Letwisch and Symphony Orchestra

A large audience thoroughly enjoyed the presentation of "Miss Cherry Blossom" last night by the men's and women's glee clubs and the symphony orchestra in the Duke auditorium. The production, a lively musical comedy by Dodge and Dodge, was put across with much color and artistry to affect a fitting estimation of events for the musical clubs this season.

The setting for the operetta was Japanese, therefore very gay and elaborate; the typical Japanese tea gardens, lanterns and flowers, together with the vivid oriental costumes of the players themselves combined to produce a very beautiful and picturesque effect. The music (and there was plenty of it) was very tuneful and melodious, while the acting was superb.

The plot of the play is both interesting and amusing. Miss Evelyn Brown, known as "Cherry Blossom," an American girl, born in Japan, and whose parents die of fever, is brought up as a Japanese maiden. Her father's secretary uses her property for his own ends. When Evelyn is about fifteen years of age, the secretary returns to Japan on his yacht with a party of American friends. One of them, Jack Smith, falls in love with Cherry and wishes to marry her, but Kolenko, who has brought her up as his own daughter, wants her to marry Togo, a rich politician. The action of the play centers around Jack's efforts to outwit Togo and Kolenko. Eventually Cherry leaves her true identity, comes into her own property, marries Jack, and all ends happily.

Edna Widenhouse, of Kannapolis, as Cherry, and Robert Bruton, of Candor, as Jack Smith are the leading characters. Miss Widenhouse, a brunette who possesses a very lovely mezzo-soprano voice, is well adapted to the part, proving equally successful as a lover and dancer. Her acting was especially good in the ordinary, "Jelly" Bruton showed some quite clever acting as a woeer outwitting Togo and Kolenko, who try to thwart him in his love. His singing was especially good as he poured forth his soft, lyric tenor in solos and in duets with Miss Widenhouse.

Elizabeth Stallings, of Durham, and Sanders Dallas, of High Point, the two American ladies, who very good, fitting into their parts in Japan. As Hubert Hill, of Winston-Salem, as Togo, the rich politician who Kolenko selected for Cherry to marry, contributes his rich baritone voice to great advantage. Then his portrayal of a rich live-bearing, self-seeking miser in league with Kolenko was well beyond.

COMMISSION HAS SUCCESSFUL YEAR

Inter-Racial Commission, on Which Duke Co-Eds, Is Only One of Kind in State

The only college inter-racial commission in North Carolina, which is composed of representative groups from the Y.W.C.A. of Duke University and the North Carolina College for Negroes at Durham, was successful close Friday afternoon's program for the year.

The commission was organized November, 1927 by the president of the Duke Y.W.C.A., Virginia Stevens, and the president of the North Carolina College for Negroes Y.W.C.A., Vera Bruner, for the purpose of promoting a better understanding between the two races. At the regular bi-monthly meetings, interesting discussions of the lives of prominent men and women of both races recognized as men of their various fields, were held. Charles Hild and Booker T. Washington in education, Walter Hines Page and Frederick Douglass in diplomatic service, George Davis and Mary Bethune in social service, and Carl Sandburg and Countee Cullen in literature, were some of the famous persons studied.

Members of the Inter-racial Commission for the past year have been, Duke University, Virginia Stevens, Edna Weaver, Lick, Esther Morris, and Marjorie Peoples. N. C. College for Negroes, Vera Bruner, Carrie Brown, Joseph Thomas, Floretta Shavers, Esther McColl, and A. Theaia Edmondson.

John C. Burwell, president of the local chapter of O. D. K., announced shortly after noon today that he had received a telegram from Governor A. W. McLean stating that he would be in Durham Saturday, May 19, to deliver the Omicron Delta Kappa day speech. It was thought that the initiation of student, alumni, and honorary members of the leadership fraternity would occur the last of this week, but Governor McLean, who is to become an honorary member, is unable to leave his executive duties before the date named above.

