STATE CHAMPIONSHIP WON BY TRINITY WHEN VARSITY TEAM DEFEATED STATE COLLEGE: SOUTHGATE MEMORIAL BUILDING CAMPAIGN PLANS FOR \$300,000 WOMAN'S BUILDING PUSHED

TRINITY DEFEATS A. & E.

GAME IN RALEIGH LAST FRIDAY WAS DANGEROUSLY CLOSE THROUGHOUT

FASTEST CONTEST OF SEASON

Score Tied Many Times, but Trinity Men Simply Outplayed the Techs On Their Own Court

MARTIN MOST SINGULAR FEATURE

Every Man on Team Played Excellent Ball. Cole Came Back in His Old Time Form. Startling Made Winning Score

By far the most sensational and spectacular game of basketball ever played on the auditorium floor in Raleigh was played Friday night when Trinity and A. & E. clashed for the North Carolina collegiate championship. The score was 25 to 24 in Trinity's favor. The Techs led by a one point margin in the last two minutes of the game, but the tide was turned in Trinity's favor when Starling, substituted for Hathaway, passed one through the circle from the middle of the court adding the points which gave Trinity the victory.

Both teams fought desperately throughout the entire game. Many times the score was tied and at no time of the contest did either quint have a lead of over four points. First one team and then the other took the lead only to have the score tied. Strong guarding was the main feature of the contest, proof of this lying in the fact that only 14 of the points made by the State team were made by the shooting of field goals. Ripple, of the State team, was held to a lone field goal by Hathaway, Trinity's strong guard, who is without doubt the best stationary guard in the south. Martin, running guard for Trinity, not only held his opponent to two field goals, but he completely ran away with the A. and E. boys, scoring 15 of the 25 points made by Trinity. To Martin belongs the credit of the best all-round playing of the evening. He was speedier than any other man on the floor, and was sure in his shooting until he was stunned by a fall on the floor.

Ferrell, the fastest little forward in the south, was all over the floor, and gave no little worry to his opponent. He has to his credit three field goals, while his opponent did not score a single point. Cole, Trinity's left forward, who made this his first game of the season, played as though he had been playing all the time. He displayed splendid head-work and plenty of bull-dog tenacity, for both of which Henry is noted. Richardson, at center, played good defensive ball, holding Groome, the State's fastest man, to four field goals.

SWARTHMORE DEBATE TEAM WILL HAVE ANNUAL CLASH WITH TRINITY SATURDAY

CONTEST IN CRAVEN MEMORIAL HALL AT EIGHT O'CLOCK. SPEAKERS ANNOUNCED

On Saturday evening at eight o'clock in Craven Memorial Hall the deciding debate of the third series between Trinity and Swarthmore College will take place. Trinity's speakers in their order of appearance will be, S. M. Holton, Jr., H. J. Herring, and A. H. Gwyn. They will be opposed by A. C. Valentine, W. W. Hewett and D. W. Bronk, of Swarthmore College. The judges for the debate will be President C. E. Brewer, of Meredith College; E. S. Parker, lawyer from Mebane, and Republican candidate for governor; and another man yet to be named.

Immediately following the debate the Athena Literary Society will give a social in the parlors of Alsapugh Hall in honor of the visitors, at which specially invited guests will be present.

In both of the preceding series with Swarthmore, Trinity has carried off the honors, and it is urged that every student and friend of the college be present to support her team on Saturday evening.

Z. L. Merritt, '19, was a visitor on the campus Saturday.

CHAMPIONSHIP IS OURS

ONE OF THE MOST SUCCESSFUL SEASONS TRINITY HAS EVER HAD CLOSES

WON NINE OUT OF TEN GAMES

Ten Games Played in State; One Lost to Carolina. Three Games Dropped to Virginia Teams

STARLING ELECTED NEXT CAPTAIN

Splendid Records Made by Every Man. Much Credit Due to Robinsons and Also to Brim and Hathaway

The game with the North Carolina State College in Raleigh last Friday night ended one of the most successful basketball seasons Trinity has had. Playing a total of 14 games, 4 of which were played in Virginia, the team was successful in winning 10. Only one game was lost in this state.

