THE MODERN MIND

The short skirt trend, and the short skirt movement, are sweeping across the land.

They are being worn by all ages and all walks of life. The young and the old, the rich and the poor, are all embracing this new fashion.

What will be the end of it all?

But since I look at the modern mind with an excess of compassion, and the modern mind is so full of compassion, I take a kind of pleasure in seeing how much the new fashion is spreading.

Just where is the decency movement going? What will it cost us? Will it turn the world upside down?

SOPHIE WINS OVER JUNIORS 6 TO 0
Supremacy Seven Touchdowns As They Blank Point Deep Future North Tourney

The second game of the annual Point Deep football tourney proved a fiasco for the junior team, which had been victorious in the first encounter. The result was a score of 6 to 0 in favor of the sophomores. The contest, which was scheduled for yesterday afternoon, was played on the junior side of the campus.

The sophomores, who had been defeated by the juniors in the first game, were determined to avenge their defeat. As a result, they had prepared a strong team to face the juniors. The game was played on a hot, sunny day on the college grounds.

The sophomores opened the game with a powerful kick-off, which was accepted by the juniors. However, the juniors were unable to sustain an offensive attack and were forced to punt the ball back to the sophomores. The sophomores took advantage of this and scored a touchdown within a few minutes.

The sophomores then scored another touchdown and a point after kick, giving them a 6 to 0 lead at halftime. In the second half, the sophomores continued their dominance and scored two more touchdowns, making the final score 6 to 0.
