## Pan-Hel Assumes Top Sandals Office In Elections Yesterday

Clute, Schwarz  
Farris Also Win

Sandals elections last night placed Goolie Taylor, Marjorie Clute, Laura Schwarz, and Charlotte Farris in the president, vice-president, secretary, and treasurer posts for the next year.

Tapped in impressive ceremonies two weeks ago, the twenty new members of the sophomore women's honorary organization are Virginia Kaurin, Marjorie Clute, Charlotte Farris, Clute, Sarah Dickerson, Didi Dunphy, Charlotte Farris, Loring Fountain, Goolie Taylor, Hollinsworth, Merlyn McClure, Ann McSwain, Beverly Nelson, Farris, Dottie Loveland, Laura Schwartz, Libby Stutz, Margaret Taylor, Mary Jo Taylor, Mary Elizabeth Walters, and Peggy Wilkinson.

Chosen on a basis of outstanding leadership, scholarship, and potentialities, Sandals are recommended by leaders of most campus organizations.

The new members will be in the annual Sandals-WSGA banquet, the date for which is tentatively being set for April 18.

Corresponding to BOS on the Sandals, Sandals' duties include care of the Ark, checking the roll, and counting votes. The Sandals are also in charge of the new cove, guide year, and, proctor in placement examinations.

## Social Standards Plans Breakfast

Washington Duke Hotel is the scene of a breakfast honoring Social Standards members.

Julia Genette has been named Editor of the Rules and Regulations of the Social Standards. The new editor is in charge of the new House rules. The new House rules are as follows: Betty Smith in Aycock; Betty Smith, Alphonse, and Betty Smith in Aycock; Betty Smith, Alphonse, and Betty Smith in Aycock; Betty Smith, Alphonse, and Betty Smith in Aycock.

Girls will be given no more warnings for broken rules by Social Standards members, but will receive direct punishment. In the past, a girl was given one warning before a penalty was initiated.

The annual Social Standards banquet is being completed now and will leave the campus next fall.

## Duke In The Service

From the far-flung battle fronts of the world to the many corners throughout our own country, Duke alumni are taking their places in the forefront of the nation's war effort.

Miss Helen Smith, a member of the Duke University, received dozens of letters each day from these young men, who are serving in the many corners of the world.

"Joy Davis," 41 wrote that he is now stationed in England only 70 miles from his brother Bill, who is stationed in London, according to Jap's last letter.

Mitchell Kellog, 38 was in hospital in Italy and then North Africa over three months, after returning from the line in Italy all last fall.

Bill Karp, who graduated from the Engineering School in February, has been stationed at Fort Schuyler, New York.

Ensign James Carr, D.S.R. 43 and recent editor of the Chronicle, has written from Bowdoin College, Maine, where he is in an advanced naval course. He reports that Tommy Hartley, who is stationed in Italy, is in an advanced naval course. He reports that Tommy Hartley, who is stationed in Italy, is in an advanced naval course.

## Coed Exams Are Rescheduled; Will Continue May 15 To 25

Final examinations for East Campus will begin Monday, May 15 and continue through Thursday, May 25, according to the schedule released today by Mrs. Haren Smith, associate dean of the Women's College.

The exams will be the usual three hours in length beginning at 9:00 a.m. and 2:00 p.m. periods, six days in the week.

Schedule for classes meeting on Monday, Wednesday, and Friday is as follows: fifth period, Monday, May 15, at 9:00 a.m.; fourth period, Tuesday, May 16, at 9:00; third period, Wednesday, May 17, at 9:00; second period, Thursday, May 18, at 9:00; first period, Friday, May 19, at 9:00; and sixth period, Friday, May 19, from 2:00 to 5:00 p.m.