The season opened January 8 with the Durham Y. M. C. A. at Durham. The Methodists won this game by the score of 32 to 22. Before this game, however, the Y. M. C. A. was played in the Angier Duke Gymnasium December 12, the score being 26 to 19 in favor of Trinity. On January 12, the squad made a two days trip west, playing Guilford and Elon on their home floors. The game with Guilford was played on the night of the twelfth, and the score was 22 to 20 in Trinity's favor. In the game with Elon, January 13, the score was 18 to 16 in Trinity's favor. The first game with the State College was played in the Angier Duke Gymnasium, January 17. The count in this game was 28 to

Trinity-Swarthmore debate Saturday night, March 20, in Craven Memorial Hall.

SHORT STORY CONTEST IS BEING CONDUCTED BY THE EKO-L FOR HIGH SCHOOLS

ANNUAL CONTEST AMONG HIGH SCHOOL GIRLS CLOSING APRIL 30

During the past week information in regard to the high school short-story contest held annually by the Eko-L has been sent to the principals of the various high schools in the state. This is to be the third of the annual contests held since the inauguration of the plan. Every girl who is a bona fide student of a high school is eligible to enter the contest. Eko-L offers a prize of ten dollars in gold to the winning contestant.

Eko-L is an honor society at the college, membership in which is open to young women students of the junior and senior classes. The organization was formed in the spring of 1914 to promote among the women students of the college genuine scholarship and to advance the interests of the Greater Trinity.

The names of contestants for this contest were supposed to have been in by March 1st, but because of numerous interferences in the year's work, the date has been postponed until April 1st. All manuscripts must be submitted by April 30.

PLAN WOMAN'S COLLEGE

COMMITTEE DINNER MARCH 9 RESULTED IN REVIVAL OF FORMER PLAN

\$100,000 GIVEN CONDITIONALLY

Benefactor Gives \$100,000 to Start Fund If Durham Will Raise Similar Amount. Name Withheld

CAMPAIGN IN DURHAM OPENS TUES.

W. D. Carmichael is Chairman. Headquarters at Durham Y. M. C. A. in Charge of G. F. Warner. History of Movement

Definite plans to raise \$100,000 in Durham for James H. Southgate memorial building for women at Trinity College were launched on March 9 at a committee dinner held in the dining room of the Malbourne Hotel. This movement was launched prior to the war and the present drive which is being formulated by the supporters of the movement since it was originally launched. In view of the illness of Mr. K. O. Everett, chairman of the Southgate Memorial Association, Mr. W. D. Carmichael, a well-known business man of Durham, has been named active chairman of the committee.

The committee starts off with a conditional guarantee of \$100,000, and it has decided to launch this campaign in Durham to gain an additional \$100,000, after which the friends of the college in other states will be given an opportunity to contribute to the movement. The preliminary work to the campaign here in Durham is already under way, and if present plans are successful, preparations for the drive will be splendidly shaped Tuesday, March 23, when the formal opening of the campaign occurs. A big parade is being planned for next Tuesday in the city of Durham, and this is only one of the many plans that the committee has mapped out to gain for the movement the hearty support of the Durham people.

Headquarters for the campaign have been established at the Y. M. C. A. of the city, and Secretary G. Frank Warner will actively assist with keeping the records of the campaign efficiently. Chairman Carmichael has recently made public a list of his various committees. The list contains the names of many business men as well as a large number of women of the city of Durham who will help with the soliciting. It is the purpose of the executive in charge of preparations for the drive which will be conducted March 23 to 25 inclusive to make a whirlwind campaign. With such an excellent organization it seems that a woman's building for Trinity College is an assured reality of the near future.

Women students have been enjoying the educational advantages offered by the three-million dol-

EDITORIAL

Trinity College for Women will be a reality.

Did someone say "State Championship!" We got it in basketball—now watch us go after it in baseball.

Last Friday, it will be remembered, the rain descended in torrents just as it was time for chapel. Consequently only a handful of students were out. Facing nearly twenty men, the leader of the exercises gravely and solemnly announced the score would be *Oh for a Thousand Tongues to Sing*.

