whirlwind of snappy playing on the part of both teams, and the lead shifted back and forth. The hopes of the loyal Trinity supporters were realized when the final whistle blew, with the count standing 19 to 18.

The stellar playing of every man makes it almost impossible to pick the individual star for the Trinity crew. The sure shooting of Sturling and Martin, the clever guarding by Hathaway, the fighting of Richardson at center, and the contortions of "Skin" Ferrell, made the victory possible. The individual star for the Carolina quint was Leipfert, who netted eight of their eighteen points. Shepherd at guard was also a mainstay in the Carolina line-up.

Line-up:  
Trinity Carolina  
Ferrell Carmichael (Capt.)  
right forward  
Starling Rourke  
left forward  
Richardson Leipfert  
center  
Martin Morris  
right guard  
Hathaway Shepherd  
left guard

Substitutions—Erwin for Carmichael; Moore for Ferrell.

Field Goals—Leipfert 4; Morris 1; Starling 3; Martin 2; Richardson 1; Hathaway 1.

Free Throws—Carmichael, 4 out of 7; Martin, 5 out of 6.

Referee—Stuart, from Greensboro.

(Continued on Page 4)

## Make-Up Examinations Will Continue through March 15

The make-up examinations for those who were conditioned on one or more subjects at the close of the last term, began Tuesday, March 2, and will continue through March 15. These examinations begin at 2:00 P.M. and last until 5:40 P.M. every day. Everyone who has been conditioned is urged to get busy and do his best to pass the make-up examinations. Entirely too many students were conditioned, and it is very important that they take advantage of this last opportunity to redeem themselves.

## SPRING WORK Y. M. C. A. ANNOUNCED IN SCHEDULE GIVEN OUT BY OFFICERS

Dr. R. H. Bennett Will Address Joint Meeting of Y. M. C. A. and Y. W. C. A. Thursday Night

Pres. J. E. Gilbreath has worked out a program for the spring term work of the Y. M. C. A. which appears below. The students will note that this program is varied and should provide the material for quite extended interest in the work of the Y. M. C. A. for the rest of the year. Owing to the fact that a voluntary quarantine has been in effect on the campus for the last few weeks, the Y. M. C. A. has not held its regular meetings, but beginning with Thursday evening the regular meetings will be held every week.

Dr. R. H. Bennett will address a joint meeting of the Y. M. C. A. and Y. W. C. A. Thursday night. A cabinet meeting will be held immediately after this meeting. A large number of the meetings of these two organizations will be joint meetings and with this united co-operation it is expected that religious work will form a prominent part of the coming term. The Y. M. C. A. is making preparations to send delegates to the Officers' Training Conference the last of March and also to send a large number of (Continued on page four)

## Dr. Bennett Will Meet Students For Conference

Dr. R. H. Bennett, secretary of ministerial supply and training religious education of the Methodist Church, will spend Thursday at the college, conducting chapel exercises, interviewing students, and addressing a joint meeting of the Y. M. C. A.

Dr. Bennett may be found in Professor Spence's office on Thursday and will be glad to talk with any students of the college about their future plans, special with regard to higher education. Both men and women students, as well as ministerial and mission workers, are invited to meet him.

## Dr. Few Honored by Meeting Of Educational Body

Dr. W. P. Few, president of the college, was elected president of the Methodist Education Association at a meeting of the executive committee of the association in Nashville, Tennessee.

## TRINITY PLANNING TO ENTER PEACE CONTEST

ARRANGEMENTS BEING MADE BY PROFESSOR BLAIR, OF GUILFORD COLLEGE

## CONTESTS HELD WIDE INTEREST

Prize of \$75 Offered by State Organization and One of \$50 Given by National Society for Winning Oration

Arrangements are being made to hold a state oratorical contest under the auspices of the National Peace Society sometime this spring, the date and place to be decided later. The representative of the Peace Society in North Carolina is Prof. F. S. Blair, of Guilford College. He has conferred with the different colleges in North Carolina and has invited them to send representatives to the contest.

The subjects of the orations must be on some phase of world peace. The winner in the state contest will be awarded a prize of \$75, and a copy of the oration of the successful contestant is to be sent to a committee representing the National Peace Society. The oration which is in the opinion of this committee the best will entitle its author to another prize of \$50 from the national association.

