BLUE DEVILS DEFEATED BY CAROLINA MACHINE IN A HARD FOUGHT CONTEST

TEAM FOUGHT VALIANTLY BUT WAS UNABLE TO HOLD ATTACK

Stellar Playing of Neal and Simpson Was Feature of Strong Defense Which Developed After the First Quarter

Trinity suffered the second defeat to be marked up against her during her recent football career on last Thursday when she met the Carolina team on Emerson Field at Chapel Hill. It had been hoped out by so-called football experts that she would be easily beaten by four or five touchdowns, but their predictions were no good, for Carolina worked hard for the three that she did get, and instead of registering it as a defeat it should be termed: Trinity holds crack Carolina team to three touchdowns.

Trinity was not only outwitted, but she went up against a team composed of veterans who have been in the game for several years and her showing against them may be termed as nothing short of marvelous. The team that went up against Peter's warriors had not recovered from the effects of the game with Hampton-Sidney on the Saturday before. Captain Neal limped out on the field with an ankle twice its normal size while Carter, the plucky right end, wore a guard to protect a broken and cut nose.

Trinity was unable to gain ground because she was in such a position throughout the game that it was too dangerous to open up with an aerial attack, and it was impossible to gain through the line. Reid Garrett, however, plunged through the line several times and to him goes the credit for making Trinity's only first down. Defensively Trinity did stellar work. Neal at left end made numerous tackles and broke up many plays while Simpson could be removed from his center position only when three men hit him, for he was too much for Bill Blount alone. Poor punting kept Trinity with her back to the wall throughout the game and her need of a good fallback for this purpose and for defensive work was keenly felt. Caldwell averaged only about 20 yards and this was not sufficient to put them in Carolina's territory even for defensive work.

While it is true that Carolina started her second team in the last half she is to be considered fortunate in having two teams that are practically equal in strength. A fresh team in this half necessarily put up a stiffer fight than the first team would have done and had the first team been kept in the game the "tale would not have been different, for after the first ten minutes Trinity's defense stiffened, and Carolina was held reasonably well until the last quarter when a failure to get off a good punt put them in easy scoring distance and a forward pass was executed for the final touchdown.

The game opened with Blount kicking off for Carolina. Smith received the ball and after two line plunges Caldwell punted. Flashy line rushes quickly carried the ball down the field and F. Morris scored the first touchdown made against Trinity this season. A placement kick added one point. Carolina again kicked off and there was a practical repetition of the first touchdown when after three first downs McDonald carried the ball across, but this time the placement kick failed and the quarter soon ended with the score standing 13-0 in Carolina's favor.

Trinity put up an aggressive fight in the second quarter while Carolina fumbled once when within scoring distance and was twice penalized for being off-side and holding. Weaver intercepted a forward pass and immediately afterwards McDonald intercepted one. Had Neal received this one he would have had a good chance to score. Carolina had the ball in her possession on Trin-

HANDSOME BLANKETS WILL BE PRESENTED TO TRINITY ATHLETIC ORGANIZATION

Blankets Will be Colored Dark Blue With White Border and "T" in the Center

The Blanket Fund Campaign which started with a boom ended just a little too soon, for there is still a small deficit to be made up, but plans are being made whereby this amount can be raised and the blankets be paid for. A notice has been received at the dope shop stating that the blankets were to be shipped to day and unless something prevents they should be here in time to be taken to Norfolk. However, if they do not arrive in time for the coming game the student body will have the extreme pleasure of seeing them used for the first time at the Davidson game in Greensboro.

The idea of buying blankets originated with several students after they had seen the sample at the College Store, and these students immediately formulated plans to raise the money. There seemed to be sufficient enthusiasm at the pep meeting before the Carolina game to put it across but after checking up those in charge discovered that only about 270 tickets had been sold and this sale would not realize quite enough to buy the blankets and pay the necessary charges.

Since they were shipped C. O. D. it will be necessary to have the money on hand when they arrive, and since Trinity students have declared that there is nothing which they want that they cannot get, it is certain that the money will be raised with ease, so the boys can do the "Praying Colonel" stunt at the Davidson game.