BASKETBALL CHAMPIONSHIP

We have won the state championship in basketball. The CHRONICLE wishes to take this opportunity to express what it believes to be the sentiment of the entire student body. We are very grateful to the men who have worked so hard and so consistently in bringing about our victories and claiming for Trinity the honor of state champion. Much credit is due the players. The men on the team have worked, and worked hard, pegging away at practice every afternoon for weeks and months. The records they have made will reflect honor on their names in the future. Especial credit is due to Coach Walter J. Rothinsies, who has fought against obstacles and in the face of apparently unsurmountable barriers to make the team and train it. He has been patient and diligent, and everlastingly on the job. Manager K. M. Brim is to be complimented, too, because of his efficiency in arranging schedules. In spite of the epidemic of influenza he was able to maintain and

rearrange our schedules so that we might win the coveted title.

The CHRONICLE is not astished to confine the credit to the team, or the coach, or the manager. Trinity students should come in for their share. The students have stood behind their team this season in a most whole-hearted manner. They have been ready when the time came to go with the team and stand behind it during the fight. Furthermore, to the students partly belongs the credit for Trinity's record in clean athletics. Trinity men have shown their stand for clean and fair athletics repeatedly, and their position fosters and encourages a spirit of fair play among the members of the team. The state championship is ours: we won it fairly, and we are justly proud of our achievement.

THE SOUTHGATE MEMORIAL

Before another year is over Trinity College will have a spacious building for women, which will be the nucleus for a co-ordinate woman's college here. The plans for the erection of a grand memorial to the memory of the late Mr. James H. Southgate in the form of a building for women is full of significance to Trinity. In the first place, we are glad to know that a permanent memorial is to be erected to Mr. Southgate, beloved by all who love Trinity. His noble life was one of service, and he was a true friend to Trinity. Nothing could be more appropriate than the placing of a memorial to him on Trinity campus.

In the second place, we feel that the plan to build a college for women is excellent. Trinity College has been and is primarily a college for men. Women students were admitted to the college many years ago. The men in Trinity College did not and would not object to the presence of the young women here. They are glad to have them make a part of the college. But with the growth of Trinity College as it has been for the past few years, and especially as it has been for the past year, and with the increased number of applications by men and women alike for another year, it was imperative that something be done. Dormitory space has been crowded, and the men naturally feel that they should have the dormitories that were erected for them. The growth of the college for a time threatened to mean that women must be excluded, but the plan for the Southgate Memorial furnishes a happy solution to the problem.

The part of the students in the campaign which is to be made in Durham for \$100,000 in order to secure the other \$100,000 that is offered conditionally, is to lend their utmost moral support to the cause. Perhaps we cannot be of more material assistance until we are called upon, but we can certainly express our appreciation of what is being done for us.

Parthenon Club Initiated Two New Members Wed.

The Parthenon Club held its regular mid-term initiation, March 10th, in the East Duke Building. After the initiates had gone through an hour of trying and amusing ordeals, refreshments were served. The initiates were: Misses Penelope Nichols, '22, and Lillian Parker, '21.

CHAMPIONSHIP IS OURS

(Continued from page one)

22, in favor of the Methodist quint. On January 24, Carolina defeated Trinity in the Angier Duke Gymnasium, making the first and only defeat of the season, the score being 36 to 25. January 26 Guilford College was played in the Angier Duke Gym-

COACH W. J. ROTHINSIES

nasium. The score at the end of this game was 36 to 15 in favor of the Methodists. On the night of March 1, Trinity met the University at Chapel Hill. In a fast and spectacular game, Carolina suffered defeat, losing by the score of 19 to 15. The last game of the season was played March 12 in Raleigh, where the strong Tech team was defeated by the Methodists, the score being 25 to 24. The State College played 11 games in this state, losing 3. The University played 8 games in this state, losing 3. Trinity played 8 college games in the state, losing 1. This record made by Trinity gives the college the undisputable right to the North Carolina collegiate championship.

