## TRINITY TAKES SLOW GAME FROM DAVIDSON

BOTH TEAMS DO CONSIDERABLE HITTING, BUT TRINITY DOES BEST

### ELON GAME LOST BY SCORE 9-1

Team Drops Match To Elon When Brown Was Knocked Out of the Box. Defeat Does Not Affect Championship Race

In a slow and rather loose game of baseball Tuesday at Guilford, Trinity defeated Guilford College by the score of 11 to 7. The game was also characterized by errors on the part of both teams.

Trinity scored two runs in the first inning, when Towe walked; Salmon hit a triple out to right field; Towe scored; Neal hit safe and Salmon scored.

In the second half of the first, Guilford put her scoring machine into action when Newlin was hit by the ball; next two men up made safe hits; Newlin scored; Stout struck out; Fox took first; Shore hit clean single, scoring two runs, making a total of three hits and three runs.

The features for Trinity were 3 base hits by Salmon, Towe, and Neal. Johnson secured three hits out of four trips to the plate.

Carroll pitched a splendid game of ball, striking out ten men to his opponents seven. He allowed seven hits to his opponents nine. Score by innings:

	R	H	E
Trinity.....	220	201	220—11 9 7
Guilford....	300	001	210—7 7 4

#### ELON

In a game characterized by errors, Elon College defeated Trinity at Elon Monday by the score of 9 to 1. The Elon team played an errorless game and placed twelve hits to their credit against five for Trinity. Brown, for Elon, hit one for a home run with two men on bases. Johnson and Fogleman for Elon played excellent ball for their team. Fogleman has three hits to his credit out of four trips to the plate and made several difficult catches in the outfield.

Ed Brown was hit by the Elonites to the extent that he was removed from the mound in the fifth inning, and Elon was unable to make more than one run during the remainder of the game while Caviness was holding the mound for the Trinity nine.

This defeat by Elon College does not mean that Trinity has been put out of the race for the State Championship. The games with Wake Forest, State College, and Carolina will decide the State Championship.

Score by innings:

	R	H	E
Trinity.....	1	5	3
Elon.....	9	12	0

C. C. Alexander, '19, who has been in Princeton Theological Seminary the past year, was in Durham today visiting friends on the campus before going to his home in Martin, Tennessee.

Miss Margie White, ex-'22, of Marion, is visiting friends at the Kilgo House this week.

## Virginia Freshmen Defeat Methodist Scrub Team Here

The Trinity second team was defeated by the University of Virginia freshman team in a game of baseball played on the Hanes field Saturday, May 1, by the score of seven to four. The Trinity team held the lead until the latter part of the game when Sanderson, the Trinity pitcher, weakened. He was replaced by Brown, of the varsity, but several costly errors enabled the old Dominion team to win the game. Although there was no star playing on either side, both teams played very good ball.

## TRINITY GLEE CLUB TAKES SUCCESSFUL TRIP THROUGH EASTERN NORTH CAROLINA

CLUB MAKES BIG HIT IN MANY TOWNS. RETURN ENGLAND. MEN'S SOUGHT

The Trinity College Glee Club, Mandolin Club, and Orchestra went on its annual Spring tour last week. The itinerary included the towns of Norlina, Rocky Mount, Mount Olive, and Kinston at each of which towns the club made a decided hit. This year's club set for its goal that of winning the reputation of being the best college club in the state and all of the members of the club feel that this name has been won for this year's organization. Several of the leading state papers, including the Greensboro Daily News and the Rocky Mount Evening Telegram, gave a rather detailed report of the club's concert and pronounced it to be the best in the state.

Every concert given on the eastern tour was a complete success. The selections of the male quartette and the mandolin club received the largest number of encores on the trip, but no number of the entire program was allowed to pass by in any town without at least one encore, most of the numbers receiving two or three and some receiving as high as six. The piano solo work of J. G. Leyburn was a feature of the

(Continued on page two)

## C. M. Ramsey Reads Paper Before Classical Club

At the regular meeting of the Classical Club Thursday evening C. M. Ramsey read a paper on "Roman Remains in Britain." The speaker illustrated his paper with pictures, which had a direct connection to what was discussed. This was one of the most interesting meetings that the club has had this year.

