Musical Numbers Replace Regular Speaker For This One Service

ENTERTAINING PROGRAM Combined Glee Clubs of University Are Very Favorably Received

Clipped with a stirring rendition of the "Hallelujah Chorus" from Handel's "The Messiah," the program of the combined glee clubs of the university, presented last Sunday afternoon in the regular Vespers program in Page Auditorium, was very well received by a large and appreciative audience.

Very popular in this program, some numbers were outstanding; however, the program as a whole was not outstanding. "Gloria in Excelsis" from Mozart's "Twelfth Mass," "King, All Glorious," by Barclay, and the above mentioned "Hallelujah Chorus" were easily the outstanding numbers. The numbers generally called for full voice by the Vespers program.

John Long gave a splendid rendition of "Ave Maria" by Schubert, as a violinist (Continued on Page Four)

The group includes one student from each of the following states: North Carolina, Virginia, Maryland, Delaware, Pennsylvania, New Jersey, New York, Connecticut, Massachusetts, and Rhode Island.

There are also present three women members. Enrollment in all the regular classes has reached a total of 138 students. These come from twenty-seven states and seven foreign countries. Preparatory work was done by a number of students in eighty-four universities and colleges.

## TAR HEEL GOLFERS EDGE OUT DEVILS FOR FIRST DEFEAT

Joe Adams, of Carolina, Makes  
30-Foot Approach Shot to  
Win Match on 18th Hole

### PEACOCK IS DEVIL STAR

Beats Old Man Par by Two Strokes  
to Bring Defeat to  
Smith

Sinking a 30-foot approach on the 18th hole, Captain Joe Adams, of Carolina, supplied the decisive point to defeat the Duke linksmen, 9 1/2 to 8 1/2, Saturday afternoon at the Hope Valley Country club.

Adams made his sensational shot in a foursome match in which he and O'Brien were pitted against Earl Stokes and Fred McCanless. The Blue Devil par had taken the first nine two up, and had won the 18-hole match on the 16th green but the Heels still had a slim chance for one point when they came to the 18th hole. Stokes and McCanless both had good shots and were on the green with certain par there. Adams, a little to one side and off the green, got one shot for a victory in the catch and sank it for a birdie two.

The foursome between Al Brown-Alan Smith and Roger Peacock-Captain June Caldwell was also won on the last hole by the Tar Heels.

In the morning the individual matches resulted in a deadlock, 6 to 6. The outstanding match was between Roger Peacock, of Duke, and Allan Smith, highly rated Carolina ace. Peacock turned in a card of 68 to trim Smith who shot a 75. Last week Peacock upset Billy Howell of W. and L.

The Peacock-Smith cards were:  
Out—434 443 454-35.  
Par—  
Peacock—443 442 444-344.  
Smith 334 352 454-35.

## Maryland And Elon Fall Before Duke Nine Attack

### PITCHING IS GOOD

Devils Win First Conference  
Game as Coombs Fans  
16 Lobs Lingers

### ELON TEAM NOT WEAK

Timely Hitting and Flohr's Pitching  
Turn Close Game Into  
Runaway

With one day's rest from the Easter series, the Blue Devils met Coach Shipley's "Old Liners" from University of Maryland and by a three-run rally in the eighth inning came from behind to win 9-3. Bobby Coombs' masterly pitching kept the Maryland bats at bay throughout the entire afternoon, and when the game was over, there were sixteen strikeouts outside his name in the box score. The "Old Liners" garnered seven hits off Coombs' delivery, but only two of them were what might be called real base-hits.

Going into the last half of the eighth inning the Devils were behind 3-2, with two out, Coombs walked, stole second, and on a bunt throw went to third. Kenney also walked. Then Harrington dropped a single into short center, scoring Coombs and advancing Kenney to third. Don Mitchell then broke up the ball game by doubling along the left field foul line, Kenney and Harrington crossing with the winning run that gave the Blue Devils lead enough to coast easily through the ninth and to win out.

Harrington with three hits and Howell and Mitchell with two apiece led the attack for the Devils. "Boys" Berger looked best for Maryland, both at field and at bat.

### Talking It Over

By JOE SKINNER

It looked for a while as if Coach Coombs was going to have a good cause for getting out of a lot of schedule making for his Easter games. It doesn't do much good to plan a lot of games and then have them called for bad weather. Maybe if he keeps his fingers crossed next year like he did this time, he will get to play some more Easter games. If it isn't rain it is wind, which is just as good for baseball games.

Brownlee doesn't ever seem to get tired of making fifteen points in a single meet, besides breaking a record or two now and then. If the times turned in last Saturday are made official in spite of the wind, Brownlee will now hold the school records in the 220-yard dash and the 220-yard low hurdles as well as being co-holder of the century. Wonder how long it will be before he breaks another?

If anybody hears any funny noises at night it is probably "Moose" Edlin's tuning up his putt-putt game in the swimming pool, getting ready for the big races. A little while ago he went to Miami Beach and placed third in the Green Trophy outdoor motor race and since then everybody has been asking him to show the model, but he says he never got it because he was thrown out on a claim of foul play. We offer our condolences. It's bad to win and then be gyped out of the prize money.