This has been a successful season for the Methodists. With the exception of one man, Richardson, (center) the personnel of the team has been composed of letter men. Martin and Ferrell, who were members of the 1917 state championship squad, played in their usual excellent form this season. Martin, running guard, scored 62 points from the floor, at the same time holding his opponents to 32 points, playing in 10 games in this state. He also has to his credit 63 foul points. Ferrell, playing in 10 games in the state, scored 36 points, while his opponents scored only 16 points. Hathaway (guard) played in 10 games in the state, held his opponents to 22 points, while he scored 18. Starling (forward) playing in 10 games in the state, scored 54 points, while his opposing guards have to their credit 20 points. Richardson (center) playing in 10 games in the state, has to his credit 12 points, while his opponents scored 42 points. Moore (substitute) playing in four games, scored 8 points, while his opponents scored 6. Cole, who has only played in two games, scored 8 points, while his opponents scored none. Giles (substitute) playing in two games, scored 2 points, while his oppo-

TRINITY COLLEGE

DURHAM, N. C.

A College of liberal arts with an established reputation for high standards, noble traditions, and progressive policies. Its large endowment fund makes possible its first-class equipment and large faculty of well trained and carefully chosen teachers. Student fees are low. Comfortable, inexpensive rooms in carefully supervised hygienic dormitories. Classical and scientific courses leading to bachelor's degree. Graduate courses in all departments. Schools of Engineering, Education, Law, and Student's Training Corps.

For catalogue and illustrated booklet, address.

R. L. FLOWERS,
Secretary to the Corporation.

Society Brand Clothes

Any man who has a cultivated discrimination of genuine style refinements will find his admiration aroused in these inordinately smart suits. The style features are noticeably distinctive; the fabrics attain the eminence of elegance and the tailoring is handled in so masterly a manner to insure absolute shape-permanence, grace in fit and drape and an unusually enduring service in wear.

BASEBALL SEASON BEGINS TUESDAY IN LENOIR GAME

CLUB IS BEING FAST WHIPPED
INTO SHAPE BY COACH DOAK.
WINNING TEAM EXPECTED

The opening game of the baseball season will be played Tuesday afternoon, March 23, at 3:30 on the Hanes field between Trinity and Lenoir College.

The line-up for the game has not been definitely decided upon, but the prospects have been reduced to the following form. One of the three first string pitchers will be on the mound, either Caviness, Carroll, or Brown. The first sack will be held by either Moore, Whitener, or Folger. The three claimants for the second are Neal, Minshew, and Chandler. Bill Towe will be on the job at short. J. D. Johnson will hold down the third sack and from all reports he shows up in splendid form. The two contestants for the home plate are Carson and Salmon. The outfield line-up is just as it was last season. Henry Cole will be in right; McArthur in center; and Hathaway in left. The men named above were selected Tuesday evening from the squad of twenty-nine. Practice heretofore has been on the old athletic field, as the Hanes field was being worked on. The Hanes field is now in splendid condition and practice will be held there hereafter.

The management announces that the young ladies and outsiders who wish to secure season tickets to the games to be played at Trinity can secure them for \$2.

Benjamin Franklin DeLoatch, ex '97, is teaching in Durham County.

HERPERIA ELECTS OFFICERS COLUMBIA HAS ONLY DEBATE

Herperia Elects Officers for Last Quarter. Both Societies Cut Short for Show at Academy

HERPERIA

At the regular meeting of the Herperian Literary Society Saturday evening, officers for the next term were elected. On account of a special show at the Academy of Music the program was postponed. The officers elected are as follows: H. K. King, president; G. T. McArthur, vice-president; L. B. Hathaway, secretary; E. W. Finch, chairman of executive committee; H. E. Fisher, auditor; T. R. Waggoner, marshal, and M. A. Braswell, critic.

COLUMBIA

On account of the show at the Academy of Music, the Columbian Literary Society eliminated all of its program except the debate. The query for the evening was: *Resolved*, That legislation should be enacted providing for compulsory arbitration of disputes between employees of public service corporations. The affirmative was defended by Henry Belk, W. H. Landon, and M. T. Tuttle. The negative was upheld by W. J. Miller, Hugh Lefler, and G. G. Adams. The affirmative won the decision.

The spring meeting of the Crowell Scientific Society will be held early in April. The society will admit to its membership all members of the Chemistry, Biology, Physics, and Engineering Clubs, and will from time to time elect to its membership persons active in scientific work in North Carolina.

