GUILFORD GAME

In a game marked by ragged fielding on the part of the visitors Trinity swamped Guilford on the Hanes Athletic field Wednesday, March 31, by the score of 10 to 1.

Carroll pitched shut-out ball for the first eight innings, allowing only two hits out of twenty-four men facing him. In the ninth, Coach Doak substituted the entire second team for the varsity, with the exception of the third baseman. Caviness replaced Carroll in the ninth, and showed up well. Guilford scored her only run in this frame by an error, a wild throw, and a hit.

For Guilford, two spectacular catches by Marlette and Strout were the features. Captain Bill Towe made a wonderful catch of Marlette's fly in the seventh. Two snappy double plays made by Trinity helped to put pep into the game. The batting of Hathaway and Johnson featured. Score by innings:

WAKE FOREST

April 3d, Trinity defeated her ancient rival, Wake Forest, by the score of 4 to 1. The game was full of enthusiasm and ginger.

Carroll was on the mound for the Methodists, and was almost invincible, allowing only three scattered hits, and striking out seven men.

Trinity shoved her first man across the plate in the first inning, when McArthur singled, took second when Boylin threw wild to first to catch him off the base, then took third when C. Boylin missed Towe's third strike, and then scored on Salmon's hit. Wake Forest tied the score in the second on a triple by Johnson and a sacrifice fly by Ragsdale. The Methodists took the lead in the third by two singles, a stolen base and an error, and held it throughout the game. Another run was scored in the ninth by two singles and a stolen base.

HON. R. N. PAGE SPEAKS TO TRINITY STUDENTS IN INTEREST OF CANDIDACY

"BUSINESS MAN FOR GOVERNOR" CANDIDATE PLEASES LARGE AUDIENCE HERE

Hon. R. N. Page, candidate for the democratic nomination for governor, addressed a fairly large representative gathering of the students in Craven Memorial Hall under the auspices of the Page-for-Governor Club last Friday evening. The assembly of students was called to order by C. H. Brown, president of the club, and President W. P. Few in a few brief remarks presented Mr. Page to the audience. Mr. Brown made a brief speech relative to the local club by way of opening.

The speaker stated that he was not a candidate merely for personal ambition, but because the time had arrived in North Carolina for the application of business principles to the government of the state. Among other matters, Mr. Page stated that he was in favor of the democratic platform, compulsory education, the revaluation act, good roads and a few reconstruction problems. In the latter portion of his speech, Mr. Page explained his record as a congressman, stating that all of his votes on loyalty to the administration before the war are now on record.

Since the appearance of Mr. Page, his candidacy has made very marked progress. The Page club now numbers about 250 members, all of whom are giving their support to his campaign in the city. The Gardner club announces that their candidate, O. Max Gardner, the present lieutenant-governor, will speak here during the present term if his manager can make the necessary arrangements for the date.

Preliminaries to Tennis Tournament Begin Today

The preliminaries to the class tennis tournament, which is an annual event of much interest at Trinity, begin this afternoon, and will continue the rest of the week. A large number of names has been turned in, and as soon as the men have been selected, the final tournament will take place. Manager R. L. Thornton has arranged and posted the schedule for the players, and he is anxious that every contestant be ready to play at the appointed time. The large banner which is presented to the winner by the athletic association has been ordered and is expected within a few days.

B. H. Siler, '15, is in the Real Estate and Insurance business in Atlanta. He is located at 213 Chandler building.

MISSIONARY CAMPAIGN TO BE LAUNCHED HERE

RELIGIOUS ORGANIZATIONS ON THE CAMPUS JOIN IN MISSIONARY SPECIAL

\$1000 IS GOAL SET FOR YEAR

Campaign Will Formally Be Launched Before Student Mass Meeting On Tuesday Night—Part of Vol-unter Movement

Through the co-operation of a number of student organizations, a project is being launched this week for the raising of a Missionary Special among the members of the college community. Co-operating in this work are all the religious organizations of the college, the Y. M. C. A., Y. W. C. A., Student Volunteer Band, and Ministerial Band. These are acting under the auspices of the Greater Trinity Club, whose president has called a student mass meeting on Tuesday night of next week. At this meeting details of the project will be explained.

