PI Beta Phi

Announces Pledging
North Carolina Beta chapter of Pi Beta Phi announces the pledging of Ruth Reed, London, Ohio, on Tuesday, December 12, 1933.

Sigma Kappa Entertains Guest

Alpha Phi chapter of Sigma Kappa society entertained last week, Mrs. Carter Emerson, Washington, D. C., Grand Vice-President of the society. Mrs. Emerson was entertained and given by the chapter in her honor on Wednesday afternoon, from 6 till 10 o'clock, in the auditorium of the Y. In the receiving line were Mrs. Emerson, Miss Mary Grace Wilson, Mrs. Alan Mabry, Mrs. Paul Kramer, and Miss Ruth Jones. Mrs. A. H. Rose presided at the tea table.

Visitors on Campus

Visiting on the campus this past weekend were Miss Catherine Ahalt, Miss Alice Ahalt, and Miss Dorothy Bates, all of Washington, D. C.

Town Girls Entertain

The members of the town girls club enjoyed a holiday social in the form of a bridge and Christmas party held in the home of Miss Nellie Bishop on Grove street, at three o'clock on Wednesday, December 29.

Many interesting progresses of bridge were played during the afternoon. At the conclusion, attractive prizes were awarded to Dorothy Edick, who held the highest score, and to Inez Abernethy, who held the second highest.

NEW SPORTS FOR COLLEGE WOMEN

Dancing and Gymnastic Courses Now Offered on East Campus

During the week before the closing of school for the holidays, the athletic department on the East campus opened the winter term of sports, offering the women a new and varied program. Tumbling or advanced climbing was introduced for the first time, and is proving to be one of the most popular courses. A class of stunts and apparatus work, which was not taught last year, is also an interesting feature of the department. As an experiment the gym department is offering a course in diving, separate from the regular swimming class, with which it has been combined. Judging from comments on the campus, these new additions are welcome ones.

But this term of physical education is distinctive not merely for its novel features. Each type of gym represented belongs to the group of recreational games. Before graduation, a woman must have taken during her three years of physical education instruction one team sport, two individual sports, one course in rhythm, and one term of gymnastics. The team sport which is now being offered is basketball. Some of the women are enthusiastic about this sport, and many of them are looking forward to participating in some form of basketball tournament this year. For the required individual sport one might choose a swimming course, beginner's or advanced, a course in life-saving, or the diving course. Despite the cold weather, the co-eds still take a dip and like it!

While team sports and individual sports are also given in the fall and spring terms, rhythmic and gymnastics are taught only during the winter term. Under the rhythmic course instruction in dancing, jogging and tapping. A larger number have signed up for interpretive dancing than in any previous year. But there are more women participating in some form of gymnastics than in any other type of gym. Offered as requirements are Danish gymnastics and individual gymnastics.

Y CABINET NOMINATES THREE FROSH MEMBERS

February Programs to Feature Hygiene Talks by Craven and Elyne

Misses Elizabeth Hess, Lucia Walker, and Katherine Upshur were nominated for the office of freshman representatives on the Y. W. C. A. cabinet at a meeting of the cabinet on Sunday afternoon, January 7.

Mrs. Hays Smith announced that during February, Doctor Craven, and probably Doctor Bickel will give several lectures on hygiene. The talk on foreign relations which Dr. G. Z. Koop will give for the Y. W. C. A. at Chapel Hill in February II, was brought to the cabinet's attention by Miss Rosanelle Cash. The cabinet members set the second day of the next semester as the official day for dues.

Delicious refreshments, consisting of tea, sandwiches, and wafers were served by the members of the Y. W. C. A. president and chairman of the social committee, Janet Ormand, chairman of the program committee, and Nellie Bishop were hostesses.

The Town Girls present at the entertainment were Inez Abernethy, Elizabeth Brooks, Sarah Culbreth, Dorothy Edwards, Carolyn Goldberg, Mary Edwards, Evelyn Markham, Kathryn Montague, Helen Robinson, Elizabeth Sherron, Truitt Strickland, Haskell Warren, Anna Whitmore, Jane Wilson, and Esther Zuckerman. Guests were Bess Bredford and Helen Card.