Classes meeting on Tuesday, Thursday, and Saturday will meet for exams as follows: fourth period, Saturday, May 20, at 9:00; third period, Monday, May 22, at 9:00; second period, Tuesday, May 23, at 9:00; first period, Wednesday, May 24, at 9:00; fifth period, Thursday, May 24, at 9:00; and sixth period, Thursday, May 24, at 9:00; and sixth period, Thursday, May 24, at 9:00.

Under no circumstances will exams be held before 9:00 a.m. May 15 or after 5:00 p.m. May 25.

A capacity crowd expected at the Duke University, Durham, N. C., for the annual Spring Naval Ball April 22 will be in honor of Captain A. T. Clute, whose assignment to another command was disclosed recently.

The 114 ROTC students this week received three bids to the ball, which was held by the ROTC. The ROTC students were given three bids to the ball, which was held by the ROTC.

## Campus Broadcast Cancelled Saturday

"Campus Time," weekly half-hour all-Duke radio show, will not go on the air tomorrow night due to conflict with the WNCB broadcast of Duke's opening baseball game with North Carolina Pre-Flight.

The program, heard last week from the Ark, will again be presented next Saturday afternoon, in the Ark at 4:35 p.m. over WNCB.

Tomorrow's game will be heard from 9:00 p.m. until 5:00 p.m. over WNCB.

## 'Little Fox' Tickets Go On Sale

Tickets for Duke Players final production, "The Little Foxes," to be presented in Page Auditorium on Thursday and Friday nights, may now be secured on sale Monday, April 24.

Tickets will be sold in the Wake Chapel entrance from 12-2 P.M. Monday through Friday, and the box office in Page Hall remain open from 2-3 P.M. for reservations.

"The Little Foxes" is a fast-moving story of one of the most despicable, yet intriguing families ever to be seen on any stage. The plot concerns the underhanded and unscrupulous activities of Regina Glendens and her brother, Benjamin Hubbard, in their efforts to make a fortune in the cotton industry and thus be able to exchange the life of the small southern merchant for that of a prosperous northern society leader.

## WAA To Sponsor Last Open House

The completing of the open house for the WAA board, which is being held by the doors of the Women's College Gymnasium this Friday night, will bring to a close the last open house of the WAA.

Activities for the evening will include dancing, swimming, basketball, shuffle board, darts, and other sports sponsored by the WAA. The evening will be held from 7:30 until 9:30 p.m.

By next Monday the entire school will be in the WAA board for the 1944-45 season will be completed after a meeting of this board. The board will be held on Monday, April 24, at 9:00 a.m. in the WAA board.

The board will be held on Monday, April 24, at 9:00 a.m. in the WAA board. The board will be held on Monday, April 24, at 9:00 a.m. in the WAA board.

## Pan-Hel To Revoke Charters For Future Legal Initiations

Three More Fraternities Take \$25 Fine Pan-Hel members voted Tuesday night to expel any fraternity from the campus which initiates two men without Dean's Office permission in the future.

A \$25 fine will be imposed on fraternities for the initiation of one man without the required permission of the Dean's Office.

The Pan-Hel drive against illegal initiation was approved last week when Pi Kappa Phi was fined \$25 for a violation. In the spring of 1943, The \$25 penalty was hastily-drafted and the resolution, which was passed, was a partial answer to campus observers who complained of the leniency of the sentence.

President Bill DeBute asked for admissions of similar guilt for other chapters prior to passage of the new penalty. Any fraternity admitting illegal initiations would be fined \$25 also. DeBute said, but those not meeting the volunteer service information would pay the full price of possible revocation of their charter. The fraternities were discovered later.

Sigma Chi, Lambda Chi Alpha, and Phi Kappa Sigma responded to DeBute's demand, admitting initiations without Dean Herring's permission, were fined accordingly.

The Sigma Chi case will feature the next Council session. DeBute indicated after a conference with Herring and Gene Lindberg, Sigma Chi president. The initiation was not deliberate, DeBute insisted, since Sigma Chi officials were unable to contact the dean before the ceremony.