One of the real old tricks of Duke is down on the field for every meet. Bud Erwin has been handling the job of starter this year and I guess he's wiser he was back in the lane. Back in '27, Bud pulled off a big stunt when he

## HOLIDAY MATCHES WON BY LINKSMEN

Both W. and L. and Boston Fall  
Before Clever Shots of  
Devils

In a brilliant victory, featured by Roger Peacock's triumph over Billy Howell, semi-finalist in the national amateur last year, the Duke golfers won their second meet of the season, blasting W. & L.'s hopes for a clean slate. The match was played on Saturday during the Easter vacation.

Peacock had met Howell three times before, and each time came away a loser, but last Saturday he was too steady for the W. & L.'s star. Howell missed a short putt on the sixth green to put Peacock two up for the first nine. Howell took the 11th and 12th to square the match but Peacock pulled away from him on the 13th and won the match on the 16th green.

Captain June Caldwell had a beautiful 71 in his match also.

Peacock and Caldwell's best ball of 68 was too good for Howell and Degenheim, the result being five up and four to play. Stokes and McCanless paired to beat Cohen and Dusham five and four, giving Duke a clean sweep in the afternoon.

Like a powerful steam roller the Duke linksmen crushed the Boston college team 10-0 on the Seigfried course on Easter Monday.

Duke was off to an early start when three Blue Devil golfers came in with three points for a total of 12 points for the morning rounds. McCanless defeated G. Moore 5 and 4; Stokes defeated R. S. Nugent 3 and 2; Captain Caldwell defeated "Cat" Skelly 3 and 4; and Bill Peacock downed Mark Troy 6 and 5.

In the afternoon McCanless paired with Stokes to defeat Moore and Nugent 4 and 3. Their best ball was 68 against their opponents. At the same time Caldwell and Peacock combined for a best ball of 69 to defeat Skelly and Troy 6 and 5.

## Duke Trackmen Handily Win From V. M. I. Cadets

Score 185 1/2 To 43 1/2  
John Brownlee Performs Brilliantly to Capture 15 Points  
and Set New Record

### RUNS ARE VERY GOOD

Devils Annex Twelve First Places to  
Dominate Track and Field  
Events

Led by John Brownlee, brilliant sprinter and low hurdle star, the Blue Devil trackmen scored an 82 1/2 to 43 1/2 victory over the V. M. I. cadets here last Saturday afternoon. Brownlee did the school record in the 100-yard dash and set a new mark in the 220-yard sprint. The Duke won twelve of his total points to 13 by capturing the 220-yard low hurdles to take scoring hours from the afternoon.

In winning the meet, the Blue Devils annexed twelve out of the fourteen first places to show marked superiority in all events but the two-mile and the high hurdles. The Cadets gained the majority of their points by picking up second and third places. On the whole, the Duke track and field artists displayed unusual strength, especially in the running events.

Second only to the sensational performance of Brownlee was that of Henry Fulmer, who pulled up a total of 11 markers. Fulmer, after taking third place in the century and his usual first place in the broad jump, entered the quarter-mile-run for the first time this season. He succeeded in winning this event in the first time of 61.5. Crawford and Brewer also showed all-around ability in gaining several points for the Devils. Bradner and Lewis turned in excellent times in capturing the half and mile runs.

Last year Coach Peacock introduced water polo at Duke and it was received with so much interest that a water polo league may be formed with the Raleigh Y. N. C. State, Wake Forest and Duke.

The events scheduled for Saturday include a mile and 220-yard relay, 80, 100, 200, and 440 free style races; 20 yard breast stroke, 150-yard back stroke, and diving.

### JERSEY CITY WINS 14 TO 7

International League Club Is Too  
Strong For Duke Players  
to Overcome

The Blue Devils opened their season by playing a three-game series during the Easter week-end. The first game was Saturday with Jersey City of the International League was won by the Skeeters 14-7, but on the following Monday Jack Coombs' boys came through with a double win over Marshall college of Huntington, W. Va. 9-5 and 8-4. The high wind and cold weather made conditions rather disagreeable, but the dyed-in-the-wool baseball fans who ventured out to see the play, did not seem to be the least disappointed.

The Jersey City game was featured by the appearance of Ogden, Hummel, Clancy, Schuman, and Perkins—all Skeeters who have at one time or another seen service in the major leagues. The game was scheduled as a sort of preliminary so that Coach Coombs could see how his material would look under fire. Five pitchers worked for Duke, Alpert, Coombs, Flohr, Marston, and McKeithan. In the order named, and of this array McKeithan was the most effective, his fielding being especially rugged, but the blame may be laid to the wind which was really the cause of so many fly balls being dropped and the number of runs amounting to twenty-one in all. Clancy of the Skeeters led at bat with 3 for 5, while Kenney and Caldwell had two apiece for the Devils.

The double-header on Easter Monday was won by the combined pitching of McKeithan and Alpert and the heavy hitting of Howell, Kenney, and Harrington. As in the Jersey City game the wind was blowing at a terrific rate and some fielding on both sides aided in the run getting. "Tribe" Harrington's home run with three men on in the second inning of the second game put the Devils so far out in front that they never again were headed during the afternoon. It may seem as though Duke's defensive play has been anything but all-right, but if the wind dies down during April and May, we will wager that the Devils' fielding averages will be right up there with the best of them.