President Burwell stated that the list of students who will be taken into O. D. K. will not be made public until the day of initiation. It is expected that quite a number of men, who have been prom-

Preliminaries For Willy Gray Contest Thursday

Preliminaries for the Willy Gray Memorial contest are to be held on Thursday night. It is thought that there will be about eight or ten to enter the preliminary contest. The finals will be held on June 4th of Commencement week. The annual contest has always occasioned considerable interest, having been a feature of Commencement for many years. In the last few years competition has not been as keen as in former times, but this year it is thought that there will be an awakening of interest in the contest.

SCHOLARSHIP AWARDS WILL BE GIVEN SOON

Four Cash Prizes and Several Medals to Be Awarded to Undergraduates

Four medals and prizes established by friends of the University for the encouragement of scholastic and extra-curricular achievements will be awarded here during commencement.

The Robert E. Lee prize of \$100, established in 1922 by Rev. A. W. Tyler, '92, and Mrs. Tyler, will be awarded at commencement to that member of the senior class who in character and conduct, scholarship and athletic achievement, in many virtues, and the capacity for leadership has most nearly approached the standard of the ideal student. Dean W. H. Wemmannaker, Graduate Manager of Athletics James Deffen, and the president of the Student council will constitute a committee to make the award.

CABINET RETREATS TO OLD HILLSBORO

Y. M. C. A. Officials Make Plans For Next Year Over Week-End

Practically the entire "Y" program for next year was planned last week-end during the Retreat of the "Y" cabinet at Hillsboro. This work will take up where this year's program left off and will carry the program much farther. The work of the Y.M.C.A. in helping the freshmen during the Orientation Week was outlined in detail. Plans for an extensive series of social functions were laid. Tentative plans for the operation of an Employment Bureau were worked out in detail. Vesper services, cooperation with the Durham churches, a series of lectures by outstanding men and other such current problems were carefully discussed and planned. Dr. H. M. LeSourd led two of the sessions and Harry Conant of the University of North Carolina, led the Sunday morning session.

It is reported that the members of the new Cabinet not only learned to work together, but also to play together. Strange tales are told concerning scenes in the moonlight, and it is said that the entire Cabinet was asked to sing in the choir of one of the Hillsboro churches on Sunday morning. The "Y" officials are quoted as saying that they found the best strategy short-cut was the best after throughout the afternoon.

The Y.M.C.A. realized a profit of approximately one hundred dollars from the Tea Garden which was held on the last Duke lawn May Day afternoon. The food, a variety of delicious cakes, sandwiches, and salads, was donated by the faculty and Strawberry shortcake was the best seller throughout the afternoon.

The Garden was filled with customers from the faculty. Cabinet men became so busy in the atmosphere in Hillsboro that they stayed over Sunday night. No details could be obtained.

Those men making the trip were Ray Carpenter, Lillian Pope, Johnnie Weaver, (Continued on page four)

Red Frilars to Tap New Men at Chapel Thursday

Tap day for the Red Frilars senior honorary society will be held Thursday morning, May 17, during chapel period in the auditorium. All juniors are requested to sit in the right hand center in alternate rows. Space will be roped off for them there.

At this time the seven most outstanding men in the rising senior class will be tapped by a hooded representative of the order in token of their elections. This is one of the most distinguished honors that can be obtained at Duke, representing as it does, all the desirable traits of a college student most ideally exemplified by the seven chosen.

TOWN GIRLS PICK YEAR'S OFFICERS

Lucille Mulholland Is Elected President of Town Girls' Government Body

Results of the election for Year's officers of the Town Girls Student Government Organization, were announced at the monthly luncheon given by the organization at the Union Wednesday. Lucille Mulholland was the successful candidate for president, winning over the other candidates, Lucille Hayes, by a decisive majority. The other officers elected were, vice-president, Virginia Holcomb; secretary, Miss Beas Bedford; and treasurer, Ola Simpson.