Installation of Phi Beta Kappa Will be on March 29

The date for the installation of the chapter of Phi Beta Kappa at Trinity College has been announced as Monday, March 29. Professor Paul Shorey, of the University of Chicago, will deliver the principal address as originally planned. Delegates have been appointed to attend the installation from the chapters at the University of North Carolina, Johns Hopkins University, Washington and Lee University, Vanderbilt University, William and Mary College, and Randolph-Macon Women's College.

South Atlantic Publishing Company Elects Officers

The stockholders of the South Atlantic Publishing Company met on Thursday afternoon, March 11, in the Economics room in the East Duke Building. Reports were received from the officers of the company, and the following new officers were elected: Prof. R. L. Flowers, president; Prof. A. M. Webb, vice-president; Dr. W. K. Boyd, secretary; Mr. D. W. Newsom, treasurer. The following were elected members of the Board of Directors: Pres. W. P. Few, Prof. R. L. Flowers, Dr. W. H. Glasson, Dr. W. H. Wannamaker, and Mr. D. W. Newsom. The principal change made in the organization of the company was the resignation of Dr. F. C. Brown, who has served for many years as treasurer. The company voted its appreciation of the services rendered by Dr. Brown. Mr. D. W. Newsom will undertake the duties of the future business management of the Quarterly.

MR. R. G. ADAMS SPEAKS TO HISTORICAL SOCIETY

"British Imperial Problems of the Eighteenth Century," Subject of Splendid Address

One of the most interesting and instructive meetings of the Historical Society for this year was held Monday evening, when Mr. R. G. Adams, of the University of Pennsylvania, addressed a large number of its members and visitors on "British Imperial Problems of the Eighteenth Century." Mr. Adams, who is splendidly prepared to lead discussions on historical and economics questions, told something of the complexity of the situation before the English government in its relation to the American colonies. He explained that there was the matter of Colonial Dependency, defeated by the colonies; Imperial Federation considered impracticable; and the Commonwealth of Nations, of which the present proposed League of Nations is a development. The real problem, briefly stated, was the preservation of the national equality of the states; to keep them from warring against each other; and, in this way, to preserve the British Empire.

Prof. H. E. Spence, head of the department of religious education, spent Sunday in Aberdeen, N. C., where he supplied in the pulpit of the First Methodist Church for two services.

Rev. James Cannon, III, instructor in the Biblical department, has returned to the college from Charlotte, where he attended a ministerial conference.

THE SCIENCE CLUB MEETS AND ADOPTS A NEW NAME

The New Name of the Society Will Be "The Crowell Scientific Society." Lively Meeting

The Science Club met in the Physics class-room Monday afternoon and reorganized as the Crowell Scientific Society. The society was named in honor of Dr. John F. Crowell, a former president of Trinity College. Dr. Crowell has donated more than any other one man for the development of scientific education in North Carolina. As president of Trinity College, he developed modern laboratories here and brought in thoroughly prepared instructors from Cornell University, Clark University and elsewhere. He donated the Crowell Science Hall, one of the original buildings when the college was moved to Durham, and he always had a lively interest in all matters pertaining to the college.

The Society was organized and plans made for promoting the scientific interest of the college and the state. The election of officers was postponed until a later date in order to have a more representative meeting.

At the meeting of the Classical Club Thursday evening a short business session was held and D. W. Kanoy read a paper on "Maecenas and Mesalla Circles." Kanoy's paper was very interesting and instructive. He showed the standing of both Maecenas and Mesalla in the Roman government under Augustus, and how they influenced and helped literary men. A very interesting general discussion followed the reading of the paper.

INITIAL APPEARANCE OF GLEE CLUB MONDAY

A WIDE VARIETY OF MUSICAL
NUMBERS FROM EXCELLENT
PROGRAM

MANDOLIN CLUB AND ORCHESTRA

Professor Roy, Leader of Orchestra,
Will Render Selections. Num-
bers Are Both Humorous
and Classical

The Trinity College Glee Club will make its appearance at home in the Craven Memorial Hall next Monday night, March 22. The program carries a wide assortment of musical numbers, and promises to be one of the best ever given by a Trinity club. Director Howerton and Manager Draper have been working with the men for months, the practice being carried on much longer than expected because of the epidemic of influenza which broke into the plans. They have arranged a number of splendid musical parts, and it is incumbent upon every student to hear the club Monday night. Prof. R. D. Roy, of the music department of the Greensboro College for Women, has taken first violin in the orchestra and has been practicing it for some time, and according to reports he has developed a fine orchestra.