Simultaneously with the passage of the stiff expulsion penalty, Pan-Hel approved a registration system whereby fraternities would be required to register with the Dean's Office with the Dean's Office with the Dean's Office with the Dean's Office.

DeBute said he will be required to file within the next two weeks lists of all members and pledges of fraternities. He will be required to file within the next two weeks lists of all members and pledges of fraternities.

## Few Run For Publications

### Editors Unopposed In Board Elections

An unofficial round-up of potential candidates for positions on the editorial and business staffs of the three major publications revealed last night that three candidates for editorships were running unopposed, with competition slight for the other two.

Medical Aptitude Test of the Association of American Medical Colleges will be given at 3 o'clock on Friday afternoon, April 28, in room 217, Biology Building.

All students interested have been urged to make application immediately to Dr. I. E. Gray in room 113, Biology Building. Dr. Gray emphasized that all potential students should be ready to take the test at 3 o'clock on Friday afternoon.

Charlie Markham, Snowy Hedges, and Hattie Wade are the unopposed candidates for the editorships of the Chronicle, Chronicle, and Chronicle. The Chronicle and Chronicle are running unopposed for the business editorships of the first two publications, with Dudi McCaslin, Joe Waters, and Mary Ann Cassidy up for Chronicle business manager.

Candidates for the other posts are as follows: Chronicle code editor, Nancy Lee Laws, Sue Bowhill, and a Salata Bagley; Chronicle code business manager, Nancy Donovan and Corolla Yeager; Chronicle code editor, Didi Dunphy; Chronicle code business manager, Didi Dunphy; Chronicle code editor, Didi Dunphy; Chronicle code business manager, Didi Dunphy.

Members of the Publications Board of Dr. C. E. Ward, chairman, Mary Bankhardt, secretary, Dean W. H. Vannaman, C. B. Markham, H. R. Dreite, Y. Cabot, Inc., H. R. Dreite, Caroline King, Jackie Lewis, Bob Rieckert, Al. Rountree, Ray McGee, and Neel McGee, and Dick Doyle.

## Editor Is Sought For FBI, For Story

Coed editor Nancy Lee Laws called for her lobby-cage yesterday when a grim, keen-eyed man puffing a long black cigar stalked into the Chronicle office and muttered, "I'm from the Federal Bureau of Investigation."

"Climbing out from behind the desk, Nancy stammered, 'Right there behind you,' and with that the short dark figure whirled, as the rest of the staff fled the office, and the agent announced, 'I want to give you a story.'

Here is the story: "Clarence" Jap, with the Federal Bureau of Investigation in Washington are available to the States Military government, with the FBI securing rooms for the employees in war-crowded Washington.

"Persons interested should contact Miss Mitchell in the Appointments Office, local West Campus."

## Bourke-White Praises Our Troops But Criticizes Carelessness of AMG

By SALATA BAGLEY While praising American troops in the Memorial Hospital Evacuation hospital, Bourke-White criticized as unwise the policies of the United States Military government in Italy in her speech in the Women's College Auditorium Wednesday night.

Because of the neglect of the Italian home front, patriots firing the allied cause often hesitate to give to our forces for food and shelter by the local fascist government which remains in power with the sanction and approval of the allied forces.

"The Italian situation is the apparently unlimited growth of the black market in that country, Bourke-White said, continuing to say that this country is largely to inadequate to supply the needs of the Italian home front, patriots firing the allied cause often hesitate to give to our forces for food and shelter by the local fascist government which remains in power with the sanction and approval of the allied forces.

If the unidentified "wise guys" who have stolen the Page Auditorium phone completely (as well as the Publications receiver) and who split open the Administration Building booth don't wise up, there aren't going to be any phones on West Campus available for outside calls.

There are rotten apples in every barrel. There are mis-fits on this campus who have failed to discover that prep-school days are over.

—Lonesome and Disgusted Cood.

