He impressed upon his listeners the ill effects resulting from indiscriminate walling the lawns and asked the cooperation of the students in preserving the turf and about the quadrangle.

There has been considerable discussion recently of methods of beautifying the campus, one of which is to avoid the wearing of paths across the grass. To assist in this the senior women have organized themselves into a vigilance committee to keep thoughtless trespassers off the lawns.

Duke Cast Presents Play Here After Many Productions in State

A splendid cast very capably acted an unusually interesting missionary play, "Ba Thuan," in the regular Sunday afternoon. Vespers service in Page auditorium last Sunday afternoon. This play, giving a view of actual conditions in a typical Burmese mission, gave the audience an entirely new picture of the mission problem.

The story dealt with an American missionary in a section of Burma, faced with the problem of not having sufficient funds to carry on his work. He has already had much success in Christianizing the natives, but his work is likely to fail entirely if he cannot carry on.

Dr. Thuan, the native boy, is so far away from the missionary that he enters the mission home intent on killing Mr. Worth, the missionary. He finds Worth praying for him, and is so impressed by this indication that the missionary is really interested in his welfare, that he renounces Christianity. Meanwhile, the home church has written to Mr. Worth, telling him he is unable to provide funds for his mission, though the particular incident of Ba Thuan and Fox, the old-timer, is happily ended, the story must be left, probably, just when the news are greatest.

Harold Flood gave a very fine interpretation of the missionary, acting his part with faith and predomance. As the villain, Joe Fox, Glenn Bucher was splendid. The entire audience was impressed by his characterization of this difficult part. Ben Wynn took the part of Ba Thuan and Rebecca Boyd played the part of Ma May, his sister. The part of the missionary's wife was taken by Rosamond Clark, and Frances Crum played as Joan Worth, daughter of the missionaries. Ralph Roth completed the cast of the American women, who were engaged in a study of missionary conditions.

"Ba Thuan" was first presented by a group of Student Volunteers from Union Theological Seminary, at the fourth Quadrangular convention in Buffalo at Christmas time. The Duke cast has already presented the play in several parts of the state and is planning its presentation in seven or eight more places during the rest of the school term.

Professor H. E. Spence and Miss Elizabeth May directed the production. Paul Baughman, Montgomery Gray, Frank Carden, and others of the Duke Players stage crew were in charge of the scenery, and Miss Betty Duke had charge of the make-up.

## Y. M. C. A. GROUP HOLDS SESSIONS AT CHAPEL HILL

Over Hundred Representatives  
From State School Attend  
Annual Three-Day Meeting

### DUKE MAN IS PRESIDENT

Conference of Next Year to Be Held  
on Duke Campus in  
Spring

The North Carolina Y. M. C. A. and Y. W. C. A. Training conference held its annual meeting last week on Friday, Saturday, and Sunday in the De-Senate hall at Chapel Hill. It is reported to have been the best "Y" conference held in years, and was attended by one hundred and twenty officers from all parts of the state.

There was an excellent array of speakers, including Dr. Robert Millikan, famous physicist, President Frank Graham of U. N. C. Dr. Shelton Smith, and several others.

Rewlings Coffman, of Duke, retiring president, presided over the conference, and was greatly impressed at its success. Bill McKee, president of the "Y" at Chapel Hill, will succeed Coffman. Next year's conference will be held at Duke.

Student speakers of the volunteer movement and Blue Ridge conference were Elizabeth Manget and John McIntyre, travelling secretary of the Blue Ridge conference. Bill Parthing of Duke and Frances Mitchell of Greensboro college also spoke on the Blue Ridge conference.

There was much important action taken at the business meeting, a constitution being drawn up and accepted. The name was also changed from the N. C. Student Y. M. C. A. and Y. W. C. A. officers' training conference to the N. C. Y. M. C. A. and Y. W. C. A. training conference.

Dr. Shelton Smith closed the conference Sunday morning with a talk on the race question. He brought out several interesting facts about this important problem in his manual speech.