The official score in the track meet with State College was 51 to 64 for N. C. State, rather than 60½ to 35½ as given in the CHRONICLE last week. The correction shows that our defeat was by 13 points rather than 25.

Professor Hornaday delivered the commencement address at the closing of the Holly Springs school last Monday.

## TRINITY WINS SECOND PLACE IN STATE MEET

TRINITY TAKES SECOND PLACE FROM STATE COLLEGE BY 1-2 POINT MARGIN

### TWO EVENTS TAKEN BY TEAM

Two First Places in Mile Run and High Jump Taken by Powell and Cole. Interesting Meet

Trinity won the second place in the state track meet held at Chapel Hill, Saturday, May 1. The first place went to the University team. The points were divided as follows: Carolina 52; Trinity 28½; A. and E. 28; and Wake Forest 17½. The only state record broken was on the pole vault which went to Spencer of Carolina. His vault was 11 feet and two inches which is two inches better than the previous record.

Cole was the highest individual scorer for Trinity. He won first place in the broad jump, 20 feet and 9 inches, and second place in the high jump which gave him eight points to his credit. Powell did splendid work on the mile winning first place and running it in four minutes, 47 seconds. Harrison took places in two events: second place in the high hurdles and fourth place in the low hurdles. T. F. Moore took third place in the javelin throw and fourth place in the discus throw. English and treasurer of the club. Although Trinity took first place in only two events, the broad jump and the mile run, she carried off one or more places in all the events except three; the shot put, the two mile run, and the 440-yard dash.

## TRINITY SPLITS EVEN ON TWO TENNIS TOURNAMENTS

Methodist Racquet Men Downed Elon Players In All Games, But Lost to Davidson

#### ELON MATCH

In the first tennis tournament held on the local courts this year, Elon was defeated in all the games played, a series of doubles and three series of singles last Thursday afternoon. Cornwell and Shinn represented Trinity in the doubles and were victorious over the Elon players, Gray and Newman, by the score of 6 to 1 and 5 to 0. The first singles played were between Shinn, of Trinity, and Holland, of Elon. Shinn managed to capture the two best out of three sets, after getting a bad start. The sets went 3 to 6, 6 to 1, and 5 to 2. Cornwell had better luck in his singles against Gray, allowing only one game out of the two sets played. The only game Cornwell lost was the first game of the first set. He easily won both sets played, 6 to 1, and 5 to 0. Hackney and Newman staged the last series in which Hackney was the easy victor by a 6 to 4, 6 to 4 score.

Trinity's players appeared in fine form and had the Elon men outclassed from the beginning. This was the second defeat Elon has suffered at the hands of the

(Continued on page three)

## Dr. Laprade Makes Speech Before Ministerial Band

At the regular meeting of the Ministerial Band Friday evening Dr. Laprade spoke on "The Race Question." He made very clear the tremendous responsibility resting upon the white ministers, of living in the spirit of Christ and of so leading and training all of the people, as to recognize the universality of Christ. He also stressed the importance of ministers truly having and practicing the Christian religion. The talk was very interesting and instructive.

## DR. BROWN GIVES LECTURE ON FOLKLORE TO CROWD IN Y. M. C. A. HALL WEDNESDAY

VERY INTERESTING LECTURE IS ENJOYED BY LARGE CROWD OF STUDENTS

Using as his subject the general term "Folklore," Dr. F. C. Brown, head of the department of English, and treasurer of the North Carolina Folklore Society, last Wednesday evening delivered the seventh of a series of faculty lectures before the largest audience that has yet attended a meeting of the Y. M. C. A. Dr. Brown stated that folklore constitutes one of the most interesting and enlightening studies of the early life and characteristics of the American people. "It was and is more prevalent among the people of the unvarnished state; those whom we usually classify as the illiterate or uneducated. But many of the ideas of these simple, unassuming people have been found to be based on scientific facts," said the speaker. "The knowledge of these unlearned people, founded largely on experience, partly on superstition, have to do with many phases of life. The chief source of our information concerning folklore is the songs and rhymes preserved in various ways," stated Dr. Brown. He told of the origin of some of the more or less familiar terms, such as "Johnny Cake," red cross buns, graveyard rabbits,

(Continued on page three)

## Regular Meeting of the Parthenon Club Tuesday

The Parthenon Club held its regular meeting Tuesday afternoon at 4 o'clock in Dr. Peppier's class room. Miss Clara Nichols entertained the members of the club with a paper on "The Perseus Myth in Literature and Art."

