

SLAVERY EXISTS!

MISS AMERICA IS A SLAVE TO:

THE IMAGE OF SEX

The best specimen gets the blue ribbon. She is an object not a person.

A VIRGINAL PRETTINESS

To win approval she must be both sexy and wholesome.

THE GLORY OF WAR

The highlight of her reign each year is a cheerleader for American troops abroad.

A MINDLESS CONFORMITY

Miss America represents what women are supposed to be: unoffensive, bland, apolitical.

ACCEPTANCE OF RACISM!

There has never been a Black, Puerto Rican, Alaskan, Hawaiian or Mexican-American winner. Nor has there ever been a true Miss America -- an American Indian.

THE CULT OF YOUTH

Women must be young, juicy, malleable--thus age discrimination.

THE COMPETITIVE SPIRIT

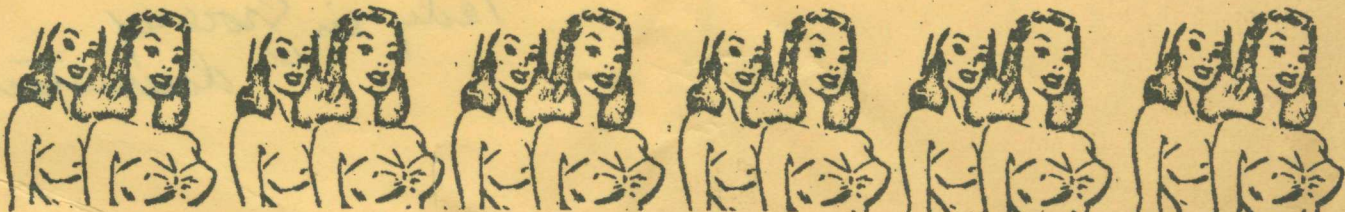

She perpetuates the American myth of having to get ahead in order to have any worth.

THE CAPITALISTIC SYSTEM

She is a walking commercial, wind her up and she plugs your product on promotion tours and TV.

Keep Women Off The Block!

Boycott the Pageant!