## BUSINESS GROUP LEADS IN NUMBER OF MEN ENROLLED

General, Pre-Medical, Engineering, and Law Follow in Order in Size

### FIGURES JUST RELEASED

Students in Education and Religion Departments Decrease; Increase in Coaching School

Out of the 1,443 men students now enrolled in the Duke university undergraduate school, seven hundred of which are freshmen, as usual, the business administration group is the largest with the general group, pre-medical, engineering, and law, following respectively in size. The number of teachers and preachers has decreased, while the number of athletic coaches is increasing. There is only one upperclassman taking an athletic course, while the freshman class alone has fourteen students studying this vocation. If the number of coaches increases as rapidly in the rest of the schools as has at Duke this year, the country will have to build more schools to employ them. It is expected that more pre-medical students will enroll at Duke in future years owing to the exceptional medical school which has just been completed.

Listed below are the statistics given out by Dean H. J. Herrington.

Undergraduate school enrollment by groups for the year 1937-38:

General, 341; business administration, 191; pre-med, 84; pre-medical, 209; engineering, 154; teaching, 40; religion, 54; athletic coaching, 18.

Freshmen enrollment by groups:

General, 182; business administration, 245; religion, 15; pre-medical, 138; teaching, 91; pre-law, 42; engineering, 80; athletic coaching, 14.

For the past many years the business division at Duke has led in enrollment. The advantage increases continually in the main about the same as that of the other departments, although the newer schools of law and medicine are attracting numerous students.

## Music Clubs Designate New Officers

### Co-Ed Musicians Appear In Concert

Men's Glee Club

### VARIED PROGRAM GIVEN

Glee Club, Soloist, and String Orchestra Provide Several Numbers

On last night the women's musical clubs gave their first concert in the combined musical clubs for the next season. A large crowd of students gathered to hear the performance, which was directed by Mrs. J. P. Barnes and Miss Evelyn Barnes.

The program of the women's glee club was interspersed with numbers presented by the girls' club orchestra and string quartet, made up of Celestine Deamer, Margaret Harris, Hilda Childs, and Laura Jarnen. Their number, "Pierrette Act de Ballet," by Chéniole, was very well played, as were others, "Pierrette Act IV" (Hérodiade) by Massenet, and the lovely "Hill Cradle Song" by Pooden.

The soloist for the evening was Miss Yvonne Upchurch who sang two numbers, "The Maiden in the Tower" by Lohé, and "Little More" by Glen. These songs were exceptionally well rendered by Miss Upchurch. A quartet composed of the Misses Elizabeth Auld, Dorothy Newsum, Margaret Harrell, and Sara Orwley, sang the old favorite "Auld Lang Syne" by Rued, and "Over Hill, Over Dale" by Beach, and "Sweet Miss Mary" by Nedlinger. The glee club sang "Ave Maria" by Schubert, and "The Voice" by the singers were beautifully controlled.

### TRAINING OF OFFICERS IS BEGUN BY Y. W. C. A.

Local Association Holds First Session of Officers' Training Course Last Monday

The first session of the officer's training course which is being offered by the Y. W. C. A. and student government for the benefit of students who have been elected as new officers in the various campus clubs was held April 26 in East Duke building. This was the first of a series of meetings to be held each Monday evening for the instruction of officers.

Mr. Gordon Dean of the economics department spoke to a group of club presidents, vice-presidents, and committee members. He discussed the responsibilities of such officers. Mrs. Mary O. Cowley met with the club secretaries, and Mrs. J. H. Shinde, assistant professor in accounting, lectured before the treasurers' group.

Parliamentary law will be studied and discussed, as well as the proper keeping of club records and accounts. At the conclusion of the program there will be actual practice in the duties of club officers. Any student who wishes to gain a knowledge of club procedure is invited to attend the discussions.

### Bowlers Win

Monday night of last week the Duke bowling team, Captain Shirley Watts, Dan Roberts, Ray Carter, James Hillsblide, Ken McCullough, Fred Stauffer, and James, bowled the American Legion team for the championship of the tournament.

Duke won by a margin of 102 pins. The stellar bowling of Roberts, Watts, and Carter was instrumental in winning the trophy.