This committee, at a meeting held Monday night, decided to recommend to the student body the raising of a nominal sum as the beginning of a definite Trinity mission work in an effort to "put Trinity on the map" in a nationwide student movement and supported by the colleges and universities of North America. Members of each college class have been asked to present the matter of this fund to their respective conferences on Saturday, so that the mass meeting on (Continued on page four)

HISTORICAL SOCIETY HEARS DR. LAPRADE GIVE LECTURE

Professor of History Discusses The New German Constitution. Society Joins I. I. R.

At the regular meeting of the Historical Society Monday evening Dr. W. T. Laprade lectured on the "New German Constitution," and Dr. Hamilton, of the University of North Carolina, discussed the importance of having at Trinity College an organization of the Institute of International Relations.

In beginning his lecture, Dr. Laprade reminded his audience that our constitution worked out very differently from what it many particulars was intended by the framers. He was of the opinion that this would also be true of the German constitution. The speaker contrasted the preamble of our constitution with that of Germany, and stressed the fact that our national document was an eighteenth century product while Germany is a product of the twentieth century. The speaker discussed the power that the German constitution gives to the national government and the power that is left to the states. He also discussed the departments of the government and their relation to each other.

The matter of affiliating the Historical Society at Trinity with the Institute rather than have two separate organizations devoted to history was discussed.

ALUMNI SECRETARY TO RUSH GYMNASIUM PLAN

ALUMNI COUNCIL REORGANIZED ON NEW BASIS AND WORK UNDERTAKEN

GYMNASIUM IS STRESSED NOW

Council Has Definite and Far Reaching Plans for Good of College. B. W. Barnard, '15, Elected Alumni Secretary

At a meeting of the Alumni Council of Trinity College, held here Saturday, April 10, there was launched a definite campaign to complete the securing of funds to erect the proposed Memorial Gymnasium which is to be built within the near future in memory of the men who gave their lives in the Great War. Plans have been drawn for this magnificent structure; and a large sum of money has already been pledged, but the Council decided that a strenuous effort should be made to complete the campaign at once. It was agreed that the first two weeks of May should be the date for the securing of the remainder of the subscriptions necessary. Scores of the Alumni will be pressed into service at that time and an attempt made to close up the work within the first two weeks of the month.

B. W. Barnard, assistant professor of economics was elected as alumni secretary, and it will be under his immediate supervision that the campaign will be conducted. He will begin immediately to organize the alumni and lay definite plans for the work.

The members of the council present at this meeting were: M. E. Newsom, Durham; J. H. Separk, Gastonia; R. A. Mayer, Charlotte; Rev. H. M. North, Rockingham; Rev. W. W. Peele, Raleigh; Rev. J. M. Daniel, Dunn; and Willis Smith, of Raleigh. Meeting with these were: President W. P. Few, R. L. Flowers, representing the faculty; and Professor H. R. Spence, Chairman of the executive committee of the Alumni.

Gymnasium Class Performs at Society Circus Friday

Trinity's gymnasium team, composed of H. K. King, R. L. Thornton, and T. A. Morse, accompanied by Director Card, represented the college last Friday in the "society circus" held in the city auditorium in Raleigh. The men performed stunts on the "horse," and gave a very creditable exhibition, although they were greatly handicapped because of the lack of proper gymnasium facilities.

The circus was given under the auspices of the Shrine Club, and was proclaimed a success in every particular. Meredith, State College, Wake, Forest, and Carolina, each had a large number of representatives present.

Rev. B. B. Starling, of Littleton, was on the campus this week.

