

WSGA Presidency Race Looms Between Savage And Hanks

Forecast Close Election On East

By Steve Richardson
With the annual WSGA elections scheduled for Monday night March 1, Jean Savage and Nancy Hanks are up as probable candidates in what appears to be a hotly-contested race for the presidency on East.

Although the final state will be drawn up following Board interviews of candidates tomorrow afternoon, the Chronicle lists the following candidates who have applied for nomination to the top East campus posts: for the job of chairman of Judicial Board, Mary Robinson and Betty Bob Waters; for Executive Vice President, Mary Robinson, Lucy Watson, and Shirley Field; for chairman of Social Standards committee, to Debbie and Lundy Silver; for Executive secretary, Betty Sue Harwood, Sylvia Sasser, and Nancy Hanks; for Judicial secretary, Mary Lora Kern, Mable Mackay, Duane G. Goss, and Lillian George; for treasurer, Cynthia Bearell, Duane Goss, David Cramer, and Pat Bell.

Revised Procedure
According to recently-revised election procedure, the interested board will nominate the candidates they deem qualified. House presidents, presidents of dorms, and members of the University Publications Board will be elected Monday night.

Fresh Divines
Fresh Divines, in all class elections has announced the following schedule for class elections on East:

March 8—Petitions for offices, signed by 25 members of the respective classes, are due in Miss M. G. Wilson's office at 12 noon.
March 9—Rising Junior and Senior primary elections.
March 10—Rising Junior primary elections.
March 13—Rising Junior and Senior elections.

March 16—Rising Sophomore final elections.

Coed Disapproval Prevents Social Standards Change

According to an announcement made this week by William Wiley, chairman of Social Standards Committee, the revised plan proposed by the WSGA meeting this month may not go into effect this Spring week of student opposition to the changes.

The proposed changes were an administrative adjustment made by the present Social Standards Committee, and therefore not submitted to a student vote. Noting the general disapproval of the plan expressed in house meetings and casual conversations with Wiley, the committee plan may fall to function properly with such an evident lack of support.

Proposed Revision
The proposed revision provided for the election of representatives to the committee by the students of each dormitory and the Town Girls Club. These elected representatives would be officially recognized by the WSGA council. Formerly, the committee, an auxiliary organization of the student government, was chosen directly by the students. When the committee election of the committee by dormitories gives coeds more of a voice in choosing their representatives.

A second feature of the new plan was the establishment of a Social Standards court to hear appeals of the regulations directly on the legislative committee. The opinion of Social Standards, the committee could function more efficiently if freed from the interference of administrative powers—particularly in cases similar to those which have caused the committee to be the sale of bids to the Coed Ball.

This week a graph was put up

in the lobby of the West Campus

University showing the average

contributions per person of East

and West camps which were ap-

proximately \$1.04 and \$3.00, respec-

tively. Contributions from those who have not yet donated are being received at this point.

Tom Driver, chairman of the WSGA, said in a Chronicle interview to-

day that in some of the dormitories many of the students who

have not yet donated are being re-

ceived at this point.

Out of the Bandbox

see the new ears...

by Elizabeth Woodward
*America's foremost authority on
pamper people's problems*

 Just never had anything like that happen to her before in all her life! She was brushing with a "She wanted to try it out and both your cooed her way. She wanted you to listen to every single word. She wanted you to react, to agree, to comment... gawds like her own.

And what did you do? Were you the perfect listening too? Or did you lend her only one ear and half your mind? Did you fiddle with your haircoat while you wiggle, experiment and look-here-on her? Did you try reading your way into her story to spring for her? Or were you just for one listening point before you lugged off with a carefree tale of a party?

Some people can't even only for pauses in conversation. Comes a hell for hell and first pause. As recollections that can't be out of them. They can't leave any others how too much talking time. The question is, what do you do? Do you stop? Or do you just say enough to do.

Interrupting will get the pain in your neck. You can make a one and drive off in your own direction. If you're interrupted in your, by "I'm not done," you get back to the starting point. You can always dash off at another tangent. You can leave any unfinished eye dangling in mid-air.

Indifference will take all the stress out of a story. Tells "So what?" will delete him. It will contradict his intentions, weaken, preoccupation. You won't have to baffle in words. Your shrugged shoulders, cocked eyebrows, critical smile, faked attention will do it.

Topping this tale will really put it in its place. "But you ought to hear this!" makes such a squaking sound. No reaction from either a burst of speed or a full automatic, more interesting story of your own. Really exciting things happen to read.

Why do you suppose tell you anything or you won't listen? If they should they start anything if you won't then finish that? Why should they hear their excitement or their own with you. If you won't react? Why worry over who you're going to say next?... when you can break people for the right way by leading both ears to what is said to you!