New East Campus rooming plan, ostensibly the cure-all of annual rooming difficulties, resulted in solved problems for seniors, break-up of traditional sections, just as many fights as before. Rising juniors, forced to move out of popular up-campus houses by seniors, think of the plan as anything but a cure-all. As it stands, the plan prevents early-rising for line-standing, but does not guarantee anyone the fun of living among friends. Possible solution would be the converting of Aycock and Jarvis, long in disfavor all over campus, into freshmen dorms, opening all up-campus houses to upperclassmen, drawing names by both class and dormitory standing.

and in answer to what he considered to be factual errors in the Fortune Article. The "name-calling" was featured on both sides of the controversy, and the Peterson answer was possibly motivated largely by the "Icelander named Peterson" title conferred on him the preceding week. The bold black type was used as an innocation in make-up, was not intended to give any special insight to Peterson's opinions. Ed

## It's Spring Again

Tomorrow afternoon at three o'clock two varsity athletic teams of this university will begin their 1944 seasons. Whether or not either of these squads will bring Duke a conference championship, as the football and basketball teams did, remains to be seen. Actually, that is unimportant. The important thing right at the moment is to "back the team."

Duke sports followers have supported their teams well this year. This support has, of course, been furnished largely by people new to the college. In recent years, regular Duke students have become almost apathetic at athletic contests. They turned out for the games, but that's about as far as they exerted themselves. Response received by the cheerleaders was positively sad. When Trinity's 1941 grid juggernaut rolled to another touchdown, for example, Duke men in the stands simply yawned and bought another coke. It was a little dispiriting.

But with Navy trainees forming the bulk of our cheering sections, however, the situation has changed greatly for the better. The spirit of the Duke stands last fall and this winter was really fine. It seems odd that men completely new to the school should cheer more strongly for the teams than did the peacetime students, to whom Duke was an alma mater and a part of the student body.

We would like to see that same spirit carried over this spring. Tomorrow Duke will field two untested teams. Teams which are uncertain of their ability, teams which need a sturdy support on the student body. So tomorrow afternoon, whether at the track meet in the stadium or at the ball game is Combs Park, cheer like hell for every man wearing a "D" on his shirt, regardless of the fact that you might not know him personally. It really helps, believe it or not, and it means a lot.

## About Gally Jack

We fully expect to hear someone ask at the ball game tomorrow, "Who's the Duke baseball coach?" To help prevent such inquiries, we offer a few facts about Jack Combs in advance.

Marse Jack has frequently been referred to by sports authorities as "the best college baseball coach in America." He has sent more players to the big leagues than any other college coach in the country and has enjoyed one of the most successful careers in the business. He is also one of baseball's more famous players. Under Connie Mack, he helped the Athletics to three world championships. He is one of the few pitchers ever to win three games in a row. And what's more, he performed in five series games without a defeat. Colby Jack also pitched and won the longest contest on record in the American League—a 24 inning affair between the Athletics and the Boston Red Sox.

After retiring from the playing list in 1919, Jack Combs managed the Phillies, coached the Detroit Tigers, then took his first college coaching position at Williams. From there he went to Princeton and remained there until 1929, when he came to Duke.

## Grid Grid

A visitor to the campus this week was Ensign Harry Troxell, varsity guard on the 1940-42 grid elevens, who has just completed submarine training at New London, Conn., and is headed for the Pacific Coast. . . . Ensign Russ Rose, a guard on last fall's team, is at sub school now. . . . Fireball Frankie Sinkwich, the ex-Georgia All-American who played for the Detroit Lions after receiving a medical discharge from the military, has been accepted into the Maritime Service and reports to Sheepshead Bay, N. Y., Monday. . . . West Point has managed to pull enough strings to get Barney Poole, Carolina's star end and marine trainee into the military academy and, as a result, transferred from our service to another. Yeah, yeah, we know—Barney was just too brilliant an "officed candidate" for the army to pass up. . . . Ho-hum. . . .