THREE PLAYS WILL BE OFFERED IN NOVEMBER BY DEVEREAUX PLAYERS

Public Lecture Committee is Making Plans to Have Players Here on November 27-28

Dr. Brown recently met with the undergraduate members of the Public Lectures Committee and led a discussion as to whether to have the Devereux Players present three plays here on the dates of November 27 and 28. This met with the approval of the entire committee. Plans are now being made to have the players come if sufficient interest is manifested by the college community. The Devereux Players today enjoy the most favorable reputation of any company giving plays in college communities. It is one of the best balanced companies on the road and has been received most enthusiastically in many of our leading colleges.

It is hoped that sufficient interest will be manifested by the students and faculty to will warrant the letting of a contract. If the Public Lectures Committee is successful in getting the Devereux Players, three plays will be offered: Shakespeare's *Romeo and Juliet*; George Bernard Shaw's *Arms and the Man*; and Ibsen's *Ghosts*. Since many of the students saw some of the Shakespearean plays here last spring, there is no doubt but that *Romeo and Juliet* will meet with approval. Mr. Shaw's play, *Arms and the Man* is one of the best known and most popular plays. The other play, Ibsen's *Ghosts* is a play much in demand and is most often presented of American plays today.

If as many as six hundred season tickets for the three plays can be sold, they can be offered at \$1.50 per season ticket. It will be necessary to make a guarantee of about \$500.00 or \$550.00. At any rate the price for the plays per season ticket will not be over \$2.00.

Announcement was made in chapel this morning by Dean Wannamaker that students will be given the option of going to the State Fair in Raleigh tomorrow or to the Trinity-Davidson game in Greensboro Saturday week. While classes will go on both of these days, absences on one of the days will be excused.

The sentiment on the campus seems to be to have the students stay away from the Fair so that they can go to Greensboro next Saturday on a special train and help cheer the team to victory over the Wildcats.

TRINITY BLUE DEVILS LEAVE FRIDAY TO GET REVENGE IN VIRGINIA

WILLIAM AND MARY DECLARED TO HAVE BETTER TEAM THAN LAST YEAR

WILL BE PLAYED IN NORFOLK

Steiner's Men Being Given New Plays in Preparation for Big Game

When the "Blue Devils" of Trinity march on the field of battle at Norfolk preparatory to playing the William and Mary "Indians," they will have on their hands the fixed purpose of obtaining revenge for their first defeat since continuing intercollegiate football after a lapse of 25 years, during which time no teams were turned out by the institution. Trinity's wonder team of last year received its only defeat at the hands of these rampant savages, who taking advantage of injuries previously suffered by Trinity's men, swooped down from the north and took home a bag of scalps by virtue of winning the game by a 12-0 score.

William and Mary's team of to-day is probably an improvement even over her team of last year. Her line is practically intact and her backfield is considered by many experts to be superior to the fast one that circled Trinity's end and gained through her line in the game of last year. The great Levy, who on divers occasions in that memorable contest ran back punts with truly wonderful ability, circled the ends for long gains, ploughed the line with deadly regularity, and hurled passes with remarkable accuracy and for almost any distance, is again with this team and will in the game likely be sure to assay once more his glorious feats when the teams line up on the field of conquest Saturday and the referee blows his whistle for action. Alongside this wonder man will be found two of his mates of last year who gave him such valuable assistance not only by their splendid interference for him but also by their own good work carrying the ball. Besides these three there will be a new member of the backfield who has done mighty deeds upon the gridiron and who by living up to press reports may be expected to vie with or even surpass Levy in the game of the Saturday.

Trinity's "Blue Devils," on the other hand, will, as last year but not to the same extent, enter the game with a slightly crippled team. It is possible that neither of Coach Steiner's first string backfields will start the game while it is quite likely that his captain and star will be among the missing when the whistle blows for the fray to begin. These men, however, will be on the sidelines ready to enter the battle when their services are needed. Their probable absence is explained by the fact that all three have been on the injury list since before the Trinity-Connell game. They will in all probability be saved for the Davidson game of the following week.