The initial performance of the Glee Club will be made Thursday night in Duke, where an engagement was made by W. A. Erwin, of this city. Recitals will be given also in Greensboro on March 24, at Greensboro College for Women, and at other towns and colleges in the state, the dates for which are pending.

Trinity has not had a Glee Club for three years, and the efforts of the men in charge have been to put out one this year that would be a credit to the institution, and according to those who have heard the practices, the men have succeeded. The CHRONICLE urges all students to support the club in its performance here.

Physics Club Heard Talk by Professor Hatley Friday

Last Friday evening at the regular meeting of the Physics Club, Professor Hatley gave an informal talk on the Audion tube and the wireless telephone. The greater part of the lecture was devoted to a discussion of the Audion tube and its theory and development. The speaker showed that the tube makes use of the electro-athery of matter, and explained its operation on this theory. He gave an account of some experiences with the tube that he was acquainted with and which showed the wonderful development of the use of the Audion tube since 1914. The purpose of the tube in all cases is to amplify electric currents, and by its use the faint waves of the wireless telephone are amplified to such an extent that long-range wireless telephone operation is now possible. Professor Hatley also stated that the Audion tube was now being used in wireless telegraphy and that its use had greatly increased the range of wireless outfits. Land telephone systems are also making use of the tube as re-lays to amplify the currents over long-distance lines.

Marvin Armstead Crane, ex '19, is with the U. S. Savings Bank at Bessemer, Ala., and is also drawing cartoons for the Birmingham News, the largest newspaper published in Birmingham.

CHAMPIONSHIP IS OURS

(Continued from Page 2)

nent scored 8. Carver (substitute) played in 2 games, scoring 2 points. Saunders (substitute) played in 1 game, scoring nothing. The total points made by the players are 261, while the total points made by the opponents are 148.

Much credit is due to the men, Giles, Carver, Saunders, Neal, Jeffries, Moore, Pennington, and Barrott, who have been working hard each afternoon for the past four months contributing their share to the building up of the strong team which has so successfully represented the college this

MANAGER K. W. BRIM

season. Although these men did not make places on the varsity this season, they have shown their willingness to work and as a result stand good chances for places later on.

It is well known that much credit is due to Walter J. Rothensies, who for the past season has shown his ability as a coach in training the championship team. He knows basketball, having played at Princeton University, and served as coach in the 321st regiment of the 81st division, when this regiment won the regimental championship. The college was indeed fortunate in securing the services of so competent a man.

Manager Brim is also due much credit for his work as manager of the team. In the first place he should receive credit for the splendid schedule which he arranged at the beginning of the season. The epidemic of influenza had much to do with the disarrangement of the schedule during the very heart of the season. Games with the colleges in this state, with few exceptions, had to be rearranged. This called for more work on the part of the manager, which he did with satisfaction to all concerned.

The Trinity College championship basketball team was entertained Tuesday night at 9:00 o'clock at a delightful banquet given by the proprietors of the Good Shop Cafe. The banquet was a feast of the celebration as a result of the winning of the state championship.

Captain L. B. Hathaway acted as toastmaster for the occasion. Each member of the team responded to toasts.

At the banquet George B. Starling was elected captain for

ANNUAL ELECTION OF Y. M. C. A. OFFICERS

OFFICERS CHOSEN FOR YEAR OF
1920-1921 ACCORDING TO
REGULAR CUSTOM

PARHAM ELECTED PRESIDENT

Committees Announced by New President, and Plans are Being Formulated for Carrying on Work Next Year

Following instructions from national headquarters, President J. E. Gilbreath called a meeting of the Y. M. C. A. last Wednesday evening to hold the annual election of officers for the coming scholastic year. The election is held early in the spring in order that the newly elected officers may be sent to an officers' training school sometime in April. The following officers for 1920-21 were elected:

R. A. Parham, president, Oxford, N. C.; W. N. Vaughan, Rich Square, N. C.; T. C. Kirkman, secretary, High Point, N. C.; Leroy Lulin, treasurer, Charlotte, N. C.