Knowles-Merriman

The following announcement has been received:

Dr. and Mrs. Leonard Knowles announces the marriage of their daughter

Y. M. C. A.-Y. W. C. A.

Joint Party

The members of the cabinet of the Young Women's Christian association and the Young Men's Christian association jointly enjoyed a party in the Ark Friday evening, January 5, from 10 till 10:30 o'clock. Faculty members attending were Miss Mary Grace Wilson, Miss Mary Kessler, Miss Louise Seabolt, Miss Hays Smith, and Mrs. Grover Taylor.

Duke University Community Tea

The Duke University Community tea was held on Tuesday afternoon, January 9, at 3:30 o'clock. Those who attended the tea enjoyed a tour to the library where some quilts and counterpane were displayed. From there the group went to the Women's College Union for tea. Mrs. Richard Sherry provided as hostess.

Sigma Delta Announces Pledging

The Sigma Delta fraternity takes pleasure in announcing the pledging of C. Shelby Dale, of Portsmouth, Ohio, on January 6.

S. P. E. Initiation

N. C. Gamma of Sigma Phi Epsilon announces the initiation of William H. Thompson, New Bedford, Mass., on January 8.

Alpha Delta Pi Pledging

Omelton chapter of Alpha Delta Pi announces the pledging of Jean Stuart Boyd, of Belleville, Ill., on Monday, January 8.

Sigma Alpha Epsilon Holds Initiation

North Carolina Nu of Sigma Alpha Epsilon announces the initiation of the following members on December 14: James Bolling, Silver city, N. C.; John Knowlton, Philadelphia, Pa.; Raymond Lott, Durham, N. C.; Hays Scott, Durham, N. C.; Lewis Smith, Smithtown, N. Y.; Howard Malde, Baltimore, Md.; was pledged on December 11.

In conclusion, Mr. Tongue spoke of Seneca's relation to modern drama and of Shakespeare's debt to him with regard to the use of poetic and dramatic forms.

At the next meeting of the Classical club, February 13, Kenneth McLain will speak on "Sophocles' 'Antigone'." The public is cordially invited to attend this and all subsequent meetings of the club.

A "junk yard" case, popular several years ago among American college students, has broken out again at Ohio Wesleyan. Automobiles of all kinds and things are to be seen on the streets of Delaware with appropriate names painted on them.

Mr. Tongue first discussed, comparatively, the general qualities of the Greek and Roman dramas, touching upon the Latin preferences in tragedy, as they differed from the Greek, and upon the Latin prejudices. The author of the "Oedipus," Lucius Annaeus Seneca, was a stoic philosopher, and as a writer was considerably influenced by the rhetorical tendencies of his day. He was at times rather inclined toward sentimentalism. In dealing with the plot of the "Oedipus," Seneca made numerous divergences from the plot of Sophocles' tragedy; yet many passages in his play show that the Roman's relations with and indebtedness to his Greek predecessor, who was not only Seneca's main source of information, but also his inspiration, were by no means negligible. However, Seneca's version of the Oedipus myth is more condensed than that of Sophocles, and the reasons for this condensation and its meaning were discussed at some length.

COLLEGE GROUPS HAIL 'AIR OPERAS'

Metropolitan Opera Gives Students Opportunity to Hear Great Composers

The vast American college student body will be better enabled to understand and appreciate the works of the great French, German and Italian operatic composers and singers as the result of the weekly broadcasts from the stage of the Metropolitan Opera House in New York which are heard over both national and wide networks of the National Broadcasting company each Saturday afternoon during the winter.

Seventy-seven key radio stations in all parts of the country make it possible for thousands of undergraduates to discuss the respective merits of the world's foremost operatic figures, with a greater degree of familiarity.

In addition to influencing the academic, it is generally conceded that the series will have a marked cultural effect upon the country at large and raise the status of Americans as a music-loving nation to a plane higher than ever before.

The series is regarded as a definite boon to those taking music and music appreciation courses at the various colleges and universities since it will acquaint them with the voices, rarely heard, of more than a score of the leading internationally famous artists associated with the Metropolitan Opera company including Lily Pons, Nino Martinelli and Rosa Ponselle.

The first of the series, "Hansel and Gretel," was broadcast on Christmas Day. Each opera is broadcast in its entirety direct from the stage of the Metropolitan opera house during the regular Saturday matinee performance. Usually about two and one-half hours of radio time are required for the complete opera. Throughout the broadcast explanatory remarks are contributed by Milton J. Cross and John R. Kennedy, of the National Broadcasting company, who speak from a strategic point in the opera house.