Aside from these men the Trinity team is in first class condition and should be able to give a good account of itself in this game. The line from (Continued on Page Three)

ENTHUSIASTIC BANQUET OF LAW SCHOOL ALUMNI HELD THURSDAY NIGHT

PROSPECTS FOR LAW SCHOOL BUILDING ARE BRIGHT AS RESULT

TO BE MORDECAI LAW BUILDING

Alumni Raise \$5,000 on First Efforts to Secure Money for Building

The Law School Alumni Association of Trinity met last Thursday night in the dining room of the Marlborough hotel to launch a fund drive to complete the goal of \$100,000 to be used for the erection for a Law building on the campus.

At the meeting it was announced that James B. Duke in his recent gift of more than \$1,000,000 to Trinity included \$50,000 for the erection of a law building and library, and in addition it has been decreed that \$25,000 is to be taken from the school's endowment fund to help in the cause. The members at the meeting decided to raise an additional \$25,000 to make the total sufficient for the culmination of their plans and ideals. During the banquet, Willis Smith of Raleigh, Chairman of the movement presiding in the absence of Mr. Frizzelle, chairman of the association, announced that more than \$5,000 of the amount has been subscribed. All efforts are to be put forth in order that no delay will be suffered in putting the plans into effect.

Dr. S. F. Mordecai, dean of the Trinity Law School, held a high seat of honor and tribute. All during the meeting a happy fellowship were among the Alumni. Just before the set program Dr. Mordecai made an impromptu speech in which he briefly outlined some of the hopes and ambitions of the (Continued on Page Four)

HISTORICAL SOCIETY IS ADDRESSED BY DR. ADAMS ON NEAR EAST QUESTION

Society Elects Officers for Year—Dr. Boyd, Dr. Adams, and Grigg Will Fill Offices

On Monday night the Trinity College Historical Society held its first meeting of the college year. A nominating committee headed by Dr. Laprade brought up five candidates for officers who were unanimously accepted. The following officers were elected: Dr. W. K. Boyd, president; Dr. R. G. Adams, vice-president; Miss Georgia Albright, secretary; W. Q. Grigg, treasurer; and Miss Margaret Frank, Curator of the Historical Museum. Dr. Boyd then took the chair and stated the purpose of the society and the work it was now doing. He then introduced Dr. Adams who took charge of the program.

Doctor Adams' theme was the Near East question. With the aid of colored maps Doctor Adams traced the history of the Turks in Europe and also the cause for their numerous encroachments on European territory. He pointed out the fact that the rigorous winter of the Caspian Sea caused the Turks to move southward into the Balkans and Armenia.

Over a hundred students and visitors heard Dr. Adams' lecture which was up-to-date in every respect. In closing Doctor Adams urged every one present to cease being skeptical of the truth of the conditions in the Near East. He said that barely half of the real story of their suffering had been told. Dr. Boyd announced later that another meeting will be held in the near future. Any students who wish to become members of the Historical Society can do so by giving their names to the secretary.

Richard C. Leach is assistant coach at Lehigh University.

T. A. Banks '22 is teaching school at Cary, N. C.

JUNIOR ELECTIONS OF PHI BETA KAPPA HELD DURING PRESENT WEEK

PRESENT SENIOR CLASS WILL HAVE LARGE NUMBER OF MEMBERS

CHARTER GRANTED TO DAVIDSON

Coveted Key Awarded to Large Number of Students of Class of 1923

Twelve members of the senior class were elected to membership in Phi Beta Kappa at the October business meeting held last Wednesday. They are Aura Holton, Hermenia Haynes, L. R. Maness, John E. Bridges, Jr., Elodia Yancey, Sophia Rhyman, D. H. Conley, B. B. Harrison, Jay L. Jackson, H. C. Spink, Jr., Lucile Merritt and R. Bailey Reade. Election is based upon scholarship as determined by the grades on the record books of the college. These students have all made a grade of more than 90 on their work in college up to the present time, and they have not failed to pass any term's work in any subject on the first examination. The first ten on the list are designated as "Junior Elections," because their election was determined by their work up to the end of their Junior year. Lucile Merritt and Bailey Reade have already done the work required for graduation, having finished it in the Summer School.

Dr. W. H. Glasson and Dr. C. W. Pepper attended the meeting of the National Council of Phi Beta Kappa in Cleveland on September 12 and 13 as delegates from the Trinity chapter. When the applications for new charters came up for consideration, Dr. Glasson took the opportunity to tell of the good work that was being done by our sister institution, Davidson, and he made the motion that a charter be granted to her. The motion was carried. "We are glad to welcome," Dr. Pepper stated, "our friends of Davidson, the Gamma of North Carolina, into the fellowship of Phi Beta Kappa."