Devil Cagers Clash With White Phantoms

Dukes Top Deacons By Point; Set For Crucial UNC Contest

Duke's Blue Devils, very much in the running for a Southern Conference Tournament berth after their 49-48 victory over Wake Forest Tuesday, entertain the White Phantoms of the University of North Carolina in the Indoor Stadium tonight at 8:30 in what promises to be one of the best basketball exhibitions to be seen here this year.

A victory tonight will automatically place the Big Blue among the eight qualifying teams for the tourney, while in the event of a defeat at the hands of the Tarheels, Duke will have to play Davidson in a sink-or-swim proposition next Monday here at Duke. It has been rumored by reliable sources that in the event Duke wins tonight, the Davidson game will not be played as both teams will already have qualified for the tournament.

Coed Corner

By MARY ROBINSON

Combining speed, cooperation, and accuracy, Southgate players defeated the Giles House team, 22-17, to win the Inter-dorm basketball championship for the third consecutive year.

Southgate had previously romped over Alspaugh, 34-12, and over the Blue Devils, 22-17, winning by a score of 22-11 in the semi-finals. Consistently good team playing by the Southgate girls made for a margin of victory over other houses who showed only signs of accuracy. Rumor has it that the girls on the hill took advantage of their gym facilities for mid-night practice sessions. But practice or no practice they're still top on East. Members of the winning team include: Jo Davies, Ruth Kendall, Mary Ann Menefee, and Shirley Zittrouer, forward; Peggy McMill, Nora Clavner, Nancy Schmidt, and Louise Jones, guards.

With seventeen credit points, the Modern Dance club will present its annual recital Tuesday, March 10, at 8:30 p.m. in the Woman's College auditorium. Choreography for the dances has been arranged by club members under the direction of Jennifer Harrison, president, and Miss Modena Lewis, adviser. Marge Caldwell, Jo Rae, and Jo Reynolds will solo numbers in the evening's program.

Bowling club members met every Thursday evening at 7:30 p.m. in the Ark, with the inter-dorm tournament scheduled to begin next week.

Dukes Compete In Chapel Hill Meet

The Blue Devil track aggregation, which showed promise in the Maryland Invitational Meet last Saturday, journeys to Chapel Hill tomorrow to compete in the Carolina Invitational Meet. The first events will be under way shortly after 1:30 p.m., and the meet is expected to continue until that evening.

This meet is probably the largest indoor meet that will stage in the South this season. Fifteen track meet squads, representing leading Southern colleges, will attempt to gain the laurels. Carolina is favored to lead the field, but the greatly improved Maryland squad may prove that it can score as consistently as it did in the Maryland Invitational Meet.

The Dukes will enter a well rounded squad in this important meet. In the high and low hurdles, Ross and Seppine will see action; and Aubon, defending broad jump champ, will attempt to retain his crown. O'Leary and Davidson, state champion Blue Devils, are entered in the shot put; and Bowles, Colvin, and Jackson will aim for the fifteen foot marker in the pole vaulting event. "Red" Lewis will compete on Day and Rowe in the sprint and expects big things from Bulluck in the middle distance runnings. For a try for the mile, and fromman Kendrick will shoot for top honors in the two mile event.

The last moving quarter of spring holidays are softball, basketball, tennis, badminton, baseball, track, golf and horse shoes.

Duke Matmen Down VPI, Lose To W. And L.; Tangle With VMI Today

IM All-Stars Meet Jayvees Tonight

Tonight at 6:45 Duke's Junior Varsity basketball squad will meet the Intramural All-Stars in a preliminary game before the Duke-Carolina tussle.

The All-Star team, coached by Intramural Manager Ted Villanueva is a potent aggregation composed of seventeen outstanding players. In three previous years, the All-Stars have beaten the Junior Varsity; last year the score was 34-22.

The predicted starting line-ups for tonight's game will be:

Intramural All-Stars:
G Hank Bedell, Delta Tau Delta
C John Lentz, Phi Delta Theta
C Craig Kunkle, Capt. Sigma Chi
R Ray Campbell, House M
F Jack Ryd, Sigma Chi
The Duke All-Star team consists of: guards, Howard Harrison, SAE and Aubrey Sweet, "Stage", Bill Griffin, Lambda Chi Alpha, and Rollo Hodges, KA; forwards, and Norm Bender of the "Globe Trotters". Other All-Stars are Zeno Edwards and Bob Frye, Hamilton, PJ Kappa Phi; Jack Ealick, Phi Delta Theta; Charlie Adams, Sigma Chi; "Cuz" Wahlen, Kappa Sigma.

Sports which will be emphasized by the Intramural after spring holidays are softball, basketball, tennis, badminton, baseball, track, golf and horse shoes.

Devilish Down VPI; Set For Southern Loop

The Duke Devilish, winning every event except the 440 freestyle relay, defeated Virginia Tech 41½ to 31½ on the Dukesters' invasion of the Old Dominion last week.