A business meeting followed Miss Mulholland's acceptance of her office, in which the various committees of this year made reports, and the treasurer's report was heard. A committee which will work during the summer on plans to look after and welcome the incoming freshmen girls was appointed with Lucille as chairman, and May McCracken, Ruth Conant, Maude McCracken, Elsie Williamson, and Lucille Hayes as members.

This concludes the first year of the existence of this club which was organized in the higher type of performance. The last fall to work co-ordinately with the Women's Student Government association in an attempt to promote both interest in the governing body and cheer relations between the town girls and the "Shack" girls.

Besides regular regular luncheon during the year, the club entered the Post Exam Jubilee and won the situation which was offered by the Y.W.C.A. for the best and most original. On the night before May Day, the Town Girls Club instituted a new tradition. (Continued on page four)

NEW OFFICERS OF STUDENT COUNCIL SWORN IN FRIDAY

All Officers and Class Representatives of Men's Association Are Formally Installed

JOHNSON NEW PRESIDENT

Retiring President, Weaver, Administers Oath of Office and Reviews the Work of the Student Council For Past Year; Makes Plea For Cooperation

The officers and class representatives of the Duke University Men's Association were formally installed into office at chapel service Friday morning by the retiring president, Charles C. Weaver.

The inaugural ceremony was colorful and impressive. Ex-President Weaver was given charge of the meeting following a brief chapel service. He reviewed the work of the Student council during the past year and exhorted the students to cooperate with new councilmen and to abide by the laws of the Student government.

Mr. Weaver read the oath of office to the new councilmen after which the new president, Amos N. Johnson, repeated the oath of presidency.

President Johnson outlined briefly the policy he would follow as head of the student body. He added that he would endorse anything and any progressive thing and that he would carry out his duties without discrimination.

The student body passed an amendment to the Student government constitution whereby a freshman board of control will be created. The vice-president of the Student council will be elected chairman of the board and will be assisted by the secretary-treasurer and the presidents of the three lower classes. The board will be voted with the power to punish freshmen who fail to wear caps and to settle minor offenses. The student council will act as a supreme court to the board.

The new members of the student council who took the oath Friday are as follows: Amos N. Johnson, Graduate president; Jennings G. Kirk, Laurinburg, vice-president; John M. Weber, Danville, Va., secretary-treasurer; Joe Carruthers, Greensboro, and Coke Chandler, Camden, senior representatives; Joe Savage, Rocky Mount, and William L. Weber, Berwyn, Md., junior representatives; William Murray, Rocky Mount, sophomore representative; and Sam Holton, Durham, Graduate school representative.

TAURIAN PLAYERS SELECT OFFICERS

Miss Polly Weber Is President; Lucille Mulholland Is Vice-President; Roger L. Direct

The Taurian Players Association, at a recent meeting of the group, elected Miss Pauline Weber, of Danville, Va., president of the coming school year. The organization, one of the largest on the campus, at the same meeting elected: Lucille Mulholland was the successful candidate for president, winning over the other candidates, Lucille Hayes, by a decisive majority. The other officers elected were, vice-president, Virginia Holcomb; secretary, Miss Beas Bedford; and treasurer, Ola Simpson.

A business meeting followed Miss Mulholland's acceptance of her office, in which the various committees of this year made reports, and the treasurer's report was heard. DR. GROSS TO SEARCH FOR NEW THEORY OF SOLUTIONS

Dr. Paul Gross, of the department of chemistry, will spend his six months of sabbatical leave at the University of Leipzig. There he will work in conjunction with Prof. Peter Dabys on a problem in physical chemistry. His solution of which, they believe, will result in the establishing of a new theory of solutions.

Duke Nine Tames Deacons In Ten Inning Pitching Duel

Duke Continues March Toward
State Championship by
Licking Wake Forest

FINAL SCORE IS 3 TO 1
Jenkins Pitches Five Game and Stars
At Bat By Getting a Two Base
Dean Gets Hits

By Paul W. Smith
Duke continued his march toward the state championship by taming the Demon Deacons 3 to 1 in a close and exciting game at Wake Forest last Thursday. The game went nip and tuck for nine innings, each team scoring one run. In the tenth the Blue Devils bunched three hits which brought in two runs and secured the game.