Phi Beta Kappa has been installed at Trinity only three years and the interest manifested by its officials has promoted its growth to a place of special mention in the colleges of North Carolina. There were elected during the whole of last year seven members, while the first half of this year has already produced twelve who are eligible. More members will be elected next spring.

In the September number of *The English Journal* is an article written by Dr. Allan H. Gilbert, of the English Department, entitled "What Shall We Do With Freshmen Themes?" The article deals chiefly with the attitude of the teacher in correcting papers, and with the best methods for carrying out this work. The article, which was written while Dr. Gilbert was Professor of English at the University of Tennessee, where he had entire supervision of the freshmen work in English, was recently read at the meeting of the Modern Language Association in Chicago. The head of the college section of the National Council of Teachers of English is considering the use of separate copies of Dr. Gilbert's article in the propaganda of the Council. Dr. Gilbert hopes to attend the meeting of the Council held at Chattanooga at Thanksgiving.

The July number of *The Philosophical Review*, one of the magazines received by the College Library, contains an article by Mrs. Allan H. Gilbert on *Humor and Bosquequet's Theory of Experience*. The article explains that the philosophical writings of Bosquequet, one of the leading English thinkers of the day, do not give adequate attention to humor. Dr. Bosquequet's definition of his writings, in which he maintains that he gives a more important place to humor than Mrs. Gilbert indicates, will appear in the November number of *The Philosophical Review*.

PARAGRAPHS

They know we're been there!

October 18 and no Archie! Despite rumors of many changes it is certain that the date of its appearance will remain the same—weeks after the schedule time.

Which way would you go?

It would be wise for William to keep Mary out of the game Saturday when they play those wicked Blue Devils from the old North State.

The Fair will be good but remember those girls in Greensboro. They'll be there.

The following telegram has been received: "Blankets will be shipped eighteenth by American express unless otherwise instructed." Lets raise that small deficit now and wrap that old team up in Greensboro.

PLAN FOR THE FUTURE

Athletes have been on the upward climb at Trinity for the past few years, for every year has seen Trinity send out better teams than the year before, but every student is anxious for the return of those days when Trinity was South Atlantic Champion in several sports. Our teams did it once and they can do it again but it is up to the whole student body to help them. Our benefactors have given us every advantage that money can reasonably buy. They have given us a beautiful campus, good dormitories, a well equipped library, a faculty second to none, a gymnasium that when finished will be one of the best in the South and to all these things they have added a huge endowment to bear the expenses of this institution of which they have reasons to be proud. One way for the students to show their appreciation of these gifts is help send out as representatives of Trinity, athletic teams that will bring glory to this institution. Centro College has set a good example to be followed.

Trinity has made a splendid start this year in football, and all indications lead us to believe that the season will be one of great success which, if it is, will mean more to us than the success of the two former seasons for this year's schedule is harder. The prospects for a good basketball and baseball season are brighter than ever before, and successful seasons in these sports will

mean better things next year. However, while the present year may be one of success the future must be taken care of and here the students can be of service.

At the present Trinity's coaching staff is one that will do every thing in its power to send out teams that we would be proud of, if given the material to work with which Trinity is able to give them. But coaches cannot hope to develop their best teams in one year and for this reason it is necessary that we give them more time to build up a strictly Trinity system through which they will be able to do things that they could never accomplish in one or two years. Our coaches must become a vital part of Trinity, and the students can help them realize that we cannot do without them. Now is the time to demand that coaches be hired for more than a year at the time.

Once a coaching system is developed it must have material to work with, and here is where the students will be able to help in a still greater degree. Every man who is able and feels that he can be of some service should go out for some sport, and those men who do not go out should encourage the players in every way possible. Sometimes students take the wrong attitude towards the men who do not make the first team, but do they realize that without such men a first team would not be possible? Who are the men that go down to the field after day knowing that they stand little chance of getting in a game, but yet are willing to be hammered and bruised that Trinity might send out a team worthy of her name? A man must have time to develop, and no man who has not had previous training can expect to make the first team when he has men who know the game competing with him, but hard work and determination will work wonders. A man can play only four years and then his place must be filled. Four or five men on the football team this year will not be back next year and these places must be filled.