Parham has announced the following committees for the coming year:

Reception—J. W. Hathecock, chairman, H. P. Cole, and Henry Belk. Membership—W. C. Merritt, chairman, H. O. Woltz, C. B. Houck, and W. A. Ellison. Program—L. B. Hathaway, chairman, J. G. Pennington, W. L. Pennington, W. L. Pegues, and Professors H. E. Spence and James Cannon, III. Voluntary Bible Study—G. G. Adams, chairman, G. G. Whitehurst, G. D. Harmon, and W. H. Lander. Music—J. G. Leyburn, chairman, R. A. Moore, W. W. Turrentine, and G. D. Rackley. Finance—H. E. Fisher, chairman, B. B. Harrison, C. E. Summers, and J. L. Jackson. Mission Study—T. A. Morse, chairman, Paul Gibbs, D. T. Miller, J. E. Bridges, and Professors Spence and Cannon.

Social Service Worker Will Lecture Tuesday

Dr. Edward T. Devine, one of the leaders in the social work in America, is announced to lecture at Trinity on Tuesday night, March 23. Dr. Devine was director of the New York School of Philanthropy from 1904 to 1907 and from 1912 to 1917, and professor of Social Economy in Columbia University from 1905 to 1919. He was special representative of the Red Cross in San Francisco at the time of the fire and earthquake, and also at Dayton, Ohio, after the flood. During the Great War, Dr. Devine was a special agent of the American Embassy at Petrograd in 1916 and Chief of the Bureau of Refugees and Relief of the American Red Cross at Paris in 1917-1918. He is the Associate Editor of the *Survey*. The lecture at Trinity will probably be on the "Future of Social Work in America."

Bill Phelps, ex-'22, visited friends on the campus Sunday.

the 1921 season.

Those present were: Captain L. B. Hathaway, L. K. Martin, W. L. Ferrell, G. B. Starling, Oscar Richardson, H. P. Cole, L. W. Saunders, T. G. Neal, Harmon Moore, R. T. Giles, W. S. Carver, Coach Walter J. Rothensies, Cavinness Brown, and Manager K. M. Brim.

CAPTAIN L. B. HATHAWAY
TRINITY DEFEATS A. AND E.
(Continued from Page 1)

Groome, Park, and Cline performed best for the State College and played the biggest part in the passing. Groome contributed the best offensive ball, while Park was the best defensive player. The latter player did most in breaking up Trinity's passing.

The line-up:

Trinity	State College
Ferrell	Deal
	right forward
Cole	Ripple
	left forward
Richardson	Groome
	center
Hathaway	Cline
	right guard
Martin	Park
	left guard

Summary: Field Goals—Martin, 5; Ferrell, 3; Cole 1; Starling, 1; Deal, 2; Ripple, 1; Groome, 4. Foul Goals—Martin, 5 out of 11; Cline, 10 out of 17. Substitutions—Cole for Hathaway, Starling for Cole, Williams for Ripple. (Ripple and Hathaway removed for four personal fouls.) Referee—"Chick" Doak. Time of Halves—20 minutes.

Pi Kappa Phi Held Annual Initiation Last Wednesday

The annual initiation of Phi Kappa Phi fraternity was held on Wednesday, March 10, in the West Duke Building. One man was initiated at this time, C. C. Cornwell, Jr., '21, of Dallas.

Miss Margie White, '22, was called to her home in Marion, last Friday on account of the illness of her father.

THREE GIRLS INITIATED BY EKO-L LAST THURSDAY

Following the Initiation Ceremony, Banquet Was Given at the Malbourne Hotel

On Thursday afternoon the Eko-L, women's scholarship sorority, initiated into the secrets of their organization three new members: Misses Mary Louise Manning, Maude Nicholson, and Lafon Royster. After an hour's fun and amusement at the expense of the initiates, the old members welcomed the new members into full connection with the usual ceremonial rites.