In the second inning, Wake Forest scored the first run of the game when Scarborough took a base on balls and scored on Reynolds' misplaying triple into deep left field, the only error he hit the Deacons made. Duke's first run came in the sixth as a result of a single and two sacrifice hits. Adams, the first baseman, up, gained first base on balls. Werber hit a grounder to second and was put out but left the play sacrificed Adams to third. Kistler came up next with a sacrifice fly into left field which sent Adams home, making the score one. The score remained tied until the third inning when Duke staged a rally that won the game.

Dean led off the sixth inning with a double. He scored a moment later when Hawkins sent a hot single into right field. Warren filed out to center field, but Jenkins hit a double scoring Hawkins. Lefty Jenkins served the Deacons another goose egg in the last half of the Blue Devils.

The most outstanding feature of the game was the pitching duel between Jenkins, of Duke, and K. Joyner, of Wake Forest. Jenkins pitched masterful ball at all times, holding the Deacons at bay throughout the ten innings. Joyner held the Blue Devils to two hits until the tenth when he weakened and allowed two more hits which brought in the winning run. He retired in favor of James who allowed one hit and one run.

The Blue Devils play State Thursday and Carolina Saturday on Hanes field to end the hardest schedule ever undertaken at Duke University. Duke will have to win both those games to have a chance for the state title. At the present Duke holds second place in the state championship line up.

Duke Takes Five Firsts While
Carolina Gets Seven. Free-
man High Scorer

Last Thursday afternoon in the last track meet of the season for Duke, the Blue Devils were forced to bow to defeat before the Tar Babies from Carolina. In the first meet of the season, the Tar Babies dominated the Imps by more than 90 points margin, but in this meet they were only able to take a four point lead from the Duksters, the final score being 68-64. This difference in scores of the two meets shows how much the Blue Imps improved when they got into mid-season form.

Freeman, Duke ace, was the high scorer, taking 19 points for his team. He placed first in the High hurdles, high jump and broad jump and third in the hundred yard dash, and second in the hot put. Duke took five firsts Carolina seven and two were tied.

This meet closed a rather remarkable record for two of the Blue Imps, Freeman and Simon. Freeman has taken first in every meet in the high jump an Simon has placed first in the mile in every meet this season.

Summary:
100-yard dash—Murray (Duke) and Gay (Carolina) tied for first; Freeman (Duke), third; time 10.4 seconds.
One mile—Simmons (Duke), Perrell (Carolina), DeLoach (Carolina); time 4 minutes 42 seconds.

220-yard dash—Gay (Carolina), Murray (Duke), DeLoach (Carolina); time 2:32.
Pole vault—Turner (Duke) and Nisman (Carolina) tied for first, Arnold (Carolina) third.

Shot put—McKinney (Carolina), Freeman (Duke), Blackwood (Carolina); 35 feet 1 1/2 inches.
High hurdles—Freeman (Duke), Helms (Duke), Goodwin (Duke); time 17.2 seconds.

440-yard dash—Medford (Carolina), Kraski (Duke), Krammoff (Duke); time 3:52 seconds.
Two-mile—Bacon (Carolina), McKelvy (Duke), Fisher (Carolina); time 10 minutes 58 seconds.

EIGHT VETERANS RETURN
Mermen to Meet Strongest Teams
in the Country Next Year; Fish
Barhardt Captains Team

With a lively looking bunch of youngsters and with practically all of last year's men back, Coach Canfield is working his Fishmen out daily with the intention of turning out a Southern championship swimming team next year. Only one man of this year's varsity graduates this year, Atwood who starred in the back stroke events being his team.