# As Baseball, Track Teams Engage Pre-Flight

## Visiting Cinder Squad Presents Array Of Talent

Action aplenty is promised in the dual meet Saturday between the Preflight Flyers and the Duke Blue Devils. L. Warner, who has turned out numerous championships teams for the State, is bringing a Preflight team to Durham steeped with a formidable array of talent. Glancing over the Preflight roster, track fans can find several outstanding performers: Charley Beetham, a national champion from Ohio State, will be running the middle distances; Mark Panther of Iowa, who ranks high in national competition, will handle the javelin event for the Flyers; Don Eber, All-American footballer from Notre Dame, will compete in the sprint and field events. Other stars on the Preflight squad are Dick Finlay and Tom Todd, Finlay a former runner for the star ICAA conference, and Todd, who hails from Virginia, is a former national indoor champion on the 70 yard high hurdle event.

## Varsity Netmen Open 1944 Drive With Tech Match

The Duke varsity tennis team will open its 1944 schedule on April 22 by invading Atlanta to play at the highly touted Georgia Tech squad, which will include in its lineup two and three men from last year's Jack Maddox and Howard McCall.

Although Duke mentor Bob Cox has only two returning lettermen, he expects to produce an unusually strong team, thanks mainly to the V-12 program. At present he is holding practice sessions twice daily and is conducting a squad tournament to aid him in selecting his eventual team of 10 or 12 men.

Other than lettermen Johnny Keyes and Emory Green, leading prospects are Jimmy Kelly, Rufus Ashby, Bob Norris, Gus Priemer, Paul Schoenbach, Barney Wankler, and Chuck Tichenor. Kelly and Ashby both received experience with last year's outfit. Schoenbach played on the Citadel from 1942, and Norris performed at the University of Chattanooga.

## Duke Coeds Lead In Bowling Meet

Going into the third round of the national collegiate bowling meet, the Duke University co-ed team is tied for first place with teams from Vassar and University of Wisconsin.

The meet, sponsored by Pennsylvania State College, is open to all college women throughout the country. Each competing group enters its ten highest scorers for each round of the meet. The third round will be finished here by next Thursday.

## Ex-Big Leaguer Packard Shows Ropes To Devils

By JIM SCHNEIDER

Every year since 1926, when at the tender age of 17 he broke in with the Pittsburgh Pirates, Frank "Whittman" Packard has been counted in one way or another with baseball.

And this year is no exception, for almost instantly the Navy second class athletic specialist can be found at Combs Park aiding Jack's infielders by giving them some of the baseball knowledge he picked up during his playing days with 11 teams in eight leagues.

Although short and stocky, Packard can perhaps best be described by the well-known "I'm a ring advertisement. 'Tough, but, so gentle.'"

In the summer of 1926 Frank Packard, who is now 26, decided that ball-playing would be much easier than working, so he signed up in the Pennsylvania League, which sent him to the Pirates in the final weeks of the campaign.

As a utility infielder for the Pirates, he played alongside such greats as Pie Traynor and the Weaver Brothers, and had a hand in winning the National League pennant in 1927. However, the club, managed by Donie Bush, dropped the series in four straight to the Yankees.

In 1928 he was shipped to Buffalo in the International League and successive years travelled to Columbia (S. C.), Asheville, Charlotte, Hartford, Albany, Charlotte, and Mt. Airy.

In his 1931 stay with Charlotte he led the batters of the Piedmont League with a mashing .368, and in the following year, with Baltimore, he conducted for a long time to top the International League.

Packard managed independent clubs at Gastonia and High Point. In 1939-38 his Gastonia outfit featured at second base none other than Duke's Crash Davis.

Packard's playing years included hundreds of amusing incidents, but one which he claims he'll always remember is one that happened when he was playing with Charlotte against Raleigh. The Raleigh fans rode Packard, or "Whittman," as they called him, considerably so on this particular day they were on him almost incessantly.

