Holiday Greetings!

* * *

Dear Music Buyers:

We wish you happy winter holidays! And we wish to be a part of your successful season of music sales. We appreciate being able to work with you to bring folks around the world all this great music. Below are a few guidelines to make the season bright.

This catalog is a supplement to our Summer/Fall Wholesale Catalog -- between these two lists, you will find prices for everything we have in our annotated Fall Retail Catalog, PLUS some hot titles that we've picked up especially to supply to stores. (Asterisked titles are the newest.) Please refer to page 2 of our Summer/Fall Wholesale Catalog for more general info plus Terms and Conditions of Sale, and to the Retail Catalog for the descriptions. Call if you've misplaced your copy of either, and need another. And, of course, if you have questions about what we stock or any other matter, we always welcome your calls.

FINDING YOUR WAY AROUND THIS SUPPLEMENT:

- Holiday Titles - page 4
- New & Recent Additions - page 7
- Deletions & Discontinued Titles - page 34

SPECIAL DATING ON HOLIDAY ORDERS:

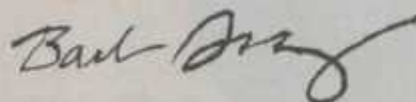

If you have already established NET 30 day terms with us, we invite you to place your initial holiday orders by November 25th and enjoy NET 60 day terms on those invoices. This means you'll pay us for all stock sold during the holidays at the same time that you make any returns of holiday titles, calendars and overstock. We hope you'll take advantage of this opportunity to order EARLY the quantities you will need for the entire season.

HOLIDAY RETURN POLICY:

- We must have a **WRITTEN Return Authorization Request** by January 10th.
- Give us title, format, and quantities you are requesting to return (on items you have purchased from us only please!).
- Then we will send you a copy of our **Return Authorization (R.A.)**.
- Please use the R.A. as a packing slip and ship the product to arrive here by January 25th.
- **WE CANNOT ACCEPT HOLIDAY TITLES, CALENDARS AND DELETIONS AFTER THIS DATE!** (By the way, we had great compliance with this policy last year -- thanks!)

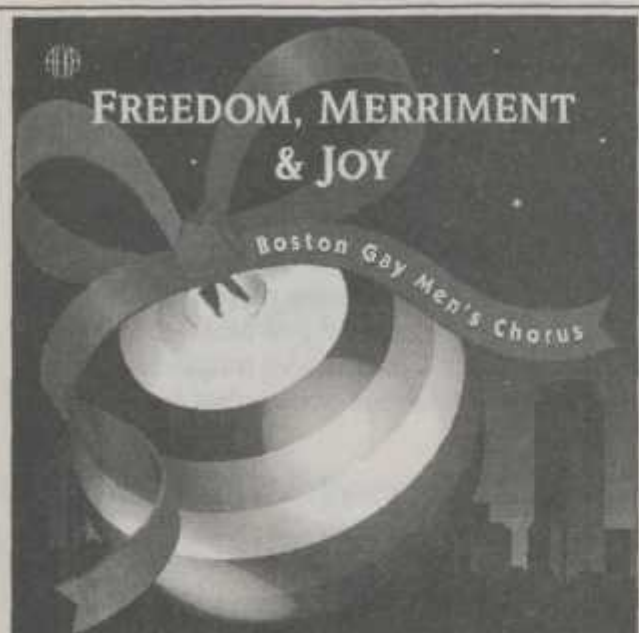

Again, all of us here at Ladyslipper are honored to work with Retailers like you who want to bring music by women and feminist or gay men to your customers for the holidays and year 'round. Call Barbara Beechwood, Bramer, Dorothy Abbott, or me -- your wholesale representatives -- today to place an order.

Thanks!

New from Lisa Thiel: *Invocation of the Graces*

This collection of magical and powerful song prayers, adapted from and inspired by the Ancient Celtic Tradition, calls forth the realm of myth and magic.

"Invocation of the Graces is unquestionably Lisa Thiel's best work to date. Her songs, her voice and her music are both invocations to, and acts of Grace... This CD will surround you with its magic and pour down upon you the bounteous grace of the Goddess - I highly recommend it."