Mr. Canfield has as the basis of his team the Earnhardt brothers, "Phil" and Fred, both of them southern state champions. Fred holds the title in the 100 yard breaststroke event, and Phil holds the record in the 50 yard free style, tied as captain for the 1938-39 team. In addition to these men, Coach Canfield has the following men of this year's squad back for next year: Gibson, Connor, Baughman, Westbrook, Melton, Bennett, O'Keefe, Derrickson. He also has some likely looking new men out, among whom are Zimmerman, Kals, Foreman, Hobbs, Layton, Robbins, Harold Gibson, and Buren Bennett, Sailer.

Manager Bill Gross has secured tentative meets with Georgia Tech, University of Virginia, and Washington and Lee, and it is hoped that meets with several of the larger southern institutions will be secured and that it will be possible for the Mermen to take a northern trip.

In the diving Gibson and Connor are back from last year, while Baughman, Sudler and Todd are also trying out for places. Baughman and Melton are showing up well in the back stroke. In the distances, Baughman, Melton, Bennett, Westbrook are leading a lively looking bunch just at present. For the dashes, Coach Canfield has Phil Earnhardt and Derrickson to base his team on, while in the breast-stroke event, Fred Earnhardt, Bennett, Westbrook and O'Keefe are showing up well.

Crews Working Well

The freshman tennis team defeated the varsity in one of the most exciting matches of the year last Saturday on the Duke courts in a practice encounter. Captain Stewart Rogers won over his brother George Rogers, while Hargrave beat Frank of the frosh team. Erwin, Dorsett, and Mitchell lost to Folk, Mines and Ligen, respectively.

In the doubles matches, Captain Rogers and Holton of the varsity, won over T. Rogers and Folk. This match was very close throughout, and the relative strength of this year's frosh team was easily shown, having among their line-up the high school champion of New York state. The other doubles won by the freshmen when Mines and Frank won over Wood Dorsett and Ham Hargrave of the varsity crew, the third and final doubles match was also won by the frosh. In this match Erwin and Mitchell bowed to the onslaught of Ligen and Handforth.

The varsity have two games scheduled for this week, Carolina plays here Saturday and Wake Forest on Friday. These games should create a lot of interest in this sport at Duke and some several games are expected to be played. Captain Rogers has recently completed at the inter-collegiate meet at Carolina and is now in the semi-finals.

Carolina will journey over here the latter part of the week to engage the frosh tennis team, and every thing points to a decisive victory for the Duke men.

showed up well, and it is expected that they will check in a large percentage of wins in the 1929 season.

Review Shows Remarkable Records Broken on Track

IMPS LOSE BALL GAME TO STATE

Poor Support Given Moun-
tain Tucker Cost Frosh
Another Ball Game

The Duke Blue Imps were defeated at the hands of the N. C. State frosh Monday by the score of 8 to 3. Many errors for Duke as well as the superb pitching of the State moundmen were too costly for Coach Capener's proteges and it was State's game from the third inning.

The Blue Imps could not get together and complete with the heavy barrage of hits laid down by the State frosh. The freshmen could not hold their lead of the second inning when Smith made the first tally of the game when Cotton's roller to second was error. State came back in the third and made three runs on errors as most of their scorers were. Duke made their other two in the sixth when Harrington's three bager to right center brought Forbes in, Harrington scored when Harrie by to right field was snuffed.

Tucker had poor support in his attempt to bring the Blue Imps out of their slump, nearly every State run being scored as the result of an error. The game was ragged throughout and neither team can be complimented upon their playing although some credit should be given to State's team.

With Second Place in State Meet.
Captain Erwin Won Silver Cup

The Duke track team has just completed one of the most successful seasons ever had by a Duke team, having won over Washington and Lee, Davidson and State and second place in the State meet to their credit.

Tuffie and Woodward started the season with a bang when they set new marks in the two mile and mile respectively in the South Atlantic Meet in Richmond on February 18th. Duke placed second in this meet, and this was very good, as the Devils only had a five man team entered. On the following Saturday the Devils placed first in the fourth annual invitation games at the University of Virginia with John Woodward again lowering the record in the mile. In the Georgia Relays, the Duksters took second in the sprint medley and third in the distance medley. All the outstanding teams in the country were represented in this meet, and the showing made by the Devils is good indeed.