Lithuanian men prefer the clinging type of woman who confines her independence and capabilities to the kitchen, according to Eva Lovibit, a Lithuanian student at the University of Minnesota. We advise a curialment of the Lithuanian immigration quota to avoid disappointment. They cling over here, but they don't cook!

O. D. WANNAMAKER PRESENTS VIEWS

Education in China Influenced by Present-Day Critics, Says Speaker

Prof. Olin D. Wannamaker, noted lecturer, educator, and traveler, spoke at the weekly discussion on the "History of Music" last Friday morning during the chapel period, taking as a topic the "Life of Beethoven."

"Beethoven is the bridge between the classical school of music and the romantic school of music," stated Mrs. Barnes. "Not everyone says that Beethoven is the greatest musician of all, but it is generally conceded that he possessed the greatest personality of all musicians."

Beethoven began his musical career at the age of three. His father, inspired by the success of the boy Mozart, forced him to practice long hours every day. The great master's life was one of poverty and unhappiness, but his character was beautiful until deafness made him bitter and cynical. He was even denied the joy of hearing the applause of his audiences.

During his speech he analyzed the events and crises in China today and brought out what he believes will be the probable effects upon education there. He commented also upon the most important happenings of the past few years in relation to their influence upon the development of education in China.

Jack Glace, star center on the North Carolina game team, is the only member of the starting five who is not from North Carolina. Glace hails from Pennsylvania.

Featuring Miss Peggy Strowd at the piano, Mrs. J. Foster Barnes continued the weekly discussion on the "History of Music" last Friday morning during the chapel period, taking as a topic the "Life of Beethoven."

WALLACE SPEAKS ON COLLEGE LIFE

Secretary Wallace Addresses First National Conference on Students in Politics

TWO DUKE MEN ATTEND

The Hon. Henry A. Wallace, Secretary of Agriculture, delivered the main address on "Youth in the Nation's Service" before the first National Conference on Students in Politics held in the U. S. Chamber of Commerce Building in Washington, D. C. on December 29-31. Gene Phillips and David Bangie represented the Duke Y. M. C. A. Resolutions made at the conference were not voted upon since the conference was given the use of the Chamber of Commerce building on condition that no debate should be taken. The conference nevertheless drew up the feeling of the three hundred and fifty delegates from thirty-seven states in a document that put the meet on record as being actively opposed to war, to the reserve officers' bill, to the National Youth Administration, to the National Labor Relations Act, to universities, naval and military expenditures, race discrimination, and to Fascism.

The Hon. Henry A. Wallace stated that college life expressed itself in "such rackets as organized football or college basketball, a sort which played essentially the same from generation to generation." Students take no interest in world events, only disagreeing with their elders on superficial subjects. "A true youth movement," the Secretary added, "must be a new, vital, adventurous approach to the potentialities of the coming age. . . . The depression should create a genuine youth movement."

Other speakers who appeared were Norman Thomas, presidential candidate in 1932, William E. Sweet, former governor of Colorado; Eugene Meyer, former Federal Reserve Bank President; William Wallace B. Dunham, dean of the Harvard Business school; and Devere Allen, editor of the *World Tomorrow*.

STUDENTS STUDY MOVIE SITUATION

In an attempt to solve the Quadrangle pictures problem, the Student Relations committee will confer with the university administration Quadrangle committee some day this week.

It is hoped that a reasonable solution will result or that blame may be placed for the inability of the Quadrangle to secure films. Conferences have already been held with representatives of the Carolina, Paramount, and Rialto theatres in Durham.

The Student Relations committee, a recently organized group, met last Monday and made plans for following up its accomplishments of this fall. Various criticisms that students had presented to the committee were reviewed and the most important are to be followed up this month.

OAK RIDGE CAGERS PLAY HERE FRIDAY

Cadet Team Expected to Provide Strong Opposition For Blue Imps

Coach Herschel Caldwell of the freshman basketball team announced Monday night that he had secured a game for the Blue Imps with the Oak Ridge academy in the Duke gymnasium on Friday night. The schedule which had been announced the previous week did not include this game with the cadets, who are reported to have one of the easiest pre-school squads in the east.

The freshmen have played but a single game this season, that with Wake Forest last Saturday evening, emerging from the tilt on the long end of a 35 to 27 point. Coach Caldwell will rely upon practically the same lineup for the cadet game. The Oak Ridge boys have already provided plenty of competition for the Imps and are being looked upon this year as presenting a stronger team than ever before.