Miss Nichols told the members who were present that "The Perseus Myth is mentioned in William Morris' poem on the 'Tale of King Acrisius,' which is found in Morris' 'Earthly Paradise.' It also occurs in 'Kingley's Andromeda.' The speaker illustrated her talk with numerous Greek and Roman pictures. She also read an ancient Greek Simonidea lyric poem entitled 'Dame and Her Babe at Drift.' The paper was well prepared and was very interesting and entertaining.

## DEBATERS SUCCESSFUL AT EMORY UNIVERSITY

FIRST INTERCOLLEGIATE DEBATE WITH COCA COLA COLLEGE

### UNANIMOUS VOTE FOR TRINITY

Men Had Good Debate, But Won Easy Victory: Old Trinity Men at Emory Entertain Team With Smoker

On last Friday evening the first of a series of intercollegiate debates between Trinity and Emory University was held at Emory. H. E. Fisher, of Zebulon, N. M. West, of Zara, and G. D. Harmon, of Pittsboro, represented Trinity in upholding the affirmative of the query, *Resolved*, That legislation should be enacted providing for compulsory arbitration in the settlement of disputes between employees and employers of public service corporations. Messrs. Millican, Burnside, and Holland defended the negative for Emory. The judges were President Van House, of Shorter College, Rome, Georgia; Judge Reynolds, of Atlanta, and Professor Kirk of Georgia School of Technology. Their decision was unanimous in favor of the affirmative.

The argument of the affirmative was that on account of the peculiar relationship of public service that they demanded special treatment, that the present conditions warranted the adoption of compulsory arbitration, that the adoption of such a measure was necessary to guarantee justice to the employees, employers, and the so-called public, that compulsory arbitration provided a cheaper method of settling disputes from the standpoint of all parties concerned than any alternative plan, that it guaranteed private ownership and operation of these corporations and insured their rapid development incident thereto, and finally that such a measure guaranteed to the public maximum continuity of service.

The two main contentions of the negative were that it would be impossible to enforce the awards of the arbitration boards and that such a measure was an infringement of individual liberty. These arguments were successfully met, however, by the affirmative in that the strong arm of the state and public opinion would enforce the awards and in that the proposed measure was to be applied to public service corporations alone, and that if employees were not satisfied with the conditions of labor in such industries that they could seek employment elsewhere.

After the debate an informal smoker was given the Trinity team by the old Trinity men now at Emory.

The varsity tennis team, Cornwell and Shinn, left Tuesday, May 4, for the northern trip. While they are gone they will have tournaments with V. M. I. and V. P. I.

Mr. W. A. Lucas, ex-'03, a practicing attorney of Wilson, was a visitor on the campus Sunday.

### EDITORIAL

The superiority of cigarettes over dopes has been conclusively demonstrated by the debate with Emory.

Anybody that didn't get in the game against the Virginia freshmen has no one to blame but himself. Everyone was given a chance that wanted it.

The front row of seats in the Y. M. C. A. hall was about as much in demand last Friday night by members of the English 3 and English 14 classes as the bald head row at the Orpheum is by the freshmen every change of the program.

Can anybody tell Doc Carver how to discriminate between eight different kinds of water spickets? And Pete Spoch wants a course in electrical engineering. The Glee Club trip furnished plenty of diversion for the singers, not to mention gossip for the campus. We heard that Jimmy Leyburn distinguished himself on a nice slick floor, not to mention other wild rumors.