— Donna Fontanarose Rabuck, Ph. D.
Founder/Director, Center for the Sacred Feminine

"Blending symbols and myths of the Sacred Feminine, Lisa's music is a unique synthesis of ancestral memory and contemporary women's spirituality."

**Presenting Jennifer Berezan's
breathtaking new album "Refuge"**

"REFUGE"

This brilliant collection of songs is a moving journey through the landscapes of change, loss, healing, and transformation. A unique artistic vision that seamlessly blends personal, political, and spiritual themes.

Includes: "Evie", a riveting tale of honest love in an intolerant culture. "Crazy Saints", which updates the story of Cassandra of Troy. "If I Can't Dance", an inspired anthem that takes its cue from feminist Emma Goldman and is set to a fresh Afro/Celtic rhythm.

Features guest musicians: Nina Gerber, Laurie Lewis, Jami Steber, Chris Webster, Joe Craven, and more.

"A beguiling voice...one of today's most talented songwriters and expressive singers." - Oakland Tribune

"She Carries Me"

with Olympia Dukakis, Chris Webster, and Darol Anger

A prayer to heal the broken heart. "She Carries Me" is destined to become a classic in the world of women's spirituality. A powerfully evocative and meditative piece of music featuring Academy Award Winner Olympia Dukakis reciting "The Charge of the Goddess." Also features gorgeous violin tracks by Darol Anger and layers of soaring vocals and chants to the Divine in her many forms.

"Wonderful...it has a very beautiful, gentle and steady heart feeling that goes to the heart first." - Lizabeth Thibault
"Breathe a new life into this timeless and soaring...a truly needed addition to the world of sacred music." - Olympia Dukakis

**Lava Tunes Records
announces the release of**

PELE JUJU LIVE!

Produced by John Reynolds and Pele Juju[®]

Dubbed the "wild women of world beat," **Pele Juju**, an eight piece all women band from Santa Cruz, CA, easily backs up the claim on their latest Lava Tunes Records release: **PELE JUJU LIVE!** -- 10 tracks of original high energy dance music, soulful ballads & African drumming, that succeed in capturing the intensity & magic of the band's magnetic stage show.

From the opening afro-beat grooves of "Anikewa," to lead singer Dana Hutson's scorching hot vocals on "Concrete and Steel," the band winds its way through tastes of zydeco, soca, pop, and R&B, to delight & ignite its audience at every turn. Worthy of note is the catchy "All We Got" with a bit of pop & a lot of funky rhythms, the deep groove extended jams on "Kryptic Postcards" and "We the People," & the hot spicy cajun style, "Happy to Be Alive." The peppy & invigorating soca-style "Higher and Higher" & "Move" are guaranteed to heat up dance floors, and the captivating love song "Magic" is exactly that.

Pele Juju is:

Dana Hutson - Vocals

Deb Lane - Drums

Annie Steinhardt - Bass

Molly Higbie - Guitar/Keyboards

Elaine Beggelman - Saxophones

Trace Ashleigh - Percussion/Sabar

Brindle - Djembe/Bougarabou

with Guest Artists:

Shelley Doty

Bob Burnett

Pele Juju will support **PELE JUJU LIVE!** with national tours in the summer and fall of 1997 and a promotional video of the song "Kryptic Postcards."

Pele Juju's June 1997 performance at City Stages in Birmingham, Alabama prompted the Birmingham Post Herald to write:

"...at the World Beat Stage Sunday evening, Pele Juju, a California based rhythm and percussion tribe of eight warrior women, put on an incredible show, led by front woman Dana Hutson, whose onstage body language is reminiscent of Janis Joplin." - Darin Powell & Kathy Kemp

Each year we clear out some of the old to make room for the new.

Pages 34-38 contain this year's list of titles either we cannot currently get, or are discontinuing as of January 25, 1998. We urge you to hang onto them through the holiday season, and sell what you can. If you then wish to return any of these:

A TAPESTRY OF VOICE AND MUSIC

CIRCLE OF WOMEN

From the beginning of time, women have gathered together to express their passions through song. Join Alice Di Miciele and several of the Pacific Northwest's most powerful female singers in a circle of celebration of women everywhere with prayerful thanks to Mother Earth. Weaving a tapestry of voices and music, the circle draws from its diverse cultural roots of Celtic, African-American, Jewish, Korean and Sicilian heritages.