When, in the early part of the game, a close play came up on first and catcher, Packard, who was posted until it had nearly darkened in the league play-off, tried to umpire Rube Brandon and stretched his arms out, as if indicating that the runner was out by that distance.

That is precisely what the fans thought, but in reality he was only describing to Brandon a fish which he had caught the foregoing weekend. Throughout the short "fish story" that followed, the crowd, supposing him to be arguing about the decision, shouted, "Kill the ump!"

When the umpire failed to comply, the fans started to ride him. When he was batting a few innings later, Packard was surprised to hear Brandon call a high pitch a strike, and turned to him, remarking, "Don't you think that was a little high?"

Without a moment's hesitation, Rube pointed a finger at "Whittman" and announced, "You're out of here."

The astonished Packard inquired as to why he was being banished and Brandon simply replied, "Why, you're getting the first on me again."

But in spite of that incident, Frank now concedes that umpires are pretty human and are good fellows. "Furthermore, he said that 'They were always fair to me.' That's quite an admission for any ball player, let alone one who had so many run-ins with the gentlemen in the blue serge."

As he praises for Duke's Jack Combs, by the way, is untitled. "I think Combs is the best baseball coach in the country," he asserts. "He's so thorough and he has so many rules that boys that they put out a little extra—and that extra means a good one and a good one."

Thus, you have the story of Frank Packard, a man who has played baseball all his life and who loves the game for the reason that "he's out there helping the Duke players."

## Ration League In Action This Week

The second season of the first college baseball, opened its first season on Easter Monday, with one game on the dock at the Naval Pre-Flight night of Chapel Hill invading Raleigh for the first time. Duke's Crash Davis, State College entry, Navy won, 6-2.

Organized with a view to reducing transportation problems, the league, made up of four college teams, is being run by the old North State, ran off its first schedule in 1943, and the plan was so successful it was decided to keep the circuit in operation.

Duke and Carolina round out the roster of the league, which has adopted a schedule, six to be played on the home field and six on the road. The four teams based in Raleigh, Durham and Chapel Hill, travel mileage is reduced to a minimum.

Following the Pre-Flight clash with State Monday, all four teams will be seen in action on Saturday, April 15. The Carolina Tar Heels, 1943 champions of the league, will make their first appearance in defense of their title by entertaining State at Chapel Hill, while the Navy nine again takes to the road to meet Jack Combs' Duke Blue Devils at Durham.

Thereafter, with few exceptions, there will be action on the Ration League front each Wednesday and Saturday afternoon.

## Lacrosse Squad Organized This Week By Players

Week will have a lacrosse team after all. This is the gist of things with the completion of a meeting that was called for Monday night. Some thirty boys responded to the call, showing that there definitely is a desire for a new game here. With this meeting, Duke's chances on the lacrosse field have improved one hundred percent.

This team will not function as an independent unit but will be under the sponsorship of the university. Coach Charles Hopkins is personally donating the money to this movement in hopes that the sport may contribute to the Duke. The university is likewise donating its equipment, which helps immensely since lacrosse equipment is next to impossible to obtain these days.

Opponents are few and far between, as transportation hinders any extensive schedule. So far only two Northern schools have been contacted, Navy and Johns Hopkins. Navy donated a game for last Saturday but Duke was unprepared to meet the Midshipmen. Johns Hopkins has consented by verbal agreement to come here to play. This, however, is very indefinite since they have made this same promise for several years and as yet have failed to keep it.

The only definite opponent is The University of North Carolina which has an independent club under the direction of Marshall Austin, formerly of Drexel Tech, Pennsylvania. Austin was an All-American while at Drexel and played for several years prior to being sent to Chapel Hill for training.

Looking the team over from a general standpoint, the following conclusions can be drawn: defense and mid-field both good, two experienced goal-tenders, but attack lacks the necessary material and will prove to be the weak point.