When the invitation to enter this contest was extended to Trinity College, it was referred to the Hesperian and Columbian Literary Societies and these organizations appointed their committees to arrange for a preliminary contest in which a representative of the college will be chosen for the state contest. This preliminary has to be open to the general public and more than four men must deliver orations. The contest is open to all students of the college and a (Continued on page four)

## RANGE WORK BEGUN BY R. O. T. C. UNIT THIS WEEK

Target Practice Continuing All This Week—Men Are Showing Up Very Well For Amateurs

Target practice for the members of the R. O. T. C. began at the newly constructed gallery range on the Hanes Field Monday afternoon, and will continue from 9:30 to 5:00 daily throughout the week. The members who have appeared on the range so far have made a very good showing, some making as high as 44 out of a possible score of 50. The average, however, is about 34.

A rifle team will be selected from the battalion to represent the Trinity unit in a National match which will be held sometime in the early spring. The members who make the highest score on the range will be selected three men to represent the unit.

A sub-caliber 22 model of the regular service rifle is used in the present work, and the target is fourteen inches with a 1 1/4 inch bull's eye. Six men work at once, and each man is allowed ten shots, each of which may be made to count five points.

## Professor H. E. Spence Addresses Volunteers

Professor H. E. Spence addressed the meeting of the Students' Volunteer Band, held last Thursday afternoon. Professor Spence spoke on timely questions directly affecting the student volunteers and the missionary movement. After discussing matters concerning the work of the band the organization decided to hold its meetings henceforth on Friday afternoon at 4 o'clock in order to accommodate the convenience of the young women members.

## PROF. CANNON LECTURES ON MEXICAN SITUATION TO HISTORICAL SOCIETY

Interesting Lecture on Attitude of the Church Toward Intervention in Mexico

Prof. James Cannon, III, addressed the Historical Society at their regular meeting Monday night on the subject: "The Attitude of the Protestant Church Toward Intervention in Mexico." He declared that what Mexico was not the sword, but rather needed Christian education. In his discussion he refuted the two main arguments of the party that favors intervention. These arguments are that America should intervene in order to protect American property and to safeguard American lives.

In conclusion Professor Cannon declared that, even though we were going to intervene, that the time for intervention has now passed, for Carranza has almost succeeded in unifying the country and establishing a firm government. He said that Mexico had the same right to have a revolution as France, America, and Russia and that America should keep her hands off in military matters, but should establish schools in Mexico and educate leaders for the coming generation of Mexicans, and that by so doing she would protect herself as well as help Mexico.

## Alpha Tau Omega Fraternity Held Its Annual Initiation

North Carolina Xi Chapter of Alpha Tau Omega fraternity held its annual initiation last Monday evening. A large number of old members together with four members from Carolina were present for the initiation. An informal feed was given in the chapter from after the initiation ceremonies.

The initiates were B. B. Harrison, of Littleton; J. A. Bell, Jr., of Charlotte; E. L. Stamey, of Greensboro; F. E. Tucker, of Durham; J. W. Ellis, of Salisbury.

## Miss Carr Will Play For Class in Greek Thursday

Miss Vera Carr will play Mendelssohn's music to the choral odes of the "Antigone" before the class in Greek 6 in Craven Memorial Hall immediately after chapel on Thursday. Any one else who is interested is invited to attend.

## COMPULSORY EXERCISE PLAN EFFECTIVE HERE

EVERY STUDENT REQUIRED TO TAKE THREE HOURS EXERCISE PER WEEK

## SPRING ATHLETICS INCLUDED

Broad Plan of Physical Development Instituted by Trinity College is First in South and Up to Standard of Best

Announcement was made in chapel Monday of the opening of spring athletics on that day. The announcement affected the entire student body of the college, in that the plan of required physical exercise as adopted by the college a year ago now goes into effect. W. J. Rothinsies, who was retained last fall as director in charge of all branches of athletics and special gymnasium instructor, will have the management of the plan in his hands, and is required to make a report on the physical record of every student in college.

According to the plan, every student of the college is required to take three hours of physical exercise a week, for which academic credit of one hour per year is given. Men who are out for any of the varsity teams, and serve consistently on the squad in any branch of athletics will be given credit by Director Rothinsies for the year's work.