When Trinity's second string men come to be regarded as essential in sending out good teams, and when they themselves feel that spirit of determination to fight for Trinity out on the practice field if not in a game, then Trinity alumni, realizing that the students are really working for better things, will give us their hearty cooperation and support with the result that Trinity will become world renowned as an institution where students do things.

J. B. HARRIS.

Physics Club Held Very Interesting Meeting Monday

The meeting of the Physics Club was held in the physics lecture room on Monday night. The operator was able to catch the preliminary announcement of the program to be sent out from the North Carolina State College Radio phone Station on this night. The speakers who were to send messages to the people of the state through this station included such distinguished personages as Mrs. Vanderbilt, President of the State Fair Association, Governor Cameron Morrison, Hon. Josephus Daniels, Hon. Frank Page, Dr. E. C. Brooks, Dr. B. W. Kilgore, Rev. Henry G. Lane, Hon. T. B. Eldridge, and Dr. W. C. Riddick. Immediately after this announcement the wave lengths must have been increased because no one was able to catch any more than the sound of voices hereafter. Professor Edwards stated that the inability to hear was most likely from this cause and the fact that "static" was most prevalent on a night in which rain and the atmosphere was as oppressive as was last night.

The Chemistry Club met Friday night in its first meeting of the year. After some discussion it was decided not to carry out the regular program. About sixteen new members, who were present, were taken in and the club adjourned to meet again Friday night. This is to be the first regular meeting of the year, and a good program is to be given.

IMPORTANT STAFF MEETING

All men who have been trying out for places on the Chronicle Staff must be present at the meeting Friday evening at 7 o'clock sharp if they wish to keep their eligibility unimpaired. If anyone is absolutely prevented from attending he must have a written excuse in the Chronicle office by the time the meeting begins.

Herbert Herring '22 is teaching in the Winston-Salem High Schools.

NOTICES

The Chemistry Club will meet Friday at 7:30. New members are urged to be present.

The Classical Club will meet at 7:30 Thursday evening in the Greek class room. The annual initiation ceremonies will be held at this time so a full attendance of all members is urged.

A pep meeting will be held Thursday night in Craven Memorial Hall. All members of the Student body are urged to be present to give the team a good send-off for the William and Mary game.

All members of the freshman and sophomore classes who wish to become assistant managers of Tennis will turn their names in to Manager Mike Bradshaw at once.

The Freshman class will meet Saturday at 3 P. M. in Craven Memorial Hall to elect a Vice-President, Secretary-Treasurer, Representative on Athletic Council, two members of Student Life Committee, and one member of the Public Lectures Committee.

IN THE ENEMIES' CAMPS

Davidson has been playing very irregularly this season. After holding Georgia Tech to a score of 19-0, they surprised football followers by playing a 6-6 tie with Wake Forest, who had in turn been overwhelmingly defeated by Carolina. If Davidson shows the form she displayed against Georgia Tech we shall have a hard scrap, but if she does nothing more than she did against Wake Forest it should be a walk away for Trinity.

Very little is known of the Oglethorpe team which will be met a week after the Davidson game. The University of Alabama and Sewanee have both carried away healthy victories against Oglethorpe in the last two games played. Oglethorpe, however, scored 9 points against the Alabama team and at times showed flashes of brilliancy.

Wake Forest after their severe drubbing by Carolina had a complete reversal of form and held Davidson to a tie. It is hard to estimate the strength of the Wake Forest team after such irregular playing, but it is the opinion of most sports writers that Trinity has the edge on the Gold and Black.

COACH J. S. BURBAGE ASKS THAT MORE INTEREST BE MANIFESTED IN TRACK

More Candidates for Places Needed in Every Phase of the Sport

Thirty-three men are out for the Trinity Track team this fall, twenty-one of these men are cross country candidates, and twelve remaining are out for the remaining events, doing their preliminary conditioning this fall. There are only four men that are out for the 100 yard dash and 220 yard dash. Two men are out for the 440 yard dash. There are no half miler out, while the one and two milers will have to be developed from the cross country men. There are two men out for the broad jump and one man out for the high jump. There are two men out for the hurdles.