### GLEE CLUB RECEPTION

The bulletin of the First Methodist Church of Rocky Mount for May 2 contains an interesting comment on the Trinity Glee Club, and the concert given at that place. From the reports that have been received from homes in the various towns in the itinerary of the club, this comment is typical of the attitude of all. It is quoted below:

"The Trinity Glee Club has come and gone. The concert they gave was most highly appreciated. It was beyond what was expected. They are fine fellows personally,

young gentlemen who reflect credit on the great Institution they represent, both in personal conduct and in their ability to entertain the people in a very high class fashion. They were exceedingly popular with the audience they so splendidly entertained, and just as popular in the homes where they were entertained. They have left a warmer spot in the hearts of the people of Rocky Mount for Trinity. Come again young men, for you will be welcome, yes, twice welcome!"

### REVIEW OF FORENSICS

The defeat of Emory University in the intercollegiate debate held in Atlanta last week marks the close of one of the most successful seasons of forensic contests Trinity has ever had. Only two have been held this year, and both of them were away from home. But in the debate with Swarthmore College, as well as the one with Emory, the victory of the Trinity men was given by a unanimous vote. Trinity has long shown her supremacy in this line of activity, and the CHRONICLE desires to congratulate the men who were worked so hard in making it a reality. They deserve a great deal of credit for their merit in the line of debating, which comes only after hard work and persistent effort. The debate council is due commendation too, for its efficient coaching and manipulation of the debates.

### TRINITY GLEE CLUB TAKES SUCCESSFUL TRIP THROUGH EASTERN NORTH CAROLINA

(Continued from page one)

program which evoked much praise in all the concerts. The violin solo work of Professor R. L. Roy and the vocal solo work of Director Howerton also proved to be very pleasing numbers. Of the numbers sung by the entire club the Hiwaian pieces were the most popular, never failing to extract from the audience a prolonged and hearty applause. The members of the club were entertained in private homes at the various cities visited, and nearly every concert was followed by a reception or social gathering of some kind in honor of the club.

A second concert will probably be given in the city of Durham in the month of June, the place and date not being as yet settled. Numerous requests have been received by the manager asking for dates during the month of May, but, owing to the fact that examinations are not far off, no more concerts will be given this month.

### TRINITY SPLITS EVEN ON TWO TENNIS TOURNAMENTS

(Continued from page one)

Trinity tennis team, the other tournament played at Elon being the first dropped to the local players.

### DAVIDSON MATCH

On the day following the successful tournament against Elon, Davidson's tennis team defeated the Trinity team on the local courts in a series of doubles and two series of singles. Cornwell and Shinn again played doubles for Trinity, but after two close sets lost to Hawkins and Spence of Davidson by the score of 6 to 3, and 10 to 8. The first series of singles was played between and Spence. Although Cornwell put up a stiff fight, he was unable to stop Spence and lost the two best out of three, 4 to 6, 6 to 4,

and 4 to 6. Shinn suffered the same fate at the hands of Hawkins, after carrying one of the sets into extra games. The score for the series was 5 to 7, 6 to 4, and 3 to 6.

The match with Davidson was played under both weather and physical handicaps. There was a strong wind blowing which made playing uncertain; also the strenuous tournament of the day before left the players in poor shape to meet another team the next day. It seems certain that the Davidson games would have been annexed had it not been for the strain of the Elon games the day previous.

### BARON KROFF LECTURES ON BOLSHEVISM MONDAY NIGHT

Famous Russian, Authority on Affairs in His Native Country, Lectures To Trinity Gathering

An analysis of the theories of Bolshevism in contrast to the spirit of democracy, the practical difficulties in administering the Bolshevistic state, and belief in a constructive readjustment in the future of a notable address by Baron Korff, of Petrograd, before the Trinity College Historical Society last night. The speaker showed that all progressive reforms in modern Russia have followed in the wake of wars, that Bolshevism was the product of theories fertilized by class hatreds, that its acceptance has been due to war psychology and land hunger but that Lenin and Trotzky are constantly forced to compromise with the former opposition to prevent utter ruin and that out of this fact there is the possibility of a new permanent and progressive structure rising in Russia which will be tolerant, democratic and efficient. The speaker was formerly professor of constitutional and international law at the University of Helsinki, lectures in this country in 1908 was international secretary for Russia of the Red Cross and was a participant of the Russian Revolution before the rise of the Bolsheviki.

