IN ANY group of regular fellows, you'll find Prince Albert. It belongs. It speaks the lan-guage. You get what we mean the minute you tamp a load of this wonderful tobacco into the bowl of your jimmy-pipe and make fire with a match

Cool as a northeast bedroom. Sweet as a note from the Girl of Girls. Fragrant as a woodland trail. Prince Albert never bites your tongue or parches your throat, no matter how fast you feed it. You'll smoke pipe-load on pipe-load with never a regret.

Buy a tidy red tin of P. A. today. Throw back the hinged lid and breathe deeply of that wad into the business-end of your jimmy-pipe and light up. Now you have it . . . that taste! That's Prince Albert, Fellows!