Pacing the Duke scorers were Bill Adams, who copped the 220 and 440 freestyles, and Bill Brackney, who captured first places in the 100 and second in the 220. It was Brackney's initial performance in the 220, and Coach Jack Persons says that the big speedster should be much better in the future at this distance. John Conner again took first places in the diving.

The Devilish will have 17 representatives entered in the annual Southern Conference meet scheduled at Chapel Hill for March 5th and 6th. The Blue Dolphins of the University of North Carolina, who are tabbed as having one of the top three swimming teams in the country, will be odds-on favorite to retain their championship won last year. The rapidly improving Duke team is expected to fight it out with an unusually strong N. C. State squad for runner-up honors.

A bright note for Duke followers was sounded by Coach Persons as he remarked that 15 out of the 17 men entry will return for next year's team. The bulk of those returning are now freshmen.

TIME OUT

By JACK FOSTER

With the winter sports schedule drawing to a close this week, it seems a good idea at this time to look back over the records of Duke's three major winter sports aggregations.

Last Tuesday, the Duke Tankmen ended their 1948 season by dropping one to the powerful UNC pluggers. This has been a peculiar and unfortunate season for Coach Jack Persons' charges. According to Persons, the present Devil squad is the best that Duke has ever had, considering all events. However while Duke has good boys, it seems that the teams they have met have as good or better men, and the Duke's showing has not been outstanding.

The showing of the Devil matmen is probably the most praiseworthy of the entire winter scene. The groaners wound up their season today when they played host to the Virginia Military Institute. Two losses and one tie mar the wrestlers' perfect record, but the outstanding ability of men like Wamsley, Kusturis and some others will make Duke a powerful force in the coming Southern Conference meet.

The question in our minds right now is: "Will Duke go the Southern Conference Basketball Tournament?" The devil cagers improved their somewhat shaky chances by toppling the Demon Deacons on Tuesday night, but there still remains the tough tilt with the White Phantoms scheduled for tonight.

We were interested to note that Duke University will be unofficially represented in the annual Tri-State Golf Tournament at Aiken, South Carolina. Buddy Mulligan, Bailey Glenn, and Jim McNair have gone down to participate.

from those persons expressing a preference for the Democratic Party. He stated, "This poll shows a definite cosmopolitan spirit in the Duke community, and it also shows a trend among the students from the solid Southern states toward a desire for the two party system." It might be noted also that only 21 per cent named President Truman; yet, 43 per cent stated a Democratic Party preference.

Lack Political Interest
Over 74 per cent of those who were polled indicated that they had no interest whatsoever in campus political organizations. The

poll brought out the fact that the communists have less than a 1 per cent representation and that the supporters of Henry A. Wallace are only approximately 2 per cent strong. One might note also that 86 per cent of the preference expressed for President Truman came from students who came from the Southern states. Less than 18 per cent of the student body participated in the poll.

List Program

The program committee, composed of Dean Hall, Prof. H. G. Batty and Prof. Emil T. Chantrel of UNC, and Prof. A. E. Williamson of State, has worked out a program opening at 9:45 a. m.

with a discussion of water treatment around the world followed by a film on the construction of the Belem Dike in Brazil and a discussion of field opportunities for sanitary engineers.

At 12:30 the conferees will attend an informal lunch in the Oak Room. Dean Hall pointed out that the lunch would offer an excellent opportunity for those not interested in the program to meet the Latin American visitors.

Following lunch, the conference will be resumed with a discussion of sewage disposal problems and methods in the Western Hemisphere and will close with the motion picture "South of the Border with Disney."

The conferees will inspect the added facilities for the study of sanitation offered by the civil engineering department in the new engineering building.

For chuckles during this irritating period of waiting until the weather clears and the chaperoned vacations start in the sun, watch Cadillac Howell being smooth with pretty Pat M. around town . . . that are stoppers...

Perhaps you won't stop traffic in these new "Stopper Stripes" by Van Heusen. But you will stop more than your share of admiring glances. These smart new patterns are exclusive with Van Heusen—you'll find them on no other shirt! All of them boast new low-cutting "Comfort Contour" collar styling and other fine details of Van Heusen's magic seamanship. All Satisfactor—new shirt free if your Van Heusen shirts out of size \$3.95 and \$4.95. Phillips-Jones Co., New York 1, N.Y.

WHY I smoke Chesterfield
(FROM A SERIES OF STATEMENTS BY PROMINENT TOBACCO FARMERS)
"Liggett & Myers buy as fine tobacco as there is grown. They buy only mild, sweet cigarette tobacco."
"I smoke only Chesterfield cigarettes and I have smoked them right from the start."

P. V. Hardy
TOBACCO FARMER, MULLINS, S. C.