When it is realized that four men are needed for each of these events, at least, and that Trinity must begin to build up some pole vaulters, shot-putters, discus men, javelin hurlers, etc., it will be appreciated that many more candidates must come out to keep Trinity on the map in Track. Men of ordinary physique and ability with practice and training can be developed into track men that will meet anything in the state on an equal footing. Any man of ordinary ability that will work, train, and take instruction can gain his coveted "T" in track. No comment need be made on the honor and prestige that this secures, as well as the satisfaction of knowing that a man who has made the team has helped build up his Alma Mater, Trinity, to the goal which we all hope to reach.

The track squad at present consists of: J. P. Clements, M. R. Rich, A. R. Hargrove, A. C. Wagner, J. E. Johnston, L. S. Ivey, B. L. Beatty, H. E. Brewer, J. L. Seivens, S. A. Mabry, P. G. Bosch, W. W. Blankney, B. B. Harrison, C. E. Jordan, June Phillips, Dalton McNairy, C. B. Renfro, C. C. Clegg, W.

TENNIS SQUAD WILL BE COMPOSED LARGELY OF NEW MEN THIS SEASON

Preliminary Arrangements are Being Made for a Trip in Near Future

The tennis tournaments which have been in progress here for over ten days and which have decided who will represent the tennis varsity for Trinity came to a close last Saturday afternoon with the following results: First, Turrentine; Second, Whisman; Third, Summers; Fourth, Karnes; Fifth, Brooks; Sixth, Mayer.

Captain Turrentine and Dr. White, who is coaching the tennis team again this year, have selected seven men to remain on the squad as a reserve force. These men are: Johnson, Pinnix, Shankle, Sloan, Stott, Babbington, and Sprinkle. This system will enable Dr. White to work up a strong varsity team from year to year.

A trip will probably be taken the latter part of this week. Four of the varsity men will make this trip, and the following places will probably be visited: Greensboro Tennis Club; Elon College; Guilford College; and Lenoir College.

Dr. White and Captain Turrentine report that by the spring of the year a good tennis team will be developed and a more extensive schedule will be carried out. In the spring the following teams will be played: Carolina, N. C. State, Wake Forest, Davidson, and several others.

Students Liable to Sudden Departure Under New Rules

Absences from classes will be handled this year in a different way from which they have been handled previously. The time has come when Trinity men must attend strictly to matters of this kind. The notices which were issued heretofore to each individual through the office of the dean are a thing of the past. A list of the absences from classes is posted each Wednesday and Friday, and this list serves as a notice to those on it to call at the office of the dean in regard to the absences which these persons have incurred. Those having been absent from classes are requested to see to the matter between the hours of three and four-thirty o'clock on the days the names are posted. A special request is made that this matter be attended to at that hour so as to avoid inconveniences to the authorities and the students.

Attention of the student body is called to the regulations regarding absences from classes, which are on page 162 in the Catalogue.

The Ministerial Band met in its regular meeting Thursday night at 7:30. In the absence of the president, Mr. W. G. Ervin had charge of the meeting. There was no regular program for the evening so the hall was thrown open for an open meeting. A few timely remarks were thrown out by Prof. Spence in his usual and beloved witty manner.

Trinity's Annual Revival Will be Held in December

Trinity College has been fortunate in securing Dr. George Stoves, pastor of the West End Methodist Church of Nashville, Tennessee, to conduct a series of Revival meetings here this year. The Revival will begin on December 3

and continue through December 10. Dr. Stoves, who is an Englishman, has been in this country for several years, and for the past few years he has been pastor of his present church at Nashville. During this series of meetings the morning services will be held in Craven Memorial Hall, and the evening services in the Y. M. C. A. Hall.

SORORITY RUSHING HAS BEEN DONE ACCORDING TO PARLIAMENTARY LAW

Women Work Fast and Furious as
Bid Day Approaches—Freshmen
Rushed by Cute Boys

"Rush and they all rush with you, sleep and bid day will find you alone." This proverb, taken from Pillsbury's book, *Rushing, Its Law and Technique*, is the one that is being strictly adhered to, especially in the first part, by those creatures of beauty and loveliness who hail from the western division of the campus. Their anxiety is excelled only by their diligence in every desperate attempt to keep that horrible other crowd from diverting the attention of some poor, innocent freshman from those magnificent and unsurpassed qualities that are the very essence of the "I Painta Cheek" sorority.