Six of the members rolled for possession of the trophy after the play-off was won. Roberts won the trophy by a small margin.

All the members of the team received gold medals.

### JUNIOR CLASS WOMEN ELECT NEW OFFICERS

The rising women's senior class selected its officers for the coming year at their meeting last week.

Those who were chosen to govern this class are:

President, Dorothy Newsum, Durham; vice-president, Nedra Jones, Norfolk, Va.; secretary, Elsie Ingram, High Point; treasurer, Martha Vance, Harvey, Ill.

These officers are already planning together for next year's activities and are expecting to do big things.

### EASLEY SPEAKS TO EDUCATIONAL SOCIETY

At the meeting of Kappa Delta Pi, honorary educational society, which was held in the reception room of the East Duke building last Wednesday night, Dr. Howard Easley, of the department of education, addressed the group on some phase of mental testing. The meeting began at 7:30 p. m., and was in the form of an open forum.

Dr. Easley is prominent in educational circles, having received his doctorate from George Peabody college. He taught for several years at the University of Idaho before taking up his work at Duke.

### RETIRING HEAD

Miss Gladys Shuford, retiring co-ed of *The Chronicle*, who elevated the women's department from a position of obscurity to that of an important feature of the news weekly.

Phillips, Gray, and Moore Are Elected to Manage Musical Unit Next Year

### NEW TRIPS ARE PLANNED

Annual Festival of Clubs Is Musical Comedy Given During Month of May

With the approaching close of the Duke musical season, officers for the combined musical clubs for the next season have been selected.

The business group for 1938-39 will be Montgomery Gray, of Ocean Grove, New Jersey. The president of the organization is Jay Phillips, the vice-president, Debra Moore.

Since their establishment on the Duke campus, the musical clubs have, through generally efficient management, been able to present concerts both on the local campus and in many outside cities. In Durham, the largest program which has been rendered by the musical clubs, has, for the past five years, been the musical comedy opera, in which both the men's and women's glee clubs, soloists, and the symphony orchestra appear.

Under new management, the clubs are planning to travel to New York some time during the next year, to compete in the national glee club tournament held there.

## Dance Technical Work Not Such An Easy Life

So Judges Reporter Who Delves Into the Preliminary Work Done by Duke Players Technicians Preparatory to the Presenting of a Play

The lineamen of a football team and the backstage crew of a theatrical production are in the same category—both humbly preparing for the triumph of the stars; on the gridiron the ball-carriers, and on the stage the actors.

Few people in the audience of the plays given on the campus by the Duke Players realize the work done by those except the technicians themselves. Almost a month before the play is presented, the backstage crew begins its work on the scenery.

They hammer, they design, they glue, they paint, and maybe if they're lucky they get minor roles in the play.

The first step in the making of a set after the play has been chosen, is to design a working plan. Stage dimensions, doors, windows, fire-places, etc., are all drawn on a scale. The work on the set is guided exactly by this scale. A dip-moment makes that the flats (walls, to you) must be torn down or revised and the work repeated. The flats used on the Duke stage are 16 feet high and vary in width up to six feet.

When the wooden frames for the flats have been constructed, scenic cloth is glued over the form. Next, the hand-painted—blinds and ladders—are put on the flats.

### The New English Drape

The New English Drapes represent a smart departure from conventional styling for Gentlemen's Clothes.

It's outstanding characteristics are: the loose, drapery natural shoulders which taper down to a high, snug-fitting waistline.

The slightly longer coat with tapering sleeves.

the gracefully tapering trousers with high waist-band and pleated front; the soft, comfortable drape of the model, as a whole, produces a pleasing shapely effect.

Only the softer fabrics—such as chevrons, shetlands and cashmires, lend themselves for the right effect in Draps Models.

We show a wide variety of suitable materials and we are prepared to turn out correct and authentic English Draps Suits.