Misses Gladys Price and Elizabeth Allen returned last night from Knoxville, Tennessee, where they have been the past few days in attendance at the installation of Alpha Epsilon Chapter of the Alpha Delta Pi Sorority, at the University of Tennessee.

Prof. H. E. Spence delivered the commencement address at the closing of the Enterprise High School, near Lexington, last Wednesday.

News has just arrived of the birth to Rev. I. L. Schafer, '19, and Mrs. Schafer, of a daughter, Josephine Tesh. Rev. and Mrs. Schafer are located at 8 Tsukiji, Tokio, Japan.

John Henry Highsmith, '00, A.M. '02, for the past several years a member of the State Board of Examiners, has been appointed inspector of high schools. His office will be located in the State Department of Education at Raleigh.

William Grimes Mordecai, ex-'15, a rising young attorney of Lillington, was married on April 10 to Miss Georgia Davis, of Goldsboro. Mr. Mordecai is the son of Dean S. F. Mordecai, of the Trinity Law School, and is one of the leading lawyers in Harnett county.

## TRINITY REPRESENTED AT MEETING OF THE ACADEMY

Five Professors In Attendance. One  
Student Elected to Membership.  
Dr. Gross Lectures

The annual meeting of the  
North Carolina Academy of  
Science was held at the State  
College, Raleigh, North Carolina  
on Friday and Saturday. At this  
meeting, which each year brings  
together the leading scientists of  
the state, Trinity was represented  
by Professors Wolfe, Gross, Wil-  
son, Pegram, Edwards, and Mr.  
G. H. Satterfield. All of the  
faculty members who attended  
the conference were members of  
the Academy except Mr. Satter-  
field, and he was elected to mem-  
bership in the society at this  
session.

Dr. Gross delivered before the  
conference two lectures, which  
received some very high compli-  
ments from other members of the  
Academy. He spoke on "Conduc-  
tivity of Non-Aqueous Solutions"  
and "Some New Forms of Dis-  
tilling Apparatus." Dr. Gross  
illustrated his last lecture by  
making some new apparatus and  
was highly praised by some of the  
leading scientists of North Caro-  
lina.

A number of addresses were  
made by the foremost scientific  
men of the state. These men all  
brought some very helpful infor-  
mation before the Academy for its  
consideration.

## Historical Society Hears Address by Dr. Bassett

Dr. John Spencer Bassett, head  
of the department of history at  
Smith College, and former pro-  
fessor at Trinity, spoke to the  
Historical Society last Thursday  
evening on "The Office of Presi-  
dent in the United States." Dr.  
Bassett reviewed the conditions  
under which the constitutional  
powers of the president were  
granted, and suggested that pos-  
sibly the advancement of civiliza-  
tion and the increased duties  
devolving upon the executive  
called for some modification of the  
powers vested in him.

He told how the demands made  
upon the president were of such  
a nature as to render impossible  
the filling of the office in a way  
satisfactory to each citizen, and  
spoke of great exactions, physical  
and otherwise, that the office has  
made on each man who has filled  
it. Dr. Bassett suggested that it  
might be a wise policy to re-  
arrange the term of office or the  
duties it required in a way that  
would enable one man to discharge  
its duties without sacrificing his  
health, and at the same time direct  
his energy to the things requiring  
his attention most.

## CO-ED NEWS

The Athena Literary Society  
held its regular meeting Tuesday  
afternoon October 27. Miss Pau-  
line Smathers was initiated into  
the society and after this for-  
mality one of the best programs  
of the year was given, composed  
of the following selections: Piano  
solo, by Aileen Parrish; dance,  
by Miss Gladys Price; negro  
love song, by Doris Overton;  
piano solo, by Claire Nichols;  
origin of banjo, by Sophia Ry-  
man; clown dance, by Miss  
Smathers and Lelia Humble.

the origin of certain customs in  
vogue today, and many other bits  
of information about the life of  
people whose older tendencies are  
being replaced by the inroads of  
modern civilization.