Freshmen have been rushed from morning till night in every possible manner from appealing to their desires for sweet tidbits to having dates with some cute boy who has been previously instructed to string them a line about the marvelous achievements of the "I Kick Em All" Sorority. Those who are in the process of being hounded feel that if they were ever in that age-old position between the devil and the deep blue sea that now they are really there. They are on the fence ready to be pulled one way or the other, and each sorority has been mustering its all in attempts to pull Miss Popularity their way.

Chickens which have had that inevitable misfortune of losing that part of their anatomy in which the brain lies, were never in such turmoil as some of the loyal sisters are when they realize that a certain crowd will have possession of Miss So and So during a class. Seniors have had a deeper interest in the workings of the freshman class than they have ever had before, and many who have nearly conquered old Education have longed to be allowed to attend freshman class meeting just one more time.

Hawkbaw, that master detective of bygone days, never let those piercing eyes of his shift and actually look through mysteries in attempts to find the villain as these worthy rushers have been doing in vain attempts to keep up with the willy-nilly freshman. Once having spotted her, she is immediately pounced upon by two of the sisters who take possession of her in the same manner that the constable and the marshall of Four Stumps would handle a Saturday night drunk, and with an advance and a rear guard of loyal cohorts their prize is paraded up and down the corridors in West Duke before the jealous gaze of their bitter rivals.

A sigh of relief will issue up from Southgate tomorrow when the returns of their labors have been received, and those that go such and such a way will be received with open arms and congratulated on their wisdom in making such a choice while others will be greeted with a we-didn't-want-you-anyhow look and pitied from the depths of an all seeing soul. Meanwhile jealousy and rivalry reign supreme.

An announcement of special interest to Trinity students has just been made concerning a Folklore exhibition which will be given in Raleigh at the State Fair Wednesday and Thursday. A special tent has been erected by the North Carolina Folklore Society in which interesting programs dealing with North Carolina folklore will be given.

Miss Warren a talented singer of Durham, who has had considerable experience singing ballads and folk-songs, will render selections of folk-songs; as will also a gentleman from the mountains of Western North Carolina whose name could not be ascertained. Several members of the Trinity Glee Club will render folk-songs to the accompaniment of guitars.

Carolyn Avera is teaching History in the Nashville High School, Nashville.

BLUE DEVILS DEFEATED BY CAROLINA MACHINE IN A HARD FOUGHT CONTEST

(Continued from Page One)

ity's 20 yard line when the half ended.

It was during the third quarter that Garrett made his first down. Carolina was forced to punt one time and was penalized for holding and being off-side. The line see-sawed up and down the field and the quarter ended with the ball on Trinity's 35 yard line in Carolina's possession.

In the fourth period Carolina rushed the ball down to Trinity's goal where she was held for three downs when a forward pass added another touchdown to the score. A place kick for the extra point was successful. For the remainder of the game the battle was fought in Trinity's territory.

The line-up and summary follows:

Carolina	Position	Trinity
Cochran	Left End	Neal
Hawfield	Left Tackle	Hatcher
Pritchard (Capt.)	Left Guard	Taylor
Blount	Center	Simpson
Morris, R.	Right Guard	Pennington
Fordham	Right Tackle	Caldwell
Pointdexter	Right End	Carter
McDonald	Quarterback	Smith

Sparrow	Left Halfback	Garrett
Morris, F.	Right Halfback	Brown

McGhee Fullback

Score by periods:

Carolina 13 0 0 7—20

Trinity 0 0 0 0—0

Touchdowns—McDonald, F. Morris, Sparrow.

Goals from placement following touch-

downs—Blount 1; Tenney 1.

First downs—Carolina 18; Trinity 1.

**SCHOLARSHIP FRATERNITY
 HELD ANNUAL INITIATION
 IN MIDDLE OF LAST WEEK**

Six Juniors Were Initiated by 9019
 Last Wednesday Night—Banquet
 Followed Initiation

Six men from the junior class were admitted into the 9019, a scholarship fraternity, at the annual initiation held on last Wednesday night. An elaborate banquet at a local cafe concluded the initiation. The 9019 fraternity is a local organization at Trinity which limits its members to those students of the junior and senior classes who have maintained an average of 90 in all scholastic work for four consecutive college terms. It has its purpose the promotion of education throughout the state of North Carolina, and every year the fraternity conducts a state-wide declamation contest at Trinity College to which all high schools in North Carolina are invited to send representatives.