Men working in the R. O. T. C. will be credited also. Arrangements have been made whereby students may elect golf as their form of exercise. Those who do not choose some special form of exercise will be assigned to gymnasium classes which will work out-of-doors when the weather permits. The work is divided into the various branches, and a coach or assistant has been provided for each. Chick Doak is serving as coach for baseball, J. H. Ruff is coaching track, and Dr. N. I. White has agreed to coach the tennis team. Dr. F. C. Brown will have charge of the students who elect golf, while W. W. Card, director of the gymnasium, will have charge of gym. classes. Rothinsies will have general supervision of the work of the individual students in all branches, especially with regard to attendance records. He will be assisted in keeping these records by Prof. B. W. Barnard. Absences from appointed work will not be reported to the office of the dean as are classes, but a careful record of absences and make-up work will be kept by Rothinsies, who will make a report on each individual student at the end of the year, and any student reported deficient by him will be marked deficient on the records, and will not be able to get credit for his work until his records is clear. According to a statement from Dr. Wannamaker, any senior who is reported deficient at the end of the present year will not be allowed to graduate.

Work begins immediately. Baseball and track practice have already started. Spring football (Continued on page three)

## EDITORIAL

Revenge is sweet, O, Carolina.

Next time we have a celebration we must call on Dr. Wannanaker a rain. He might possibly have a stock of blackberry later.

Another movement is on for compulsory physical training. Methinks I heard someone snicker, and saw yet another laugh up his sleeve. We wonder if those who are skeptical about the compulsory part have not spoken too soon. We shall adopt a policy of watchful waiting in this matter, and advise others not to be too sure of themselves.

## THE VIRGINIA TRIP

When the results of the games played by the basketball quint at Virginia University, and at Washington and Lee first came in, Trinity was surprised, and she wondered. The unexpected losses were attributed to the fact that the breaking into the schedule caused by the prevailing epidemic of influenza had caused a break in the training of the men, and also to the fact that the regular center, Richardson, was unable to make the trip at the last moment. But still we wondered. It is hardly likely that a strong team like ours will have an "off night" very often, and highly improbable that two such nights should ever come together.

By the time the team had returned to the campus, however, word had been received here which accounted for the defeats at Virginia and Washington and Lee. The game with Virginia was poorly refereed, according to accounts received here from reliable sources. The referee at Virginia did not see any

fouls to speak of, and it was a more difficult task than our men could handle to forget the training they had received and turn a basketball game into a rough-house. But that was not the fault of the Virginia team, exactly, and we have little to say of it, except that it did seem to us that they lost no time in breaking training in Raleigh last Friday night to avoid a match with us on our own floor the next night.

Concerning Washington and Lee the CHRONICLE must say that it does not admire her ethics in athletics. The coach of the generals met our team with a statement that he had but two referees to offer, and that both of them were students of Washington and Lee. He further stated that he did not believe either of them would do the thing fairly or well. There was nothing for our coach to do but to select one of the men. The game that followed was a knock-down, drag-out affair, and a disgrace to college athletics. Players on the Washington and Lee team admitted it, and admitted that they were in the wrong. The referee never saw a foul against the generals, but called them repeatedly against the Methodists. We wonder why it was not possible to find a referee that would have been neutral, when the coach for V. M. I. was on the floor, and Lexington, Va., is a large enough town to put out a team of its own. If the generals have such an invincible aggregation, will they please tell us why they have not played a game off their own court in two years?

There is no element of sour grapes in our statements. Trinity is known, and has been known for years and years, for the exemplary standard of clean athletics that she has maintained. We have been good losers when the result was against us, and if any team defeats us by superior ability in a clean and sportsmanlike manner, we give the praise that is their due. But we do not propose to look over any such bald-faced breaches of sportsmanship as our team received in Lexington.

## PRAYER MEETINGS

The Bible Study Committee of the Y. M. C. A. has inaugurated a plan whereby meeting for a short prayer service and reading of the scripture is held on each floor of each section of all the dormitories every night. In this manner seven or eight men enjoying the intimate acquaintance of each other that comes with living in a dormitory are brought together for a few minutes to be spent in prayer, solemn thought, and study of the scripture.

The CHRONICLE commends this plan highly. Students in Trinity College already enjoy the uplifting and steady features peculiar to a denominational school. We have our chapel with its distinctively religious character, and we have also the Y. M. C. A. mid-week service, vesper service, and devotional services of various kinds. But these services are either for the students collectively or appeal to special classes. The prayer service every night will help the individual. It will include all students, from the inmates of the law-born on down. Practice in leading such a service may be gained, for the meeting may be led by first one and then

another student. The offering of a prayer in a public service is an art, and must be acquired. But every Christian should master it, and above all, college students. Furthermore, too much stress cannot be laid upon the benefit accruing to the individual from the practice of reading a portion of the scriptures daily. It will give you food for thought, shield you from temptation, and strengthen your faith.