The game will begin at 8 o'clock.

Hank Anderson, former Notre Dame coach, is the 25th man to hold the position of head football mentor at N. C. State.

In a recent game, South Carolina, holders of the southern conference basketball title, swamped Presbyterian by the overwhelming count of 84 to 9.

WRESTLING TEAM HAS THREE MEETS

Tentative Schedule to Include Davidson Here, Carolina and State Away

The wrestling squad has a unique schedule this year. Meets with teams of three North Carolina schools have already been arranged. They are U. N. C. N. C. State, and Davidson college. All three are close rivals and will give Duke a hard fight. The tournaments with the two state institutions will be double-headers, the freshman team will grapple before the varsity. Arrangements are pending for a post season meet with the University of Miami. If the plans are carried out the squad will travel to Coral Gables about March 5. Daily workouts for the wrestlers are held from 9:00 to 4:00 in the afternoon, while the time for the boxers is from 4:00 on. The training for the grapplers consists of a number of drills for conditioning.

The wrestling coach, Add Warren, predicts a very successful season because of the good material. The team is fortunate in having six lettermen back. Sherman Trowler is the captain for 1934.

The wrestling schedule follows:
Feb. 21—Carolina here, February 19—Davidson here, February 16—N. C. State there.

DRAMATISTS HEAR ADDRESS BY KOCH

Carolina Professor Speaks to Dramatic Society on New Theatrical Developments

Over forty members attended the board of directors' meeting of the Carolina Dramatic association, held in the Playhouse theatre in Chapel Hill last Saturday, January 6.

In the opening address, Prof. F. H. Koch traced the developments of the past year in the field of drama. Placing emphasis on the number of Hollywood stars who have recently returned to the legitimate stage, he intimates that, despite the screen's advantage over the stage in the facility of representing scenes, the cinema will never replace the legitimate stage.

At the morning session there were panel discussions of playwrighting, stagecraft, and costuming. R. M. Gruman, University extension director, presented the closing address.

Following a luncheon the afternoon session was taken up with talks, discussion, and the presentation of plays. The program was concluded with the Playhouse closing address.

For the first time in several years the University of Georgia will not meet Southern California in football.

The wrestling coach, Add Warren, predicts a very successful season because of the good material. The team is fortunate in having six lettermen back. Sherman Trowler is the captain for 1934.

REVIEWING 1933

"Variety," that ace screen-trade journal, lists the following pictures as the most successful of 1933's many flickers. That successful tag includes many sides: popular appeal, critical judgment, financial success, artistic worth, etc. Here they are:

"She Done Him Wrong," in which Mase (come-up-and-see-me-sometimes) West took the center of the national spotlight to the tune of "Frankie and Johnny."

"Diplomat Annie," featuring those perennial sweethearts, Marie Dressler and Wallace Beery, in a whale of a story.

"42nd Street," marking the return of the song-and-dance picture and the debut of Ruby Keeler.

"Gold Diggers of 1933," a repeat for Warner Brothers and a new high in talking-singing-dancing-swimming-walking pictures.

"Little Women," marking the end of the year with a dose of sweetly sentimental sentiment.

"State Fair," the first and best of the back-to-the-land films, with an all star cast and a sentimental story.

PERSONAL NOMINATIONS
For the greatest personal rise during 1933: Katharine Hepburn.

The wrestling coach, Add Warren, predicts a very successful season because of the good material. The team is fortunate in having six lettermen back. Sherman Trowler is the captain for 1934.

The manly art of self-defense

... now applied to telephone cable

Western Electric, manufacturing unit of the Bell System, now makes a tape armored telephone cable ready to meet all corners. When laid directly in the ground, this cable defends itself against moisture, grit, corrosion and other enemies. Besides the usual lead sheath, the tiny copper wires in the cable are guarded by seven layers of paper, tape and steel tape—all saturated or covered with asphalt compound.

In pioneering and producing improved apparatus, Western Electric contributes to the year-round reliability of your Bell Telephone.

PHI ETA SIGMA TO HOLD SMOKER FOR FRESHMEN

A smoker is to be held by Phi Eta Sigma, national freshman scholastic society, for those freshmen who made superior grades on their mid-semester reports in the Union ballroom, Monday, January 15, at 7 o'clock.

This smoker, which will feature an address by Dr. W. K. Greene, dean of the curricula, will acquaint these first year men with the ideals and purposes of Phi Eta Sigma, the only freshman national honorary society, and will give them a chance to meet some of the men now in the upper classes of the university who have made superior grades.