TRINITY LOSES TRACK MEET TO U. N. C. TEAM

SCORE WAS CLOSE, CAROLINA MAKING WINNING POINTS IN SECOND PLACES

METHODISTS NOT IN CONDITION

Easter Holidays Broke Into Training and Prevented Men From Doing Their Best Work. Weather Conditions Bad

In the first meet of the season, the Trinity track team was out-pointed by the team representing Carolina on Hanes field on Tuesday afternoon, April 6, by the close score of 70 to 56. Although the day was clear, it was far from ideal for a track meet, because of the cold wind. The local team was rather ill prepared for the event. Although the men had been put through stiff practice by Coach Huff and Captain Loftin, the irregularity occasioned by the holidays at home had thrown them out of condition.

The meet was close throughout, the outcome being in doubt almost to the last event. Trinity led off by winning first place in the first three events, allowing Carolina second and third in each of these events. Barnhardt, for Trinity, surprised everyone by the ease with which he won the 100-yard dash, Carolina taking second and third places. Lewis, of Trinity, was an easy winner in the 880-yard run, his form and easy stride clearly outclassing the Carolina men who won second and third. Powell, for Trinity, was an easy winner on the mile, his time of 4:47 2-5 being only 4 2-5 seconds slower than the state record held by Smathers. Trinity lost the fourth event, the high jump, tying for second place, however. The Harrison brothers cleaned up on high hurdles, taking first and third places. Trinity's first serious loss came with the beginning of the weight events, when Carolina men took first and second places in the shot put, Nichols of Carolina winning the event. Of all the events staged the 440-yard dash was the most disastrous, Carolina capturing all three places, Harden winning in the remarkable time of 51 4-5 seconds. Trinity came back with a first place when Barnhardt cleaned up on the 220-yard dash. The Harrison brothers made another clean-up with the 220-low hurdles, exchanging the first and third positions they obtained in the 100-high hurdles a few minutes previous. T. F. Moore walked away with the discus throw, beating Nichols and Norris, the Carolina heavyweights, by several feet. Wynne, of Carolina, won the two-mile, much to the surprise of Trinity and Carolina enthusiasts. Loftin ran him a close race, but allowed him such a lead in the early stages of the race that it was impossible to overcome it before the end. Second and third places were the best Trinity could do in the broad jump, as (Continued on page four)

EDITORIAL

One down and seven to go on the last lap of the current year.

Virginia seems to possess a jinx for our athletic teams.

Wake Forest went down in defeat. Now watch us go through State College and Carolina.

Mr. Page is in the lead here, apparently. The supporters of Mr. Gardner and Mr. Morrison had better get busy and arrange for their candidates to speak.

Alarm clocks in chapel are a new innovation. We might suggest other locations for Big Bens,—let us say Saturday class meetings, Philosophy classes, and R. O. T. C. lectures.

The question of women's rights is a live issue. We do not care to announce a policy one way or another just now, but when the women demand representation on the alumni council, then is when we check out.

One of the Trinity students at Aida at the Academy of Music Saturday night asked a fellow student, "What is the idea of all this gibberish, anyway? Is that big greaser supposed to be in love with the corporal of the guard?" He must have come here from Wake Forest.

MISSIONARY SPECIAL

There comes before the students this week a campaign to raise a Missionary Special, a fund of \$1,000, for Trinity's part in foreign missions. This movement, which has the co-operation of all the organizations on the park, and which is led by the Student Volunteer Band in con-

nection with the other religious organizations, is deserving of the consideration of every Trinity student.

The Student Volunteer Movement is a nation-wide thing, calling into active support the largest colleges and universities of the country, and demanding the attention of the entire citizenship. Thus far Trinity has not come up to her part in this great movement. Our delegation at the Des Moines conference is taking the lead, and Trinity students are urged to give attention and consideration to the plans outlined by them.