## Baseball and Track Teams Win Important Victories

**COOMBS INJURED**  
 Bobby Puhl Tendon as Team Defeats Carolina at Chapel Hill

**THREE HOME RUNS HIT**  
 Mitchell and Howell Get Four Bases Clouts to Lead Attack on Longest

 By PARKER HAMLIN  
 Playing their best baseball of the season, the Blue Devils traveled to Chapel Hill last Saturday and trounced Carolina decisively, 6-2. Duke was a little slow in getting under way but they finally solved Cecil Longest's slants and eliminated them to all corners of the lot and piled up a nice lead for Flair who had relieved Bobby Coombs on the mound.

Bobby pitched a tendon in the middle of the sixth inning and had to leave the pitcher's box, so Lefty Flair came in. Flair broke down and kept the Tar Heels from scoring. He showed clever pitching and it effectively slowed the Carolina slants who had turned out five thousand strong to witness the game.

The contest started to be a real pitching duel between Longest and Coombs with neither team scoring till the fifth when Howell singled to score Harve Hendrickson. In Duke's half of the sixth, Harrington singled and Mitchell hit home between center and left field, giving Duke a 3-1 lead when Flair relieved Coombs.

In the seventh, the Blue Devils began adding insult to injury by scoring another marker on Weaver's scratch hit, a base on balls to Flair, and another single by Harrington's lead. Then Harrington last run in the eighth when Peebee came in from third on a fielder's choice. The ninth inning was good for two more runs for the Devils. Eddie Howell got a Duke home run when the ball hit the edge of the track and bounced over the centerfielder's head. Then Harrington once more got on base on Peebee's error. Mitchell got a scratch hit and Flair came home on another double.

**FOUR RECORDS BROKEN**  
 Palmer and Bradsher Turn in Remarkable Performances to Defeat Strong Opponents

The Blue Devil track team traveled to Lexington, Va., last Saturday and continued its unbroken string of victories by defeating the strong Washington and Lee squad 75.24 to 49.18. The Duke men showed a lot of speed and rare form in seven first place races and broke four W. and L. records. Palmer and Bradsher, the two old cinder scalliwags, won five firsts between them and rolled up twenty-six points to help the cause. Johnnie Brownlee ran a 9.6 hundred on a fast track to approach the world's record and Palmer broadjumped more than twenty-three feet and ran a 24.4-second quarter. Charlie Bradsher also came through in splendid style for Duke when he covered the half mile in 1:58.2 seconds to earn a well-earned victory.

Red Lewis was pretty effectively broken in the two mile race and his accounts for his slow time in that event. Atkinson, a sophomore who hasn't been out much this season, won the high hurdles in rather easy fashion, and Blum, Thompson, and Shore turned in the other efforts.

Kidd Brewer deserves a lot of credit for pitching in four events. The co-op can always be counted on to win points in the discus, shot, broadjump, and high jump.

 The summary:  
 100 yard dash: Brownlee, Duke; Edmonds, W. and L.; Palmer, Duke. Time—9.6.

## CADETS TROUNCED BY IMP BALL CLUB

Lose Sloppy Game to Carolina But Put S. M. A. on the Spot

The young Devils went to Chapel Hill last Thursday and met defeat in a wild game of errors and base hits, 12-10. With a one-run lead in the last of its eighth, a badly bounding ball got by Cornelius with two Tar Babies on base, and three runs came in which broke up the see-saw affair.

Jimmy Walsh went the limit for the Imps, but his fast one was not working the way it should, and every inning he had to pitch himself out of a hole. Although his teammates played a very loose game behind him, making six errors, they chalked up ten hits. Michael had a triple and two singles out of five times at bat, while Cornelius had a home run, the longest hit of the day.

 Stanton Military Academy  
 On their home field again the Blue Imps snapped out of their slump and trounced Stanton M. A. in a dull, uninteresting game, 17-1. Reynolds may worked a fine game and turned in his second victory of the season. He fanned two and allowed four hits, three of which were infield scratches. The Cadets did not score until the last of the eighth when Forester scored and let the line run across the plate.

Besides pitching a great game, May contributed a triple and two singles out of four times at bat. Hampton was high man, however, getting a triple and two singles in three times to the plate.

The Cadets pitchers could not find the plate, and before the afternoon was over fourteen Imps got bases on balls. Batteries: May and Wagner, Smith, Shields, McFadden, and Griffith.