In the state meet in Greensboro, the Blue Devils took second place and showed up very well against all the teams in the state. Captain Bud Erwin set a new school and state record in the 440 when he stepped it to the time of 30.4 seconds. Later he set a new school record.

NEW FLAG POLE IS NOW ERECTED

Flag Has Flown Above Trinity Campus Since Shortly After Close of Civil War

Soon after the Civil war when Trinity college, then located in Raleigh, N.C., raised the stars and stripes to the breeze, a precedent was set for Southern institutions. Furthermore, Trinity was the first non-military institution in the country to adopt a flag ceremony, and every year since at commencement time the lowering of the flag has been the last act of the assembled graduating class.

The impressive flag-lowering exercises will be continued at Duke this year, notwithstanding the fact that last fall for the first time in many years the senior class were prevented from carrying out the traditional flag-raising ceremony for the good reason that there was no flag pole on the campus. The historic pole which had seen many such exercises was taken down after commencement last summer when landscape architects began to make over the old campus. Then all year, for the first time in many years Old Glory has not appeared above the stately Duke campus and its flag.

Eventually a towering steel pole will be erected, but in order that the traditional flag ceremony will not be missed this year, university officials have had a slender wooden pole of considerable height erected near East Duke building. Therefore the complete class day exercises will be assured on Wednesday, June 6.

The old flag pole was their memorial gift to the college in the year 1889, and for more than a quarter of a century it stood in front of venerable Craven Memorial hall and directly down the main driveway. Members of the class of 1890, it is understood, are going to provide the permanent steel pole to be erected next year.

Exercises around the pole at commencement closing are held at the moment of sunset, and are always attended by a large crowd. After the flag is taken down, the graduates give a cheer, and part perhaps never to be completely reunited again.

OFFICERS ELECTED BY MINISTERIAL SOCIETY

Brown Chosen President and Tilley Vice-President; To Be Installed Friday

On last Friday night, at the regular weekly meeting of the Duke ministerial association, the following officers for the ensuing year were elected: President, C. D. Brown; vice-president, L. A. Tilley; secretary, C. M. Smith; and treasurer, C. J. Andrews. These officers will be duly installed on next Friday evening.

The ministerial association, which is composed of undergraduate members of the Religion group, was formerly known as the ministerial band. As such it automatically included all the undergraduate ministerial students, while the ministerial association, which was organized last year, is purely a voluntary organization.

Officials of the association state that an effort will be made to stimulate greater interest in religious work, and plans are being made for the presentation of numerous activities for next year. The retiring officers are C. P. Bowles, president; R. L. Howard, vice-president; L. A. Tilley, secretary; and A. S. Nobilit, treasurer.

SOPER RETURNS FROM CHURCH CONFERENCE

School of Religion Dean Back From Kansas City After Absence of Six Days

Dr. Edmund D. Soper, dean of the school of religion, has returned from Kansas City, Missouri, where he spent all of last Wednesday and Thursday attending the general conference of the Methodist Episcopal Church, which convened in Kansas City last week.

Dr. Soper's primary objective in attending the conference was to give an address on Thursday afternoon at the anniversary of the Board of Education of the church. The topic of his address was, "Can we afford not to have an educated ministry?"

One feature of the work which Dr. Soper reports is of special interest in the formation of a Commission on Unification, which is to take up the matter of unification not only with the southern Methodist Church, but with any others who desire a unification of our American Christianity.

Although Dr. Soper was absent from the University six days last week, only two days were spent in Kansas City. Due to the long route by which he had to travel, having left here on Monday, he returned to Greensboro last Saturday night, preached there Sunday morning, and reached Durham Sunday afternoon.

NEOPHYTES GIVEN BANQUET MONDAY

Sigma Upsilon, National Literary Fraternity, Honors Initiates With Banquet

The annual spring initiation of the Fortnightly club of Sigma Upsilon, national literary fraternity, was brought to a close Monday evening with a formal banquet at the Washington, Duke hotel, honoring the new members. Eight students and two faculty members were initiated into the fraternity Friday.