It is not the intention of the CHRONICLE to preach a sermon, but this movement of the Bible Study Committee is excellent. If you will but give this matter a few moments of thought, you cannot help but agree that it is your duty to yourself and your friends, that you, as an individual, do your part to make the plan successful.

## COMPULSORY EXERCISE PLAN EFFECTIVE HERE (Continued from Page 1)

practice started yesterday afternoon. This training will consist of work-outs on the gridiron, more to round men out and teach them the fine points of the game than to have any gruelling practice such as is held in the fall. The training will last a month or six weeks, and it is essential that men who aspire to the varsity squad should be on hand consistently. Dr. Brown has made arrangements with the managers of the country club to use the Hillandale golf links, and work on the links for men choosing golf will begin immediately. The tennis courts are being put into shape, and Dr. White will begin racket work at once. Every man is advised to see that his own record is straight, and to observe the statements in the catalogue regarding physical training.

The CHRONICLE wishes to point out the fact that Trinity College is one of the first colleges in the country, and certainly the first in the South to adopt a broad policy of physical training requirement. The board of trustees appointed a committee to investigate the situation with regard to football here two years ago. The committee made a report and a recommendation favoring football, and in addition proposed a plan whereby one man, such a man that would be competent to hold a place in the faculty, should be retained to have general supervision of physical training and athletics. Coaches and directors for special branches are retained in addition. Furthermore, the committee recommended that a physician be secured to make examinations of the students and recommend treatment necessary to protect the health of the students, and also to make morning calls on students reported sick. The report of the committee was accepted, and has been put into effect as far as possible. Limited gymnasium facilities have prevented the authorities from securing the desired results so far, but with the plan as a basis Trinity College expects to graduate men physically as well as mentally after a full college course.

Miss Elizabeth Scott Walker, of Durham, read a paper on the "Story of Cupid and Psyche in Art and Literature" before the Parthenon Club on Tuesday afternoon, and illustrated it with photographs of the statues and paintings that deal with the myth.

## Dr. Glasson Lectured To Rocky Mount Club Monday

Dr. W. H. Glasson, of the  
Economics department left Mon-  
day for Rocky Mount, where he  
delivered an address before the  
Current Topics Club, Monday  
evening, March 1. This was the  
second of a series of lectures to  
be given there by members of  
the Trinity College faculty. The  
first of the series was given by  
Prof. H. E. Spence of the Bibli-  
cal department.

## CAROLINA QUINT LOST TO TRINITY 19 TO 18

(Continued from page one)

Our victory over Carolina puts  
us on a more firm basis for the  
contention for the state cham-  
pionship, and puts Carolina down  
one notch. It may not be  
possible to decide the issue,  
inasmuch as the influenza epi-  
demic may prevent the completion  
of schedules, but let it be remem-  
bered that the championship is  
not yet decided.

## WASHINGTON AND LEE GAME

Washington and Lee University  
defeated the Trinity quint by the  
score of 30 to 12 in Lexington,  
Va., on the night of February  
28. The game was characterized  
by its roughness and the unclean  
playing of Washington and Lee.  
Wafford, the referee, a Washing-  
ton and Lee student, completely  
ignored the tripping, slugging,  
and holding engaged in by the  
Washington and Lee squad. In  
the second half, the Trinity quint  
did not play basketball, but  
merely tried to hold their own  
in the one continual dirty fight.  
The opposing team openly knocked  
Ferrell out of the game, because  
of the fact that he was easily  
the fastest man on the floor.  
Coach Raftery, of the Washing-  
ton and Lee team, offered Man-  
ager Brim the choice of two  
referees, both of which were  
students of that institution, and  
frankly admitted that they were  
not competent men, while at the  
same time the coach from  
V. M. I. was present and would  
have gladly offered his services as  
referee had he been asked to do  
so. Two of the Washington and  
Lee players, the captain of the  
team and the center, in apolo-  
gizing for the uncleanness of the  
game afterwards, stated that they  
had intentionally slugged our  
players and turned the game into  
a regular pugilistic battle.

## V. M. I. GAME

On February 29, the strong  
Virginia Military Institute team  
defeated the Trinity quint in  
Lexington, Va., by the score of  
46 to 13. The V. M. I. aggre-  
gation was the strongest that  
Trinity has battled with this  
season. V. M. I. will meet  
V. P. I. the fifth of March in

## CALENDAR OF THE WEEK

The Physics Club will meet  
Friday night at 7:15 o'clock in  
the physics lecture room. Pro-  
fessor Hatley will lecture to the  
club on "The Audion Tube and  
Wireless Telephony."