The horse play and "rough stuff" were administered on Tuesday night by the student members of the fraternity. Cries of "peanut butter; hit me harder" were accompanied by the whacking of paddles and frequent interruptions with the popular goat song, "How Sore I Am." One act vaudeilles were staged in the college dope shop, in front of the Owl Pharmacy, and beneath the windows of the women's building. Acrobatic performances, songs, speeches, and love making constituted the main attractions of the performances. The ardor of the initiates which had been kept constantly warm by the application of paddles was abruptly cooled by a dip into the fish pond in front of East Duke building.

On Wednesday the initiates appeared with red hats, red and white socks, red neckties, and with their coats and shirts worn back side before. The ritualistic ceremonies were performed on Wednesday night after which the new members were taken to the cafe where an elaborate banquet awaited them. Dr. Cunningham, head of the biological department, acted as toastmaster for the evening. Professor Holland Holton and H. E. Spence were each called on for short talks on the traditions and history of the fraternity, and L. S. Elkins told the initiates what the 9019 fraternity had meant to him since his initiation. J. L. Jackson set forth the ideals of the organization towards which each member is expected to strive. The initiates made short speeches of appreciation of the honor bestowed upon them, after which followed a general discussion of plans for the future.

The students who were initiated into the 9019 fraternity were: C. B. Hatch, H. A. Oliver, W. P. Leak, J. M. Keach, R. A. Crabtree, and J. D. Secrest.

**TRINITY ELEVEN TO MEET
 DAVIDSON IN GREENSBORO
 LARGE CROWD IS EXPECTED**

A Large Crowd Expected to View One
 of Most Critical Contests
 in the State

When Trinity's fighting eleven meets the Davidson Wildcats on October 28, at Greensboro, it will be the first time that the two colleges have met on the gridiron in many years. While Trinity's football machine is potentially the stronger of the two, it must not be forgotten that Davidson is a veteran in the game. The Presbyterians have a team that is not to be trifled with, and they will come here with the expectation of carrying away the victory. That element of chance which makes football the premier of college sports, and which so often upsets all "advantage" does, will be sufficient to warrant unusual interest in the coming struggle.

It is to be remembered with satisfaction that Trinity made a better showing last year than did Davidson. Wake Forest beat Davidson, for the first time in many years, by the score of 10 to 7. Then Trinity triumphed over the Gold and Black to the sweet tune of 17-0. This year our showing is even better than last year. The recent Wake Forest-Davidson game resulted in a tie; had Heckman got into the game earlier, the score might easily have been in favor of the Baptists. Davidson and Wake Forest were fairly well matched. A comparison of the scores of the Carolina-Trinity and the Carolina-Wake Forest games shows the odds which the Wildcats will have to face when they tackle Trinity.

**ENTHUSIASTIC BANQUET
 OF LAW SCHOOL ALUMNI
 HELD THURSDAY NIGHT**

(Continued from Page One)

School. His remarks were in good humor and his former students were fervent in their applause.

One of the most interesting parts of the meeting was the good talk made by Chairman Smith as to the progress made by the former Law students in behalf of the new Law building. Mr. Smith told of a visit made by R. M. Gantt, H. G. Hedrick and himself to Mr. Duke in an effort to gain his approval of the plans. Mr. Duke then spoke and declared himself as highly pleased with the results that have been obtained thus far for the Law School. Before the adjournment a committee

was appointed to draw up an appreciation for the gift that Mr. Duke made to the College. The committee was directed furthermore to communicate with Dr. Few the appreciation of the alumni for his efforts in behalf of the Law building. Mr. H. G. Hedrick was appointed as treasurer of the building fund.

Just before the meeting closed, the Alumni directed to name the new building in the honor of Samuel Fox Morehead.

E. M. Barrett '22 has entered the Medical School at the University of North Carolina. W. L. Ferrell '16, a lawyer of Winston-Salem, has been elected to the State Legislature.