ALUMNI COUNCIL

There is great significance attached to the organization this week of an Alumni Council. Trinity has needed an active organization of this nature for years. The immediate purpose of the council will be to further and complete the gymnasium plan, and get work started at once on the construction of the memorial. Its ultimate and lasting work will be the organization of the alumni generally, in order that definite results may be obtained in the interest of Greater Trinity. It is planned to organize local alumni associations in every town in the state where there are Trinity graduates, which will be supplied with accounts of the accomplishments and the needs of the college. The Alumni Council is part of the firm foundation upon which the superstructure of Greater Trinity can be built.

OVERALLS AND THE H. C. L.

The movement among business men, professional men, and students to don overalls as a protest against the H. C. L. of clothes is gaining impetus. When suits cost from \$75 to \$150, it is high time that something were done as a protest against profiteering. Considerable discussion has been circulating on the Park in the past few days concerning the organization of an overall league at Trinity. Many students and members of the faculty have signed their willingness to enter into this proposition and wear denims about their regular work.

The CHRONICLE heartily favors the adoption of a scheme by which students will join the protesting movement. But every student should take the matter seriously, if he considers it at all, and let us not rush headlong into it as a fad to get rid of considerable superfluous pocket change and accomplish nothing.

AN APPEAL

The undersigned committee has been appointed by the heads of student organizations to conduct a campaign for the raising of a Trinity Mission Special. To be subscribed and paid during the present academic year. The canvass for contributions will open with a mass meeting on next Tuesday night, held in the Y. M. C. A. Hall at 7:30 o'clock. We request your presence at this meeting and your co-operation in the campaign. We hope to raise \$1,500 by the close of next week, all contributions to be made either in cash or in pledges due May 15th. The funds so raised will be used in support of foreign missionary work. Our college has not been represented in this work in the past and we believe

we truly represent the student body in saying that we desire a worthy representation in the first year of our work. Your co-operation is wanted. Will you give it?

Notice is hereby given to the Chronicle Board that the issue of the CHRONICLE for the next week, April 21, will be under the supervision of C. H. Moser, while that of April 28 will be edited by R. A. Parham. The regular technical work of the paper will be done by these men, who are associate editors at the present, and who are in line for the editorship next year. The Board is asked to give each paper its careful consideration, and to be preparing itself for the selection of next year's editor, which will take place early in May.

BASEBALL

was a main feature in the game. A spectacular stop by Ellis and a wonderful catch by Jennette featured for Wake Forest. Carson caught his usual snappy game and contributed two hits for Trinity. Neal and McArthur featured with the wagon-tongue, each getting three and two hits respectively, while McArthur thrilled the crowd with a miraculous shoe-straining catch in the eighth.

DURHAM "BULLS"

A very costly error by White-ner after two had been retired paved the way for three runs for the "Bulls" Monday, April 5, and cost Trinity her first game of the season, by a score of 5 to 3.

The Methodists got away with three runs in the lead, but the "Bulls" finally nosed out in the fifth on two singles, a double and a stolen base.

Caviness, who worked for the first five innings, was hit hard, but he showed his old time form. Brown succeeded Caviness in the sixth and had his opponents at his mercy, holding them hitless and striking out four men.

For Trinity, the batting of Hathaway and the wonderful running catch by Cole were features.

VIRGINIA TECH

Staging a hair-raising ninth inning rally, Virginia Tech defeated Trinity at Blacksburg, April 7, by the score of 6 to 5. The game was considered the most exciting game ever played on the V. P. I. lot.

BASEBALL

(Continued from page two)

At the beginning of the eighth
inning the score stood at 5 to 3
in favor of the Methodists, but
Bernier used fair judgment in
selecting Shaner and McGinnis
as pinch hitters and won the
battle. Both of these men on
bases, making the score a tie.
Trinity was blanked in the
ninth.

Brown got a bad start and
allowed Tech to accumulate three
counters on a brace of bases on
balls, and a muffed fly, so it has
been stated. After this he
pitched air-tight ball and held
the Techs to a single hit until
the fatal eighth.