## Glee Club To Leave Tomorrow For Two Virginia Concerts

Forty members of the Men's Glee Club of Duke University, including the director, J. Foster Barnes, will leave the campus Saturday for two concert engagements in Virginia.

The men will appear in a joint program with the Randolph-Macon Woman's Glee Club, in Lynchburg, on Saturday night, and with the Glee Club of State Teacher's College at Farmville, on Sunday. The two clubs will present Brahms' "Requiem," which will be directed by J. Terstin Broun, formerly connected with St. Thomas' Church of New York City.

Members of the club appearing in these concerts are: Tenors, George Clark, Robert Fiqua, Norman Garrett, James Matthews, Aldrich Northrup, David Seaworth, Grimes Slaughter, David Black, Frank Crane, Rich and Gliese, William Hemphill, S. H. Nease, John Powell, Ora W. Sapp, Robert Walls, Robert Wainwright, Tom Wall, and Jake Zimmerman.

Bartones, Wilmer Betts, Rick

### Sororities Plan Informal Dance

Kappa Kappa Gamma and Zeta Tau Alpha will sponsor an informal dance in the Ark on April 21 from 7:30 until 9:30 p.m.

Invitation is campus wide, and admission will be free. Decorations will follow a night club theme, with tables lining the

East side of the Ark.

### SGA Forms Plans For Re-Opening Bowling Alleys

The SGA, continuing its vigorous policy of service to the student body, is now making arrangements for the re-opening of the bowling alley in the Ark for use on Saturday afternoons and evenings. SGA President Gordon Carver disclosed.

The opening will take place as soon as arrangements can be completed for obtaining a manager and pin boys, Carver declared.

The SGA has also started campaigning to arouse enthusiasm for the baseball and track teams. Posters announcing the track meet and ball game tomorrow went up early this week.

23—Jvy Party.  
23—Fleet Club Sing.

### Sophomore Honor Societies Plan Entertainments

Series of entertainments will honor Sundaes and Ivy sophomore honorary societies which recently tapped new members last week. The Woman's Student Government Association Council will hold a tea on April 19 from 5 to 6 p.m. in the Green Room of East Duke for the new Sundaes. Mrs. Persons, Dean of Freshman Women, will have party at her home for the new Ivy members next Saturday from 2 until 4 p.m.

In contrast to former years when a Sundaes banquet in the Union was given as the annual function, this year the banquet had to be sacrificed for a tea, which would not necessitate as much labor and food.

Guests for the Sundaes tea will include recently retired members of the WSGA Council and both new and old members of Sundaes. Barbara Tausch, chairman of arrangements, has for her committee Tommy Stanton, Dottie Ryan, and Marjorie Cameron.

### 'Y' Plans Increased Activities

As a result of the great success of the recent membership drive of the "Y" the Cabinet is planning to completely renovate and enlarge its present recreational activities. President Fred Day revealed today.

At the present time the drive has netted over 150 new members. At that rate several more are expected before the drive is completed. Day declared.

"The Cabinet members are especially pleased with the fact that most of the new members desire to take an active part in 'Y' social and recreational functions, and the cabinet has great hopes for giving these men a chance to participate in as many activities as possible. Also outstanding in the membership drive is the fact that the fees will run well over \$400."

With the success of the membership drive as an incentive the "Y" is now going ahead with plans for an improved and enlarged recreational program. Next week the ballroom in the Union Building will be open from 4 to 9:30 P.M. for recreation activities. Day hopes that this time will be increased soon and that the facilities now available in the Ball Room will be added to.

Included in the plans for new activities is a plan for a Ping-Pong tournament; however, this plan is not complete as yet.

### Presidents' Club To Hold Banquet

Annual Presidents' Club Banquet will be held Thursday night, April 20, at 6 o'clock in the upstairs ballroom of the Woman's Union with old and new presidents of all campus organizations attending.

The President's Club, which in the past has been relatively inactive, is made up of the presidents of all East Campus organizations. Its purpose is to coordinate the activities of the various campus organizations.