Dr. R. H. Bennett will address  
the joint meeting of the Y. M.  
C. A. and Y. W. C. A. Thursday  
night at 7:30 o'clock in the Y.  
M. C. A. Hall.

the final game which will decide  
the South Atlantic championship.  
The game was fast from the be-  
ginning and was characterized by  
the clean and sportsmanlike play-  
ing of both teams. At times  
the game was rough but was  
always clean, and the V. M. I.  
spirit was everything that could  
be expected.

## LYNCHBURG GAME

On February 26, Trinity de-  
feated the Lynchburg Athletic  
Association by the score of 32  
to 23. The game was the last  
on the Virginia trip. It was a  
rough game fairly refereed, both  
teams being allowed to trip and  
slug. Trinity gained the lead in  
the first half and held it during  
the whole game, although by a  
margin of one point at times.  
Rothensies did stellar work for  
Trinity, scoring nine field goals  
during the game. For Lynchburg,  
Shaner did the best playing for  
his team, scoring eight field  
goals.

DURHAM, N. C.

## PARK SCHOOL NOTES

Prof. F. S. Aldridge, headmaster, is still confined with a nervous breakdown. We went to Watts Hospital last week. The Park School and friends hope for him a speedy recovery.

The third quarterly examinations are being held this week. Owing to a bursted boiler in the administration building, the exams will be held at the college when it is too cold to spend two hours in an unheated room.

The basketball manager has arranged the third trip to be taken this season. Two former trips, one in the eastern part of the state and the other in the other in the western, were both cancelled on the account of the "flu." He anticipates a trip next week which all hope will not be cancelled. The teams to be played are Washington, New Bern, Vanceboro, Wilson (pending), and Zebulon (pending). The team is in the best shape it has been in this season and the coach believes they can easily beat any high school in the state.

## SPRING WORK Y. M. C. A. ANNOUNCED IN SCHEDULE GIVEN OUT BY OFFICERS

(Continued from page one)

students to the Blue Ridge conference in June.

May 26. Blue Ridge Meeting.

## TRINITY PLANNING TO ENTER PEACE CONTEST

(Continued from page one)

large number of men are already at work on their speeches.

The annual oratorical contest was established by the North Carolina Peace Society, the first contest being held in Raleigh in 1913. Trinity was represented by Arnold B. Byrd, who won the first prize. The second contest was held in Raleigh, in 1914, and the representative from Trinity was Guy Hamilton, of the class of 1915. The following year the contest was again held in Raleigh, and Trinity was represented by George S. Sexton. The contest in 1916 was held in Craven Memorial Hall and Trinity's representative, W. R. Shelton, won the first prize. The last contest was held in Raleigh, and D. R. Brady represented this institution. During the war no contests were held, but this year it is expected that the contest will be one of the most spirited that has ever been held.

Prof. H. E. Spence, of the department of Bible, preached at the first Baptist Church of Durham for the pastor, Dr. J. E. Welsh, who was out on account of illness.

324 WEST MAIN STREET

Let us take care of your Shoe Troubles. All work Guaranteed. See "Brick" Stirling or Henry Cole at College.

## Sometimes

We love to touch the human side of folks. After all money making is not all there is in business, leastwise not with

## THE FIRST NATIONAL BANK

THE MAN behind the dollar interests us.

## THE FIRST NATIONAL BANK

wants the public to consider it as a MAN MAKER, as well as a MONEY MAKER. Every bank owes the other fellow something. There is but 100 cents in a Dollar, but there is the word of encouragement, the human touch that will help lift the burden. Many a poor fellow is hungry for a word of sympathy, "the hello, hooray Bill, we are betting on you" spirit that makes

## THE FIRST NATIONAL BANK

a MAN MAKER as well as a MONEY MAKER.

Dan Henderson interpreted the thoughts and plans of

## THE FIRST NATIONAL BANK

When he sang:

Weave for the world the flag of man!  
Finish the fabric our sires began!  
Out of our lives shall the thread be spun!  
Out of our veins shall the color run!  
Out of our deed shall rise its lustre!  
Out of our dreams its stars shall cluster!  
Wide as the heavens spin the span  
Of freedom's fabric—the flag of man!

HATS OFF!