## DEVILS TRIM POLS BEFORE DROPPING GAME TO DURHAM

Ninth Inning Score Gives Duke Team Safe Margin of Victory

**BULLS VICTORIOUS, 2 TO 0**  
 Albert Allows Pro Ball Club Five Hits While His Teammates Get One

 P. I.  
 At Blacksburg, Va. last Wednesday, the Blue Devils scored up another notch in the Southern Conference standing by taking V. P. I. into camp, 7-5. The Cougars went into the sixth inning with a one run lead, 4-3, and pulled the game out of the fire by adding two more hits. Poly threatened in their half of the ninth, but one run was all that they could bring in.

Extra-base clouts won for the Devils. Kersey, Mitchell, and Gadd poked out home runs, while Tim McKelthan and Howell had triples. McKelthan kept his record clean by plinking another fine game, striking out one and yielding but six hits. V. P. I. had men in scoring position several times, but Tim bore down and came out of trouble in every inning except the third when the Pols scored twice. Lefty Flair was called upon to finish the game in the last of the eighth, however, but Poly could not settle with his fast ball. Kersey had two for three, which topped the basketball column for Duke.

 DURHAM BEATS  
 The Durham Bulls had five hit pots for two runs and elped out a victory over the variety at El Toro Park last Monday. The Blue Devils could only connect for one hit during the entire afternoon and failed to score against the Durham pros who played excellent ball throughout the nine innings.

## CAROLINA NETMEN TAKE STATE MEET

Grant, Hines, Wright, Welch, Stars of Tourney at Chapel Hill

The Carolina varsity team virtually monopolized the State tennis meet, held at Chapel Hill last week-end. There were representatives from each of the Big Five schools and the cream of the freshmen from Wake Forest, Carolina, and Duke. Hyphant Grant, Wilmer Hines, Barney Welch, and Lesnoff Wright were the first four seeded stars. There were only two upsets in the entire tournament. Dixon of Carolina upset Vernon, the Wake Forest ace, by 6-4, 6-2, and Johnny Higgins, Duke frosh star, lost to Levitan of Carolina by 7-5, 8-10, 6-4 score.

Bryant Grant, two years ago the No. 15 ranking player in the United States, played the superhuman game of which he is capable, and breezed through his journey with the loss of only one set. He reached the top of his game when he crushed Wilmer Hines, former national junior net champ, 6-1, 6-2, 6-1. He played brilliantly and in faultless fashion turned back the hard ball drives of Hines.

Duke's entries in both varsity singles and doubles, and freshmen singles and doubles showed up well. Barney Welch reached the semi-finals by virtue of a well earned victory over Harley Shuford. Don Garber gave Hines a hard battle. Carl Norwood and the Min played one of the longest sets ever seen at Chapel Hill. The score was 20-22, 6-4 in Norwood's favor. The two varsity doubles, Welch and Norwood, No. 1, and Garber and Pankle, No. 2, reached the semi-final round before being eliminated.

Morefield and Higgins, Duke frosh double team, reached the finals, where they lost a heart-breaking five set match. Jack McE reached the quarter-finals in the frosh singles before losing to Levell of Carolina.

**MATCH OFFERS THRILLS**  
 State Title in Golf Is First For Duke Team in Period of Five Years

The Duke golf team, playing in the state tourney at Sedgefield last Saturday, turned in the lowest medal score of the day to win unduplicated state championship. The combined Duke score was 609, that of Carolina was 626, with Davidson and Wake Forest trailing. This victory marked the first Duke golf title in five attempts.

The victory Saturday at last recognized the supremacy of the Duke men, Captain Caldwell, Peacock, McClenahan, and Stokes, over their rivals from Chapel Hill, in spite of the win which the latter scored earlier in the season.

In addition to the team's victory, Roger Peacock, by his fine playing on Saturday and Sunday, won the individual state title for Duke. In the first day's play with Alan Smith of Carolina, the two were tied, but in the play-off Peacock turned in a brilliant 69, only one stroke more than the Sedgefield record, to decisively defeat Smith who had a 77.