Miss Alice Hundley and Mr.  
F. S. Bennett, of Durham, de-  
lighted the audience with several  
pieces selected from what has been  
preserved of the songs and dialect  
of the people whose life and  
habits were directed in no par-  
ticular channel. Among these pieces  
was "Lord Lovell," George Col-  
lins, and others of a more or less  
well known type.

Final examinations at the Park School began Saturday, May 1, and will end Thursday, May 5.

On May 6 commencement will take place. The regular meeting to the faculty will be held Friday morning to clear up all matters regarding graduating students. On Friday evening the graduating exercises will be held in the Craven Memorial Hall. The main features of the program will be the awarding of medals, declamation contest for the Bivins-Aldridge medal, and the awarding of diplomas. The public is cordially invited to attend the exercises.

## HESPERIA AND COLUMBIA HOLD REGULAR MEETINGS

Columbia Elects New Officers For Beginning of Next Year. Hesperia Has Program

The Columbian Literary Society postponed its regular program Saturday evening and turned the meeting over to the election of officers. The officers elected are as follows: J. W. Hathcock, president; Claude Grigg, vice-president; C. E. Buckner, recording secretary; G. G. Adams, treasurer; Henry Belk, marshal; C. E. Mabry, chairman executive committee; Hugh Lefler, R. D. Ware, C. H. Benson and J. L. Jackson, associate members of executive committee; D. W. Canoy, chairman business committee; C. H. Moser, B. I. Satterfield, H. L. Davis and W. L. Grigg, business committee; R. D. Ware corresponding secretary; J. O. Long, chaplain; C. W. Bundy, chief of tribunal; C. H. Smith and K. L. Elmore, associate tribunals; Byron Shankle, clerk of tribunal; W. A. Rollins, censor. The members of the debate council are: B. I. Satterfield from sophomore class and Hugh Lefler from junior class. R. D. Ware and K. L. Elmore were elected members of the Chronicle Board.

The Hesperian Literary Society held its regular meeting Saturday evening. A timely ovation on "Pence" was delivered by C. F. Woodard, while T. P. Thomas spoke on "Perseverance" in a very strong and convincing manner.

Some good extemporaneous speeches were made. The best of these speeches was a discussion of "Why Examinations Should Be Abolished at Trinity." Then instead of a regular debate the house was turned into a general assembly with the president acting as speaker of the house. A resolution was introduced by S. M. Holton and supported by T. A. Banks and C. D. Douglas. The resolution was: That some law providing for workmen's compensation insurance should be enacted. The opposition was led by H. J. Herring and supported by C. E. Summers and R. E. Thigpen. The final vote was twenty to fifteen in favor of the law. This variance of the program proved very interesting and entertaining.

Lieut. "Jack" Wallace, '16, who was severely wounded in France, and who has been under treatment in a government hospital, was visiting friends at the college last week.

News of the death of O. Thomas Beasley, ex-'05, has just been received.

## Sometimes

We love to touch the human side of folks. After all money making is not all there is in business, leastwise not with

## THE FIRST NATIONAL BANK

THE MAN behind the dollar interests us.

## THE FIRST NATIONAL BANK

wants the public to consider it as a MAN MAKER, as well as a MONEY MAKER. Every bank owes the other fellow something. There is but 100 cents in a Dollar, but there is the word of encouragement, the human touch that will help lift the burden. Many a poor fellow is hungry for a word of sympathy, "the hello, hooray Bill, we are betting on you" spirit that makes

a MAN MAKER as well as a MONEY MAKER.

Dan Henderson interpreted the thoughts and plans of

## THE FIRST NATIONAL BANK

When he sang:

Weave for the world the flag of man!  
Finish the fabric our sires began!  
Out of our lives shall the thread be spun!  
Out of our veins shall the color run!  
Out of our deed shall rise its lustre!  
Out of our dreams its stars shall cluster!  
Wide as the heavens spin the span  
Of freedom's fabric—the flag of man!

HATS OFF!