The student initiates were made to wear the Greek letters of the fraternity on their cheek during the initiation day. An unabridged dictionary carried by the neophytes throughout the day suggested their literary aptitude. Friday evening the new men were required to visit prominent places on the campus at five in beach costumes.

Dr. N. L. White, of the Duke University, was toastmaster at the fraternity banquet Monday evening. The principal speaker was Prof. Edwin Davidson who is an officer of the fraternity. A number of faculty members attended the occasion as guests of honor.

The new members of the fraternity are: Arthur D. Bridges, Marshall C. Jennings, G. King, Homer L. Lipard, Liston C. Pope, Fred Roper, David H. Thorpe, D. K. Jackson, J. and Lewis Tatten and William Blackburn of the English department.

SHRYOCK HONORED BY RECENT AWARD

Dr. Richard H. Shryock Is Awarded First Berkeley Scholarship

The influence of health and disease on progress of the American people from the decade after the Mayflower landed to the present, is to be the object of research by the American Historical association, it was announced today.

Dr. Richard H. Shryock, of Duke University, Durham, N. C., first research scholar selected under the Berkeley memorial fund of \$50,000 founded by Mrs. Albert Beveridge, widow of the Indiana senator, will undertake the task. The study will be the first of its kind ever made, the association said.

The selection of the Duke man was announced shortly after the new year from the university here, the announcement appearing in the columns of *The Sun*.

Investigation of the relation of health and disease to various aspects of life, in several chronological periods and the interrelationship of these aspects, is planned by Dr. Shryock. The study will be divided into five periods: provincial 1680 to 1800; middle period, 1800-1850; Civil war and reconstruction, 1850-1870; medieval renaissance and public health movement, 1870-1900 and the recent progress and present problems from 1900 to date.

Dr. Shryock's studies will center largely in Washington, D. C., and Philadelphia, the announcement said.

WOODLAND LAWN SCENE OF ATTRACTIVE CONCERT

Last Sunday afternoon on the woodland lake, scene of the annual May Day celebration, an impressive open air concert was rendered by Duke's 40-piece band, under the direction of George E. Leftwich. The men's glee club, directed by J. Foster Barnes, sang several attractive selections.

A large number of students and people of Durham witnessed the concert, which took the place of the regular Vesper services. The favorable comment made by several of the audience following the performance indicated that they were delighted with the music and songs.

SCHOLARSHIP AWARDS WILL BE GIVEN SOON

(Continued from page one) will be awarded to the best self-help placed on the student's literary scholarship. In awarding this prize, emphasis is placed on the student's literary work rather than on his athletic record. The Wiley Gray Medal will be given the best orator in the senior class at commencement. The combination of declamation and composition is considered in this contest.

An anonymous friend of the Undergraduate of the Southern History prize of \$25 to the member of the Trinity College Historical society who writes the best essay relating to Southern history. Prizes and medals for the best literary productions, the best debaters, and the best science students are to be awarded before the end of the term.

GLEE CLUBS WIN NEW LAURELS IN MUSICAL CONTEST. (Continued from page one) reproach. "Kokomo," Cherry's godfather, was played by W. M. Upchurch, Jr. of Raleigh. Mr. Upchurch, a freshman at Duke handled one of the most difficult parts of the play almost to perfection. Indeed his portrayal of that role might well be compared with the acting of all the actors that they were very well fitted and went through their parts very creditably.

A feature of the production was the dancing and singing of the "Kokomo" girls, who are in Japan what is known as the modern flapper in America. An American chorus of perhaps forty rendered very beautifully several waltzes and dances. Also the wonderful music furnished by the symphony orchestra cannot be overlooked. The entire cast was very large, perhaps seventy-five participating in the production.

"Miss Cherry Blossom" was directed by J. Foster Barnes, director of music here, while Mrs. Barnes assisted in training the girls and George E. Leftwich, conducted the symphony orchestra.