Thursday evening from 9 to 11 o'clock the Eko-L entertained the new members at a banquet in the private dining room of the Malbourne Hotel. Covers were laid for sixteen. The sorority flower, the yellow jonquil, was used as decoration for the table, a large bouquet gracing the center and hand painted place cards at each cover. The president, Miss Florence Shuman was toastmistress, and her wit helped to make the affair highly entertaining. There were several speeches during the course, from both old and new members. Miss Lucile Bullard, who is an alumnae member of the Eko-L, spoke of the history of the society, and Miss Mary Blair Maury gave hopeful leap year advice. Miss Ethel Murry, another alumnae guest, told the members something of the joy of teaching.

T. P. S. BASKETEERS SUCCESSFUL ON TRIP

WON THREE GAMES OUT OF FOUR
AND LOST FOURTH BY VERY
NARROW MARGIN

The Park School basketball team last week made a very successful tour through the eastern part of the state, when it played Washington Collegiate Institute, Vanceboro Farm Life School, New Bern High School, and Smithfield Athletic Association, winning from all of them except the latter, with a high score. One notable feature of the trip was that the team held one school to a complete shut-out.

WASHINGTON COLLEGIATE INSTITUTE
With a handicap of a poorly lighted warehouse and low rafters the Park School won its first game on the trip by a score of 42 to 5. The Park boys played a consistent game the whole way through.

VANCEBORO FARM LIFE SCHOOL
In a fast game the Park School won from Vanceboro Wednesday night by a score of 71 to 15. Although the score indicates a walk away, the game was hard fought. The opposing team guarded closely, but seemed unable to guard when the time came for throwing a goal.

NEW BERN
This was the hardest fought game of any school on the trip. The final score was 45 to 21. Willis, for New Bern, led in scoring, making 7 safeties from the field. Simpson, Crute, and Ormond each made six for the Park boys.

SMITHFIELD
A broken down team, two casuals, a knock out, and a Wake Forest referee contributed to the defeat of the week by a score of 17 to 15. Simpson, the star right forward for the Park School, was knocked out in the first half by a sprained ankle. From then on the team played their best, but were unable to pile up a score as they had been doing in the other games.

PLAN WOMEN'S COLLEGE (Continued from page one)

lar plant of Trinity College since 1874 and their numbers steadily increased since that time in such large proportions that the college authorities have decided that some adequate accommodations must be provided for them. It is because of this fact that Trinity is planning to erect a noble edifice here that will do honor to one of her loyal supporters, the late Mr. J. H. Southgate. This gentleman was at the time of his death the chairman of the board of trustees, and he had been for a long time one of the most ardent champions of higher education for women. Thus the building will provide a permanent memorial to his memory and also carry out one of his strongest beliefs, even after his death. A quite convincing proof of the belief of Mr. Southgate in higher education of women has recently come to light on the campus. Mr. Southgate was the first man to be approached for a subscription to the college for women at Trinity when the plan to erect such a building was outlined a few years ago. In his usual courteous and encouraging way he made a liberal contribution, and now the citizens of Durham are going to erect this his memorial building to do honor to the memory of this noble fellow citizen.

Sometimes

We love to touch the human side of folks. After all money making is not all there is in business, leastwise not with

THE FIRST NATIONAL BANK

THE MAN behind the dollar interests us.

THE FIRST NATIONAL BANK

wants the public to consider it as a MAN MAKER, as well as a MONEY MAKER. Every bank owes the other fellow something. There is but 100 cents in a Dollar, but there is the word of encouragement, the human touch that will help lift the burden. Many a poor fellow is hungry for a word of sympathy, "the hello, hooray Bill, we are betting on you" spirit that makes

THE FIRST NATIONAL BANK

a MAN MAKER as well as a MONEY MAKER.

Dan Henderson interpreted the thoughts and plans of

THE FIRST NATIONAL BANK

When he sang:

Weave for the world the flag of man!
Finish the fabric our sires began!
Out of our lives shall the thread be spun!
Out of our veins shall the color run!
Out of our deed shall rise its lustre!
Out of our dreams its stars shall cluster!
Wide as the heavens spin the span
Of freedom's fabric—the flag of man!

HATS OFF!