WASHINGTON AND LEE

Trinity defeated Washington
and Lee April 9 by the score of
4 to 1. The game was the best
that has been played on the
Washington and Lee diamond
this season. Both teams played
good ball. Caviness was in
good form and allowed only two
hits. Towse featured at the bat,
getting two singles and a double.

VIRGINIA MILITARY INSTITUTE

Virginia Military Institute de-
feated Trinity 5 to 2 at Lexing-
ton, April 10. Brown and
Carroll pitched good ball for
Trinity, but several errors be-
hind them caused Trinity to
lose the game. V. M. I. played
a steady game, giving good sup-
port to their pitcher who allowed
seven hits.

RANDOLPH-MACON

Returning to its old stride
Tuesday, the Methodist team
defeated Randolph-Macon College
in Richmond by 4 to 0. Cavi-
ness pitched a good game for
Trinity and allowed only one
hit. Davis, pitching for Ran-

and was given good support.

CALHOUN SOCIETY DEFEATS GRADY IN DEBATE CONTEST

Calhoun Takes Fifth Consecutive Victory from Old Rival. Other Park School Notes

C. F. Lewis and E. E. Snow, representing the Calhoun Literary Society, defeated C. B. Deane and H. P. Powell, representing the Grady Literary Society, in the annual inter-society debate, which was held in the Craven Memorial Hall Saturday evening, April 10. The Calhoun society upheld the negative side of the question, *Resolved*, That the United States should adopt a policy of further material restriction of immigration. This is the fifth consecutive year that the inter-society contest has been won by the Calhoun society.

MISSIONARY CAMPAIGN

TO BE LAUNCHED HERE

(Continued from page one)

next Tuesday may be prepared to act intelligently on the question. All three of the college literary societies will debate this question in one form or another at their next meetings, and orations also will be given on the subject.

There are now in the college ten students who are preparing for work in mission fields,—the largest number the college has ever had. In addition there are more foreign students registered in Trinity College this year than in all other institutions in the state combined. A member of the class of 1918, Rev. I. L. Shaver, has entered on his work in Japan quite recently. J. W. Fitzgerald, of the present Senior class, has already been appointed to a mission field in Cuba.

In participating in this way in missionary work, Trinity students will be doing what practically every large institution in the country now does. While no obligations for the future are entailed by the present campaign for \$1,000, it is hoped that a missionary contribution of considerable proportions will hereafter be a part of each year's work. The present sum is to be raised and paid during the present college year, and all pledges made will be due May 15, in cases where it is not convenient for them to be paid in cash.

R. A. Parham was elected treasurer of the campaign fund by the committee in charge. While every person approached should feel free to contribute as much or as little as individual inclination and ability may direct, the committee has set the sum of \$1,000 as representing an average contribution of \$2 from 500 persons.

well as in the javelin throw, Nichols winning for the Hill boys by five feet. Both Nichols and Jeffries, who won second place, broke the existing state record in that event. The final event, the pole vault, went to Carolina, with Trinity again obtaining second and third places.

Nichols was the highest individual scorer, securing 15 of Carolina's 70 points. Barnhardt was second, winning ten of the points secured by Trinity. Barnhart, Lewis, Powell and Moore are new men who obtained first places, thus entitling them to a letter. The old letter men failed to show up in as good form as was expected.

wants the public to consider it as a MAN MAKER, as well as a MONEY MAKER. Every bank owes the other fellow something. There is but 100 cents in a Dollar, but there is the word of encouragement, the human touch that will help lift the burden. Many a poor fellow is hungry for a word of sympathy, "the hello, hooray Bill, we are betting on you" spirit that makes

When he sang:

Weave for the world the flag of man!
Finish the fabric our sires began!
Out of our lives shall the thread be spun!
Out of our veins shall the color run!
Out of our deed shall rise its lustre!
Out of our dreams its stars shall cluster!
Wide as the heavens spin the span
Of freedom's fabric—the flag of man!