Soon after the close of the first semester bids will be issued to freshmen membership in the order. To be eligible a freshman must have made an average of two and one quarter quality points per semester hour of work carried.

ful five. Maryland likewise has five victories. Virginia has only one regular back, but in turning in a 48-6 triumph over Randolph-Macon demonstrated strength.

A stiff schedule may cause the V. M. team to favorably, but four letters men and four sophomore candidates may bring the team through successfully. V. P. L. losing five veterans last June, does not look forward to a highly successful season.

Big Five teams will take part in several contests this week. Carolina will make a trip to Virginia, where they will oppose V. P. L., V. M. I., and Washington & Lee.

BLUE DEVILS BEAT DAVIDSON 40 TO 35

Strong Opposition Met by Cagers in Second Big Five Victory

Encountering unexpected stiff opposition Duke university's basketball team came through in the final minutes of play to defeat Davidson 40 to 35 at Charlotte. It was the second successful defense the Blue Devils have made of the 1933 state title.

Early in the game Duke piled up a 10 to 3 lead, but Ross started finding the basket for the Wildcats to close up the gap. Entering the second half with the score 22 to 18 against her, Davidson came back strong to tie the score at 38 all. The Blue Devils at this point took the lead and were never headed. A long held goal by Jim Thompson in the last few minutes of play secured the game for Duke.

Pull Weaver led the local scorers with 12 points. The Thompson brothers each accounted for four field goals and two fouls for a total of 10 markers. Lafferty and Ross starred for the Wildcats. Duke committed fouls calling for 16 free throws of which 11 were made good by Davidson. The Blue Devils converted 10 out of 15 foul shots.

Jack Torrence, star tackle for L.S.U., and intercollegiate title holder in the shot put, plans to enter West Point next year.

In make-up and general arrangement the magazine is attractive. Of particular interest are the two illustrations, the cover and the scene from "The Beginning of a Mortal," by Max Miller, a book to be reviewed in the January Reader. Typographical errors, always the bane of printers and editors, could be watched more carefully with profit.

The Imps have their next game on January 17 when they travel to Raleigh to clash with the State Wolfcubs. The remainder of their schedule is as follows: February 6, Carolina at Chapel Hill; February 10, Davidson at Chapel Hill; February 12, Davidson; February 16, Carolina; February 24, State.

not satisfied with the team's defensive work. Special attention has been given to this department in the daily drills. In the games played to date the Blue Devils have been rather poor in con-

verting free throws. Realizing that this fault can cause the loss of many games, Coach Cameron has been emphasizing the importance of making foot shots good.

When Duke meets Maryland she will be running into a different type of defense than has been met so far this season. The Old Liners emphasize the same defense, because of the many games that have been played in the last week, Coach Cameron has had little time in preparing the team for this type of play. South Carolina is the only other team in the conference employing the zone defense.

contest was Connie Mack, Duke center, who scored 10 points.

In their first home contest the Blue Devil cagers opened their southern conference basketball championship drive against the Clemson five from South Carolina. Duke defeated the Tigers 38 to 23 as Kunkin, Jim Thompson, Bell, and Weaver fairly evenly distributed the scoring honors.

After paining a 10 to 4 advantage in the early stages of the game Duke was

overhauled and passed by Clemson until Bell, Weaver, and Jim Thompson counted to give the Blue Devils a 21 to 19 lead at the half.

Spurling in the last half Duke pulled out of danger to win the contest. Charlie Kunkin, a sophomore playing in the absence of Connie Mack, was one of the outstanding stars of the game, amassing 11 points and exhibiting unusually fine passwork.

The Center Leaves have the finest Tobacco Quality

that's why only center leaves are used in Luckies

The finishing people see and like about Luckies is how round and firm they are. The tobacco doesn't spill out and there are no loose ends to cling to lips. That's because we pack each and every Lucky full to the brim with long, even strands of the finest Turkish and domestic tobaccos—only the center leaves. Not the top leaves—because those are under-developed.

Not the bottom leaves—because those are inferior in quality. We use only the center leaves—because they are the mildest and fully ripe for perfect smoking. That's why Luckies always draw easily, burn evenly—and are always mild and smooth. So smoke a Lucky, a fully packed cigarette. And remember, "It's toasted"—for throat protection—for finer taste.
